Unanimous NO. Chris and Trent are trying to schedule a
meeting with teachers tomorrow. It is assumed they are
going to say no for sake of it. We may be able to still
move everyone else over but savings aren't going to be
nearly as strong. Let's not count this out yet***

He's still in rough shape vsounds week and they had to remove a rib. He had surgery three weeks ago. Probably out for about another 6 weeks. He's said he is feeling blessed about having a second chance on life and wants to do everything he can to make a difference for people. He said it's ok to share the info. He spoke with rich divito yesterday. Anyway I wanted to share this with you because it made my day

After that we have to watch Spin City

Cheryl Pearce (+1 (860) 948-8151)

So this is actually all true for my childhood 😊

I am from Minnesota. And most of my clothes came

from KMart, Penney's or Sears or were homemade.

Eating out at a restaurant was a huge deal that only happened for very special occasions . Hardees was always a treat.

Eating ice cream was a treat on a hot day.

You took your school clothes off as soon as you got home and put on your play clothes. We had to do our homework before being allowed outside to play. We ate dinner at the table We went to school everyday and rode a bus with 3 to a seat. There was no taking or picking you up in the car 🙅🙄 lol!

Our phone hung on the wall in the kitchen and had a cord there was no private conversation or cell phones!

TVs didn't have remotes, we had to actually get up to change the channel and turn the antenna outside to get better reception. No cable just four stations plus PBS.

We played Mother May I, Hopscotch, Cowboys and Indians, Cops and Robbers, 1,2,3 Not It, Red Light Green Light, Red Rover, Hide & Seek, Truth or Dare, Tag, Baseball, 4 square, Kick Ball, Dodge Ball, rode bikes.

We could spend hours playing Barbies or house or played football in the yard. We played baseball or softball at the local park every summer and swam in the river or the lake . No one had their own pool!

Staying in the house was a punishment and the only thing we knew about "bored"--- "You better find something to do before I find it for you!"

We ate what mom made for dinner or we ate nothing at all.

There was no bottled water; we drank from the tap or the water hose (warm).

We watched cartoons on Saturday mornings, and rode our bikes for hours and ran around in the woods. We played til dark, sunset was our curfew.

We watched our MOUTHS around our elders because ALL of our Aunts, Uncles, Grandpas and Grandmas AND our Parents best friends were also our PARENTS (they COULD & WOULD WHOOP Y'ALL!,) and you didn't want them telling your PARENTS if you misbehaved.

These were the good ole days. Kids today will never know how it feels to be a real kid. I loved my childhood...!!!

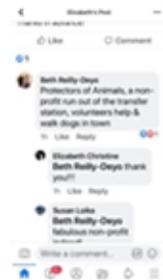

Sally Katz (+1 (203) 430-0400)

19:52:43

Totally agree

What am I missing?

Cheryl Pearce (+1 (860) 948-8151)

08:53:37

I am not sure what Gary's comment meant but but my post was about dogs being kept at the transfer station. And a group called Protectors of Animals who helps take care of them. I had never heard of this in Town

Sally Katz (+1 (203) 430-0400)

08:54:31

Yes POA is at the Transfer Station but I couldn't see if they were complaining or complimenting POA

Cheryl Pearce (+1 (860) 948-8151)

08:55:39

It was a compliment & Amy Bello had commented so I figured it was legit - I just never knew they were there.

Sally Katz (+1 (203) 430-0400)

08:56:53

Technically when we talk about animal and our holding facility that's what they're talking about. They aren't in the Transfer Station the dogs are in a place attached to the old garage.

08:57:30

POA staff feed, walk and exercise the dogs daily. They also arrange adoptions

+1 (860) 819-9601

09:06:35

I was making a joke. Sometimes post things not realizing they dont actually have permission to do the things they are doing. Then we find out and shut them down

Cheryl Pearce (+1 (860) 948-8151)

09:07:05

Liked "POA staff feed, walk and exercise the dogs daily. They also arrange adoptions "

18:38:45

There was an officer involved shooting in Weth at Silas & Maple

+1 (860) 819-9601

18:39:06

Yes. Waiting on details.

Sally Katz (+1 (203) 430-0400)

18:39:10

Road is being closed off. Physical Services staff are doing it and assisting where needed

18:39:20

Let me know if you need me to do anything

Stephanie Askelund (+1 (860) 759-0326)

18:39:49

Any injuries?

+1 (860) 819-9601

18:39:58

Thank you for update, please keep me in the loop. Still waiting on Chief

Sally Katz (+1 (203) 430-0400)

18:39:58

Awaiting details

18:40:12

Apparently started in Hftd

+1 (860) 819-9601

19:15:35

Just spoke with chief. Driver is a Wethersfield resident, passengers from Hartford. Not sure the full story yet as the driver was shot, looks like twice, by a police officer. Based off of examination of video

footage, the officer acted correctly in the discharge of his weapon but the state police are investigating as part of protocol

19:15:43

Passenger

Ok. Thx for the update

+1 (860) 819-9601

19:16:48

Will no more in next 24 hours

Sunday, April 21, 2019

+1 (860) 819-9601

14:06:52

Investigation close, we will not have the results for a while. So far it does look like our office has acted accordingly. Person who is shot is still in the hospital. Passenger is acting as a witness and seems extremely cooperative. Not much more to tell unfortunately.

14:07:03

Completed

Sally Katz (+1 (203) 430-0400)

14:34:48

Ok the waiting game begins. Hopefully the media won't jump to conclusions

+1 (860) 819-9601

14:39:51

They already tried to, and it doesn't help that they have the chief laughing maniacally on video when the question was posed if the officer acted

appropriately. Not really good. It was a black police officer and an Hispanic perpetrator. Hopefully no one tries to paint it as a racist act. They had probable cause, and the video looks to substantiate the officer. I've spent too much time in NB

Sally Katz (+1 (203) 430-0400)

14:55:02

Wow the inappropriateness of the Chief's reaction is horrifying

09:57:33

Stephanie Askelund (+1 (860) 759-0326)

10:04:34

08:29:13

I just saw a story that Simsbury is using goats to eat poison ivy around a school building. We have a lot of ivy around Weth. Can we please get some goats and use part of Wilkus to house them? I think it would be hysterical.

+1 (860) 819-9601

08:56:24

Actually, that's an eligible use. I think we should do it. Make it a petting zoo too

08:56:39

Stephanie Askelund (+1 (860) 759-0326)

09:13:58

I'm just reading this laughing!!! I saw the text and thought what has gone wrong. And the text is about 🐐!!! It's actually a really good idea. Put up some fencing and let them go!!! I'll work on the recruitment!! I can see it now wanted a few good goats..... 🤔

+1 (860) 819-9601

09:20:34

09:22:06

Minimum qualification: ability to graze repeatedly, and stand almost motionless, for 8hrs.

Sally Katz (+1 (203) 430-0400)

09:49:04

Love it !! We will need an MOU from the union on adding the task of caring for animals. Apparently their

poop is rich in organic nutrients so it gets left behind to fertilize the soil. Win-Win.

Stephanie Askelund (+1 (860) 759-0326)

09:52:42

This is definitely a non union position. But we do need included travel provided!

Sally Katz (+1 (203) 430-0400)

Stephanie Askelund (+1 (860) 759-0326)

08:44:22

This is a very touchy situation with me.....Because he meets the minimum He will be invited to the oral panel. However he Will NOT be given any special preferential treatment because he knows Mike Rell and Bobbi G. We have had other previous applicants that former mayors and Chairpeopke have pushed us to try to hire and we have not. Good ol'boy system is not part of our process nor my reputation as a HR professional

Sally Katz (+1 (203) 430-0400)

08:45:06

I reviewed his application and frankly he is not a strong candidate

+1 (860) 819-9601

Volunteer FD, long time Wethersfield resident, supporter of multitude of programs, volunteer coach, etc...I'm not telling you to hire him. The most suitable person gets the job. I'm sure he meets the minimum qualifications to take the test. Hasn't he been a carpenter for at least a decade?

Stephanie Askelund (+1 (860) 759-0326)

08:57:23

He does meet minimums. And will be invited to oral panel Like I said touchy issue with me. I know you aren't telling me to hire. Just been down this road before and I've worked hard at keeping a solid selection process

Upon further consideration I'm going to have Paul get industrial strength spray cleaner tomorrow instead of using the diluted bleach solution spray. My fear is that people will spray surfaces and then ruin their clothes by grazing the surface before it dries or they get it on their clothes as they are wiping it off. The reason I'm writing the text is that I'm not sure what time of the day we will be able to get it. May be too late for a Fri drop off. Will know more in the morning.

09:36:13

If you really want to get Town Hall cleaned we would have to close completely OR do it on a weekend when we are closed plus a day. That said it would be a huge undertaking as people would have to clear surfaces, not pile things on window sills, and clear as much from the floors so carpets could be shampooed. Our school custodial staff is already working next weekend and the weekend after that is Good Friday so you'd be paying double time. A commercial cleaner will be big \$\$\$\$. An option is to talk to SMG (current cleaning company) and have them come in on a weekend to disinfect all door handles, bathrooms, main doors, window hardware, radiators etc. it's going to again have a big cost.

From town of GLASTONBURY - Residents Beware CDC Scam Artists

Post Date: 03/16/2020 10:19 AM

Residents should please be aware of the following scam:

There have been several unverified reports elsewhere in the country of people posing as personnel from the Centers for Disease Control and Prevention (CDC), who are going door-to-door, allegedly conducting a coronavirus (COVID19) survey or investigation. The CDC is NOT conducting any such investigation and residents should NOT grant people claiming to be from the CDC access to their homes. Residents should instead contact police immediately at (860)-633-8301, and select option 8. Police have no information that CDC is conducting phone surveys either, and people should NOT provide personal information over the phone.

Please share this with your friends and colleagues.

We have an Officer with fever, respiratory issues (confirmed pneumonia) admitted to hospital and tested; awaiting results. Officer worked B/C shift and was in a cruiser as well as dispatch and through building. Unlike other Officer with recent potential symptoms, this sounds closer to the real deal. How do we get a cleaning crew in to PD?

12:29:34

Steph: Sally is already on top of it with staff there cleaning already. Sounds like PS has a game plan going forward using a spray to provide a cleaning/chemical mist. No need for a fire drill

Since he's been leaning how to do it. PD has to take it offline for 48 hours without anyone touching it. He'll then go back spray it again just to make sure.

Just a point about pools. We are on the east coast. It rarely gets to 100 degrees out. Having lived in AZ for 26

years where I've been in temps above 120 degrees and never had a pool- I made it. I survived. One summer with no pools is not going to forever traumatize people.

19:36:37

How's it going?

Sally Katz (+1 (203) 430-0400)

19:41:12

A bit of a setback today. A couple of days ago I started having pain in my leg. I called the dr because I couldn't walk this morning I was in so much pain. Found out the knee is good but I've developed acute bursitis in a bursa sac below the knee. I had a massive (ouch) cortisone shot and I'm now on big doses of anti-inflammatory meds. Ugh 🙄 How was everyone else's day?

Stephanie Askelund (+1 (860) 759-0326)

19:46:07

Oh my gosh Sally. That sounds painful! Made it through my second day! So far so good. I miss the good ol days of knowing the answers when I was asked a question. Lol. Gary how are you doing?

+1 (860) 819-9601

19:56:08

Oh my!! Other than being called a racist, not as bad as yours.

Saturday, April 6, 2019

+1 (860) 819-9601

08:50:01

Sorry for bugging you on a Saturday. I'm sending an email to the chief that says "please come to my office at 9 AM Monday morning with a written explanation as to your rationale for moving forward with the body camera policy without approval from me. It was agreed-upon by all parties that the town would not release a policy until April 15 and/or until the town and union finish reviewing the documents for inconsistencies." Or, should I strike the last sentence?

Stephanie Askelund (+1 (860) 759-0326)

Stephanie Askelund (+1 (860) 759-0326)

19:15:42

Hi. Sorry to bother you. I just read the email you forwarded. Am I missing something? He still didn't answer the question as to why he released the policy prior to April 15 and especially while there are ongoing meetings with the unions to discuss? Am I losing my mind?

+1 (860) 819-9601

19:16:32

Nope...which is why I had to send to you because I have NO ONE TO COMMISERATE with

+1 (860) 819-9601

19:19:43

**I must have read it 8 times to understand it.
And....30-days is 30 days...so April 15 to May 15 is
still 30 days, so how does it not align**

19:20:25

**Nothing makes sense. I think he is covering up for
the mistake**

Stephanie Askelund (+1 (860) 759-0326)

19:22:00

**I read it a few times too. It still stands that there was
an agreement on the date it would be posted. I've also
thought about that IA this weekend**

+1 (860) 819-9601

19:26:12

**I'm not even sure how to handle it. I want to crush
him, but I want it to be tight and so it sticks. I
haven't decided if I'm going to allow him to ramble
for 15 minutes tomorrow and then just turn around
and rip apart every point he makes or just slam him
when he walks in. By 2morrow I'll have calmed
down again.**

Stephanie Askelund (+1 (860) 759-0326)

19:27:09

He will bring up something from 1974

Stephanie Askelund (+1 (860) 759-0326)

Stephanie Askelund (+1 (860) 759-0326)

I don't think we purchased them. I think we got them from s state grant. For some reason I think we've had them upwards of a year

+1 (860) 819-9601

14:49:35

That sounds right. We are getting questions about it - want to avoid saying we've had them for a year

Monday, April 29, 2019

Stephanie Askelund (+1 (860) 759-0326)

08:15:08

Mayor just called. She's on her way in if you have time to talk

+1 (860) 819-9601

08:19:03

Yeah she text me. I'm just dropping Josh off now and I'll be there in a few minutes. Just keep dancing until I get there. Ask Sheryl if she saw the message from her About a letter.

08:19:18

I spent the entire weekend pretty much texting email or talking to her in some fashion.

Stephanie Askelund (+1 (860) 759-0326)

08:19:36

Ok. We will keep her occupied

Remind me one of the top things I have to do when I get in his email Tony Gonzalez and Ed.

08:20:34

And if the mayor asks if you know how long we've had body cams so you'll have to look it up. I'm not gonna tell her it's been a year.

08:21:13

Even if it's only been two months for me.

09:42:09

I had reached out to Doug Thomas because we wanted to borrow some of the marketing stuff his people did for the TM position. He thought you may still have the pdf and possibly the video clip. Any chance? I've been trying to track it down for 2 weeks.

Stephanie Askelund (+1 (860) 759-0326)

09:51:19

I emailed the brochure to you a few minutes ago. I don't have the video clip

+1 (860) 819-9601

09:53:35

Damn it

Stephanie Askelund (+1 (860) 759-0326)

11:28:35

Ok. See you there

16:49:01

+1 (860) 819-9601

17:05:25

Now, I need to make sure I keep it under control, Ha ha ha. But thank you. If you want to time it so you

don't have to walk in by yourself though let me know.

17:05:56

Stephanie Askelund (+1 (860) 759-0326)

17:07:20

Stephanie Askelund (+1 (860) 759-0326)

18:58:34

Hi. Just want to offer some words of encouragement... this is the most difficult budget process you will go through based on coming into this organization well into the budget process. You have had an inordinate number of "you can't make this shit up" issues that have occurred before you started and since you have been in your position. We will get through it all. Take a deep breath tonight- get some sleep and be kind to yourself based on everything I just typed

+1 (860) 819-9601

19:14:20

Thanks!

19:14:26

Means a lot

19:29:54

Was in conference room with Brooke

Thursday, May 16, 2019

+1 (860) 819-9601

17:47:15

Gee, that's funny, I haven't heard from anyone from USI or CIRMA on PR

17:47:57

Other than assigning an attorney that finally told chief to stop talking, they've done nothing

Stephanie Askelund (+1 (860) 759-0326)

17:50:29

I did. And sent an email to you and mike indicating who from cirma was our contact- usi asked who things regarding pr cirma should be sent to and I said you and I also said the only people cirma should speak to about this is you Mike or me

+1 (860) 819-9601

17:51:03

Right, but other than that...nothing

Stephanie Askelund (+1 (860) 759-0326)

17:51:26

My apologies for not telling you that usi verbally offered any assistance we need

17:51:34

I should have

+1 (860) 819-9601

17:51:50

You may have. My point is they haven't done shit and he just said they have been

17:52:18

Stephanie Askelund (+1 (860) 759-0326)

17:52:31

Oh I get it

17:55:45

Sometimes this committee recommends things to the town and it's like no shit Sherlock

+1 (860) 819-9601

17:56:28

Hey douche bags, all things should be referred to me

and not directly to Cirma

18:06:13

It's fine. I'm leaving in 5 min to go to Joshs game for 10 minutes and then to memorial service

18:16:17

I'm so excited to hear good news!!!!

18:44:16

18:44:35

Hahah

18:44:41

Figures you were traveling

18:44:52

Jack didn't make it: I went solo

18:44:57

2.5 hours

Stephanie Askelund (+1 (860) 759-0326)

18:45:02

Really

+1 (860) 819-9601

18:45:03

Wasn't pretty for anyone

Stephanie Askelund (+1 (860) 759-0326)

18:45:10

Ugh on the 2.5

+1 (860) 819-9601

18:45:21

Jack went into hospital with he thinks kidney stones

Stephanie Askelund (+1 (860) 759-0326)

18:45:29

Oh shit

+1 (860) 819-9601

18:45:37

Needless to say he doesn't plan on going anywhere

18:45:55

So I told him I have to consider discipline

Stephanie Askelund (+1 (860) 759-0326)

18:45:58

You are kidding right?

+1 (860) 819-9601

18:46:09

And we spent a lot of time on

18:46:10

It

18:46:24

Still gonna hold off and talk on Ties/wed

18:46:47

Which is what i wanted, him to think about it

Stephanie Askelund (+1 (860) 759-0326)

18:47:48

Well. Hopefully you can find some time away from work stuff this weekend.

18:48:11

My travel plans are all messed up

+1 (860) 819-9601

18:48:24

Not there

18:48:56

Yet?

Stephanie Askelund (+1 (860) 759-0326)

18:49:48

Oh heavens no. Long story but I have to fly into pensicola and the airline is paying for a cab to bring me 45 minutes away to ft Walton beach where I have to pick up my rental car

18:49:55

In Charlotte now

+1 (860) 819-9601

18:55:39

What the hell?!?! Fly direct!!!

Stephanie Askelund (+1 (860) 759-0326)

19:10:07

No direct flights

+1 (860) 819-9601

19:33:57

Get a convertible

13:10:20

It's freakin HOT! 10 minutes to burn outside. How are things there? Or do I even ask?

Friday, May 31, 2019

Stephanie Askelund (+1 (860) 759-0326)

09:35:37

Hi. Happy Friday! Just thought I would call and check in

+1 (860) 819-9601

09:46:24

Hey!!!! I'm meeting but will call in a bit

Monday, June 3, 2019

+1 (860) 819-9601

19:10:12

So for tomorrow, take some time to prepare. I can't completely miss my 10, so I'll go for a bit and the. sally will come and relieve me...I should be back by 11 or so - then we can hyper focus. So figure between 8 and 10 you can catch up/go threw and hit the big stuff for contract

Stephanie Askelund (+1 (860) 759-0326)

19:10:59

Ok. Sounds good

Tuesday, June 4, 2019

+1 (860) 819-9601

11:20:29

Any chance I can be about 30 min late for our 12

Stephanie Askelund (+1 (860) 759-0326)

11:20:41

Yes

+1 (860) 819-9601

11:21:26

Mayor can't attend something and wants me to be at. I've got to leave this meeting and head to that for about 30 min or so...then ditch for our meeting

Stephanie Askelund (+1 (860) 759-0326)

11:23:04

I'll talk to Ken about a plan for Brigitte while you are on your way

+1 (860) 819-9601

11:23:18

Chief?

Stephanie Askelund (+1 (860) 759-0326)

11:24:45

We will wait until you get here. We may need to bring up the grievance.

+1 (860) 819-9601

11:24:59

Don't

11:25:14

Wait, which grievance

11:25:33

Oh, the cell guy

11:25:40

That's fine

Stephanie Askelund (+1 (860) 759-0326)

11:25:43

From the pd.

+1 (860) 819-9601

11:25:48

I was thinking the reprimand to him

11:25:59

Grievance is fine.

11:26:32

I think it's a discussion about the PD policy and accreditation process - who is initially responsible and where did it fail

Stephanie Askelund (+1 (860) 759-0326)

11:26:54

I'm only going to talk to Ken about Brigitte. Rest of issues will wait until you are here to discuss

+1 (860) 819-9601

11:28:50

We need to focus on the contract today though. We never get through to the discussion. We need to walk in prepared for the negotiation

11:29:09

Spend most time on that. As far as I'm concerned from cancelling is a blessing

12:41:46

On way from Hartford

18:52:37

Weird question...do you know if the teachers

retirement system with the state has a death benefit for spouse?

Stephanie Askelund (+1 (860) 759-0326)

18:53:39

I don't. I will look online and see what I can find

+1 (860) 819-9601

18:54:37

Our friend who passed away was a teacher in Newington. The husband is concerned because according to him there is no life insurance through her work and he is not eligible for her pension until retirement age...

Stephanie Askelund (+1 (860) 759-0326)

18:56:09

No life insurance?? That would be in the teachers contract with Newington. I will see if that's on line as well.

+1 (860) 819-9601

+1 (860) 819-9601

21:12:33

Technically he's already been discipline

21:12:44

Disciplined...so we skip him??

Stephanie Askelund (+1 (860) 759-0326)

21:13:33

I think he needs more discipline based on the severity of what happened

+1 (860) 819-9601

21:14:22

I think Oscar is the target

Stephanie Askelund (+1 (860) 759-0326)

21:16:06

Yes but Norberto messed up on this who situation bad

Thursday, June 6, 2019

Stephanie Askelund (+1 (860) 759-0326)

07:58:51

Hey I have this thought: we are worried about getting FOI'd on the IA if we do any discipline. Well- from the union and employee standpoint there has already been discipline on zRoberto and we've already received a request under MERA for a copy of the IA from the union. So I think while our diligence in trying to keep this from getting FOI'd is valid it may be a moot point

09:23:46

I'm moving forward with termination of the Adam wood custodian. Have notifications to give to people. Do you and I need to speak further?

+1 (860) 819-9601

10:11:45

As long as you feel that if it gets contested we will win, no.

Stephanie Askelund (+1 (860) 759-0326)

14:50:55

Can I sign a termination letter?

+1 (860) 819-9601

14:51:27

I don't know?

Stephanie Askelund (+1 (860) 759-0326)

14:51:54

Are you comfortable delegating me?

14:52:03

It's for Adam wood.

+1 (860) 819-9601

14:52:58

I meant I don't know if that's allowed. Am I allowed to delegate you and/or authorize you to do so. If I am then yes. The only concern is if he fights this can they argue that there is some level of it being invalid?

Stephanie Askelund (+1 (860) 759-0326)

14:53:29

I see your point. I will mail it after you sign it

+1 (860) 819-9601

15:16:15

I'm not sure I even have a point, but OK, Ha ha ha. I should be back there shortly anyway it's just taking me longer to get back.

Most people would be knocked on their ass with what I take on a daily basis. When I first picked up the meds a couple months ago the pharmacist said it was "quite the cocktail ". And my dr wants me to triple my intake of the nerve pain med

That's fine. Could you just wait in on the summer our issue for next week. And, on the memo I want to send to dignity. The line you didn't understand was that I'm basically saying the person is doing general office work such as filing. I'll just say that

I bet five dollars that the meeting probably should have been canceled because I doubt anyone will show up. Do you always have to go through this traffic on the way home? It's kind of annoying.

08:38:26

I will get the job descriptions to you as long as my computer will work!!! Ugh!!!! Still waiting to long in

+1 (860) 819-9601

08:42:24

Nope. I've created a structure in which she has to operate. I need him to get his mind around it so he

can do the work. He basically has a format to follow and then at our next meeting he should have it all filled in and showed me he's done some thought. But I have to show him how to do it otherwise he will not meet my expectations. So I am setting expectations and guiding him.

Monday, July 15, 2019

Stephanie Askelund (+1 (860) 759-0326)

08:55:55

Hi. Sorry to bother you. Just an FYI on two things: I received a PAF for DeMonte to make him acting effective today. Second the union has asked for the ranking from the last LT recruitment. Tony called me on Friday to request. Said the union is going to be filing a grievance regarding DeMonte. If you have told JC this is not approved then can I tell the union this because it makes the unions request moot.

+1 (860) 819-9601

10:49:14

Read my email. I'm going jet skiing. My opinion is the horse left the barn. Now I'm unfairly penalizing DeMonte. This now pits me against an employee (and could that also be a grievance?). Part of me thinks we should let the union grieve him. Is there something really there?

Tuesday, September 3, 2019

+1 (860) 819-9601

09:39:30

Does it look like the police are getting too much if we include all of those? I think my point versus Ken's was that I didn't want it circulating to the police department as to say this is a done deal until after the entire contract is approved. If for whatever reason the council doesn't go for it, I don't think all of those and will stay.

Stephanie Askelund (+1 (860) 759-0326)

09:43:03

I completely messed that up because I email out the Mous. I thought they were separate from negotiations. I think we just tell the council we entered into mous and not include them for approval. I was thinking we can present it as increasing effectiveness in the dept. stop by when you get back and I will show you the outline for tonight

Stephanie Askelund (+1 (860) 759-0326)

17:20:05

17:20:31

Oh crap. Auto correct

17:20:42

Read the MOU

17:20:46

Omg

+1 (860) 819-9601

17:20:47

She told me. Who did you mount?

17:21:01

Jesus you just got out of surgery

Stephanie Askelund (+1 (860) 759-0326)

17:21:03

+1 (860) 819-9601

17:21:48

Hahaha

17:23:11

I'm pretty much nuts tomorrow....8:30, 9, 10, 11:45 and 3. You won't see me for more than a blur. But next week at some point we should do lunch and catch up. Or a call over weekend. Ken and I spoke to Jeff Ment today about a few items too

Stephanie Askelund (+1 (860) 759-0326)

17:26:03

Ok. What ever works for you. I'm sure you spoke about

Ron Floyd and Brigitte. You are really getting the full effect of HR!!!

+1 (860) 819-9601

10:17:48

Ok As long as it does not impact operations.

Stephanie Askelund (+1 (860) 759-0326)

10:18:15

Per JC no impact

Tuesday, October 15, 2019

Stephanie Askelund (+1 (860) 759-0326)

13:10:27

Hi. Did you mention to anyone that all the candidates for the promotional process passed the written? The reason I ask is I was told by an officer there is a "rumor " going that everyone passed. The only people privy to that are me, Bruce Davey, Connolly and JC. I'm very upset this rumor is going around because it confirms someone is disclosing info they should not be. I'm driving home now if you want to discuss

+1 (860) 819-9601

13:10:56

Nope

13:11:33

Someone asked me and I just smiled and said, gotta wait and see as I wasn't part of that process

Stephanie Askelund (+1 (860) 759-0326)

13:20:47

Good answer!!!

Stephanie Askelund (+1 (860) 759-0326)

14:40:30

Hi. Just left the surgeon. I'm released to return on Monday but I can only work 4 hours a day. I told the dr I could work more than 4 hours a day but he is insisting it's 4 hours a day for next two weeks. Perhaps I can lay in bed and work when I get home. I have a lot to do. He frowned after he asked me if I started back to work already. On a positive the xraysvlook really good

+1 (860) 819-9601

20:37:52

Heal first, work second. Stress does damage and better off waiting then doing it twice. That being said, have you decided to start drinking again?

Stephanie Askelund (+1 (860) 759-0326)

20:39:32

Lol. Only 50 more pounds to lose. Then I can!! Do you want to meet at Angelo's in Glastonbury for lunch? Or the Diamond? If you have a place in mind that's fine too

+1 (860) 819-9601

20:41:33

Nothing in mind. Either is fine. Debating drinking hahahah...not sure I've gotten all my work done. I'm buried for. Friday

Stephanie Askelund (+1 (860) 759-0326)

20:42:34

Do you want to skip lunch? I just thought it would be some uninterrupted time to start going over thjngs

+1 (860) 819-9601

20:43:27

Oh, not saying that

20:43:45

Was saying I was debating drinking and the. Realized I can't as I have to go back

Stephanie Askelund (+1 (860) 759-0326)

20:44:01

Oh ... duh

20:44:47

How about Angelo's at 12:30.

+1 (860) 819-9601

he apparently was adjusting himself in front of another staff member

19:24:32

I do that all the time... Remind me not to piss you guys off.

Stephanie Askelund (+1 (860) 759-0326)

19:28:06

That's it?? Did he take it out and return it? If not then what in the world. People need to calm down. I guess I should no longer sweep my hair out of my face for fear it will be taken as flirtatious

Thursday, October 24, 2019

+1 (860) 819-9601

10:16:41

Didn't see this, sorry. Don't know. I mean, did he adjust it for a longer period of time than appropriate? If so, what's appropriate? Will it come out he was noticeably aroused? Given this was Webb, I think everyone is overly sensitive. Also, BOEs method to do background checks sucks

Stephanie Askelund (+1 (860) 759-0326)

11:43:18

So.... what is your decision about sitting in on the Chief interviews for the promotions?

+1 (860) 819-9601

Hi. Not sure when your meeting with JC is but hold strong. You are the Public Safety Director as well as the Town Manager. He reports to you

08:00:55

I have a question for you if you would call me please

Tuesday, October 29, 2019

+1 (860) 819-9601

16:00:19

FYI, chief wants to do DeMonte for a lieutenant. He's pretty adamant that he cannot allow Tony to be a lieutenant at this time. He also is looking for a ranking order for top 4 as he also doesn't want Buyak at this time. His comment was that he can only have people that he trusts.

Hi. If I could talk to you early today regarding costs the town is facing in upcoming budget year. This would be helpful for mediation today

Thanks

I have been doing damage control since about 6:30. I'll be in soon. Channel 3 may beat me in

Kens rate for us has been \$160 and has remained this amount for over 15 years.

14:08:14

The issue at the pd regarding zack Gonzalez has exploded. And I have not heard one word from DeMonte or JC. Ed Kosinski just called. We need to talk. I need to run home and I will be back

+1 (860) 819-9601

15:28:17

Chief called me a little while ago about it. Gave them two options. Option 1 allowed him to extend or option 2 was termination. He wanted to talk to "someone". So he called union? I don't see the big deal. If we don't extend it then he's terminated. We have enough in his file to terminate him if we want, chief is giving him an option to try to correct his behavior and extend it six months. If he doesn't want to go that path then he goes away. I'm not sure why it's blowing up

Stephanie Askelund (+1 (860) 759-0326)

15:33:16

There is a lot more to be said about this issue. I strongly disagree with the two options at this point. JC has give zack until 4 to tell him if he agrees to the probationary extension. Is this something you and I can discuss further?

Friday, February 28, 2020

Stephanie Askelund (+1 (860) 759-0326)

11:01:09

Ed Kosinski is here. Any chance you have time for us to sit down and talk

+1 (860) 819-9601

11:08:36

Negative. But if you want to figure something out with him go for it

11:08:45

Big focus has to be on Tom for now

11:08:57

I don't care if he uses time to bridge

11:09:09

For that matter Fischer either

11:09:24

It's the other stuff like duty to act etc that's a problem

11:09:54

But you can let him know the plan is to address this long term

11:11:43

Which may include me having to sign off on time off if it's more than x

Stephanie Askelund (+1 (860) 759-0326)

18:44:56

Yes. Was he in uniform?

+1 (860) 819-9601

08:11:10

Hi. I know you are very busy but wanted to share a few thought with you

- 1. Governor is holding press conference at 10 re Coronavirus. May be good to watch prior to your staff meeting***
- 2. May want to send email out to dept heads to get a list of events for the next month. This ifngo needs to start getting compiled. If you would line I can receive Todd emails***
- 3. I'm listing some talking points for you in case you would like to use. I'm not trying to step on your toes. I know you have a lot and I like doing this non hr kinda thing***
- 4. You are the decision maker and I wonder if there should be a designated group to go thru the***

brainstorming aspect of an action plan and then bring to you for decisions. This will free up some time for you
5. Identify point people for the Coronavirus. Suggest sally and myself. We are good at looking at things from 30,000 feet as well as the small details and then bringing info to you

Again - please understand I'm trying to offer some ideas for you to step away from the time consuming planning and be presented with solutions so you can make decisions

+1 (860) 819-9601

08:31:22

Thank. I appreciate the offer and direction. Never a problem to offer ideas and these are good suggestions. I have a list as well that is similar. I will say that the point of the Thursday meeting is to have the small group discussions and not just to listen to Charlie. The point is to get info and begin a strategic convo on next steps. If every department then focused on their subject matter as the expert in the room we can begin to formulate solutions in a group dynamic. At the last weeks meeting I asked for a list of upcoming events and didn't get one. I said it again at yesterday's meeting. If by the next meeting I don't have it, there will be issues. I'm not at defcon 1 with this yet. At this point I am in the room until I know what we are developing and why.

18:43:25

Do you understand it

+1 (860) 819-9601

18:44:34

Mostly. I'll have questions but the info is leading where I thought. And I love the fact that we can't

just furlough...I mean normally I would hate it, but In this case I'm glad. I don't mind cuts but these guys want to do it for the wrong reason

Stephanie Askelund (+1 (860) 759-0326)

18:45:34

Well let me know when you want to review

Stephanie Askelund (+1 (860) 759-0326)

09:34:06

I just ordered cloth face masks for myself. Got a deal for us. Normally \$10 each, if we order more than 50 then it's \$5 each. If we are going to require masks- which we need to discuss this is a good idea to provide a cloth one to employees

+1 (860) 819-9601

10:57:55

Double check with Charlie that those masks are fine. If so, we can offer to our employees (at least one

set). Can you come up with a draft policy for the requirements discussed and maybe temp taking etc?

Stephanie Askelund (+1 (860) 759-0326)

10:58:39

Almost done with the policy. Will send to you for review and discussion

+1 (860) 819-9601

Wednesday, April 22, 2020

Stephanie Askelund (+1 (860) 759-0326)

11:20:35

Gary do you have time to talk about TM/HR budget?

+1 (860) 819-9601

11:32:44

Not today. I don't see it moving at all from last year. We aren't going up and laying people off

Stephanie Askelund (+1 (860) 759-0326)

22:58:36

***I unfortunately fell asleep about 6 and slept for an hour.
Now I can't go to sleep***

Thursday, April 23, 2020

Stephanie Askelund (+1 (860) 759-0326)

11:48:53

***Could the rite aid store that's vacant be used for school
rooms? Just a thought.***

+1 (860) 819-9601

11:50:36

***We were working on a short list. Problem is
staffing, support, systems/technology, safety,
bathrooms, etc...we are looking at other space***

Stephanie Askelund (+1 (860) 759-0326)

11:50:58

***When you know what we are doing with pools etc
please let me for staffing purposes***

+1 (860) 819-9601

11:51:10

Of course

11:55:58

***Not making any staffing decisions; just trying to get
the core of budget and my cuts as of 11 am today
includes no layoffs. Unfortunately Council will
want more than I'm offering. Which means after
proposed budget is done you, me, Mike and then
certain department heads need to meet to run
through those scenarios.***

Stephanie Askelund (+1 (860) 759-0326)

11:56:44

Ok. Thanks for the info

+1 (860) 819-9601

12:00:35

My cuts are around \$675k. They want 0 increase so

that's \$4.0 million

Stephanie Askelund (+1 (860) 759-0326)

12:00:51

Holy shot

+1 (860) 819-9601

12:01:05

If we are lucky I get to \$1.1 without drastic reduction in services.

Stephanie Askelund (+1 (860) 759-0326)

12:01:31

This all is just sooo terrible

+1 (860) 819-9601

12:01:32

So then they cut BOE maybe \$750-\$1.0 we still don't get halfway

Stephanie Askelund (+1 (860) 759-0326)

12:02:00

Ugh.

+1 (860) 819-9601

14:06:56

On other line so can't call, but...if I eliminate (not fund) a vacant position, do I have to eliminate seasonals and part time first?

14:07:25

Ex: vacant maintainer I

***Are we using Community Center for police testing?
Did I know this? I don't recall moving forward on this. I thought we closed all buildings for this kind of stuff?***

Stephanie Askelund (+1 (860) 759-0326)

16:20:55

Yes, I scheduled a written exam for certified in the gym of the comm center. Candidates will enter directly into the gym so no one is walking around the CC. My understanding was we were on hold on staffing except for PD Is there a problem with this?

+1 (860) 819-9601

16:29:11

Well, we closed the building. We closed it early on as CC is a shelter and was decided to be used for COVID related activities (ex: distribution of PPEs). I had previously authorized Anthony to use the gym. While I probably would have agreed, please talk to me about this stuff in the future so I can avoid double booking activities and arrange for appropriate cleaning. We need to get Sally (or Kathy) in the mix to make sure the place is available before 10:00 am Thursday. Will you be out before then?

Wednesday, May 6, 2020

Stephanie Askelund (+1 (860) 759-0326)

20:25:40

I'm not drafting an email tonight to the police because there may be no need to. Things blew up with the teachers this afternoon. I will talk to Chris more tomorrow. I'm beside myself!feeling like I'm ready to loose it. I'm sure you are feeling the same. I'm pissed off the BOE didn't get this going sooner. Had a feeling-that's why I was so persistent on a meeting this afternoon that included M Emmitt

+1 (860) 819-9601

08:23:00

Hi. I have a few schedule issues today and tomorrow. I have an all so very important nail appointment at 3:30 today. This is a necessity as you may have assumed. Tomorrow I would like to leave 3:30 as well. There is an insurance comm meeting but I don't think there is any

need for me to attend

08:29:26

Also. Can you and I meet today and then if we need Cheryl we can bring her in. She is driving me crazy with being bossy and non stop talking

+1 (860) 819-9601

08:37:37

Im good for 11:30 if you still are, but have to be done by 12:30

08:38:36

Cheryl is very concerned because she knows she can't replace you. I think that panic is coming out as pushy. I'm trying to explain that she's not expected to suddenly have your knowledge or do your job.

Stephanie Askelund (+1 (860) 759-0326)

+1 (860) 819-9601

15:07:28

Not awesome but also not as bad as I thought. I'm saying a thanks early on...but we'll see how bad it gets from here! Ha

15:08:12

Meaning it was fair representation on both sides (although I disagree with his attorneys comments).

Steve Goode (+1 (860) 965-3923)

15:09:22

Appreciate that. Always try to play it down the middle. I don't think the chief is a fan of that.

Steve Goode (+1 (860) 965-3923)

10:11:18

Hey Gary, sent you an FOIA request. Any sense of the next step and when in the Cetran saga?

+1 (860) 819-9601

10:11:56

Saw FOI. I'll start pulling together and have to send to attorneys for review.

10:12:38

Not sure next steps. Haven't had a chance to reconvene with attorneys yet.

10:12:48

That's not a quotable hahaha

10:16:24

Still off the record?

Steve Goode (+1 (860) 965-3923)

Yes

Thursday, June 3, 2021

Steve Goode (+1 (860) 965-3923)

16:45:05

Hey Gary,

Got a sense of when the FOIA request might become available ?

Also I hear there have been some discussions with the chief's attorney regarding retirement/non retirement. When do you think this will be resolved one way or the other?

Not writing anything, just trying to stay on top of things.

Thanks

+1 (860) 819-9601

19:17:02

Not sure how I missed this....I did send you the FOI stuff as an email, I assume after you sent this? I'm out to dinner right now. Let's catch up tomorrow. Still in a (frustrating) holding pattern.

11:28:50

Hey give me a call when you have a minute.

13:54:34

Quick question for planning purposes: when do you think you'll be ready to announce an interim? Remember, if I get accepted for a buyout, I'll be gone nvm after next

Friday. I have no idea how they'll pick up the slack when I go. Maybe summer interns in the short term.

+1 (860) 819-9601

18:39:28

Sorry, crazy day.

18:40:22

Off record first as I'm still confirming

Steve Goode (+1 (860) 965-3923)

18:41:03

Sure.

+1 (860) 819-9601

18:41:40

I'll probably announce an acting chief. I may not do an interim as there are some immediate concerns I need to address and cannot wait that long.

Steve Goode (+1 (860) 965-3923)

18:42:17

Ok. What's your timeline?

+1 (860) 819-9601

18:45:14

I'll announce acting by tomorrow 8 am. I want to make sure staff hear it first, hahaha

18:45:25

Last night was brutal!

Steve Goode (+1 (860) 965-3923)

18:45:55

+1 (860) 819-9601

Thanks. Decided against going outside?

10:49:24

Can you say whether the search for a new chief is going
forward now?*

10:49:54

Sorry. I just saw that you addressed that.

+1 (860) 819-9601

Steve Goode (+1 (860) 965-3923)

10:52:38

You wouldn't be lying. Circulation down now that we can't scare the shit out of people with Covid stories.

+1 (860) 819-9601

10:52:51

Not on the record, hahaha. It really isn't that secretive, but being sensitive to some things

10:53:07

Really, you saw a bump in readership because of Covid?

10:53:12

Actually that makes sense

Steve Goode (+1 (860) 965-3923)

10:55:21

Yep. Way up. That's why you saw several Covid stories every day...even when there really wasn't much to them. We are still doing it. Writing stories about how little Covid there is now. I always hated when we had to write stories about something that didn't happen.

+1 (860) 819-9601

Hey Gary,

Watched the beginning of the council meeting for public comments last night. Had a little trouble getting on and wanted to see how much, if anything, I missed. I got in about 7:09 and a gentleman was talking about Stacey Hodges and being ashamed of the council except for the guy who voted against the firing.

Was he the first guy who spoke or did I miss someone?

Also is it possible to get a list of names of people who spoke and any emails that were sent in for public comment? Thanks

Steve Goode (+1 (860) 965-3923)

12:27:15

NP. Let me know if there are developments or even if you think there's another interesting story. When I left management decided they couldn't keep dumping towns on the few people left. If they had decided that 18 months ago when I suggested it maybe I'd still be there.

Steve Goode (+1 (860) 965-3923)

21:30:03

Just so you know, it's kind of labor. I would remove the doors and take them home to paint unless you have some garage space or something like that. Changing

colors also adds a coat, and in some cases if they have been painted several times you start running into sticking issues. Anything can be painted though.

21:30:14

Labor intensive.

+1 (860) 819-9601

21:31:11

Have my notice in August. Thought I told you.

17:21:20

Oddly enough I had a dishwasher fire. Not really any damage except to the dishwasher but not sure is it better to get a quote now or after? Hahaha

Steve Goode (+1 (860) 965-3923)

17:35:49

Never heard of a dishwasher fire before. I'm guessing electrical.

You sure the chief wasn't involved?

Up to if you want me to take a look now or after the repairs have been done.

Goode luck on your next work adventure.

Gary Evans here...sorry to bug you. How many units at 275 Ridge? Same question for Borden when all done

17:46:25

64 at Ridge??

17:46:30

111 at Borden?

Steve Lattarulo (+1 (860) 970-9973)

17:52:33

I dont remember the exact count. Can I check tomorrow and let you know for sure?

+1 (860) 819-9601

17:56:33

That's fine. I was going to talk about them at the council meeting tonight but I'll just punt. It looks like on the assessors page it says 64 at Ridge. I'll play dumb.

Steve Lattarulo (+1 (860) 970-9973)

18:02:09

Online it says Borden total is 150 with 2 buildings...and Ridge is 64. Not sure if its correct.

18:04:03

The Borden is listed under the Lexington Partners website..Soooo I guess it would be right.

Basically, the Courant is asking the mayor for a quote on whether or not the council was aware that there was a payout or if TM did it on his own. The quick is it was discussed in executive session (named on agenda) and no vote was taken but they were aware.

12:33:34

I told the Mayor I assume no comment

Right

+1 (860) 819-9601

Tony G (+1 (860) 808-6533)

18:34:21

They definitely will have music tonight as I see musicians setting up as we speak

+1 (860) 819-9601

18:35:00

So basically he's lying to me...so...yeah....taser him

Tony G (+1 (860) 808-6533)

18:37:26

Sounds like someone we know

+1 (860) 819-9601

18:40:11

Ha. What started as a 30 min convo turned into 2.5 hours of back and forth

18:40:45

Atty didn't make it so it was basically me and chief discussing the future of policing in town

18:41:08

It was not a good time for anyone

Tony G (+1 (860) 808-6533)

18:45:12

Tony G (+1 (860) 808-6533)

21:13:03

Does his permit allow music for tonight?

+1 (860) 819-9601

21:13:48

Yep.

21:14:35

But he was supposed to have a system to reduce sound in place and that's where he's pushing it

21:15:07

We were heading towards a cease and desist but Jack Bradley said we can't because his atty isn't available

21:16:38

So we are allowing it this weekend based on a future meeting; he stated his ours so we could test the sound and have us Sat and Sun, specifically not tonight

21:16:46

So he's playing games

21:17:35

Not sure what you do about the cars on the lawn???

21:17:42

Taser?

21:17:49

Maybe taser the complainant

21:22:21

Taser me...this is a stupid part of my job

Tony G (+1 (860) 808-6533)

21:16:48

I'm here now to Meter the music, However the band is breaking down they are done for the night

+1 (860) 819-9601

21:18:43

I'm sitting on the oral board for the certified officer today at 0830, so could we meet after?

+1 (860) 819-9601

07:44:20

Depending on what time you're out. I have a meeting at 11.

07:45:25

I could do something around 2:30 maybe; what's your schedule Tuesday/Wed

Tony G (+1 (860) 808-6533)

07:45:32

Ok, should be done by 9:15

15:51:06

He just texted me and wants me to call him. Any thoughts on why?

+1 (860) 819-9601

15:52:15

Nothing from me. I haven't spoken to him since Thursday's other than an email about Thursday's event. I share none of our conversations so beware of traps

15:52:20

Always confidential

Tony G (+1 (860) 808-6533)

15:52:36

+1 (860) 819-9601

15:53:00

But...let me know where he heads so I don't give anything up accidentally.

Tony G (+1 (860) 808-6533)

Turning him into a hero / saint...

+1 (860) 819-9601

15:57:39

OA is an alternative high school. No guarantee he was graduating

21:27:45

What was with chief?

Tony G (+1 (860) 808-6533)

21:30:04

Question regarding the kids camp. Our union is paying some of the tab for 3 Wethersfield residents

+1 (860) 819-9601

21:12:58

You working tonight? I've got left overs from an event. Want to get to PD

Tony G (+1 (860) 808-6533)

21:24:20

I'm not in until 11:30

21:25:00

If u call the PD, someone can come pick it up

+1 (860) 819-9601

21:49:58

Yeah, didn't hear from you so dispatch sent Gary Luis over. Hopefully some will be left by the time you

get in. You can probably eat the salad, ha

Tony G (+1 (860) 808-6533)

21:51:30

I responded

+1 (860) 819-9601

Patience is the cardinal value of the individual...

Monday, June 24, 2019

Tony G (+1 (860) 808-6533)

07:33:39

You know we have a Lieutenant retiring in days. Rumor has it he is going to make a poor decision related to the temporary replacement. Did he share his plan with you?

07:33:52

Or Stephanie?

+1 (860) 819-9601

08:18:30

He did on Fri and I went off. He was given an email to not move forward

08:18:38

He was then given

08:35:13

Can you take a call

Tony G (+1 (860) 808-6533)

12:41:04

Just woke up. Available now until 1:30, then again from 2:30 after

15:31:08

I'll be tied up with Baseball soon until about 730.

Anytime after that or tomorrow evening I can talk.

Tuesday, June 25, 2019

Tony G (+1 (860) 808-6533)

14:24:07

Busy?

Thursday, June 27, 2019

Tony G (+1 (860) 808-6533)

08:48:30

Did I do something wrong?

+1 (860) 819-9601

08:49:24

Absolutely not! Just slammed

Tony G (+1 (860) 808-6533)

08:49:34

Ok, good

08:50:29

I'm in Atlanta now coming home late tonight. Then leaving for vacation on Sunday. Maybe we can catch up over the phone tomorrow?

+1 (860) 819-9601

09:38:54

Yep

09:39:21

Give me some times. My problem is I never want to call and wake you or get you fired up before you have to work or sleep, ha

Tony G (+1 (860) 808-6533)

10:02:32

Anytime tomorrow between 9-11 am? Or after 6 pm

Tuesday, July 2, 2019

+1 (860) 819-9601

10:01:04

Heads up...email coming on body camera. I did not

include the chief, but st some point will have to include him, but will let you know before I share and we can discuss what I share.

Tony G (+1 (860) 808-6533)

10:02:15

Ok

10:05:29

I'm currently in Punta Cana

10:05:39

Until Friday

+1 (860) 819-9601

10:07:35

Hahaha. Well then f-off! I sent it to Ed and John Blair too. It can wait.

Wednesday, July 10, 2019

Tony G (+1 (860) 808-6533)

12:07:32

I need to speak with you when you have a free minute.

+1 (860) 819-9601

15:31:22

I can call after My meeting with Mayor. What's your schedule tonight?

Tony G (+1 (860) 808-6533)

15:36:50

Now and 5, or after 7:30

Friday, July 12, 2019

Tony G (+1 (860) 808-6533)

09:34:41

Did you have a chance to touch base with him?

+1 (860) 819-9601

10:21:26

I sure did. Was on the phone for an hour with him last night. He started off apologetic and then it

turned into a pretty big argument about me not trusting his abilities. Affectively I told him based off of my experience in the last 120 days I question many of his decisions. So... We will resume when I get back from vacation and he has some things that he needs to work on for that meeting. I told him to be prepared for it and I'm not signing off on DeMonte's personal action form at this time. Doesn't mean he doesn't end up being the interim, but at this point I'm not approving it.

Tony G (+1 (860) 808-6533)

10:23:14

Talk?

10:23:27

I'm available anytime before 4

+1 (860) 819-9601

11:21:40

In car with my little douche bags on my way up to Maine.

11:22:05

If not what's your schedule like over the weekend

Wednesday, July 17, 2019

+1 (860) 819-9601

19:02:27

You working? Trying to figure out how I lost power 5 minutes after getting home. I'm hearing OW has power. Could it be a conspiracy? Chief didn't like my phone conversation and email to him?

Tony G (+1 (860) 808-6533)

19:03:08

No idea, not working

Thursday, July 18, 2019

Tony G (+1 (860) 808-6533)

10:51:08

Time to talk?

+1 (860) 819-9601

11:01:48

In mtg. Can I catch you in between mtgs?

Tony G (+1 (860) 808-6533)

11:02:04

Absolutely

+1 (860) 819-9601

11:24:19

What's your work schedule today

Tony G (+1 (860) 808-6533)

11:25:35

Coming in at 3:30, I'm available all day. Chief just text me, wants me to call him... any idea?

+1 (860) 819-9601

11:26:35

Nope - although I sent him an email on Monday to follow up on my call on Friday that probably pissed him off

11:28:08

It's about a succession plan and me not signing off on any PAF until it's done

Tony G (+1 (860) 808-6533)

11:30:28

Does that mean DeMonte will not get Lieutenant pay? I'm sure he did not convey that to him. I plan on talking to DeMonte today, as we might be submitting a grievance in regards to Regan getting skipped for acting LT

+1 (860) 819-9601

11:49:14

I would be curious to know what both chief end of man to say to that. I don't want to penalize DeMonte. Don't know him but hear he is a good detective. May not be a bad choice, but maybe not the appropriate choice. I told the chief that as well

and he needs to show me why he's making that decision

11:49:34

Curious to know the convo with Chief and DeMonte

11:50:36

What also pisses me off is he sends the email out to everyone saying D is now the interim. Then the town manager has to play the asshole and pull it back from him? That's bullshit for everyone.

11:51:28

Here's the thing, the chief has the right to select the candidate that he thinks is best for the job. I have rights as well, but I don't work with these people every day and in theory he should know who the best person for the job. The union could do a grievance and win.

21:44:41

Fuck Lou. Anyone parked on the grass?

Tony G (+1 (860) 808-6533)

21:44:51

Over 60, as high as 76

21:44:57

No

+1 (860) 819-9601

21:45:44

I hate to penalize a good business (despite Lou being a douche). But there has to be some level of respect for the rules.

Tony G (+1 (860) 808-6533)

21:45:52

Yup

+1 (860) 819-9601

21:46:24

I got pissed about 2 weeks ago and had public works basically barricade the grass area

21:46:49

I agree. He's already built the business, just need someone to have a decent menu

22:03:56

Just waiting for the landlord to push for an eviction.

+1 (860) 819-9601

22:09:24

I would entertain the idea - I need a good steak place. I want to see the place going into Blades and LeNoci open first. I spent the am with a developer looking at Masonic hall for a restaurant/brew pub. If I can get some energy going in surrounding properties, it'll be easy to say "bu-bye.."

Tuesday, July 23, 2019

Tony G (+1 (860) 808-6533)

08:08:48

FYI There will be no grievance filed over the Chief making the acting LT. Still disagree with it and don't believe it ever has been handled this way before, but not worth the aggravation for our union at this time. Bigger issues need to be addressed and time is running thin.

For the record, he shared with me who was part of the incident. I can only remember you and I want to say maybe it was a lieutenant? I say this only because I don't want you to think you will somehow get blamed for sharing information with me. He came clean with it, I just have a shitty memory.

Tony G (+1 (860) 808-6533)

09:34:01

Ok thx, maybe text will suffice. If we can get a yes vote tonight or at least this week with the union, when will the town Council meeting to discuss and ratify?

09:37:40

I'm going to bed, but will be up by 2:00. My union meeting starts at 4:00

+1 (860) 819-9601

09:40:09

Earliest to exec session is sept 3 and if the council needs to vote would be sept 16

Tony G (+1 (860) 808-6533)

09:43:00

Ok, so they wouldn't vote in Executive session?

Tony G (+1 (860) 808-6533)

15:40:34

Gotta minute?

17:13:16

Will there be any public discussion on the union contract tonight? Or will it only be in executive session? Just curious because I would like to attend if possible

+1 (860) 819-9601

17:26:26

Sorry, just seeing these. There will be no public discussion tonight. If there is any it will be on September 16 and even then I'm hoping there won't be.

Tony G (+1 (860) 808-6533)

17:27:28

OK. So the council should approve it tonight in executive session 1st. Then it needs to be publicly Bowden at the meeting on the 16th as well?

17:27:57

Maybe an easier question is, will it be ratified tonight or the 16th?

+1 (860) 819-9601

17:28:43

Legally they cannot take a vote in executive session. Tonight will just be a discussion where Stephanie and I go over all the points of the contract and what we have tentatively agreed to.

Tony G (+1 (860) 808-6533)

17:29:02

Got it, thx

+1 (860) 819-9601

17:29:37

If they have any questions that we cannot answer then we will try to get back to them prior to September 16 so that they can feel comfortable with a vote

17:29:37

Which means I may be reaching out to you guys afterwards to help build the case

Tony G (+1 (860) 808-6533)

17:29:20

Do you need me to be your star/expert/favorite police witness?

17:30:50

No problem

+1 (860) 819-9601

17:30:59

Ha ha ha... By the way I spent two hours in a screaming match with the chief because Ed had mentioned at your union meeting that I reprimanded the chief on eight points and then I was going to be getting rid of him by the end of the year. The chief basically said I was thinking about leaving but forget about it now.

Tony G (+1 (860) 808-6533)

17:32:38

I did mention the reprimand but nothing about getting rid of him. But that just goes to show you that a public suspension of him will send him running out the door

+1 (860) 819-9601

17:34:11

No way, he's absolutely going to dig his heels in now. He knows I'm trying to do progressive discipline to build a case...Oh well. Then we had an argument about my role versus his as the director of safety

17:34:29

I told him I have no interest in being the chief of police, but I can't have him continuing to put me in situations where the town is exposed.

17:34:49

He doesn't want to believe he does anything wrong and he thinks everyone is mad at him because of the amount of ordering's.

17:35:03

Order Ins

Tony G (+1 (860) 808-6533)

17:39:12

That's just one issue that he still chooses not to address by his lack Of managing people

17:54:28

Junior's case/incident is going to be an issue

+1 (860) 819-9601

17:57:04

Huh?

17:57:16

You mean with union?

Tony G (+1 (860) 808-6533)

17:57:43

With the town/Chief

+1 (860) 819-9601

18:01:42

What is offensive is that his atty is being paid for by me

23:33:31

Absolutely, they're holding back

+1 (860) 819-9601

23:33:33

Barone is an idiot.

Tony G (+1 (860) 808-6533)

23:33:47

Yes he is

+1 (860) 819-9601

23:33:47

Waiting for case?

Tony G (+1 (860) 808-6533)

23:34:03

My guess

+1 (860) 819-9601

23:34:39

Farrah needs someone to give her a t-bag

Tony G (+1 (860) 808-6533)

23:35:07

She is crackers

+1 (860) 819-9601

23:35:08

Barone's overall arrogance is what annoys me. The guy from the ACLU was also annoying. He equates our process to stop and frisk. Yet in the sentence before admits that they are legitimate stops. So which is it, stop and frisk or legitimate stops?

23:36:46

By the way, about an hour ago I drove by and interceptor on the Silas Dean that had a front left headlight out. Was going to stop but he was set back off the road and didn't really wanna roll up on him. You guys tend to shoot people.

Tony G (+1 (860) 808-6533)

23:36:48

.Very true. I love how they admit to him running from the police two weeks before, driving the same unregistered vehicle and driving without a license. And then how the father who continually allows his son to drive a vehicle that's unregistered without a license

+1 (860) 819-9601

23:36:54

Was debating that it might be you working.

Tony G (+1 (860) 808-6533)

23:37:34

Not working

+1 (860) 819-9601

23:37:39

And he was arrested in January for driving without a license. And!! The car had a front headlight out from an accident. I got a Telya, I think Julio was made out to look the worst out of everyone in the video.

23:38:12

Ha ha ha voice to text is awesome.

Tony G (+1 (860) 808-6533)

23:40:37

Yup

+1 (860) 819-9601

23:43:52

This world is bananas. The fact that anyone after watching that video could claim this was any kind of racial injustice or miss treatment is bizarre to me. The passenger driving in the car Basically confesses to all the mistakes that were made on their part which led to our reaction. Ben crump is an idiot for his comments. Of course, Elliot Spector I think they're terrible injustice to the entire case.

Tony G (+1 (860) 808-6533)

23:45:07

Amy and the council members didn't look good

Over two weeks already, so I've heard. Shenanigans

+1 (860) 819-9601

10:15:12

I'm trying to avoid laying off 23 people and a host of other issues...this issue will come forward. Look at it this way, they should be sweating it

Tony G (+1 (860) 808-6533)

10:17:46

Agreed. Good luck

+1 (860) 819-9601

11:03:30

Tony G (+1 (860) 808-6533)

19:34:57

To see if they would prefer the IA

Tony G (+1 (860) 808-6533)

19:35:23

19:55:20

When do they have to respond?

+1 (860) 819-9601

20:10:54

Probably reach out this week or by Monday.

Maybe meet with them late next week

Tony G (+1 (860) 808-6533)

I'll buy tonight? Tomorrow?

Monday, June 1, 2020

Tony G (+1 (860) 808-6533)

11:50:13

I heard none of the Lt's know of this, so obviously he has told no one. IA really happening? He can't pick the investigator, since he also accused. This criminal complaint is serious.

11:52:22

He showed the letter to people immediately, so that means everybody knows about it. Again, worst kept secret

Thursday, June 4, 2020

Tony G (+1 (860) 808-6533)

12:30:00

Radio silence.....

Friday, June 5, 2020

+1 (860) 819-9601

15:14:50

Working on interviewing people to do IA. Daigle is probably gonna get it

15:15:33

For record, shit goes south today, I can hold my own for about 5-10 min, then I expect you to light some people up

15:27:47

Never mind, Cheryl said she's got me covered

Tony G (+1 (860) 808-6533)

15:27:57

Haha

15:29:06

I will be in The Ford expedition leading the March. So seriously if you need any help run to the front where are you should be anyway.

17:07:26

Where's your black T-Shirt and Sign???

17:08:46

Did you give your sign to the girl in the middle of the road??

+1 (860) 819-9601

17:11:12

Too hot for black tshirts

17:12:20

Tony G (+1 (860) 808-6533)

13:04:32

I prepared it myself

+1 (860) 819-9601

13:06:34

My favorite is you looking at the guy and saying "no one is even talking to you"

Tony G (+1 (860) 808-6533)

13:12:51

True story

13:13:01

Chief there?

+1 (860) 819-9601

13:13:06

13:13:27

Ok

+1 (860) 819-9601

Tony G (+1 (860) 808-6533)

13:53:52

Ok

Tuesday, June 30, 2020

+1 (860) 819-9601

20:23:00

After watching the recording from your body camera, I want to commend you for how professional and appropriate you acted. You are of the highest caliber as an officer and impressive as a Sergeant. Great job and thank you for your work. I'll follow up with an email to the Chief. Just wanted to put it out there as soon as I could.

Tony G (+1 (860) 808-6533)

20:23:44

Thank you

+1 (860) 819-9601

20:26:45

I also enjoyed the "no one is talking to you comment". But you gave great direction under pressure and remained composed even directing Peter to stay with the girlfriend after she said she was scared. Just good natural instinct

20:27:05

Held back Zach from walking out of position

20:27:09

Etc...

Tony G (+1 (860) 808-6533)

20:27:18

20:34:48

Much appreciated, thank you

+1 (860) 819-9601

20:35:35

I love how dumb the affluent white women who are part of Wethersfield Black Lives Matter members are

20:36:07

Someone posted about BLM sign on town Hall property. We have cameras. We identified a green Subaru and the driver being a female blonde hair with noticeable tattoos.

20:36:19

Physically posted the sign

20:36:43

I've been getting emails about supporting BLM from someone on my street

20:36:51

Tony G (+1 (860) 808-6533)

I hate cats

Tony G (+1 (860) 808-6533)

13:15:52

No sure what to make of that and yes, I also hat cats

13:15:56

Hate

+1 (860) 819-9601

13:27:30

The ball of string is unraveling

13:27:35

For them

Tony G (+1 (860) 808-6533)

16:43:36

Meeting /Interviewing people literally outside of his door? This is not a professional environment for an IA. People may be reluctant to speak freely if he is literally 10 get away???? The TH would make more sense and was used for the last outside IA. Just my 2 cents.

16:44:40

He met with her at length today I'm told. Shenanigans...

+1 (860) 819-9601

16:58:46

I'll reach out

Wednesday, July 15, 2020

Tony G (+1 (860) 808-6533)

21:17:32

I have my interview tomorrow

+1 (860) 819-9601

21:28:25

Tell them you're the best candidate for the job and you deserve a raise

21:28:40

Or...tell them all the shit you know about those assholes

Tony G (+1 (860) 808-6533)

21:30:06

Word is he is now saying it was miscommunication and he gave her permission.... He also is too involved and steering the IA. Complete shit show

+1 (860) 819-9601

21:30:22

What???

21:30:36

But didn't you hear him say it

Tony G (+1 (860) 808-6533)

21:32:14

Yup, just like everyone else including you. This is all going back into your lap. Hope you can handle it. Lying , coverup, complete clown show.

+1 (860) 819-9601

21:33:01

As long as we ALL say it

21:33:09

Gotta make sure LT says

Tony G (+1 (860) 808-6533)

21:33:34

It's the truth

Thursday, July 16, 2020

Tony G (+1 (860) 808-6533)

10:40:13

Why is the Chief controlling and participating in this IA? He was accused of corruption and this only solidifies that, yet again. He is a suspect. Separate IA needed for him alone. Tony said as much.

+1 (860) 819-9601

10:43:16

Explain participating?

Tony G (+1 (860) 808-6533)

10:43:48

Will have to be face to face for that conversation

+1 (860) 819-9601

10:44:35

Was he in on your interview???

Tony G (+1 (860) 808-6533)

10:49:29

No, but he made sure to walk in during the middle

10:50:12

Trying to intimidate

+1 (860) 819-9601

10:51:32

I'll text Tony and find out what's up

Tony G (+1 (860) 808-6533)

10:51:50

Apparently he gave Garrity rights to both of them the other day. Not his job and have to be re-given by Tony of course...

10:52:37

Just one example. Like I said he should be a subject of this internal affairs investigation also.

11:43:40

Talk?

11:43:55

I'm on a traffic job in old Wethersfield

+1 (860) 819-9601

11:44:04

11:47:48

Call when I can

Tony G (+1 (860) 808-6533)

11:48:10

Ok

16:52:15

I heard he lied in his statement

17:18:09

Sounds like a 3 for 1 now.

+1 (860) 819-9601

17:22:36

I spoke with Tony a bit. He alluded to something that I can't restate yet...but just stay the course

17:22:43

Keep providing info

Last LT interview today. Ready?

Wednesday, July 22, 2020

Tony G (+1 (860) 808-6533)

11:07:25

Quote from last week, "There's no need to interview Crabtree or Mitney " Guess from who?"

+1 (860) 819-9601

12:40:06

But they were interviewed, right? He thinks Mitney wrote the letter

Tony G (+1 (860) 808-6533)

12:40:41

Interviewed, yes

12:43:43

You should be interviewed as well. Your meeting with him where he again confirmed that he did not give permission or was aware of You saw him genuinely hurt and distraught that they would take advantage of him. All that needs to be in writing. If this investigation is not handled appropriately, the media will have a field day.

12:45:21

When is he getting investigated? Lots of eyes in town are watching.

I'll m trying to get a hold of Cheryl, is she on vacation?

Bad cops, they need to

Friday, July 31, 2020

Tony G (+1 (860) 808-6533)

11:47:36

Sounds like there is proof of stealing and forgery. Both felonies against the town. Regardless of their punishment, this would automatically trigger a second criminal IA. For which they would resign or get fired. And if it's true that someone else lied or tried to cover it up, they should also be asked to leave or get fired. Case closed.

I'll put my invoice in the mail. 😊 You're welcome.

+1 (860) 819-9601

11:59:36

Hahah

12:00:23

I'm getting to you soon. I got a text from Mike C first, so got him last night when I left her

Chief getting investigated?

Friday, August 7, 2020

Tony G (+1 (860) 808-6533)

10:28:57

What's the word?

+1 (860) 819-9601

10:48:15

State of emergency

10:48:39

I won't catch up to Tony until next Tuesday to see his updated report

What's the word?

Wednesday, August 12, 2020

Tony G (+1 (860) 808-6533)

13:34:08

Records clerk complained because she was told to do her job?

+1 (860) 819-9601

13:41:27

Need more info

13:41:39

She claims it's not in her job description

13:41:57

Would you meet with mark with examples

Tony G (+1 (860) 808-6533)

13:42:58

The prior records supervisor did them, JoAnn Borjkmam

13:45:33

Regardless she also did them anytime someone was on vacation

17:10:02

Is there an actual HR complaint?

17:11:34

It's completely bs. When I moved inside, the Chief gave me additional responsibilities that were in Jennie's new inside position. So, can I file a complaint??? Complete nonsense

+1 (860) 819-9601

17:59:27

It is in process but I haven't been in on meeting. Mark has

17:59:53

And I haven't had a chance to catch up

Tony G (+1 (860) 808-6533)

18:00:58

Ok, more importantly, the Chief getting investigated? Rivera's actually getting held accountable?

+1 (860) 819-9601

18:07:49

I just got the updated report. It's not overly strong but I believe enough for discipline up to and including termination. I would assume union will grieve and we will go through process leading to legal battle. Forewords Will begin this week or Monday at latest.

Tony G (+1 (860) 808-6533)

18:08:15

18:10:11

If the Chief isn't investigated, they will use that in their defense.

18:41:42

Bottom line, they claim he gave them permission. He (I believe), states he never gave permission. This is just as bad as them stealing time, falsifying time sheets. They're are lying!!! He also must be investigated, even Tony said so, from what I heard. If not, the Rivera's will have a good case against discipline. Time to buckle down!!

+1 (860) 819-9601

20:31:12

Yes. Although the issues are somewhat different so not sure how that works if it's all at same time

Tony G (+1 (860) 808-6533)

20:35:50

Loudermill hearing must be one at a time. Also, tell Plum that you must video them as well. We always video hearing. The same way Tony did during the interviews

Friday, August 21, 2020

Tony G (+1 (860) 808-6533)

07:21:42

Ask him for all the previous anonymous letters. Say you want a copy of all of them. He has a folder in his office containing them, which several high ranking officers have personally seen in his office.

+1 (860) 819-9601

07:53:48

At least one is already included which reflects a level

of favoritism. There are similar for Oscar

Tony G (+1 (860) 808-6533)

12:37:23

So no

12:39:34

Just remember...

You can't steal just a little

You can't forge just a little

You can't lie just a little

The first two are felony crimes and the third could decertify them.

12:40:58

Not to mention they had no authorization to "work " from home. All thefts of services from the town

+1 (860) 819-9601

12:42:26

He just sent me the revisions about 10 min ago which I'll approve today - assuming he hasn't changed it much

Tony G (+1 (860) 808-6533)

Correction, all three should decertify them. Look up Giglio v US

There is a

Been

11:40:45

They are not entitled to a copy of the report until after you had your hearing and ask your questions and put

them on notice. Nor is the Chief

11:42:20

They need to be brought in for their loudermill hearing before they receive any copy of any report. And the hearing must be videotaped

In negotiations...what's happening?

Tony G (+1 (860) 808-6533)

15:22:17

U tell me

15:22:42

Negotiations with who?

Wednesday, September 2, 2020

Tony G (+1 (860) 808-6533)

12:14:26

Union prez said town has no case, nothing going to happen....

12:14:56

I also heard the Chief is still trying to interfere in this investigation.

12:17:42

If they're are not put on administrative leave after tomorrow, I also believe nothing will happen. Any other employer, never mind PD would have done so two months ago. I fear this

+1 (860) 819-9601

13:13:45

I disagree. We would never want to show we've already made a pre-determination prior to them having the opportunity to explain what we've uncovered. It then looks like we are acting with bias; which is what they are claiming in the way we did the IA (which is humorous). As far as timing, this is not the most important thing I'm dealing with

right now. I know it's important but these a lot of issues going on and I'm one person trying to do it all.

13:14:10

No one else to handle it

13:16:17

I have no HR, I lost my part time person in the office, I have vacancies throughout town, grievances and negotiations with other unions workers comp FMLA Covid, economic development, infrastructure issues an election and a host of other shit with immediate needs or we stop operating.

13:16:52

These guys are fuck-tards for sure, but I've got them in almost every department here

13:18:57

And a bunch of assholes on council making me jump through hoops

13:19:07

With NO ONE to delegate to

Tony G (+1 (860) 808-6533)

14:55:21

I agree with you, just frustrated. 22 years fighting/working for this town and have to share the same badge with criminals supported by our own Chief.

+1 (860) 819-9601

14:56:23

I hear you and please don't misunderstand me...I'm frustrated with this place and I've been here for 18 months so so can't even imagine.

14:58:04

I'm going for the throat. It'll either end up in arbitration or in a negotiation

06:54:35

Hola

06:57:46

In case you didn't here:

Prior to Covid, A Sargent from Simsbury was terminated for lying. The labor board is back working in Connecticut and last week denied the union grievance and upheld the termination. He was also represented by IBPO/Ed Kosinski.

06:59:43

The shenanigans continue to happen. There are two days in which Oscar worked for Jennie in February that she has still not paid him back for, which means work for. Apparently there was a third day that she finally paid back this past weekend, which is never allowed to occur seven months after the fact. I know

07:00:06

Tony was told about these days by myself and other people he interviewed, so I'm not sure if it made it into the report or he totally forgot to look into it

07:00:51

Just another example of stealing time

+1 (860) 819-9601

09:50:53

Does the person swapping qualify for OT when they

come in or is it straight pay?

Tony G (+1 (860) 808-6533)

09:51:51

Straight

+1 (860) 819-9601

09:54:11

And do you have access to the Simsbury case. Ken says he only gets him quarterly so he doesn't have access

09:54:51

So if I have worked my 40 hours and swap an extra 8, I get 48 straight

Tony G (+1 (860) 808-6533)

09:56:01

No it's a wash

+1 (860) 819-9601

09:56:23

Ken likes OT better damn it

Tony G (+1 (860) 808-6533)

09:56:40

***The pay back for the swap
And then other person gets 8 hrs off***

09:58:47

Bottom line, you someone actually works there swap (8 hrs), the other person still gets paid for not working. So, if they never pay back the swap (physically work), then they stole 8 hours of straight time that they were already paid for.

09:58:58

I'll check on Simsbury Sgt

+1 (860) 819-9601

10:02:28

So Jennie DOES get paid for not working that day?

Tony G (+1 (860) 808-6533)

10:02:37

Yes

+1 (860) 819-9601

10:02:44

They both get paid? Ken didn't think so

10:02:57

So she swaps and if she never makes it up, she got paid

Tony G (+1 (860) 808-6533)

10:02:58

Yes, both get paid

+1 (860) 819-9601

10:03:13

And I can run a payroll batch report showing she got paid and never made it up

Tony G (+1 (860) 808-6533)

Chew on these facts: I imagined that the town spent

close to \$30,000 on this investigation. Only to move them back where they should've been place from the beginning, which would be more in line with following the rules for nepotism. The fact is this is not punishment, it's the move that should've been made from the beginning.

People are going to have a field day on how this incident was mishandled from day 1.

17:46:31

Two outside investigations (Town hired Attorney's) panty-gate and lie, cheat & steal. Well over 50K spent by the town, not including Ken's take. What do they have in common??? Zero punishment and/accountability from the top down. The town residents and it's employees deserve better. What will it take??

17:44:18

I can't wait to start working from home, as I believe I can and apparently that's all that matters....

+1 (860) 819-9601

17:49:30

I'm not even sure where this is coming from. Not sure what you've heard and from whom

Tony G (+1 (860) 808-6533)

17:50:41

Rumors are all we hear. So what's the truth?

17:57:40

All I know is they're still walking around like they own the place especially her. Which tells me that there must not be much discipline in play

+1 (860) 819-9601

18:12:22

Oh they (and the Chief) don't like what I offered so they are probably pushing back. John called me today but haven't had a moment to call him back yet. Will later. My guess is they are trying to counter. I'll listen.

18:43:11

GA 15 and POST could still crush them if it's handled correctly

+1 (860) 819-9601

18:44:45

Also the hope

18:45:16

Although I'm not sure they have enough.

18:45:28

But by then I think they retire

Tony G (+1 (860) 808-6533)

19:08:14

Demote for real (Sgt. To Ofc.) and she will retire. You and Ken are being tricked into negotiations for discipline before mediation. Give the discipline and see if they even appeal it. They lied during the course of the investigation. Regardless of discipline, I finding of untruthfulness will get the decertified at the POST academy.

Give them the punishment and tell them you're giving the findings to the Academy and GA 15 and they will retire and not chance any appeal. Call their bluff!!!

19:11:05

They're trying to knock down the punishment as much as possible before any mediation so they have less to

lose. And it sounds like they're winning at that. You are not going to get her to accept any real punishment.

19:24:17

Between you and me, Ken is laughing all the way to the bank. It all started during Jeff Bridges. The longer stuff takes, the more he makes. I told Jeff as well. Total conflict of interest for the town. He is suppose to be a seasoned labor attorney, but he continues to get out negotiated by cops and our union reps.

11:39:22

+1 (860) 819-9601

13:22:12

13:22:19

Tony G (+1 (860) 808-6533)

13:22:49

Got it, when are they actually getting it?

Monday, October 26, 2020

Tony G (+1 (860) 808-6533)

10:17:49

Gove/Chief strike again. Unbelievable. I think someone

mentioned something about succession planning and making sure we weren't left high and dry with our IT issues. Oh yeah that was me for the last eight years and most recently at our last negotiation.

+1 (860) 819-9601

10:42:23

I'm pretty sure I mentioned it twice at negotiations too and there crickets on your side of the table.

10:42:46

Since I've apparently created a domino in patrol

Tony G (+1 (860) 808-6533)

10:43:12

I don't blame you I blame the chief all day long

+1 (860) 819-9601

10:43:16

When Insuspend Jennie, who is getting fucked over if it happens effective Nov rotation

Tony G (+1 (860) 808-6533)

10:43:27

No one

+1 (860) 819-9601

10:43:30

Same group of people at that got screwed

10:44:19

So no one has to cover her shift or anything that isn't already working those hours. You don't have to take some off the road and put inside?

Tony G (+1 (860) 808-6533)

10:44:39

The chief has created a monster that has turned into the IT position at the police department. It's been growing for years and now Gove has also benefited

10:46:25

Worst case scenario they would have to fill her day shift overtime on the weekends. Dayshift overtime on the

weekends will easily be gobbled up by people that want the overtime

10:50:00

So the only punishment is temporary suspension? She is not moving back to patrol? If it's permanent, then yes a patrol sergeant would move inside. I'm pretty sure everyone in patrol would welcome that move except maybe John Blair. He of course would prefer to stay in patrol and make more money. But as you know, the Chief would most certainly want him to come inside.

10:50:26

When is this actually happening?

18:38:12

2-days Oscar Certainly will get a grievance

18:38:21

So we'll see what happens

Tony G (+1 (860) 808-6533)

18:38:54

Did she officially get notified?

+1 (860) 819-9601

18:39:07

No

18:39:40

I needed her personnel file and schedules because Ken needed to add her previous suspension in there that Tony P references

18:39:57

I didn't get to Chief until late today

18:40:20

He referred me to Michelle Carroll for schedule and file

18:40:29

I cut to the case and asked you on schedule

18:40:52

Also if you can verify she still hasn't made up the swaps without getting pinched that would help

18:41:13

Blair came to the meeting today for Gove

18:41:27

Was a little docile

18:41:38

Btw why did she discipline you?

Tony G (+1 (860) 808-6533)

18:41:50

I don't believe so, but Michele or Lt. Mitney should be asked to verify and/or look into

+1 (860) 819-9601

18:42:22

I'm trying not to tip off prior to an arbitration or a thing where she can make it up. I'll ask Mitney. He won't give a fuck

Tony G (+1 (860) 808-6533)

18:43:54

Not discipline, she filed a complaint that I was unprofessional during or last firearms training.

Retaliation against me from her and Jessica for something they did in the past. It's an attempted smear attack on me. I'm not worried

18:44:27

Mitney would love to look into it, especially when he hears her discipline

+1 (860) 819-9601

18:44:31

You were unprofessional? Ha

18:44:40

Don't be telling people

18:44:43

Ha

Tony G (+1 (860) 808-6533)

18:45:14

Improper joke basically

18:45:43

My lips are sealed as always, it's been long enough already

18:46:08

I assume she will get officially told her discipline next week?

+1 (860) 819-9601

18:46:52

Did you invite people to a party and said vaginas only?

Tony G (+1 (860) 808-6533)

18:47:20

So basically yes that is why they complained about me because they blame me for complaining about them? Which I really did not

+1 (860) 819-9601

18:47:37

Yes. Was shooting for today with a start of Monday. Chief whinned about confirming

scheduling or consider breaking it up

Tony G (+1 (860) 808-6533)

18:49:18

Duck breaking it up. That would mean it's actually less punishment.

+1 (860) 819-9601

18:50:48

I might split up Oscar and Jennie. Not sure about splitting hers up. I am considerate of the fact that kids are involved (perhaps both with special needs)?

18:51:05

But do want it to hurt

Tony G (+1 (860) 808-6533)

18:51:09

18:51:29

POST Academy?

+1 (860) 819-9601

19:02:54

What's post academy?

Tony G (+1 (860) 808-6533)

19:03:04

It's not double jeopardy

19:03:37

If there's any finding of Miss truth or stealing then she could be decertified by the Academy.

19:04:34

POST Police Officers Standards & Training

19:05:22

He or at least she should seriously consider retiring, because she could face much worse from either court or the Academy.

It's gonna get dropped tomorrow

Tony G (+1 (860) 808-6533)

She's off

20:08:21

You paying her OT to come to work and get punished?

Tony G (+1 (860) 808-6533)

20:09:02

Lol

20:09:08

Why start now

20:11:18

Sounds suspect

20:17:05

Sending it to Ed? Blair?

+1 (860) 819-9601

20:20:55

Suspect to send it when she isn't in?

20:21:18

It would go to Ed and Blair...Inassume Blair...does he still work there?

Tony G (+1 (860) 808-6533)

20:22:32

Lol

20:22:58

Do they know it coming tomorrow?

+1 (860) 819-9601

20:24:06

I think they thought Wed. Well at least J and O did because I told the Chief it was coming and figured he would rat

20:24:50

To be honest. I can't recall for Blair and Ed. I want to say yes but really can't remember of it was Fri of last week when I met with them

Yes, that is our Zack at the PD

19:43:58

Great hire and both DeMonte and the Chief almost convinced u to fire him. All while JB stood by

19:44:27

I'm not saying I'm always right, but most of the timeI

am.

+1 (860) 819-9601

19:44:30

19:48:52

**Probably because I bump her to patrol evenings

19:49:14

Tony G (+1 (860) 808-6533)

17:57:58

People are ready to drop a dime on this place... Did they get punished or not??

+1 (860) 819-9601

18:05:41

They did. Everyone needs to mind their business; if the union isn't talking about it and word gets out that I disciplined her then they'll know I'm talking out of school. So I'm not publishing it. But when her suspension goes into effect everyone will know as the Chief will have to announce it (or union).

Tony G (+1 (860) 808-6533)

18:07:18

No one will announce anything, I'll bet on it.

18:09:02

Just like he never told you about JB. That will get swept under the rug.

+1 (860) 819-9601

Tony G (+1 (860) 808-6533)

16:08:19

So did he?

+1 (860) 819-9601

16:09:45

16:09:54

5 days?

08:36:52

WTF is going on?

+1 (860) 819-9601

08:37:49

And so begins his discipline

08:38:36

Do I pick The Who replaces him when he's suspended

Tony G (+1 (860) 808-6533)

08:38:36

So she got away with murder again....

+1 (860) 819-9601

08:38:47

That is not what I have her

Tony G (+1 (860) 808-6533)

08:42:38

Police corruption, I told you so

08:49:48

Who's running the clown show now??

+1 (860) 819-9601

08:51:33

Kens pulling the Chief statute. He stopped me from hitting reply all with "Chief this is not my bdiscipline and you are hereby required to surrender your badge in gun for the next 25 days to serve out the remainder of Jennies suspension"

08:51:51

Unfortunate he did himself in this way

Tony G (+1 (860) 808-6533)

08:52:27

What Chief statute?

+1 (860) 819-9601

08:52:39

Just cause

Tony G (+1 (860) 808-6533)

08:52:39

Age?

+1 (860) 819-9601

08:52:44

Termination

08:52:48

Or age

08:52:54

Actual either could work

Tony G (+1 (860) 808-6533)

08:53:18

He should be suspended immediately for insubordination until whatever happens

+1 (860) 819-9601

08:53:23

Directly disobeying an order like this seems pretty much just cause

Tony G (+1 (860) 808-6533)

08:53:36

And if her punishment is incorrect it should be corrected today

+1 (860) 819-9601

08:53:39

Well Ken said I can't suspend him without giving him a hearing

08:53:43

So I said ok tomorrow

08:53:59

Good news is I issued mine first

08:54:09

So can't argue double jeopardy

Tony G (+1 (860) 808-6533)

08:54:56

I agree you should certainly meet with the union hall to get this sorted out soon as possible. If you can't suspend him without a hearing I'm sure you could send him home on paid leave until the hearing?

+1 (860) 819-9601

08:56:02

Ken was going to review admin leave ability

Tony G (+1 (860) 808-6533)

09:00:07

Not to add to the chaos today but?! My suggestion is that you submit something in writing to him reminding him that he cannot administer any discipline And that you are aware of two current internal affairs investigation's regarding two more sergeants at work. One being me of course. My guess is the John Blair investigation will get swept under the rug with no discipline and signed off by the Chief before he ever tells you.

09:19:48

He was in and out of the Chiefs office all day yesterday. No doubt that they're in in this together

+1 (860) 819-9601

09:24:28

They are issuing an MPP on this to me

09:24:43

Not sure how that works. I expected them to grieve

Tony G (+1 (860) 808-6533)

09:25:46

Time for Ken to earn his money. Sounds like they are making up the rules as they go along

09:29:49

If you issued your discipline before the Chiefs and that should stand. They can fight it with the labor board after the fact. Since the chief is involved in this investigation he should not have any power to wield discipline or change your discipline. .

09:30:30

Again this is why the chief should've been investigated alongside them from the beginning. He is a co-conspirator he has colluded in the investigation

+1 (860) 819-9601

10:12:22

Is the retirement statute 7-430

Tony G (+1 (860) 808-6533)

10:12:59

Not sure I'm currently driving back from Rhode Island picking my son up from college. I'll be back at work this afternoon and can check if you still need me too

14:00:19

Any news

+1 (860) 819-9601

14:09:27

Is Connolly back. Who has seniority Crabtree or Connolly

Tony G (+1 (860) 808-6533)

14:10:37

Yes back, Crabtree is senior

14:15:10

***Yes on statute

Sec. 7-430***

+1 (860) 819-9601

14:15:43

Is crabtree in tomorrow?

Tony G (+1 (860) 808-6533)

14:16:11

Here now and should be. I can ask him

+1 (860) 819-9601

14:16:37

Without explaining that I'm asking?

Tony G (+1 (860) 808-6533)

14:16:54

Lol

14:16:59

He should be

+1 (860) 819-9601

14:46:01

Is it offensive to mike to make LT Crabtree interim while Chief is on leave? Don't want to start a kissing contest with Mike, I'm basing on seniority. Also, would me talking about their discipline to someone like you result in an MPP? Can't figure that one out

Tony G (+1 (860) 808-6533)

14:47:36

Making the Senior person makes sense. No one knows nor do I believe so. What is the MPP actual for?

Tony G (+1 (860) 808-6533)

12:27:28

Start making a list I'm sure you got plenty to put on it

+1 (860) 819-9601

It's a loooooooooooooong list

Tony G (+1 (860) 808-6533)

14:50:24

16:05:01

+1 (860) 819-9601

18:17:49

I will send out the notice

18:18:07

18:18:17

18:18:40

He will be on administrative leave but he got the weekend to consider

18:18:46

I doubt he'll do the right thing

Tony G (+1 (860) 808-6533)

18:18:52

The rumors are flying

+1 (860) 819-9601

18:18:58

So spent about 2 hours with attorneys

18:19:09

They've crafted the process

Tony G (+1 (860) 808-6533)

18:20:32

Blair and DeMonte are telling everyone that it's happening and Blair is trying to drum up support for the chief and maybe even drafting a letter on behalf of the union in support of him, so I have been told.

18:20:56

I assume the chief must've called them both immediately after and told them

+1 (860) 819-9601

18:22:37

They started last night

Or, you can pull your cruiser into my garage and we can just drink. Doesn't matter anyway

22:08:13

I think I write up DeMonte for doing a shitty IA. He's supposed to be a good detective, right?

Tony G (+1 (860) 808-6533)

22:11:00

He was the best, I heard he did no investigation?? BS. No doubt he got marching orders from the Chief to do nothing. I keep telling you, police corruption

Friday, November 27, 2020

Tony G (+1 (860) 808-6533)

08:53:18

How can He get away with that. He literally did zero investigation

+1 (860) 819-9601

09:29:26

It ain't over

09:33:46

And, any councilor that wasn't voting for dismissal before will be hard pressed to not vote for it now. I'm going to let them read the IA and then I'm going to show them how much Blair has made YTD.

Per our discussion last night have Charlie check out Housing Authority on Treat Road and surrounding areas for high grass. It might be rain that kept them from cutting. Thanks. See you in two weeks.

Gary

Hope your enjoying your day off to celebrate Yon Kippur. Do you want me to pick you up tomorrow morning at 8:00 to go to MDC?

Tony

+1 (860) 819-9601

19:20:13

Ooops...forgot to tell you, let's take separate cars to

be safe as my other meeting hasn't confirmed

Tony Martino (+1 (860) 930-2686)

19:22:09

Ok. See you there. Don't forget to park inside to keep dry.

08:35:21

So obviously I'm running late. I will be there shortly. Had some morning issues at home.

Tony Martino (+1 (860) 930-2686)

12:55:37

While we were meeting at MDC, Andy Adil was texting Amy, Paul Montinieri and I on the MDC Budget. I respond to comments when I got home. Andy asked if you could poll the other Town Managers to see how far out their OPEB is to be fully funded. He will use that information at the next MDC Finance Board meeting which he sits on to try to get the eight years expanded. Thanks.

11:55:24

Didn't see Tax Abatement Ordinance on agenda. Assume Jack needs more time with 25 year rule. Let me know so I can get back to Retired Firemen looking for ordinance. Also where do things stand with Qualidigm? I know you were meeting with staff and Jack this past Tuesday. I just got a text from Anthony Spinella. He heard from their attorney that if they don't get some consideration they will consider moving out of town. Please text or email me and Anthony with an update. Anthony's cell number is 860 839-2553.

Thanks

Tony

+1 (860) 819-9601

12:01:57

Still working on ordinance but let them know it's not dead and we are working on language. I won't let it go on them and tell them you won't be going away either.

Tony Martino (+1 (860) 930-2686)

12:02:47

Thank you.

+1 (860) 819-9601

12:05:53

As far as Qualidigm that's a longer discussion. It's not as clear cut as it seems. If they want an exemption they have to provide the documentation we are requesting. We are not satisfied that they have met the burden of proof they are exempt. I don't want them to move, but we aren't exempting an organization based on a threat or even following through on a threat.

Well, hopefully the Rs won't take shots at us for enjoying lunch together. Only a handful of staff

Tony Martino (+1 (860) 930-2686)

20:06:55

If they do say it was improving moral and employee commeradity.

20:07:36

I know I spelled commeradity wrong. Spelling not my strong suit

+1 (860) 819-9601

20:07:38

Just a quick note to say hi and tell you about something my cousin in West Hartford told me last night. Paine's is their refuse hauler. They can now have three different colored barrels. One for refuse, one for recycling and one to put grass clippings and leaves in. Don't know what they charge the town for the third barrel for grass and leaves. Paine's must be composting grass and leaves keeping them out of the Trash plant. This may be cheaper than what your paying for tipping fees and fines. Might want to have Heather check this out. Might be a way to reduce next years refuse budget especially where I hear the current Council majority is looking for a zero percent increase. I guess I retired at the right time. Once this pandemic is over and we get to the new normal we need to get together for breakfast or lunch. Stay safe.

Tony Martino

ps. I now have an eleven day old grandson, Jacob Joseph Martino. Our first grandchild. Baby and parents doing fine. We get to visit him from a distance at their house.

Hope all is well. I know your busy with storm damage. Some people have called me asking if Town will be doing curb pickup of storm damage. Please get me an answer and I will relay info saving you a bunch of phone calls.

Stay safe.

Great turn out for a great event....but it dawns on me, who is minding the store?

I've been saying this since I've come on board. I've worked in and for a number of communities and I'm always blown away by the level of volunteerism in our little town.

The Volunteers and employees are what make our community great.

Of course, the life of a volunteer firefighter is not easy. And so I thank you for your continued commitment in protecting life and property in town.

But I also want to thank your spouses, significant others and families for allowing you the time to dedicate to our town.

And with that, I'll say thank you again.

17:53:00

Sorry to bother the start of your weekend, but who the hell's idea was this mask mandate? The town and the council are going to have hell to pay for this. Just the last 30 people I've met in the last 20 minutes at the gym are furious. We will not comply with this nonsense.

17:53:02

Have a great weekend!

+1 (860) 819-9601

17:53:36

All me baby

17:53:48

I'll take the hit

17:54:00

Good news

17:54:07

I don't plan on enforcing it! Ha

+1 (860) 916-6964

17:58:30

Tell that to the business owners. They're the ones who are going to be forced to enforce it.

17:59:06

Where did it come from?

+1 (860) 819-9601

18:00:38

They'll be fine. Numbers are up. School is starting. If we see numbers come down, we'll take it off. My guess is I'm 3 weeks we'll be fine....it'll be a yo-yo for awhile but ultimately by next year everyone will be used to this shit and there will be no masks and no one will care...it'll be like the flu.

18:00:48

Many business owners asked me to do it

18:01:16

Don't let them fool you. They want to say they don't like it but they're just looking for cover

+1 (860) 916-6964

18:03:36

Well you could tell them that at least one taxpayer has vowed to do zero business in town till this ends.

+1 (860) 819-9601

18:04:03

Hahah...don't be such a baby. Hahaha.

+1 (860) 916-6964

18:04:11

In fact, even after it ends, I think I'll do all of my commerce in a town that wasn't so foolish.

+1 (860) 819-9601

18:04:14

And you remain one of my favorites

+1 (860) 916-6964

18:05:14

*Not even remotely joking. I am furious. This s*** has to end.*

+1 (860) 819-9601

18:08:25

It will soon enough. By the way, you'll have to go to Newington Walmart to shop. Rocky Hill put their mandate in place almost 2 weeks ago. I held out just to see this week's numbers. We'll review and if we get a few weeks of considerably reduction it'll go away.

+1 (860) 916-6964

18:18:13

Because we had an increase in a number that was already statistically zero? Not good enough.

+1 (860) 819-9601

18:21:58

I know I know. Listen, I don't love it either. Sometimes decisions aren't popular but end up proving to be in the best interest. Which may mean we never do this again because it makes no difference if we have a mask or not. My suspicion is that "red" will be the new normal and everyone will just be able to choose and things like masks just won't matter. We just need to get there so the polar sides come to center. Just watch. In the meantime, do what you feel comfortable doing

18:23:07

I'll let you throw the last shot at me....And then I'll have a vodka; hopefully you'll still join me for one down the road.

+1 (860) 916-6964

18:25:28

Nope. No parting shot. Except the vodka, of course. We'll have to agree to disagree. Have a good weekend.

She's on the town Council saying she doesn't support the police department in the town for which she works on the town Council. I'm all done with her. I suspect many of the cops are done with her. Gonna be a rough ride for her going forward

21:08:09

And she makes the sweeping comments about racism in Wethersfield. I'd like her to show me facts and evidence and data to support that, she doesn't. She throws it out there like a grenade and then doesn't say anything to back it up. That's gutless and weak.

+1 (860) 819-9601

12:55:00

Who knows

12:55:21

Long agenda Monday night so they moved it to Wed

Andy Powers (+1 (860) 982-4836)

12:55:46

I was going to call in, but I went to bed, got too late

12:55:57

I'm sure you have a heads up as to whether it's good or bad

+1 (860) 819-9601

12:56:18

Not really

12:56:38

I don't think they'll remove me during a pandemic, but I doubt it'll be a good review

Andy Powers (+1 (860) 982-4836)

12:57:30

Stay put. Make some big personnel moves.

Andy Powers (+1 (860) 982-4836)

20:38:21

Remember what I told you a couple weeks ago, I got a letter of reprimand for not doing eval's. Oscar Rivera drove drunk and got exonerated and someone is accused of committing multiple felonies over a long period of time. I think that's clean. People are waiting and watching. The right thing needs to happen, or it will destroy the PD.

+1 (860) 819-9601

20:38:26

They have a rational for most, not all things.

Andy Powers (+1 (860) 982-4836)

20:38:35

That's my 2 cents worth

+1 (860) 819-9601

20:38:43

I'll take it

20:39:47

Our case is not as strong as it should be or we thought. I think I still nail her with a demotion and suspension. Don't know if I have enough to term.

20:40:14

But maybe she retires as result

Andy Powers (+1 (860) 982-4836)

20:42:52

A demotion and suspension would be appropriate. hopefully she's embarrassed by it and then retires, that would be a win win

21:15:26

And if she doesn't accept the demotion and suspension, let her know that you will have to notify the court of a potential criminal matter

Hey Gary I was calling you because I just got a memo from my wife who works at the ER about people leaving out-of-state hotspots and coming back to their jobs and spreading the Coronavirus. The hospitals are seeing an increase in covid-19 with people going on vacation. I just want to give you a heads up on that because I know we have people going on vacations in hotspots. Maybe we should come up with a quick policy in regards to that, and if you have please disregard....Sorry for texting. This so informal but I want to get it out to you soon as I got the info.

18:19:38

So you were with him Friday August 21? So he could have been exposed after...any idea when he started showing symptoms

Anthony Arborio (+1 (860) 970-9964)

18:40:34

*Yes , August 21 2020 from 9-11:30 PM. Yes he could have been exposed after. My son texted his friend. We will get back to you with an exact date, but Nick thinks it was within the past 3days for school.
No symptoms just a positive test.*

Nick's friend took the test on Monday.

09:41:22

Can you find out if it was a "pool" test versus individual. My understanding is schools are doing pools or vault testing. They have groups of people spit into containers, they combine containers and then see if there are any positives and then go back and contact members of the pool.

Anthony Arborio (+1 (860) 970-9964)

Hello Mr. Evans, it's Anthony DeMonte from the Police Department. I know you are very busy, are you able to set up a meeting with me?

I want to thank you for today. This was not easy for me, and I'm sure it was frustrating for you. I want you to know I heard what you said loud and clear about the backstabbing. It has to stop. I will work with you to make sure it does.

Anthony Demonte (+1 (860) 202-4624)

Thank you. And thank you fir the meeting today. If you'd like to meet together in the near future I would be open to that.

Yes. I wouldn't mind meeting up to discuss your thoughts. Everyone gives me their opinion and I try to find the balance (the truth is always somewhere in between). Somethings are clearer than others.

I didn't tell them who I was but I told him I didn't want to be on TV. But I've seen it much worse; especially a few weeks ago.

Anthony Dignoti (+1 (860) 202-3693)

19:26:47

I forgot to tell you. Kate from the housing authority called me with a bunch of questions. Closing, protecting employees, essential etc. I told her we could keep her in the loop on town decisions. Should I invite her to staff meeting so she can follow are procedures? Let me know what you think.

+1 (860) 819-9601

21:03:27

Oh...yes. Probably should get her in the fold.

Charlie said he spoke to her about a week ago.

21:03:43

Not sure if I want to add

21:04:05

Another person in the room as we can't get anything done as it stands now

21:04:14

Let's talk tomorrow

21:04:17

Maybe by phone

21:04:42

This way our team can talk first and then include her in

Anthony Dignoti (+1 (860) 202-3693)

21:05:41

Ok no problem. At some point tomorrow maybe you can give her a call. I think she is a little nervous.

What are your thoughts about someone like Kristine L to help co-chair the Re-Open Wethersfield? Ha

15:23:41

Just kinda came to me

21:15:34

So before I lose my mind and call Rich...is it a little over the top to have 4 fire vehicles, 1 ambulance and 4 WPD suvs for a 1 year olds bday...that's more about a photo op than making a little kid happy as they have no idea what's going on

21:16:53

Also, is it odd to have WVFD marketing for Scoops and Sprinkles? I fully support Shane. He's awesome, but we are publicizing for an out of town business while our businesses are potentially struggling. Not for nothing, this Council is hammering me on savings and we are literally giving them the middle finger

21:17:26

Is it reasonable to say - one truck and one cruiser and for kids 4 and older only.

Anthony Dignoti (+1 (860) 202-3693)

21:24:40

Mahder is spearing heading these. Rich has lost control and intrest in FD. He only focuses on breaking my balls. These drive buys are out of control. Many of us thought it was a bad idea with the Ice cream guy. Mark however is a nice guy without a lot of common sense. I would like to be the Chief someday but I dont know what will be left by then. Sleep on it and perhaps in the morning you tell him to get rid of ice cream and one truck for rest of parades.

19:15:08

My concern is he plays it up as if I'm supporting domestic abuse. I noticed someone commented that they felt I should resign as a result of this

11:33:16

No nothing from country club. We haven't been charging during this time frame or ever?

+1 (860) 819-9601

11:34:28

This time frame and ONLY specific to COVID. If they're putting it up for a wedding or other event we charge

11:34:41

If it's for out door dining for daily use then no

Anthony Dignoti (+1 (860) 202-3693)

11:35:40

Ok we have only issued one. So are they getting a permit or not?

+1 (860) 819-9601

So if they're having a wedding we charge

Who is the other deputy chief? Keel her?

14:28:17

Keleher?

Anthony Dignoti (+1 (860) 202-3693)

14:30:46

Keleher and Martelle. We use to have 3 but one was cut out of the budget about 10 years ago. We needed to save \$7,000. I have the rank of deputy Chief but I'm in limbo between the vol vs town paid.

+1 (860) 819-9601

14:31:35

Do you get paid for deputy. It says \$8930 for next years budget. 2 positions

14:31:44

So I just figured one is you

Anthony Dignoti (+1 (860) 202-3693)

14:33:03

No i do not get a stipend. I get call pay during non working hours if i got to calls or drills.

14:35:13

Last year they got \$7,650 each. Did they get a raise?

+1 (860) 819-9601

14:35:45

That's weird

14:35:59

Last year has them at \$8670.

14:36:12

This is also an early draft so I'll look

14:36:17

So you get nothing?

14:36:24

Hmmm....

Anthony Dignoti (+1 (860) 202-3693)

14:38:33

The assistant chief (1) get \$8,670 not the deputies.

+1 (860) 819-9601

14:38:57

Wrong line

14:39:15

\$15300 for deputy X 2

14:39:19

Last year

\$15,760 was drafted TY

Anthony Dignoti (+1 (860) 202-3693)

14:39:52

Sounds right.

+1 (860) 819-9601

14:42:05

But either way you get nothing?

Anthony Dignoti (+1 (860) 202-3693)

Yes i only get what the firefighters get \$7.00 a call and drill. And only during non working hours. All the calls i go to all day i get nothing.

10:56:48

I understand 100% why he's pissed. you may want to let Andy know it has less to do with Village and more to do with people like yourself reminding the TM how stupid we can sometimes be, the TM agreeing and then speaking with the TE, all agreed it was stupid; thus Leading to telling him to move it back.

10:56:53

If you followed that

11:00:18

But I agree with him

Anthony Dignoti (+1 (860) 202-3693)

11:29:15

😂😂😂 I know. I think Derrick needs to not always think like an engineer. Andy is right the sidewalks are not the same size on Main st. So it is hard to tell someone 5 feet when the sidewalks in front of the Main st block blend into the property. I'm not saying anything to Andy he hates the town, I got no problem with that. His emails are amusing.

+1 (860) 819-9601

12:30:38

Kristine called me this am and Intoldnher to tell him to move it back and not to cut his nose off to spite his face.

I dont think he is doing himself harm. He just enjoys beating you guys up!

I just want him to maximize the space. No matter what he's going still hate us ha

Anthony Dignoti (+1 (860) 202-3693)

14:06:02

He was maximizing his space. Steve, Charles and I approved it. The TE overruled us.

+1 (860) 819-9601

14:07:00

I know. I'm saying, I wish he would reconsider putting it back that way even though he's pissed at us. I completely understand that he's not being jerked around. I'm saying, even though you're being jerked

around, put it back and then still can tin you to hate us. Just consider it a victory for yourself.

14:07:11

And then give us a middle finger.

Anthony Dignoti (+1 (860) 202-3693)

14:17:31

He was jerked around! The three of us went out and approved. Derrick waited 2 weeks to go out. He was already open for 2 weeks. I forgot engineering is so busy they need to hire more people. There part time guy spends his day working at the fire station. The only department not overwhelmed is FMO. We really have nothing to do that is why people get inspections on time. It must really suck to be overwhelmed and understaffed.

Anthony Dignoti (+1 (860) 202-3693)

14:02:45

You got the fire chief to cave? Did you threaten to take his truck away?

+1 (860) 819-9601

14:03:43

Hahah...

14:04:56

Hey, you may not be the pick for assistant, but we're going to follow the process. I get to pick the chief and frankly that's the end result I want for you. It'll be yours to turn down. My commitment to you.

Anthony Dignoti (+1 (860) 202-3693)

14:20:40

There will be nothing left by then

Thursday, August 20, 2020

+1 (860) 819-9601

11:20:46

I feel like I took over your meeting. Do you want to jump in

Anthony Dignoti (+1 (860) 202-3693)

11:23:20

No

+1 (860) 819-9601

15:51:03

Thoughts on extending summer hours an extra week or do you hate the idea?

15:51:37

Just because school was pushed off a week

Anthony Dignoti (+1 (860) 202-3693)

15:52:24

I'm good with it, would you like me to poll my members?

+1 (860) 819-9601

15:53:26

I suppose I should check with department heads first. What other union besides 1303-408 (Karen?).

15:53:47

Is it just town hall, community center?

Anthony Dignoti (+1 (860) 202-3693)

15:53:48

Just Karen

+1 (860) 819-9601

15:53:58

Amy ok with it 😊

Anthony Dignoti (+1 (860) 202-3693)

15:54:37

Community center as well, probably not an issue there.

+1 (860) 819-9601

17:56:17

Pool your people as appropriate

18:24:20

Sorry to bother...what's the deal if I held a council meeting in building? Is it max 25 or is 50% of room capacity?

18:24:32

Not that I want to do it

Anthony Dignoti (+1 (860) 202-3693)

19:26:44

Its half capacity but I'm not sure if we can get that many spacing out 6 feet.

+1 (860) 819-9601

19:31:45

I eyeballed it and paced it out based off of my unremarkable and unchallengeable understanding of spatial relations. I think you're looking at a maximum of 16 people in the audience at 6 feet.

Hate me later...I know you are off...any word from your guys on extending summer hours? I may just pull the trigger and wince for no grievances

Anthony Dignoti (+1 (860) 202-3693)

11:30:47

Sorry forget to text you. We are good with your plan.

+1 (860) 819-9601

Do you think there's a need to have the EEOC meeting tomorrow or can we skip a week?

Anthony Dignoti (+1 (860) 202-3693)

09:11:12

I didn't see this yesterday. We can cancel if you would like. I'm home on stand by. My son was feeling ache and can't taste his food. His temp is 98.6 and he has no cough. He is in Glastonbury being tested.

+1 (860) 819-9601

10:49:03

14:46:36

Hey...wasn't sure if you were going to let Neil, Heather, Erica or Peter know as they were close to you. I'm keeping my mouth shut until further notice or you authorize me

Anthony Dignoti (+1 (860) 202-3693)

14:48:11

Erica knows, I will let the others know.

Anthony Dignoti (+1 (860) 202-3693)

16:34:00

I'm good! I actually worked on several incident reports, answered a few emails and processed a couple of building permits.

+1 (860) 819-9601

+1 (860) 819-9601

17:02:30

Before I choke people, I would love to get your opinion on mobilizing 12 pieces of equipment. I went off on Bailey but maybe I'm over reacting

Anthony Dignoti (+1 (860) 202-3693)

17:17:45

My opinion is the FD should not get involved with that. We have a few members that are Hispanic and they support BLM. That was just rubbing it in. Maybe someday you will have a Chief that makes good decisions? The truck with flag in parking lot should have been enough.

+1 (860) 819-9601

17:22:03

Let's just say I was pissed and Rich knew it. He's in my office Monday.

20:27:14

We just had a multi car accident on the Silas. The AC in waiting was running around with no fire gear on violating department policy taking pictures for FB! What a fucking disgrace. We have 100's of policies that we dont enforce or follow. It's like we went back 40 years in time. The guys were telling me the Chief was complaining that he got in trouble about parade. He told he doesn't care. You are going to have a long 2.5 years with him.

09:49:21

In that case, that will be the last unformation i will provide! That meeting will be a waste of time. You let the place fall apart. I think you and Tom will need to meet to figure out how to pay a full time Chief!

+1 (860) 819-9601

09:53:28

I thought you were providing me information to squash this

09:55:53

Was going to take away the fire vehicle and bring it back to Mike M.

09:56:19

Address Bob Keleher and the other emails from last week. Was that not your intent to have me do that?

Anthony Dignoti (+1 (860) 202-3693)

09:58:28

Squash what? I have told most of the members what you, Bob, Tom and Rich have done to me. I also told them I have pulled my name from AC job. You had the power to try to save the future of department and you didn't do it. They played you! When Rich leaves you can make Bob Chief and pay him \$100,000 to supervise a no existing fire department.

This is example. I told you and Chief everyone comes to me! Your deputy chief martelle at car accident this morning. Not wearing is gear properly and posing so

firefighters can take pics and make fun of him. Also yesterday's rollover apparently he drove into power lines when he got there. It was stated on radio. I didn't hear it I was told. This is the buffoonery that will eventually end everything. As Tom Mazz if he thinks this ass clown has any leadership skills.

08:00:44

At 5:25 this am I received a call to open up the keeney center. I guess whoever was suppose to open it up didn't show. See I went there to find workers and voters standing outside. No big deal not the first time I have helped with a panic call and with this towns record wont be the last. So when you, Mazz, Mahder and Bailes are hanging on your deck having a few cold ones discussing the towns problems, you can add this problem to the list.

I was not there, I was working at the Fire Academy. A place where they actually respect my abilities and knowledge. The first call on the highway today 1 firefighter may have pushed another firefighter during a heated argument. It may be on CSP body camera and on DOT highway camera. You may want to give a heads up to the Deputy Mayor. So that he and his campaign donor can launch a full investigation. I been telling you for months the moral is bad and nobody is fixing it!

11:46:52

I hope family is doing better. Regrettably, I have to move forward with Mark now as AFC based on

pressure from Council. My discussion to have a person for additional strategic focus is still available but they don't want to wait for it to be worked out on paper. While you disagree with how and why I did it this way, I fought for you on many levels up until and including last night. Their opinion seemed to be less about you and more about just wanting Mark.

Anthony Dignoti (+1 (860) 202-3693)

12:06:41

Like I told you weeks ago, I was no longer interesting in the position. It was your choice to make and by thinking you were going to get Rich to buy in you were wrong. You allowed politics to get involved and now they made the decision for you. Like you said you screwed this up. I pointed out so many flaws with Mahder and if this town wants to move forward, it is just sad state that this dysfunctional town is in. I also pointed out that people were not following the mask rule several weeks ago. Nothing was done, now we have several company 1 members exposed including at least two town employees. Not sure what your idea about this planning thing but I can tell you Rich and his gang of poor leaders will not value or listen to my input. The moral in the department has never been this bad but I'm sure your new AC will correct it. You dont need to stick up or defend me because I didn't do anything. I sent you an email last week about coming back to work. Are you following new guidelines? Can I come back to work Thursday which will be day 11? Its a yes or no answer? If not I will be back next Monday. I also suggest one of you, you or the Chief should be a man and inform Brian he is not getting the job.

Anthony Dignoti (+1 (860) 202-3693)

If you remember Gary, you told me to take the training then you asked others about the job. So you go back in forth with this. I know you have 0 faith in me, so if you want me to do it, its at your own risk.

+1 (860) 819-9601

11:15:46

I had asked the chief about PD doing the response as my concern was volume. Wasn't a dog at you but they are out there in the community at all times. At the time, you were also telling me you were pulling back so I was being considerate with everything going on. Frankly, I was afraid to push you out the door in it. I have faith in you but not everything is as clear as you may see it. But yes, I'm willing to take the risk on you. It's a good gamble

20:30:27

Your making the FD pay for a grant writer? We had one, Jeff Bridges ran her out of town.

+1 (860) 819-9601

20:31:15

That's not at all what I said to them

20:33:18

I asked them to get a debrief to find deficiencies in grant application; told them I was able to find online the general formula of what they looked for in an application. I was basically inferring they could write it themselves but if they wanted money to do it they

could take it from their budget.

20:34:01

If they just did what I asked they could rework the existing application to fit what the funder wanted. Everyone wants the easy solution, throw money at it

Anthony Dignoti (+1 (860) 202-3693)

21:09:43

We just had a department meeting. Your neighbor said they went to you and you told them to pay out of there budget. They admitted they can't do it. So they want to pay \$4,500 to a grant writer. I objected because that money was not budgeted for that purpose. I told them we got grants before because the assistant TM wrote the grants. They never said anything about what you just told me. So I told them in front of the department on Google meets, that they should do to ask the politicians for the money. They are good at that!

+1 (860) 819-9601

21:14:07

Haha

21:16:26

[Anthony Dignoti/attachment23.png](#)

21:16:26

Maybe the last sentence is confusing? My point is I don't have money for a grant writer. If you want one, it's gotta come from your budget. I spend most of the response talking about getting a debrief and using what I found online

21:16:51

Ending with, let me know what you come up with

21:17:13

Wait

21:17:27

My respond is out of context without marks email to me

21:19:17

He asked if Council would support 10% of a \$540k grant. And then asked for \$5k to hire a grant writer

21:19:51

Everyone is full of shit

Anthony Dignoti (+1 (860) 202-3693)

21:23:10

Mark explained to us that the grant people don't know what we do. The type of calls we go to. I guess the othe 50,000 FD's across the country don't go to the calls we do.

🤔🤔🤔. I didnt realize the fire service us different here in Wethersfield. He also said the guy from FEMA said we don't go to enough calls to get the grant. What?

21:23:51

Why didn't he ask the DM when he is hanging out with him?

The new AC has big ones. He went over your head for a job now he's looking for help from you. Did you like my email last week to him, basically telling him he is pathetic.

Haha, the vendor will help with the grant. Let's spend \$4,500. Who is this grant writer, Marks brother in law? Maybe they will use the slush found, can't travel to conference in FLA!

+1 (860) 819-9601

13:40:51

I don't even understand why you need a grant writer

13:41:09

It's a formula and tell a story of why you need it

Anthony Dignoti (+1 (860) 202-3693)

13:44:38

Mark explained it last night that the grant people don't know what we do. But some guy we pay \$4,500 does. I don't think Mark knows that the people who review the grants are firefighters? The fire service in Wethersfield is much different!. Does the little man know that they want to waste this money?

+1 (860) 819-9601

Did they give a truck number? I would love it if it is the truck we wanted to get rid of for the last 2 years and council objected...specific members of council

14:59:39

You ready for a snow ball fight?

15:00:44

Should I be closing town hall to walk ins and encouraging remote work at this time or just wait and see what 5 am brings?

Anthony Dignoti (+1 (860) 202-3693)

16:03:54

Looks like snow coming in around 2:00 am. Based on forecast don't think we will have many customers. Going to get heavy through the day. May want to encourage work from home if you can. I'm sure people living far away will not take the chance.

17:18:20

I'm being told that Paul Boe maintenance supervisor came back to work after being exposed to his positive son after 4 days. Now he is positive. You better call Sally to verify this!

+1 (860) 819-9601

17:58:15

I heard. Spoke with her. 2 test. One positive one negative. Exposed on Saturday, found out We'd, got

tested and got a negative rapid. Came back and got a positive Sat. Now he's out. Sally and 2 others who had high exposure got tested. They are Q/remote until results are back. 2 who reportedly didn't have contact are in tomorrow based on a convo with charles

17:58:40

I'm really getting tired of this shot

17:58:42

Shit

17:59:48

How do so shut down PS for a storm?

Anthony Dignoti (+1 (860) 202-3693)

18:35:13

But he came back in 4 days with a negative test. Isn't that against policy?

+1 (860) 819-9601

18:40:51

What I was told is he found out on day 4, left and got tested. I think he returned prior to day 8 which would have been the violation but that was before we sent out the notice. Short answer is yes, another example of people just doing what they want. The problem is we seem to not be consistent, Charlie sometimes does a case by case or based on circumstances...again, why I'm just sick of this. I get a different rule for different situations

Anthony Dignoti (+1 (860) 202-3693)

18:42:30

I think they are not telling you the truth.

+1 (860) 819-9601

18:44:58

Charlie previously allowed a late testing on day 4, but the person still didn't come back until day 8. In this case, I believe he came in the next day or Friday when he got the negative. But then he got results today. Why wouldn't he just be out.

09:11:33

I actually rescinded it

Anthony Dignoti (+1 (860) 202-3693)

He has his gear!

+1 (860) 819-9601

09:12:28

I'm pretty sure I have in writing but have to look. it's a conflict but he said he would push it.

09:12:44

Well, it's a conflict when he votes on budget or anything related

09:12:51

Where did you go?

09:13:46

Well, that's gonna be his to deal with come budget and election.

Anthony Dignoti (+1 (860) 202-3693)

09:15:34

Is he in or not? Simple question. If he is I'm filing a complaint with the ethics board!

09:16:27

Read the town code!

10:39:18

Pentlow was at fire station 2 last night at training. Instead of performing is elected duties. I guess nobody listens to you.

+1 (860) 819-9601

10:57:34

Hold up. Instead of going to Council?

Anthony Dignoti (+1 (860) 202-3693)

10:59:51

Yes he was at company 2 last night. So I guess you lied about recining or they don't listen to you?

+1 (860) 819-9601

11:07:28

I don't lie. But they don't work for me. Pat isn't usually the one that I worry about, typically.

11:08:19

A lot of other people on the training call?

Anthony Dignoti (+1 (860) 202-3693)

11:10:57

So you signed off on something knowing that it is conflict with the town code! So I guess you have left me no choice but to file an ethics complaint.

+1 (860) 819-9601

11:11:25

Actually I signed off prior to knowing

11:11:42

Then researched it after the fact

female cops, I didn't quit and get promoted and I don't go
running to politicians to go over your head. Your buddies
do that.*

+1 (860) 819-9601

16:54:04

*I also didn't harass a female cop and have been
provided a letter stating so as people are trying to
destroy me professionally and personally for doing the
right thing.*

16:55:01

You're more than welcome to read the letter.

Anthony Dignoti (+1 (860) 202-3693)

16:55:24

*I didn't say you harassed! I heard others have. Not
you!!!!!!!*

+1 (860) 819-9601

16:56:37

Anthony Dignoti (+1 (860) 202-3693)

16:58:38

*Don't know what you are talking about. Just heard they
have issues over there. Just pointing out my record! I did
not say you read the text again!*

+1 (860) 819-9601

17:01:54

They have huge issues over there. There are several rumors about multiple harassment complaints male and female and some including me being a drunk etc...

17:02:53

All because someone did something wrong, I held them accountable.

Anthony Dignoti (+1 (860) 202-3693)

17:17:25

O ok, again I did not say you. Read the text before you reply. I said I don't! Please give me my documents so I can file my complaint!

+1 (860) 819-9601

17:30:08

Ok. I re-read it. I've asked for a copy of his application (I think that's the other document you wanted) as we don't have that on file here. Once I have that, I'll zip it over.

Anthony Dignoti (+1 (860) 202-3693)

20:05:52

I have a more protection to fire back than you do!

+1 (860) 819-9601

20:10:32

I've sort of come to the conclusion that I'm stuck with them for another 2 years so I'm gonna push back more aggressively. I'm learning Mike tends to speak for a minority of the caucus and not the majority. Either that or when I talk to them separately and put them on the spot they cave and lie to me. I still have to watch my ass but if I'm getting tossed, I'm going down swinging

20:10:41

People in this town are nuts

20:11:02

Like seriously, nuts!

20:11:49

People have the right to complain, but if the council won't give me funding to address things adequately, they get what they get

20:13:21

You know, like if they don't fund training, you lose the fire Marshal. Or don't fund books or training for the building department you can't approve building permits...or my favorite, bullets for PD

Anthony Dignoti (+1 (860) 202-3693)

20:15:09

I laid that on pretty thick.

+1 (860) 819-9601

Anthony Dignoti (+1 (860) 202-3693)

20:16:41

Steve thanked me. Somebody has to be the pit bull!

20:21:28

The entire time I have been in the FD the AC always went with the Chief to present the budget. I guess the Chief is so paranoid that he doesn't even keep his own man in the loop. I hope the DM has a plan for the sinking ship?

+1 (860) 819-9601

20:22:30

It just seemed like he couldn't explain why the amount was hire compared to previous years

Anthony Dignoti (+1 (860) 202-3693)

20:36:42

He just wants to go to calls and collect his stipend. He doesn't want to do it anymore, he is just going to make sure I won't be the Chief.

+1 (860) 819-9601

20:38:22

The company 1 project has been going on for months. The town was supposed to hire a sprinkler contractor. Sally told me yesterday we have a contractor. Today Rich tells me that a contractor was never hired. Today rich wanted me to allow the hvac guy to work on sprinkler system. No way! They hired a contractor for work that needs to be done on Thursday, today. So I have to meet the contractor tomorrow. What the fuck! The horn at firehouse 2 broke a month and have ago. Physical services took it apart and disconnected the line for the compressor. So the firefighters can't use the compressor to fill the tires on the trucks. WTF!!! You are running a well oiled machine!!! You should tell the Deputy Mayor so he can talk shit about the Fire Marshal...

+1 (860) 819-9601

Thanks for info and I'll follow up with each part.

Anthony Dignoti (+1 (860) 202-3693)

I'm sure there was an allowance in the insurance claim for the sprinkler work. All those directors and assistants directors down there couldn't get this done. The moral in the FD is at all time low people not going to calls! Deputy Mayor needs to get his ass out of bed like me. 38 years!!!!

+1 (860) 819-9601

23:44:47

Don't post this! Seriously. Don't

23:46:09

I agree. I'm just tired of arguing about it. I finally had to say ultimately it's my call. I'm your coverage. If you want to go on record as opposing then do it at the meeting.

23:46:32

So be on call with Charles so if I need another voice of reason you can weigh in

Anthony Dignoti (+1 (860) 202-3693)

23:46:49

I won't, I won't be the reason you get fired. You get yourself in enough trouble!

I went shopping tonight. There will be nothing left. Eversource is estimating over 600,000 without power in CT.

Man....aren't we just over a year from Isaias? Here we go again. Think about things you didn't like last time in terms of what everyone's role is. I recall last time you wanted to be out in the field partially. Need to build that in to who you want doing what if you activate EOC and discuss with team in advance.

Anthony Dignoti (+1 (860) 202-3693)

00:03:17

After the 1:00 state call tomorrow, we can talk about a game plan for opening the EOC

Brooke Berry (+1 (860) 578-6527)

I spoke with my staff member and she initially denied it. Then acted like she didnt know anything. Then said her daughter is working on a story and it was another employee from town hall and she couldn't reveal her source. And I challenged her and said her daughter had actually reached out as a concerned family member not as a part of her job , but the long and short is the name was protected under HIPAA. You and Michael have been unfortunately sucked into this ridiculous vortex. This really isnt a story but rather an employee who at this point I very sadly cant trust at all at this point. Stephanie and I already spoke with her about her "accidental" text last week, which shared a similar pattern of denial and

defensiveness. We can chat later and I can speak with Michael if u want.

Brooke Berry (+1 (860) 578-6527)

Now tiny bit of feedback but I can understand her.

20:30:25

Wait. YouTube feedback thinks there is definite feedback while cheryl was speaking. Too muffled. Too close to mike.

20:45:33

Dolores was too soft spoken.

21:13:45

Much better for dolores.

21:53:45

You are down to 52 viewers on youtube. Down from 82.

Just wanted to reiterate that it is NOT practical to take the public's temperature. The volume of people would be large at least on my end. It puts staff close to public unnecessarily and if they have a temp. are we denying service? How good are these temp. gauges anyway? And Charlie said it is only one diagnostic tool. Not a fan at all. My two cents.

19:29:33

I think you should write back to Felipe and just say...read your email. LIAR!

Brooke Berry (+1 (860) 578-6527)

19:40:37

I am a bit confused. He knows he cant come in and doesnt. Therefore, how did he not have the communications? Also he told me today that he did not have internet access. So then how does he send an email with a word doc attached? As usual it doesnt add up. Of course I am more than happy to attend any training to improve my interactions with library patrons who have literally threatened my life. He threatened that he was going to shoot up the library adam Lanza style and I was apparently a named target. The wethersfield crisis team was activated for crying out loud. I am thinking perhaps some sort of self defense/active shooter/or a trip to the gun range to improve my terrible accuracy. Big sigh.

+1 (860) 819-9601

20:13:52

Sure, I'll ask the chief if we both can go

[Brooke Berry/attachment7.jpeg](#)

21:20:22

Hey Brook, it's almost 6 years later. Josh wants to know if you finally got some fat books....

21:20:57

I've also explained to him that our name is EVANS.

Brooke Berry (+1 (860) 578-6527)

21:32:05

Ha ha!

+1 (860) 819-9601

21:33:10

Foreshadowing...4/20/2019 we had a police involved shooting, 59 days after I was hired into this place....

21:34:09

At this time Sam was reading Harry Potter and other large books and Josh just wanted to read a bigger book.

Brooke Berry (+1 (860) 578-6527)

21:42:56

Wow...

+1 (860) 819-9601

21:43:35

Don't worry, I've explained to him that reading is for idiots

Brooke Berry (+1 (860) 578-6527)

21:44:32

Dont do that! Reading rocks!

+1 (860) 819-9601

21:45:19

It kills trees

Brooke Berry (+1 (860) 578-6527)

21:45:43

Well...that too

+1 (860) 819-9601

21:46:00

Just kidding. Both boys love reading. Sam just loves it more. Josh has started to fade a bit but I think he'll come back to it over the summer

Brooke Berry (+1 (860) 578-6527)

21:48:45

The librarians can pick out great stuff if they want.

+1 (860) 819-9601

21:51:35

It brought a tear to my eye that Ellen remembers Sam from when he was like 3 or 4

21:52:37

I fear COVID has ruined reading for Josh

Brooke Berry (+1 (860) 578-6527)

21:54:27

Awww. I am planning to show this to her. The whole staff find it very rewarding watching the kids grow up. We try to forget the awkward 12-14 year olds...but then they

usually snap out of it.

+1 (860) 819-9601

21:56:55

Ha. Sam is still a voracious reader. We still joke as he once stepped out of our car for a family dinner with extended family and pronounced a"out loud with excitement to his slightly older cousins, "charleigh, I brought some non-fiction to read!"

21:57:38

Who the hell gets excited about non-fiction?!?"

Brooke Berry (+1 (860) 578-6527)

21:58:20

11:28:51

Also we reached Delaware around 830 to 9am. Not 8 as predicted. I dont have quite the lead foot as some might claim.

+1 (860) 819-9601

06:35:28

Hi Gary

I will do my best to connect and listen in to EOC this morning but I am on the road. I should in theory be able to listen in but not be able to participate. Louise is driving so no worries there but the connection may be very questionable. The Library will determine what we r doing or changing over weekend if necessary. Thx. Brook

09:24:23

I heard in Windsor they are giving covid leave to vaccinated staff. The unvaccinated have to use their own time.

20:04:38

Some person called the library's main phone line this evening and made beyond inappropriate and what a reasonable person could interpret as somewhat threatening remarks over the phone. The manager is calling dispatch to get an officer there and is hoping some one will take a report and be there for 9 pm closing.

+1 (860) 819-9601

I'm here now

20:27:22

Do you need something

Wednesday, July 8, 2020

+1 (860) 819-9601

22:32:22

Hey Carol it's Gary. I'll call you around 7:15 or so. Sorry to keep you in a holding pattern. I'm trying to work through the Governors most recent changes. I would prefer not to keep people out for 14-days after travel. At this point tomorrow you get another free day because I don't have a fair policy in place. I will by mid-day however.

Thursday, July 9, 2020

Carol Hurley (+1 (860) 205-3928)

06:36:24

I won't be in until Monday.

+1 (860) 819-9601

07:39:43

Whew! I'll have it straightened out by then. I have a meeting with state DPH and CCHD today so hopefully some clarification on the most recently bizarre executive order

Carol Hurley (+1 (860) 205-3928)

08:54:39

Ok. Not sure what is going to happen but I can't miss work weeks before an election. If I need to get tested I will. As it stands now we all work alone with on our own days with the exception of me and Diane. The quarantine state list is ridiculous IMHO. We have to quarantine from all those states but we never had to from NY or NJ? Makes no sense. 🤔😱. There have been 1470 deaths in NC which is an enormous state. Our tiny state has had approx 4300! Also I made these plans before this list came out. Please call me.

08:56:02

I know you aren't making these rules but this is insanity. I am tired of Lamont lumping us in with NJ and NY who

have big numbers!!

+1 (860) 819-9601

09:11:53

I am right there with you

Monday, July 13, 2020

Carol Hurley (+1 (860) 205-3928)

09:18:45

So looking at the calendar is the 21st ok to come back?

+1 (860) 819-9601

15:57:46

Yes

Sunday, August 9, 2020

Carol Hurley (+1 (860) 205-3928)

08:57:58

Good morning. Is AC running in Town hall this weekend. It is HAH!!

+1 (860) 819-9601

08:58:22

It is or isn't?

Carol Hurley (+1 (860) 205-3928)

08:58:48

It is hot

+1 (860) 819-9601

08:58:53

Because it's gonna be hot this week and if the ac doesn't work, I'm closing the building

08:59:07

So it's not running?

09:00:30

So if it's not working now I'll send someone out to make sure it's working Monday

Carol Hurley (+1 (860) 205-3928)

09:02:07

Ground floor seems cooler. 1st floor is hot. Blower just blowing air. The one outside our door is not working at all. And it is really cool between the sliders at the main entrance

+1 (860) 819-9601

09:02:35

Grrrrrr. I'll check it out in a bit.

Carol Hurley (+1 (860) 205-3928)

09:03:25

Ok. It is supposed to get super hot next week and it is already hot in here now 🤔😭🔥🔥🔥

10:23:46

Is someone going to come today to repair 😊

+1 (860) 819-9601

10:25:31

Unfortunately not. Early Tomorrow morning they'll be there. I was there a little while ago - were you still there? I only went in my office and then to second floor.

Carol Hurley (+1 (860) 205-3928)

10:25:58

Yes. Here for probably most of the day

10:26:47

What did you think? What was 2nd floor like. 3rd didnt seem bad but that was only the hall

+1 (860) 819-9601

10:28:09

By second floor I meant top level. It was ok compared to Thursday and Friday

Carol Hurley (+1 (860) 205-3928)

10:28:48

I think you need to sit awhile.

17:32:30

FYI The blower in the bathroom and in the hall near us

Claudia Tata (+1 (860) 508-5218)

14:48:45

+1 (860) 819-9601

15:50:50

I was looking around because I wanted a cookie.

Cheryl Pearce (+1 (860) 948-8151)

15:51:25

I left the cookies with the coffee

+1 (860) 819-9601

15:51:44

Nice!!!

Claudia Tata (+1 (860) 508-5218)

15:52:06

Look in the box on the counter

+1 (860) 819-9601

15:52:10

Probably rude to get up mid interview

Claudia Tata (+1 (860) 508-5218)

15:52:57

Be quick lol

Cheryl Pearce (+1 (860) 948-8151)

16:04:33

We have had a resident request for the candidate information. Do we have an electronic version of the flyer handed out last night?

Claudia Tata (+1 (860) 508-5218)

16:13:50

Emailed it to you

+1 (860) 819-9601

16:14:40

Did we post mine on the website back when we went through this?

Cheryl Pearce (+1 (860) 948-8151)

16:20:03

I think so but need to look that up. We also had them available in the library and town hall ahead of time

17:21:55

Is there an EOC meeting tomorrow?

+1 (860) 819-9601

17:23:17

I'm probably not available so ask whoever is next...if Anthony is out then ask Karen

Cheryl Pearce (+1 (860) 948-8151)

17:27:00

Was it left last as one is taking place tomorrow? Karen is asking if enough will be attending. I am no longer at

work. Will follow up tomorrow

Claudia Tata (+1 (860) 508-5218)

18:44:35

I will attend

Monday, September 27, 2021

+1 (860) 819-9601

12:55:18

Just to let you guys know, Josh had an unexpected doctors appointment that we were able to get them in for from his injury and so I'm just bringing him there. I'll be back as soon as I can.

12:55:31

It was unplanned and Sarah is not available.

12:55:35

Sara

Claudia Tata (+1 (860) 508-5218)

13:00:27

Ok got it. Hope all goes well.

Cheryl Pearce (+1 (860) 948-8151)

13:16:50

Ok. Good luck

Claudia Tata (+1 (860) 508-5218)

21:22:09

How was the outcome with your agreement?

+1 (860) 819-9601

21:28:56

Still going

Cheryl Pearce (+1 (860) 948-8151)

21:29:25

21:30:00

And here I told Derrick hopefully it would be a short meeting 😞

Claudia Tata (+1 (860) 508-5218)

21:36:24

I left about 8:30 and they had been in executive session regarding your agreement probably about 20 minutes. It's now 9:30 ugh!

21:38:43

They clearly don't know how to build census

+1 (860) 819-9601

21:39:07

I'm shocked at what is going on

Cheryl Pearce (+1 (860) 948-8151)

21:42:16

I'm sorry you are dealing with Gary. Totally stinks.

21:42:39

With this^

Claudia Tata (+1 (860) 508-5218)

21:51:33

They should not come back and postpone voting on the agreement until after your last day. If they do, the Council should be made aware there is the potential for financial and legal exposure to the Town. I know that is not your place to inform them of that. Please inform them that comes from me, HR Manager. I'm sure Ken would say the same.

21:53:36

Perhaps I should have stayed.

+1 (860) 819-9601

21:55:59

They screwed me

Claudia Tata (+1 (860) 508-5218)

21:57:20

You don't have to sign it

Wednesday, September 29, 2021

Cheryl Pearce (+1 (860) 948-8151)

07:52:28

I am going to be late. I have to run to pet store - Nala must have been itching and she has developed a sore. I need to get her a collar

07:54:09

Says they open at 8

Claudia Tata (+1 (860) 508-5218)

08:39:39

OK see you soon. I'm running late

+1 (860) 819-9601

08:41:38

+1 (860) 819-9601

11:19:33

Yep same thing. But, you could forward it to him now saying that Gary just left a message with Lisa, I think her name was Lisa, it's Sally distally's assistant. Explaining what we're looking to do. If you forward it to him that would be helpful. I will be back in the office shortly.

Jack Bradley stopped by this morning & just called. He is available at 860-493-3548 if you have time to call. I did tell him you are in a meeting until 10:00

09:05:13

Also, do you need the Highcrest Portables meeting moved from 9:00 tomorrow morning?

+1 (860) 819-9601

09:08:12

Check with sally to see if she can attend. I would like to be there but Sam comes first

Cheryl Pearce (+1 (860) 948-8151)

09:13:58

Sally has already accepted the invitation. Would you like me to see if it can be moved back to 10:30?

09:14:43

Or 10:00? 10:30 might run into your 11:00

+1 (860) 819-9601

09:15:02

How long could step up be?

Cheryl Pearce (+1 (860) 948-8151)

09:16:12

I believe it's about 1 hr but with refreshments after so 1 1/2 hrs should be sufficient if same as my kids'

+1 (860) 819-9601

09:16:32

I'm checking the start time

09:17:25

Starts at 8:30...so....I could do a 10, but then would have to dip out

09:18:11

Start with Sally. At one point she texted me saying she would try to make it

09:18:44

If she can do 10 then let's move to 10

09:20:49

I also recognize it's graduation so maybe next week is better

Cheryl Pearce (+1 (860) 948-8151)

16:49:00

Gary, sorry I missed you. I have an appt at 5:00. Also, my sister is experiencing some complications which is why I was having a rough afternoon.

+1 (860) 819-9601

19:05:17

You got time for a quick call?

19:06:40

I'm just seeing this now. If not time for a call, I just wanted to say that if she's having a tough time, then

***you need to go see her. Don't wait, just go.
Family always comes first. This is just a job.***

19:08:16

***Calls will get returned, bills will get paid, other
people will stop me from doing anything stupid...but
life is too precious and our time here is not infinite.***

Cheryl Pearce (+1 (860) 948-8151)

22:10:05

***Sorry was busy with family stuff. Thank you. Texting
best since hard for me to talk about - as poor Stephanie
found out 😞***

***I think we will assess more tomorrow. She is in the
hospital awaiting a procedure to remove fluid from the
lining around her lungs - pleurisy. Hopefully after that
we will know more about the cause & then can make an
informed plan.***

Cheryl Pearce (+1 (860) 948-8151)

15:46:18

Thank you Gary. I did realize I sent to both which is fine because I would forwarded the text to you anyway. I really don't know what I or my family needs right now. Just getting through each day. Trying to focus on things I can do to help her & her family prepare.

If I am giving you too much stuff, please let me know. Just because I'm complaining about stuff going on with my workload don't misinterpret that to mean I need you here 100% of the time at 100%. I certainly did not mean to be rude or out of place. Just trying to offer suggestions of possibilities. This is a very stressful time. The heaviest weight falls to you, but I believe your staff, especially Dept. Heads, feels & carries so much. They are a dedicated crew willing to go above and beyond. 11:55:25

We're going to need to set up a zoom with Amy, Tom and me. We had a caucus last night on a proposed budget. Sentiment was as close to zero as possible. Despite your responses to the questions from the last caucus, they believe at the 6 week mark (April 27) basically from St Patrick's Day, we need to consider furloughs dependent on union contracts. They don't understand the split schedule for physical services and if they're all working, what's the point of the rotation. Some staff have walked up to councilors and said they're not working yet getting paid. The library board should consider furloughs. It's not good in the public's eye that many of our departments have scaled back, closed to the public, yet their hours don't reflect that. I understand where we are and our conversation on Friday explained it, staff can do other work to stay busy, but these folks will want to see another option come a week and 1/2 from now to re-evaluate.

Cheryl Pearce (+1 (860) 948-8151)

08:02:05

Here are a couple of items I thought of - not sure if you want to discuss

- 1. . schedule with Council - sounds like May change after meeting last night?***
- 2. Posting if meeting materials with agendas & get minutes up to date online I'd they aren't***

10:31:54

So we need to speak with Dolores soon? I couldn't hear her well so I am not sure exactly what she was speaking about

12:53:40

I would like to discuss some upcoming meeting info when you have time.

Let's just wait for tomorrow if it's easier

18:08:08

Let me know ow

Cheryl Pearce (+1 (860) 948-8151)

18:09:58

Either will work for me.

The plan for tomorrow is for me to work from time again and Dania work all day to complete her hours. I can change that if needed. I am trying to be most flexible for budget - that document takes a long time to put together and review. I foresee a long weekend

+1 (860) 819-9601

18:19:05

Tomorrow works for me. I'll be in back to back meetings as I'm trying to lockdown budget. It ain't pretty

Cheryl Pearce (+1 (860) 948-8151)

18:31:25

I know. We went through this about 3-4 years ago. Anthony was right this morning when he says our staffing levels are basically the same. I can think of 2 PT positions that weren't filled but that's really it. We are tight staff wise but they can cut services and hours available to public if they really want to find the money.

18:45:02

It won't take too long in the morning. Most importantly

need to ensure all meeting formats are finalized for next week.

What's up?

18:20:56

Nothing. Forgot my salsa so I am going to pick it up

What happened with Debbie returning to work in Monday? I just want Dania to be aware if she should be expecting anything.

+1 (860) 819-9601

19:17:42

***She can come in. We will accept the doctors note.
Steph misread/misapplied the CDC language.***

19:17:59

Although I'm sure she won't admit it.

19:18:51

Cheryl Pearce (+1 (860) 948-8151)

19:22:06

Ok. I may have asked a question that generated her reading the CDC notice more deeply. I was the one that asked if Deb needed to have negative tests and/or any other documentation. I didn't want Deb to show up and get turned away on Monday.

+1 (860) 819-9601

19:22:08

Take temperature at door like all others. Mask, etc...the question is, what's on her desk...she would have her not touch anything without gloves for another 10 day

Cheryl Pearce (+1 (860) 948-8151)

19:22:38

Gloves for another 10 days???

+1 (860) 819-9601

19:22:44

No. Sorry

19:24:39

Let me think. I would make sure that a full 30-days goes before she touches any papers or items that can't be sanitized that were on her desk. We know that 28-days is a high probability it's dead.

19:24:54

I'll send an email in a bit and CC you and Steph

Cheryl Pearce (+1 (860) 948-8151)

19:25:38

**Ok. I have all the notices that came out from us to staff
if we need to refer to**

14:33:21

+1 (860) 819-9601

14:36:38

I'm gonna go see Deb Picard and then I'll call ya

17:57:05

Looks okay now

18:13:48

So does that equate to additional staff needs?

18:16:37

Is Brooks sick?

18:23:12

He is coughing and sneezing a lot 😬

+1 (860) 819-9601

Do you recall how many calls/walk ins we were handling before COVID

Yes

Cheryl Pearce (+1 (860) 948-8151)

Our tally sheets are in the office. I can direct you

19:10:01

I can't give numbers off the top of my head unfortunately

19:27:43

Do you want me to come in and get those numbers for

you?

+1 (860) 819-9601

19:28:18

Nah

19:28:31

Where do you think it is

Cheryl Pearce (+1 (860) 948-8151)

19:31:04

Navy Blue binder on my desk to the far right -standing upright. Inside the cover. Rough format - I hadn't made it presentable yet

I think you have my HR binder

Little defensive

My take anyway

+1 (860) 819-9601

22:09:01

He still is withholding info which is bullshit

22:09:42

I'm really re thinking the damage not having Steph will create. Based on what she said...she basically is the town manager

Cheryl Pearce (+1 (860) 948-8151)

22:11:08

She sold her job range well. But Like I said earlier - it's a position that covers a huge area of expertise. It really is al encompassing

Cheryl Pearce (+1 (860) 948-8151)

19:37:01

I would be surprised if we are allowed to censor any of it.

Cheryl Pearce (+1 (860) 948-8151)

And , #2, did you take a look at the stanchion sally sent me to possibly order?

13:18:51

Fauna thinks the meeting about reopening should be together. Marlene, Fauna and yourself are 2:30. Are you in agreement?

Ha ha Ha. Yep. When you get a chance, can you just take a look at the Google sheet that Stephanie sent and see if it makes sense or you have questions. I haven't even had a chance to look at it. I've been literally doing damage control which includes issues with Junior coming back into the light of things.

Cheryl Pearce (+1 (860) 948-8151)

No I kept. I guess it's real

19:15:39

What was your perception of the protest?

+1 (860) 819-9601

19:18:17

***It was a good time, I liked it better than most movies
and also going to the beach...***

19:18:23

Hold that thought

Cheryl Pearce (+1 (860) 948-8151)

21:37:51

Damon said the kids that spoke did very well. My kids were all there and were all quite unimpressed the Chief wouldn't come outside. The Chiefs granddaughter was in the protest too.

+1 (860) 819-9601

21:44:16

Ultimately, I was happy he didn't

21:44:50

But I would have had one of the LTs or even myself speak if I knew that was going to be allowed

21:45:10

I was too far back to hear so had no idea that Mike Emmett spoke

21:45:32

To be clear, police marched

21:45:41

About 3 of them, but still

Cheryl Pearce (+1 (860) 948-8151)

21:49:21

Liked "But I would have had one of the LTs or even myself speak if I knew that was going to be allowed"

21:49:32

Yes, I had the same thought about him speaking. Damon texted me that Mike Emmett spoke. And an officer was walking right next to Hannah at some point so they saw them.

+1 (860) 819-9601

21:51:20

What's funny is I didn't recognize your crew until they were right in front me.

21:51:30

I felt like a jerk

Cheryl Pearce (+1 (860) 948-8151)

21:53:20

No worries. Hannah didn't recognize you either. It's hard with masks on. I don't think Owen would recognize you either 😊

I was talking to Damon and all NB BOE employees got notified last week if they choose to travel to any of the states listed on the travel advisory they must quarantine upon return.

19:20:12

Just an FYI

19:36:25

Oops, an updated notice came out to him on 7/2 (my

hubby didn't give me all info 😞) that employees may work but have to have temperatures taken daily and wear masks at all times for 14 days. They must report to their supervisor their travel location and dates if it is one of the states in the advisory order.

Lost lights in town hall entrance

13:50:38

What Amy posted:

STORM UPDATE- for Wethersfield-thanks Amy Morrin Bello for all the updates posted.

There are approximately 30 blocked streets requiring immediate attention, with a number of town trees not blocking streets, but requiring attention.

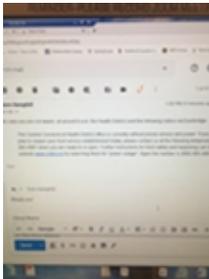

Unfortunately, about 70% of debris is intertwined with power lines. In those cases, town crews are working with Eversource to de-energize lines for safety purposes.

Eversource has outages approximating more than 500,000 throughout the state and have effectively shut down their call center for the time being. Their management team is meeting to establish a game plan. They will then contact Wethersfield Emergency Operations Center (EOC) to provide the Town an update.

The Community Center has been "opened" as a charging station. Residents are not being allowed in the building, but staff has brought out power strips.

Based on the damage and amount of debris, Physical Services will be doing a curbside pickup of larger material in the immediate future (no timeframe yet), but it won't be by this weekend. Residents are asked to bring the debris to the curb - but not into the street. The Transfer Station will be open regular hours and will not be charging for storm related yard waste.

I wonder if this accurate info?

"This situation occurs frequently because of time time lag from exposure to accurate test and then test to results. If a person was known to be exposed today, they are supposed to self-isolate 3-5 days before the test. This ensures that enough virus is present in the person for the test to pick up. Then, there is the

wait-time for the results which can be 24 hours to 7 days. So, to "really do it right" - a person needs to invest many days before even finding out if they are positive/negative, let alone the additional time if they test positive. Given the state of the economy, more individuals are not willing to wait as it risks incomes."

Dear resident. It's a pandemic. No. Thanks for asking though

+1 (860) 819-9601

15:53:15

So I got an email from Polly, but I'm not sure if I agree completely. State statute seems to be clear, but our charter has specific rules. Typically if they speak on the same topic, the more restrictive applies. I'll have to take a closer look. If it wasn't an important election during a pandemic I wouldn't care

08:31:26

Is EOC on today?

11:11:59

I missed the numbers - how is Wethersfield doing?

+1 (860) 819-9601

11:12:09

299

11:12:15

4993 tested

11:12:37

Up 9 from last week

11:12:41

For positive

Cheryl Pearce (+1 (860) 948-8151)

12:34:00

Gary,

Did you approve the holidays for 2021?

+1 (860) 819-9601

12:34:19

There will be no holidays

12:34:23

Just work

Cheryl Pearce (+1 (860) 948-8151)

12:34:29

Fine I quit

+1 (860) 819-9601

12:34:32

Christmas is cancelled

12:34:42

COVID

12:36:20

I meant to ask...is there any reason why I wouldn't approve it?

12:36:30

It's the same as previous years right?

Cheryl Pearce (+1 (860) 948-8151)

12:45:19

It does adjust some - most commonly around Christmas or July 4th this is due to some flexibility in unassigned holidays

+1 (860) 819-9601

12:47:19

So this year we basically are giving a 5 day weekend around Christmas

12:47:41

But we say 12 paid holidays

Cheryl Pearce (+1 (860) 948-8151)

12:48:24

13 paid holidays

12:48:31

Birthday is one

+1 (860) 819-9601

12:59:21

Ah

13:06:47

So I'll get my butt kicked for the 4 day weekend but don't see how else to do it

13:06:53

Not gonna pick a random day

13:06:57

So...let's do it

Cheryl Pearce (+1 (860) 948-8151)

13:07:01

A couple holidays are unassigned so they move to the best option for long weekends

13:07:19

Why would you get kicked for a 4 day weekend?

+1 (860) 819-9601

13:09:38

Council

Cheryl Pearce (+1 (860) 948-8151)

13:29:14

I think it is has happened in recent past

13:29:58

Can you see Brook at 3:30 today?

Tony Gonzalez call at 1:00 tomorrow?

+1 (860) 819-9601

13:31:02

***Day is shot. I can call Brook but probably after 5.
I'll have to get back to Tony***

Cheryl Pearce (+1 (860) 948-8151)

13:45:38

So Tomorrow doesn't work for a call with Tony?

+1 (860) 819-9601

13:59:00

It may but not sure what time

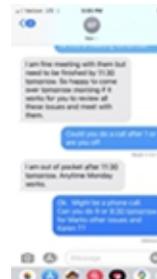

Cheryl Pearce (+1 (860) 948-8151)

Questioned "Ken is in "

17:19:58

9:00 or 9:30?

Want sally & Mark in that also?

+1 (860) 819-9601

17:25:01

Why don't we do 9:30 for Sally and Mark but have Ken at 9

Cheryl Pearce (+1 (860) 948-8151)

17:27:46

Scheduled. Left as a call for now. Can always make zoom if you want

17:28:06

Or is Ken coming here?

10:43:48

In other words we already sent a conditional?

Cheryl Pearce (+1 (860) 948-8151)

Hi Cheryl!

For the very first time in the almost 3 years I've worked for the town, HDC has zero applications for the next meeting on 11/24. This has not happened to me ever! So weird! I've been completely overloaded!

So.... I don't need to be concerned about having someone record and monitor the 11/24 meeting while I'm on vacation. And I would like to get permission from Gary to formally cancel the meeting so I can give the commissioners the night off just before Thanksgiving.

Thanks!

Enjoy the weekend! 😊

Cheryl Pearce (+1 (860) 948-8151)

15:39:29

I knew that! Just didn't disclose 😏

+1 (860) 819-9601

15:39:44

Should I ask her to say warm

Cheryl Pearce (+1 (860) 948-8151)

12:34:48

Hi Gary,

I think we need to consider telling Maddy to stay home tomorrow. I am still less than 100%. Tolerating broth though 😏 Maybe I am jumping the gun but want to be proactive since the chances of me needing to stay home are still high.

I am sure some staff will be calling out and questions regarding Town Hall closure will need to be addressed.

If Town Hall is open we have to ensure someone is there to open the building and without Maddy or myself we would need a system for those entering-it may not be many, but it is the last day to pay taxes so we don't really know.

+1 (860) 819-9601

12:36:39

Ok. I can be there at 8....so seriously, stop laughing...and ask Kathy if Joanne McPhee can cover (or someone else)

12:37:27

I don't plan on closing town hall except for maybe PT people like Maddie.

12:37:39

Do you mean closing for the public?

Cheryl Pearce (+1 (860) 948-8151)

12:43:00

Not laughing....well maybe a chuckle.

Ok, I will reach out to Kathy but Joanne May be going on a leave - Kathy is aware- Joanne just told me on Thursday.

If Town Hall is going to be open then we just have to ensure all offices are staffed, correct?

If you closed to the public wouldn't you just close to staff too?

That latest report from DEMHS Does state high amounts of snow coming down fast. And recommends EOC operations be ready.

+1 (860) 819-9601

14:59:10

My only concern is the grievances that happen and giving away free days to cops etc...

Cheryl Pearce (+1 (860) 948-8151)

15:03:57

I completely understand. I am sure some staff will come to work if it isn't too bad, depends how early this

actually starts. Having a plan and dept heads ready to answer staff questions is good. My concern is if the public come in to unstaffed offices - this has only happened with the Assessor as far as I can remember- if that is not a concern then no worries but I most likely won't be there to answer questions. 😞

18:21:21

Joanne will work at the check in station. She does not have keys to the building so you will need to let her in at 8:00. Will that be okay?

+1 (860) 819-9601

18:21:43

It's cold, I'm sleeping in

18:21:51

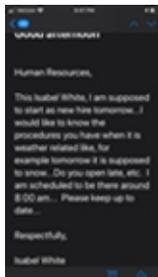

Yes, that's fine

Cheryl Pearce (+1 (860) 948-8151)

21:49:45

Got this from IT candidate. I have not given her a start date. I haven't even looked at her file since her medical appointment. Tried to call her references all week but never got to it. I am going to email her now and tell we are not yet ready for her to start.

21:49:45

Cheryl Pearce/attachment122.png

+1 (860) 819-9601

21:55:21

Yes. Weird. Is this another Markism?

Cheryl Pearce (+1 (860) 948-8151)

21:57:58

I would guess he gave her a target date and I have lost

track, so maybe she is assuming she should just start but as far as I know she has only received a conditional offer.

22:09:42

Got an email from Sally - what is her COVID situation? I have seen her every day last week, sometimes for more than 15 min in the office but always masked.

22:16:13

Also, just sent Fauna an email about Maddy not needing to come in. Sorry, I forgot earlier. I don't have a cell for either of them unfortunately.

Monday, February 1, 2021

Cheryl Pearce (+1 (860) 948-8151)

06:46:13

I heard back from Fauna and Maddy will stay home. Also, the IT candidate saw my email and responded. She will wait to here from us. All is okay!

09:59:21

Just checking, did you see the email to post on the Library entrance?

+1 (860) 819-9601

10:01:45

Yup

Cheryl Pearce (+1 (860) 948-8151)

10:03:40

Thank you. I cannot remote in but am in email and responding as needed. I brought work home on Friday so am working on that.

10:36:55

Are we ready to send out the Sexual Harassment Training info?

11:36:46

Is it okay for me to add the Council to tonight meeting invite?

+1 (860) 819-9601

11:44:46

Yes

Cheryl Pearce (+1 (860) 948-8151)

12:10:49

Mr. Emmett's office is trying to confirming meeting is still on?? And at what point in the agenda is he speaking?

+1 (860) 819-9601

12:18:25

Yes

12:18:47

Shit is it not on agenda

Cheryl Pearce (+1 (860) 948-8151)

12:28:44

+1 (860) 819-9601

12:31:16

Cheryl Pearce (+1 (860) 948-8151)

21:36:58

Is the meeting finished?

+1 (860) 819-9601

21:40:39

Yes.

21:40:52

Spoke with Peruta who told me in advance wasn't coming

21:41:07

But was going to do it another day

Cheryl Pearce (+1 (860) 948-8151)

Cheryl Pearce (+1 (860) 948-8151)

21:43:16

No comment

+1 (860) 819-9601

21:45:20

How are you feeling?

Cheryl Pearce (+1 (860) 948-8151)

21:47:03

I wanted to let you know I may not be in tomorrow. I am improving but still not even close to 100%.

I would like to start the day at home and if I feel I can make a 1/2 day will come in at lunch.

I did get a solid 4 hours of work in today.

+1 (860) 819-9601

21:49:57

Would you not worry about make up time and stuff.

21:50:25

I trust and know you work more hours

21:50:33

Take your time.

Cheryl Pearce (+1 (860) 948-8151)

21:52:10

Thank you. I'm just worried about what has to get done.

There are many recruitments in crucial positions.

I am going to complete my training tomorrow - a good time to fit it in!

21:55:20

Also, timesheets were due today. Will you gather whomever dropped off to my desk today and sign and get to Miguel by 11:00? You would need to add yours and the Chiefs.

Also, I will send you the two emailed to me so you can print and sign.

I will ask Miguel to enter Maddys time in Munis since I cannot get in Munis here. Sound doable?

+1 (860) 819-9601

22:15:12

Stop working

09:21:06

Yep

09:21:11

Working on payroll

Cheryl Pearce (+1 (860) 948-8151)

09:25:41

Would you let Maddy know I won't be in? She will need to know whom to call for questions.

+1 (860) 819-9601

09:32:42

Yes

09:32:51

Does she have a time sheet saved? I can make one

Cheryl Pearce (+1 (860) 948-8151)

09:35:27

Normally I give her a hard copy at the start of week. If

*she doesn't have it there is one in my Cheryl folder in the
Town Mgr drive*

+1 (860) 819-9601

09:38:26

Part time temp?

09:38:30

09:44:53

Yes.

Cheryl Pearce (+1 (860) 948-8151)

10:02:07

***I have not done one. If you send one I could fill out
electronically. I didn't have any exceptions, but did some
Comp hours on Friday***

10:02:19

Only those 2 were emailed to me

13:03:39

Was someone appointed as Town Treasurer?

22:36:46

Sorry so late - I forgot to give you Kathy's update.!

09:47:33

Normal process of pre employment physical and drug test, correct?

+1 (860) 819-9601

09:48:16

Hmmm....good question. Do we need to?

Cheryl Pearce (+1 (860) 948-8151)

09:50:27

We did complete for the last person hired. Maybe a minimum of drug test for consistency? Up to you.

+1 (860) 819-9601

10:27:01

Cheryl Pearce (+1 (860) 948-8151)

10:27:35

Liked "Still on a zoom"

+1 (860) 819-9601

10:28:40

I'm just not sure you need to drug test and background check someone who is just doing minutes. The person isn't going to have access to anything. Seems strange.

10:28:52

I can be convinced I'm just not seeing it

Cheryl Pearce (+1 (860) 948-8151)

10:35:05

I would agree. Do we complete a background?

+1 (860) 819-9601

10:35:43

Sure. Be good to make sure they aren't crazy

Cheryl Pearce (+1 (860) 948-8151)

10:35:52

Agreed.

10:36:54

My last question- the job posting stated the rate at \$15/hr. Does that change your stance on pay?

10:38:55

I'm not saying it should just want you to be fully informed

+1 (860) 819-9601

10:41:27

Interesting

10:41:42

So these people applied with \$15?

Cheryl Pearce (+1 (860) 948-8151)

10:42:14

Yes the job posting said \$15/hr so they should know that

+1 (860) 819-9601

10:42:26

Oh then give them \$15 ha

10:42:45

We can argue for more in next years budget

Cheryl Pearce (+1 (860) 948-8151)

10:43:07

Liked "We can argue for more in next years budget"

15:00:23

I couldn't get my infusion. Office staff messed up but when they tried to fix and squeeze me in, Anthem's new

***ID number system stopped everything. Quite frustrated.
This means I am going to have to schedule another date.
I am sorry.***

+1 (860) 819-9601

15:03:52

Don't apologize but let's crush Anthem later

Cheryl Pearce (+1 (860) 948-8151)

15:13:34

Would you mind if I work the rest of the afternoon from home? This battle wiped me out ... and I lost 😞

+1 (860) 819-9601

15:34:35

Yes

15:34:44

I mean yes you can work from home

Cheryl Pearce (+1 (860) 948-8151)

15:44:41

Thanks. Plus I have to get in the phone with Anthem - joy ... NOT

+1 (860) 819-9601

15:47:29

You can let Mike beat them

Cheryl Pearce (+1 (860) 948-8151)

16:06:29

Well I'm not in the Towns plan 😞

16:07:07

And actually my hubby has to cal Anthem since I am not the policy holder.

Cheryl Pearce (+1 (860) 948-8151)

+1 (860) 819-9601

19:17:18

NO. It should read that I WAS SUPPOSED to do something

19:17:24

I'll re read and clarify with her

19:17:33

I was blaming myself for not getting it out

Cheryl Pearce (+1 (860) 948-8151)

19:17:57

Ok, Maybe I misunderstood.

+1 (860) 819-9601

Cheryl Pearce (+1 (860) 948-8151)

08:15:08

Lynne Rowe on her way

08:15:37

That helps for a bit

21:39:28

Crud- I missed putting Happy Passover on the Mgmt Report. Sorry

+1 (860) 819-9601

21:42:29

Last week....hahaha

21:42:43

So did I as I didn't review but it's fine

21:42:55

Because I'll write something this week to tie it in

21:43:22

The first 2 nights and last night are the holiest so I can soon

Cheryl Pearce (+1 (860) 948-8151)

21:45:02

I put a springy image with colorful eggs on the Mgmt report. Should I add a Passover image too? Too late?

+1 (860) 819-9601

21:45:16

Not too late

Cheryl Pearce (+1 (860) 948-8151)

21:52:26

Cheryl Pearce (+1 (860) 948-8151)

14:21:09

Placed on your desk. Will be back shortly

+1 (860) 819-9601

18:29:14

Cheryl Pearce (+1 (860) 948-8151)

19:58:13

Friday, April 2, 2021

Cheryl Pearce (+1 (860) 948-8151)

10:21:08

Should I have 36 budgets printed again? Here are my rough calculations...

10:21:22

Cheryl Pearce/attachment129.JPG

+1 (860) 819-9601

10:59:26

Clerk only gets 2?

10:59:47

I love that Bob Young gets his own

10:59:49

Ha

11:00:38

Go for it

11:00:43

Also

11:00:59

Cheryl Pearce (+1 (860) 948-8151)

11:03:23

[Cheryl Pearce/attachment131.png](#)

11:24:36

Tuesday morning I would like to come in late. Hannah is getting her first vaccine 🪖 and since she is considered high risk for anaphylactic reaction I would like to take her and spend at least an hour with her afterward. I would think I could be in by 10:30.

Of course I have PT that afternoon and Owen has first scrimmage so I may need to wave early also. Sorry! I really want to see every lax event possible since we don't know how many we will have and it's his last season.

Most game are at 5 but a few are 3:45.

+1 (860) 819-9601

11:37:56

You've earned as much time as you need

Cheryl Pearce (+1 (860) 948-8151)

11:44:44

Thank you.

11:45:37

One last thing, I would like to email Azra with a start date, hours and pay rate. Do you want to make that decision?

12:09:18

We need to consider she is seasonal so should work less than 120 days, correct?

15:07:34

Cheryl Pearce/attachment132.JPG

15:09:36

10 copies in my car

+1 (860) 819-9601

15:11:15

Nice

15:11:30

I'll swing by today or tomorrow and grab 'me

15:11:32

Me

15:11:35

Saturday, April 3, 2021

+1 (860) 819-9601

12:59:04

What's your schedule like today for me to swing by, don't want you waiting around after you worked yesterday

Cheryl Pearce (+1 (860) 948-8151)

13:42:44

We are just getting back to the house do you want me to drop them off right now

Monday, April 5, 2021

Cheryl Pearce (+1 (860) 948-8151)

Have you heard from Maddy or Fauna?

+1 (860) 819-9601

07:57:34

Yes both will be in

07:57:47

I'm finishing dropping of budgets this am and will be in after that

Cheryl Pearce (+1 (860) 948-8151)

08:24:16

Have you sent out Kycia agenda and meeting invite?

+1 (860) 819-9601

08:24:49

No. Please do

Cheryl Pearce (+1 (860) 948-8151)

17:20:46

The budget is not yet posted on the Town website

+1 (860) 819-9601

17:21:00

Yikes

17:21:06

Too late?

17:21:27

Should I send to Derrick Solla

Cheryl Pearce (+1 (860) 948-8151)

17:22:21

You could do that or I will do from home later but it would like 8:00. Sorry, I had to leave for Appt

+1 (860) 819-9601

17:22:40

It's ok. I'll ask Derrick and let you know if he has an issue

Cheryl Pearce (+1 (860) 948-8151)

17:23:40

He doesn't have access to the document so you will have to send it to him

+1 (860) 819-9601

07:54:43

Cheryl Pearce (+1 (860) 948-8151)

09:08:56

***Hannah doing good so far 🙌
However, Owen has injured his knee and I need to take him to a PT evaluation. They could get him in at 11:30 today. I know this is such a pain, but I would like to take***

him so he doesn't have to go himself.

+1 (860) 819-9601

09:09:22

Go for it

Cheryl Pearce (+1 (860) 948-8151)

09:11:58

Thank you

09:12:25

I will be in and out of the office as possible.

+1 (860) 819-9601

09:15:58

Don't worry about it

Cheryl Pearce (+1 (860) 948-8151)

10:17:51

Tried to call. Let me know when you are available

10:50:42

Would you prefer meeting with Ken & Sally in person or via zoom?

10:59:49

And should I call printer and pick up the books?

+1 (860) 819-9601

11:05:28

Zoom is preference but if they need in person that's fine. Books have been picked up

Cheryl Pearce (+1 (860) 948-8151)

11:05:54

They didn't have preference.

Great!

14:28:18

Also just saw your other text about time off

14:28:20

Go for it

Cheryl Pearce (+1 (860) 948-8151)

16:52:31

So I checked out the softball field and there is space after turf behind right field and before chain link fence to have poles inserted for a scoreboard

+1 (860) 819-9601

16:52:46

Ha, I did the same!

16:53:48

But keep in mind that when the softball fencing is down you have soccer balls and other crap that can be hit at it. And the neighbors don't want to see it

Cheryl Pearce (+1 (860) 948-8151)

16:55:13

Wouldn't it be high enough to avoid soccer balls? Poo on the neighbors 😬

+1 (860) 819-9601

16:55:32

I will totally poo on them

18:54:51

Turns out I need to be out in the am. I'll touch base with you mid morning about afternoon

18:55:00

Hope today was fun

Cheryl Pearce (+1 (860) 948-8151)

19:12:34

***You mean tomorrow morning?
We won in sudden death OT***

+1 (860) 819-9601

19:13:08

Nice!

Cheryl Pearce (+1 (860) 948-8151)

19:52:36

Still no email at work?

+1 (860) 819-9601

19:52:55

Nope

Tuesday, May 11, 2021

Cheryl Pearce (+1 (860) 948-8151)

09:25:29

Just checking, Are you going to be out of the office all day?

+1 (860) 819-9601

09:40:02

I'll be in afternoon

09:40:22

Still no email

09:40:24

?

Cheryl Pearce (+1 (860) 948-8151)

09:43:40

No email and no website

+1 (860) 819-9601

10:02:52

Nice and quiet 😊

Cheryl Pearce (+1 (860) 948-8151)

10:07:40

Not really

10:11:00

Residents calling cuz no website and documents being rejected when customers are trying email to us. I think departments need to be notified of the problem. That chat option Mike used yesterday didn't work for everyone - nobody at PD knew of issue until last night I am told and Kathy B didn't know what was going on until she called me this morning. They have summer registration starting tomorrow and have to game plan

for no website. She didn't even know what the chat option was.

+1 (860) 819-9601

10:33:03

I can have Claudia to reach out to department heads. Maybe have her do a walk around?

11:10:09

Thoughts?

Cheryl Pearce (+1 (860) 948-8151)

11:12:16

**Not sure if she will have enough info? Or would need an update from Mike. Also need to remember PD, Physical Services
I have not seen any chat updates from Mike either**

+1 (860) 819-9601

11:13:28

I just need someone to touch base with everyone that it's a problem and we are working on it. No solution at this time

Cheryl Pearce (+1 (860) 948-8151)

11:14:04

That would work then

+1 (860) 819-9601

11:15:51

I can reach out to her and ask her to just touch base

11:16:01

I'll have her talk to Mike first

11:39:29

Both you and Mike just dodging my call, hahah

Cheryl Pearce (+1 (860) 948-8151)

11:42:50

Sorry was in records storage room looking for a file

12:04:53

So are you now able to attend the WDS museum event at 4:00 or not?

+1 (860) 819-9601

12:05:42

Yes

Wednesday, May 12, 2021

Cheryl Pearce (+1 (860) 948-8151)

+1 (860) 819-9601

12:51:17

Yup

Cheryl Pearce (+1 (860) 948-8151)

13:21:24

Did you get the zoom recording from Mondays nights meeting? I didn't receive notification of it.

16:18:32

Josh came by with a friend hoping for tootsie rolls. I broke the bad news our supplies have run dry. Claudia gallantly offered some hard candies! They accepted 😊. He was headed into your office but I stopped him assuming you wouldn't want your call interrupted. Hope that was okay.

12:42:28

Just a reminder I have PT this afternoon and have to leave at 2:15.

I know EDIC runs long but hoping to touch base with you on some important items right after EDIC.

+1 (860) 819-9601

12:46:30

Ah. And I'll get Sam but we can find time

Cheryl Pearce (+1 (860) 948-8151)

16:22:19

Ok but doors are locked so I hope he calls

Friday, May 21, 2021

Cheryl Pearce (+1 (860) 948-8151)

11:20:49

Was the final decision for our office door to move ahead with the same idea as the assessors door? If so we need to get the carpenter moving ASAP to get finished before soft opening.

13:06:29

Saw the courant article.

+1 (860) 819-9601

13:30:04

Thoughts?

Cheryl Pearce (+1 (860) 948-8151)

14:44:48

I didn't think it was so bad. I read it to Damon.He assumed the chief made some poor decisions

+1 (860) 819-9601

14:45:08

I thought it was good

14:45:14

I mean bad

14:45:27

But good in the fact it could have been much much worse

Cheryl Pearce (+1 (860) 948-8151)

15:16:47

Have you had a chance to look at the mgmt report?

Cheryl Pearce (+1 (860) 948-8151)

21:26:32

21:26:37

Take the day?

Cheryl Pearce (+1 (860) 948-8151)

21:33:35

I have a 12:00 & then have to leave at 1:45 for a 2:00, which will probably last until about 4:00. I would like to take the afternoon and if I end up having a break between appointments, I can work remotely to stay caught up. If you are ok with that.

And I have to get an MRI on Friday afternoon. I think I will be able to work until 2:00ish and then will be out the rest of the afternoon. Sorry, this just got scheduled late today.

+1 (860) 819-9601

18:56:59

So close

Cheryl Pearce (+1 (860) 948-8151)

We were leading by a lot at half Offense really struggled entire second half. And the defense basically played constantly. I think Owen is going to pass out 🤔

10:49:33

I am just getting to the meat of this training. Can you see if Anthony can kick us off. My big questions are about town hall re-opening; any need to social distance for in person meetings (could be council meetings and meeting regular/daily business meetings.

Cheryl Pearce (+1 (860) 948-8151)

10:56:34

Anthony will host. I will ask your question. Deb Murphy just emailed asking if they can hold BOE in person next Tuesday

+1 (860) 819-9601

10:58:20

Let Mike ask at meeting and see what is said. If Council is, they probably can too. But I'm gonna be slow on others

Wasn't cc'ing you to get you to do it!

Cheryl Pearce (+1 (860) 948-8151)

20:55:30

Claudia wouldn't know any history and is going into this blind. My personal opinion is she is buried with the number of recruitments (this could be one 3/4 time position alone-yes I am serious), employee questions regarding open enrollment, the background process problems and all the other parts of the job. I feel like not supporting her in this would be hanging her out to dry.

+1 (860) 819-9601

20:56:20

I know

20:56:39

I wasn't saying you shouldn't help. I'm just saying I didn't expect you to do it tonight!!

20:56:46

On a day you were sick

20:56:59

I understand she is overwhelmed

20:57:09

New job bad timing new systems

20:57:21

Timing is terrible

Cheryl Pearce (+1 (860) 948-8151)

21:03:50

The important thing is she needs the appropriate support and that's my help here.

I don't want to leave the office unattended with deliberations in Claudias office.

01:26:42

I headed out.

01:42:20

Make sure the main entrance is locked.

+1 (860) 819-9601

22:00:49

Who is this?

22:01:43

Take your time. Don't feel the need to rush in. All hope is lost anyway. I hope you have pictures of apartments and stuff.

22:01:50

So many questions

Cheryl Pearce (+1 (860) 948-8151)

22:23:06

This is Cheryl. Is everything ok?

+1 (860) 819-9601

22:30:39

Hahah

22:30:43

I was kidding

22:30:55

Like...you've been gone so long I forgot who you were

Cheryl Pearce (+1 (860) 948-8151)

22:31:34

Oh. That was only 4 days. Wait for a full vacation!

+1 (860) 819-9601

22:32:03

Everything is the same. Annoying! Ha. We are up to 24 FOIs and all spread out in my office. You've earned the vacation

22:32:08

More than earned

Cheryl Pearce (+1 (860) 948-8151)

22:33:12

Believe me, this was no vacation. Lots of work but we have an application in & fingers crossed we will get it. Seriously low availability.

22:33:26

24?? Wow 😬

+1 (860) 819-9601

22:33:29

Hi Gary,

Doing a bit of email catch up and I saw the notice about masks and zoom meetings. I see Shade Tree Commission is scheduled to meet in person tomorrow night. So you know if that is still a go for in person or should that be moving to zoom? I don't know if Corey was notified before leaving work Friday or he wouldn't be aware of the policy change.

+1 (860) 819-9601

He wouldn't know. It came out late

08:36:55

Apparently there was some damage done to Cottone. Not sure what happens first. Police send someone down to check it out with Physical Services? Do we typically do police reports prior to our guys addressing it?

Sally Katz (+1 (203) 430-0400)

09:08:32

Never happened before I will call someone in

Chief Centran (+1 (860) 982-4832)

09:11:27

I will send an officer to the field to assess. Do know where on the field?

Sally Katz (+1 (203) 430-0400)

09:11:36

I called Dispatch and they area sending someone over

09:11:52

I just talked to Dispatcher Hale

09:12:24

Chief if they find anything I can bring some guys in

Chief Centran (+1 (860) 982-4832)

09:16:42

Okay, thanks.

Sally Katz (+1 (203) 430-0400)

09:26:16

Bailey was home so he's going over

Chief Centran (+1 (860) 982-4832)

09:27:20

Does he have a key for the gate on the north side? That's where we are.

Sally Katz (+1 (203) 430-0400)

09:30:23

I think so

09:31:30

If he shows up and doesn't have one I can call Rich DeVito the Head Custodian to come in & unlock it

Chief Centran (+1 (860) 982-4832)

09:41:15

Rich has a key. Looks like no permanent damage.

Sally Katz (+1 (203) 430-0400)

09:41:33

Good

09:43:47

Can someone take some pics of what they found?

Chief Centran (+1 (860) 982-4832)

09:46:07

Just stuff knocked over and already straighten up.

Sally Katz (+1 (203) 430-0400)

09:46:49

That's great thank you

09:47:09

A nuisance but nothing permanent is good new

Chief Centran (+1 (860) 982-4832)

09:48:31

Yes. Water bottles, not whiskey bottles, left behind.

I'm tied up, I told Mike Connolly to get you whatever you need.

+1 (860) 819-9601

Is this chief? We should be in process, I answered my own question

Chief Centran (+1 (860) 982-4832)

Story already got picked up in the Hartford current and new haven register. It is also on Facebook. When it rains, it pours. When you get in tomorrow please place a call to the company defined out if it is in fact something they are sharing. I do not know the law that they are talking about and whether or not we are in violation of the Connecticut General statutes. If we are, I suppose we have to consider temporarily taking

the readers off line??

I'm hearing there's a shooting going on. Please update when you can, even if limited details.

19:36:11

EAP can be contacted if needed.

Chief Centran (+1 (860) 982-4832)

19:56:15

Thanks. We have it covered for now.

+1 (860) 819-9601

19:58:26

Protestors are here

Chief Centran (+1 (860) 982-4832)

19:29:42

I know, thanks. No comments on shooting unless the council goes into executive session and clears the room.

+1 (860) 819-9601

19:30:14

Should we have an officer be available...besides you I mean

19:30:32

Maybe have them park in view of the window

Chief Centran (+1 (860) 982-4832)

19:34:21

I have one car in the lot, everyone else on alert.

+1 (860) 819-9601

19:51:30

Don't do an update of shooting at this time

Chief Centran (+1 (860) 982-4832)

20:03:44

I'm in the parking lot.

+1 (860) 819-9601

20:04:23

In case we need you? Or are there people there

20:05:11

Reverend and his wife are on way out it looks like

20:05:20

Not everyone though, just those 2

Chief Centran (+1 (860) 982-4832)

20:05:32

In case something happens. Several cruisers also.

20:06:21

Okay. I figure with me gone, they won't hang around.

20:07:55

I wasn't very convincing on my requests?

20:16:07

20:16:54

20:17:23

Call me when you can.

+1 (860) 819-9601

17:12:49

By the way, that was me who drove into the parking lot in the Honda accord and pulled out. I realized that if I park there I was either going to get stuck and not be able to get out or I was going to be guilty of the

same thing I'm saying to you.

+1 (860) 819-9601

19:08:50

I'm hearing you are at Amy's. Again, please don't engage them. Don't give them anything to push on, just allow their voices to be heard. Let me know if they head this way...I'll get my family out. Thanks for everything you are doing - lay low and let them protest within what the law allows

20:16:01

Please let me know when they have cleared scene. Can we have someone drive by Amy's house a few times tonight as part of routes or is that impossible based on staffing?

Chief Centran (+1 (860) 982-4832)

20:17:05

They're gone.

Chief Centran (+1 (860) 982-4832)

19:39:24

No, Manchester released Junior's personnel file after they assured me they would hold off. He had a reprimand for having a gun in his hand when trying to arrest someone, which is wrong, but he was brand new at the time.

We're going to ignore this. Patrol is aware and we filled a vacant shift.

+1 (860) 819-9601

16:41:49

What the hell is that? They plan on standing at both Jordan and Maple?

Chief Centran (+1 (860) 982-4832)

16:44:35

Jordan Lane does not meet up with Maple Ave. No idea, what they're planning, but they will have to walk on the sidewalk, if they want to survive.

+1 (860) 819-9601

16:46:55

By now they know the rules. If you block traffic you can be arrested. At some point that is going to happen

Chief Centran (+1 (860) 982-4832)

16:52:45

Okay. I won't be there unless it goes to hell. Connolly is in charge of the shift.

+1 (860) 819-9601

16:54:10

Ha ha. Good delegation. He can handle it. Let me know what you find out, as I'm sure I'll also witness it since my house is in between the two. I don't see them walking that far. My guess is they meant Jordan and Silas Dean or Main

Chief Centran (+1 (860) 982-4832)

16:59:58

No, they're talking about Maple Ave in Hartford. They're going to walk the border which they believe is Jordan Lane.

+1 (860) 819-9601

17:19:07

Oh...that makes a little more sense

Chief Centran (+1 (860) 982-4832)

17:20:21

The real border is right down the middle of Goodwin Park.

+1 (860) 819-9601

17:20:34

I'm not telling them if you're not

Friday, June 14, 2019

+1 (860) 819-9601

10:03:34

Let me know what works, I could possibly do this afternoon depending upon how long you need at two. I have another meeting at 2:30 though. Also, heard back from the state regarding site line issues at Wells Road. They admit they kind of screwed up and want to swap the yield sign out for a stop sign. At this point I told Derek just to handle it. I'm so tired of the railroad

Chief Centran (+1 (860) 982-4832)

12:16:55

I can't this afternoon, I have to be in New Haven at 2.

Friday, June 21, 2019

09:56:58

"Get out. Get Down. Get arrested." I'm not overly concerned. But are you about the get arrested?

Chief Centran (+1 (860) 982-4832)

09:27:48

Yes, I am.

12:08:13

It was one sided, but it wasn't as bad as I was expecting.

+1 (860) 819-9601

21:12:02

Barone is an ass. I think it paints a bad picture of Vega and showing Jrs history makes us look better

21:13:01

If jonah evenson thought he should move out before...he may want to seriously consider it now after what Farrah just did. A lot of people are not going to be happy

Chief Centran (+1 (860) 982-4832)

21:13:52

Yeah, and Barone is an ass! And Farrah is an idiot.

+1 (860) 819-9601

21:20:25

Barone's overall arrogance is what annoys me. The guy from the ACLU was also annoying. He equates our process to stop and frisk. Yet in the sentence

before admits that they are legitimate stops. So which is it, stop and frisk or legitimate stops?

21:20:47

Low level but still legitimate

Chief Centran (+1 (860) 982-4832)

21:23:05

Yes, everyone I've ever met from the ACLU has been closed minded and anti police. Everyone!

Just got this from Mayor...

12:09:01

Cruisers- any off road now with major damage? What 4 to be removed- age, make/model, mileage.

Rock salt- have we used these bidders in the past? Is price same/less/more than last year and budgeted?

12:09:12

Can you come to Council for cruiser questions

12:09:31

It's election season. Grandstanding

12:09:48

I'm sure there will be questions why we are doing this

Chief Centran (+1 (860) 982-4832)

12:10:55

Okay.

+1 (860) 819-9601

12:17:54

I see they arrested the Hamden officer today from the shooting

Chief Centran (+1 (860) 982-4832)

12:21:30

Yes, I know. I guess the State's Attorney in New Haven didn't like the fact the Hamden officer fired so many

rounds while he was running away. I've got a call into Elliott Spector for his opinion.

+1 (860) 819-9601

19:40:26

I just told sally and Derrick I would text them about 15 min before they are up. If you want to take off for a bit, I'll do the same and let you know

I'm glad NPR picked tonight, I hope they're bored out of their minds.

+1 (860) 819-9601

20:05:56

I'm going to keep asking questions just to see if I can wait NPR out...see who breaks first?

20:07:13

I'm afraid they never give up.

+1 (860) 819-9601

20:22:33

Good, they're bored.

+1 (860) 819-9601

20:37:25

If NPR has a clue they would be rolling cameras on MDC ripping us off.

20:37:58

They basically said the reasons they are killing us

Chief Centran (+1 (860) 982-4832)

20:39:14

They are killing us.

Just spoke with Mayor of NB regarding this person.

18:43:52

Not sure if you know him, but I immediately picked up that it's a relative of Dan Cammalleri and I think also Paul Monteneri

18:44:51

Mayor Stewart thinks there's going to be about 400 people showing up to it. Wanted to give us a heads up we might need to be prepared. I'm not sure if we usually do police escorts or have officers on duty for any type of control. Is that out of the ordinary for us?

Chief Centran (+1 (860) 982-4832)

21:02:40

No, don't know him. Incarnation Church probably has 400 parishioners every Sunday. I'll make sure patrol is aware of the funeral.

+1 (860) 819-9601

21:16:08

Thanks. On a side note, it's gonna be an interesting 2 years. I'm still going for more officers, but I'm not sure you'll get 4 cars too. We can only ask and make the argument.

20:00:14

Yes

20:00:25

I'll explain later - still at council

20:01:15

You may want to call Cicero. He specifically mentioned his name as saying we won't be able to tap in. I said we could just be using different terms

20:01:45

Tap in meaning we have access to his info versus sharing information

20:02:29

He's an I stop

20:02:31

Idiot

Chief Centran (+1 (860) 982-4832)

21:12:13

I will and yes.

A few Wethersfield women for progress in audience...did they release preliminary results for racial profiling??

Chief Centran (+1 (860) 982-4832)

19:23:44

No, but they released numbers for Bridgeport that they didn't have before and brought up Wethersfield as a chronic disbarate.

+1 (860) 819-9601

19:25:23

I saw that article. The entire thing is based on a misappropriation of disproportionate numbers

19:25:31

They used it wrong

Chief Centran (+1 (860) 982-4832)

19:25:56

I know.

+1 (860) 819-9601

19:26:59

Ha, I know you know...I have to say it out loud because it's so idiotic

Chief Centran (+1 (860) 982-4832)

19:27:44

I know, welcome to Club Frustration.

Tuesday, January 7, 2020

Chief Centran (+1 (860) 982-4832)

09:07:46

Did Women for Progress talk at the meeting?

+1 (860) 819-9601

09:10:29

Yes. Laughable. Want to know why we haven't communicated anything on the chulo shooting

09:11:04

They felt we should be giving updates.

09:11:49

Here's an update....Gail Hardy doesn't return my emails or calls.

Chief Centran (+1 (860) 982-4832)

09:12:14

Who spoke? When does the meeting air on YouTube?

+1 (860) 819-9601

09:12:39

She had been sitting on cases since 2009, and we're all waiting.

09:12:58

Only Deb Cohen and Meg Hartline

09:13:49

Some woman standing with Deb did say she echoed her comments

09:14:18

It wasn't really anything earth shattering, but incredibly dumb. There were about 6-8 of them in audience. No Farrah

Chief Centran (+1 (860) 982-4832)

09:14:22

Thanks. How do the Republicans feel about the Women for Progress?

+1 (860) 819-9601

09:14:26

Probably air next few days

09:15:36

Not sure. I'm with the Mayor this am and will get a feel

Chief Centran (+1 (860) 982-4832)

09:16:12

Great, thanks.

Thursday, January 9, 2020

+1 (860) 819-9601

09:00:48

Chief something going on at high school?!

Chief Centran (+1 (860) 982-4832)

09:46:17

Yes, minor case of 3 kids under the influence of marijuana.

+1 (860) 819-9601

10:10:48

K. Was getting texts from a parent I know saying heard some kid threatened someone with a gun

10:13:33

Not that I would tell them if that was the case, but I wanted to know myself (plus my son is there). I'll let them know there is a non-violent incident

Chief Centran (+1 (860) 982-4832)

10:16:38

Call me, and I'll explain all that is going on.

+1 (860) 819-9601

10:17:14

In doctors office. I can call in a few

10:17:39

Or do you need me to step out

Chief Centran (+1 (860) 982-4832)

10:18:02

Call me when you can.

Thursday, January 16, 2020

Chief Centran (+1 (860) 982-4832)

10:02:52

Call me when you can.

+1 (860) 819-9601

11:27:22

Can I share with Mayor or Council or should I wait a bit?

Chief Centran (+1 (860) 982-4832)

11:29:25

You can share, but qualify that they cannot. She does not want the media to know her target date.

+1 (860) 819-9601

11:30:25

Ok. Tough with this Council as I don't know who can keep things confidential as well as the previous Council

Chief Centran (+1 (860) 982-4832)

11:31:59

Okay, but that was her stipulation to me. I don't want to get her angry at this point.

Tuesday, January 28, 2020

Chief Centran (+1 (860) 982-4832)

09:14:21

Call me when you can.

Tuesday, February 4, 2020

+1 (860) 819-9601

21:14:19

Did anyone call about hyper see if needles in the cove

21:14:41

Hypodermic

21:20:16

Channel 8 ran a story

Chief Centran (+1 (860) 982-4832)

21:21:39

I don't know anything about this. I'll check in the morning.

21:24:24

I checked, no reports today.

Tuesday, February 11, 2020

Chief Centran (+1 (860) 982-4832)

11:24:27

Call me when you can.

Wednesday, February 12, 2020

Chief Centran (+1 (860) 982-4832)

09:50:30

Call me when you can.

Thursday, February 13, 2020

Chief Centran (+1 (860) 982-4832)

14:09:53

Please call me.

Friday, February 14, 2020

+1 (860) 819-9601

13:51:59

They are coming to you

13:54:07

I tried to be brief and hit the high points of how it can help solve crime and keep people safe

Chief Centran (+1 (860) 982-4832)

13:54:49

Okay.

+1 (860) 819-9601

13:56:04

She did mention the incident and racial profiling and I kept that short saying our officers due what they are hired to do and enforce the law

14:29:41

How did it go

Chief Centran (+1 (860) 982-4832)

14:29:43

[Auto-Reply] I'm driving right now - I'll get back to you later.

14:38:14

No problem, I've known Susan for years. She does the Capital.

Thursday, February 20, 2020

+1 (860) 819-9601

10:53:25

I'm back to back meetings. I can possibly swing by around 11:30, but have maybe 15 min at most

Chief Centran (+1 (860) 982-4832)

11:31:02

Please come.

+1 (860) 819-9601

16:41:44

I know your are wake. What did Zach say? Spoke with Ken. Shall we extend 2 months to determine behavior

Chief Centran (+1 (860) 982-4832)

16:41:47

[Auto-Reply] I'm driving right now - I'll get back to you later.

+1 (860) 819-9601

16:41:59

You are at wake

Chief Centran (+1 (860) 982-4832)

16:44:11

Zach has not gotten back to me, which makes me think this is a lost cause. I'm now worried about the timing. I think we have to terminate today. Call me, I can answer.

+1 (860) 819-9601

16:48:01

I will shortly. Or do you think he's waiting on union since Ed called me regarding too

16:49:05

Thoughts - extend for 2 months to cover our asses and give him opportunity to correct behavior

16:49:24

Cover our asses over probation period

16:53:19

Did you ever previously say to him or Anyone else you either were or weren't going to extend

Chief Centran (+1 (860) 982-4832)

17:47:47

Call me now, please.

+1 (860) 819-9601

18:07:59

Hey chief, I'm in a meeting, but I spoke with Ed and I think we're good to extend. He's drafting something right now for review and your officer was waiting on Ed so Inwouldnt hold them responsible for that delay....do you need me to step out?

18:09:05

This gives us time at the very least to make sure we don't get stuck with him

Chief Centran (+1 (860) 982-4832)

18:59:33

I'm worried about the date. I think we have to do this tonight.

19:00:19

And, I still need a call.

+1 (860) 819-9601

21:04:52

[Chief Centran/attachment4.png](#)

21:05:10

I'm ok with if you are

Chief Centran (+1 (860) 982-4832)

21:22:55

I'm not sure, I don't like "pending review by the town and the union."

+1 (860) 819-9601

21:24:37

Because it indicates the union has some authority? They can review it all they want. He's still under probation. If we need to terminate, we can...it also doesn't mention a timeline. Does that mean we can just end it when we want - probation is over?

21:25:20

I think I'm ok with the union part. But we should set a date. What's your preference. I would say at least 2 months. I don't care if it's 6 months; up to you

Chief Centran (+1 (860) 982-4832)

21:27:35

Okay, if you say so, then I agree. I like simpler. Zach's probation is extended and per contract, the town can terminate at any time up to the end of the extension.

21:29:06

Six months.

Friday, February 21, 2020

Chief Centran (+1 (860) 982-4832)

09:12:50

Is this done?

+1 (860) 819-9601

11:18:01

Yes

11:18:10

I'll send you agreement

Chief Centran (+1 (860) 982-4832)

11:52:57

Thanks.

Sunday, February 23, 2020

Chief Centran (+1 (860) 982-4832)

18:06:04

Your mailbox is still full. Update, no evidence of gun or knife, just two drunks doing drugs who beat on each other. Still investigating.

+1 (860) 819-9601

18:15:23

Jesus...didn't even hear the phone ring. Was in other room

Chief Centran (+1 (860) 982-4832)

18:16:20

Okay. You should clear your voice mail box.

+1 (860) 819-9601

18:16:43

Working on it now. Frankie Graziano somehow has my number?!?!?

Chief Centran (+1 (860) 982-4832)

18:18:18

Aren't you the lucky one. He has mine too. Emails, texts, and two voicemails. The man is unrelenting.

Tuesday, February 25, 2020

Chief Centran (+1 (860) 982-4832)

11:06:10

Call me, please.

18:48:44

So the Council would like you to present on Monday....maybe we can do short and sweet. I'll try to get Council to give us questions in advance.

18:49:11

And I apologize for not asking, but hope all is ok with your wife.

Chief Centran (+1 (860) 982-4832)

18:53:07

She's home but hurting. Thanks. Do you think members of the Council are going to come at me?

+1 (860) 819-9601

18:55:35

I don't get that sense at all

18:56:05

Rell just agreed we should get questions in advance to make us look good

Chief Centran (+1 (860) 982-4832)

18:56:42

Doesn't really matter, I know I can handle it. I just hate getting blindsided.

18:57:44

I do appreciate your support.

+1 (860) 819-9601

18:58:35

I'll do my best to get them on the same page. It's

*not an election year so they should be behaved.
Well, I think Tyler May run state and I think Amy
announced. Amy votes for the cameras so she can't
say anything to negative. Tyler should stay in line if
he wants R support.*

18:58:44

Happy to support when I can.

18:59:02

We move know where otherwise

18:59:06

No

18:59:18

Autocorrect is an interesting animal

Chief Centran (+1 (860) 982-4832)

19:00:41

Thanks. You got to love politics.

Thursday, February 27, 2020

Chief Centran (+1 (860) 982-4832)

09:35:11

*Tell me when you are available for five minutes to talk
about two issues.*

+1 (860) 819-9601

10:16:51

In meeting but will call when out

Chief Centran (+1 (860) 982-4832)

10:24:11

Okay, thanks.

Friday, February 28, 2020

+1 (860) 819-9601

14:08:04

*Ok to not attend Monday. Can you have one of the
LTs come and talk about the cell phone grant? I'll
talk too, but just in case they ask a question I can't
answer*

Chief Centran (+1 (860) 982-4832)

14:08:08

[Auto-Reply] I'm driving right now - I'll get back to you later.

14:19:43

Okay ,thanks.

Tuesday, March 10, 2020

+1 (860) 819-9601

17:29:28

People are texting me about a shooting on or near Beverly....is that BS?

Chief Centran (+1 (860) 982-4832)

17:39:22

It's BS.

+1 (860) 819-9601

17:41:48

People are morons. People are asking if the town will host a st pattys parade because Hartford was cancelled...

Chief Centran (+1 (860) 982-4832)

17:42:42

Yes, I've run into couple of them during my career.

+1 (860) 819-9601

17:42:58

If there are PPEs or supplies your crew needs, start the list

Chief Centran (+1 (860) 982-4832)

17:58:26

Okay.

Wednesday, March 18, 2020

+1 (860) 819-9601

10:14:42

Justifies

10:14:47

Justified

10:21:56

Do we need to prepare for marchers

Chief Centran (+1 (860) 982-4832)

10:32:33

I hope not.

Thursday, March 19, 2020

+1 (860) 819-9601

10:33:11

On with state, everything ok?

Chief Centran (+1 (860) 982-4832)

10:33:25

Call me, please.

17:43:29

I need to the number before 10am because that is when Elliott is meeting with Jr.

+1 (860) 819-9601

17:55:32

The OT differential was \$13k, not enough. Maybe say \$45k, authorizing Elliot to be pushed to \$50k. Anything more than that have Elliot say he's gotta get permission from you and me.

Chief Centran (+1 (860) 982-4832)

17:56:07

Okay.

+1 (860) 819-9601

17:56:14

Does that work?

Chief Centran (+1 (860) 982-4832)

17:58:47

We'll see. He did not react well when Anthony broached the idea to him this afternoon. I hoping Elliott will hit it home and the money will help. We may have to go

higher.

+1 (860) 819-9601

18:07:59

Figured it would be tough. Good to start low and make him feel like he's pushing up

Chief Centran (+1 (860) 982-4832)

18:08:41

Right.

Friday, March 20, 2020

+1 (860) 819-9601

08:33:51

What time are they meeting?

08:34:01

Maybe we start at his base salary?

08:34:10

Thought about it over night

08:34:30

Need to know how much school he has left and what cost would be for him to finish.

Chief Centran (+1 (860) 982-4832)

08:34:51

10am

+1 (860) 819-9601

08:35:20

If I'm he, I'm thinking I need enough salary to cover me during that time and pay my expenses. Maybe a 2 month cushion for a job

08:35:36

I'll get with my people over here and see how far I can get

08:35:53

Mike O'Neil and CIRMA

08:37:38

We can also agree not to fight unemployment. Not

sure if he qualifies under this new federal law but he could get under existing

09:15:13

Let Elliot know we are working on it

09:50:00

Let Eliot go up to 1 year salary

Chief Centran (+1 (860) 982-4832)

09:50:02

[Auto-Reply] I'm driving right now - I'll get back to you later.

15:19:02

Call me when you can.

16:18:37

Call me,

+1 (860) 819-9601

16:51:21

Will shortly

16:51:36

I have about 5 min before next call with state EOC

Saturday, March 21, 2020

+1 (860) 819-9601

09:54:47

Should We get some barricades out for you guys?

Chief Centran (+1 (860) 982-4832)

10:05:52

Not yet, let's see what we have first.

+1 (860) 819-9601

10:08:50

Wouldn't it be better to have it out before they show? Your call; sand bag rounds? Ha

Chief Centran (+1 (860) 982-4832)

10:11:23

Judgement call. Right now, I don't want to enable their sense of importance.

+1 (860) 819-9601

10:12:12

*I assume the judgement comment relates to fencing
and not sand bag rounds*

Chief Centran (+1 (860) 982-4832)

10:13:28

Yes.

10:27:23

*The shooting last night, we did recover a casing on
Wolcott Hill Road, right near my daughter's house.*

+1 (860) 819-9601

10:55:29

Crazy!

11:33:36

Anyone storming the castle?

Chief Centran (+1 (860) 982-4832)

11:50:53

*We're up to 6. They're standing along the curb chanting
and holding black lives matter signs.*

12:17:05

They're leaving.

Monday, March 23, 2020

+1 (860) 819-9601

13:16:39

You don't need to come back

Chief Centran (+1 (860) 982-4832)

13:17:16

Thank you!

Tuesday, March 24, 2020

+1 (860) 819-9601

14:57:22

*I know you hate typing on this thing, so you don't have
to get into details - any word from Junior?*

14:57:34

I could use some good news

Chief Centran (+1 (860) 982-4832)

15:23:36

No, not yet.

15:39:44

Did you read WWFP letter?

+1 (860) 819-9601

16:49:11

Yup. I'll get right on this "epidemic" as soon as we resolve the "pandemic"

Chief Centran (+1 (860) 982-4832)

16:56:04

Very good!

Wednesday, March 25, 2020

Chief Centran (+1 (860) 982-4832)

10:27:57

I tried calling Mike O'Neil and Stephanie. Is either of them working?

+1 (860) 819-9601

10:30:24

Mike is remote, Steph is in a meeting

10:30:44

So am I, haha

Chief Centran (+1 (860) 982-4832)

11:02:39

Call me when you can.

Thursday, March 26, 2020

Chief Centran (+1 (860) 982-4832)

10:17:19

Call me, please.

Friday, March 27, 2020

+1 (860) 819-9601

11:54:20

Can you get a message to Jr. that we have a number of hoops to jump through to get it approved, find if we can access that type of funding and what we are allowed to do; but we are going to push as fast as we can and get back to him on what we find out

Chief Centran (+1 (860) 982-4832)

11:55:13

Okay.

Sunday, March 29, 2020

Chief Centran (+1 (860) 982-4832)

11:36:06

Do it as soon as possible, he is having second thoughts.

11:36:18

Call me Asap.

+1 (860) 819-9601

12:30:50

Chief. Sally and her crew were already aware and had staff in early this morning. They will do a secondary clean tomorrow using a chemical cleaning mist sprayer which will hit more areas.

13:21:13

Paul from Physical Services is going in to spray down cruiser. Cruiser should be taken off line for 48 hours at that point

Chief Centran (+1 (860) 982-4832)

14:07:57

Okay, thanks.

Monday, March 30, 2020

+1 (860) 819-9601

19:59:38

Too late to call or do you want to wait until tomorrow

Chief Centran (+1 (860) 982-4832)

20:00:02

Call now.

Thursday, April 2, 2020

+1 (860) 819-9601

14:40:33

We are drafting language for Eliot to review and speak with Junior

14:40:58

I'll be going to Council for Executive Session on Monday to get approval

14:41:05

Let Eliot know

14:41:07

Please

14:41:28

Wanted to grab you after meeting but got pulled away

Chief Centran (+1 (860) 982-4832)

14:41:32

Okay.

+1 (860) 819-9601

14:42:33

Eliot may not get the draft language by Monday but I don't want to wait for another council meeting to do this

Friday, April 3, 2020

Chief Centran (+1 (860) 982-4832)

07:04:25

Call me as soon as you get this message.

+1 (860) 819-9601

08:29:52

Do you know if Shane was the only one to fire or hit the suspect versus multiple hits but Shane's was the most damaging?

Chief Centran (+1 (860) 982-4832)

08:31:54

All four shot, don't know most damaging. All four shot with rifles.

+1 (860) 819-9601

08:32:30

Ok. But Shane was the only one who hit or were there others?

Chief Centran (+1 (860) 982-4832)

08:34:18

Don't know who hit, autopsy and ballistics will tell us later.

11:47:57

Call me!

15:16:50

Call me again about a Sergeant being quarantined.

Tuesday, April 7, 2020

+1 (860) 819-9601

21:36:01

FYI - Junior got greedy and wanted to know about accrued time as a payout after we already had a deal and I went to bat at Council for him. We just pushed back on Elliot and hope that he was only testing the waters. Tomorrow is another day.

Wednesday, April 8, 2020

Chief Centran (+1 (860) 982-4832)

07:04:42

Okay, thanks.

+1 (860) 819-9601

17:22:45

Jr. has agreed to resign

Chief Centran (+1 (860) 982-4832)

17:44:02

Thanks for letting me know.

+1 (860) 819-9601

18:07:00

Thanks for helping get this closed

Chief Centran (+1 (860) 982-4832)

18:27:59

It was best for all.

Wednesday, April 22, 2020

17:36:28

Someone just sent this to me. You do know that Mike Emmett sent a survey out to parents to get feedback on multiple options. This may be contrary to what the school is trying to do and what town administration has been promoting for social distancing. I know you are friends with Paul, but you're creating a pretty big wave with others and a whole lot of problems for me. Please do not allocate anymore staff time to this until further notice.

17:40:28

*And for the record, I'm not against doing anything;
but I'm not stepping on the BOE toes*

Chief Centran (+1 (860) 982-4832)

18:01:30

I was on my motorcycle today when Paul called me. I talked to him through my helmet. He said "When they can", which sounded fine to me. My granddaughter is in this graduating class. So we will help when the governor says it's okay.

+1 (860) 819-9601

18:03:24

Don't get me wrong, I want SOMETHING to happen. I don't care if it's Paul's idea. I just don't want any of us caught up on a pissing contest with BOE or political will. I do struggle with the idea of using resources for a parade when we cancelled memorial day parade. At the same time, can't contradict everything else.

18:03:47

And great day for a ride. I took my neighbors mustang convertible with the kids for about 2 hours

Chief Centran (+1 (860) 982-4832)

18:14:50

Great day to be outside.

Tuesday, May 5, 2020

Chief Centran (+1 (860) 982-4832)

09:33:13

I have to go.

15:15:17

Hahaha

17:30:25

Sadly, I feel that is my case here.

Chief Centran (+1 (860) 982-4832)

17:31:46

Some things never change. Big difference, department heads like you.

+1 (860) 819-9601

17:33:30

Thank you.

Chief Centran (+1 (860) 982-4832)

11:01:34

I'm trying to log into the meeting, but it keeps saying the meeting is scheduled for May 6th.

+1 (860) 819-9601

11:08:59

I sent a new one

11:09:06

There's something wrong with the system

Chief Centran (+1 (860) 982-4832)

11:09:53

I'm on.

+1 (860) 819-9601

15:00:08

Call you in 10

19:10:14

You should bring up what PD does ha

Chief Centran (+1 (860) 982-4832)

19:11:38

Okay.

+1 (860) 819-9601

19:13:41

I was kidding. Hopefully they know what you do

Chief Centran (+1 (860) 982-4832)

19:15:12

I know, but I should explain what were doing during the pandemic. We really haven't slowed down.

Tuesday, May 12, 2020

Chief Centran (+1 (860) 982-4832)

10:23:09

Please call me.

10:49:40

Had a bad conversation with Stephanie. Call me.

12:47:53

I need to talk to you about a serious matter. Please come to the police station so we can speak in private. Let me know when.

+1 (860) 819-9601

13:21:06

Can be there in about 10

Chief Centran (+1 (860) 982-4832)

11:01:03

I'm trying to log in, but the meeting is different date and time in zoom.

+1 (860) 819-9601

11:03:37

Mine did the same thing and then I closed it and opened it a few times in and it worked. I have no idea why.

Chief Centran (+1 (860) 982-4832)

11:04:38

Okay, it's now saying wait for the host to start.

12:13:21

Is there a meeting? I'm on zoom and there is nothing but the heading.

+1 (860) 819-9601

15:03:00

I'm going to call you from my other line in about a minute...

Chief Centran (+1 (860) 982-4832)

15:03:22

Chief Centran (+1 (860) 982-4832)

10:12:24

Please call me.

Monday, June 1, 2020

+1 (860) 819-9601

18:59:15

I was just asked by some council if we planned on condoning the actions of the officer

18:59:56

Is it fair to suggest we will say something about it?

19:00:13

If asked. Maybe that I'll work with the chief to have a message

Chief Centran (+1 (860) 982-4832)

21:17:52

Okay. We'll talk in the morning.

+1 (860) 819-9601

21:29:20

Dodged it tonight thankfully. I'm sure you saw Deb Cohens rant

Tuesday, June 2, 2020

Chief Centran (+1 (860) 982-4832)

10:37:19

When do you want to talk?

Wednesday, June 3, 2020

Chief Centran (+1 (860) 982-4832)

09:59:32

Please call me, now.

15:08:36

Please call me, now.

15:17:43

Did you release Junior's resignation letter?

+1 (860) 819-9601

15:20:03

Not yet. Call you in 5

Thursday, June 4, 2020

+1 (860) 819-9601

11:24:48

Did you have the IMRP call already

Chief Centran (+1 (860) 982-4832)

11:48:22

Turns out its tomorrow.

+1 (860) 819-9601

21:02:14

Looking at pictures of Newington. Do we need to prepare to shutdown SD? Hard to anticipate?

Chief Centran (+1 (860) 982-4832)

21:14:03

Yes, hard to anticipate and hard to explain to the people who wanted us to do that for the graduating students.

+1 (860) 819-9601

21:28:16

I forwarded you an email. Skip most of it but read number 4 on her list.

21:28:19

Says it all

Friday, June 5, 2020

+1 (860) 819-9601

14:16:25

Apparently people are starting to gather at the boat launch instead of gathering at Cove Park. You might have crowds at two places. Just wanted to give you an FYI.

Chief Centran (+1 (860) 982-4832)

14:16:57

Thanks.

+1 (860) 819-9601

14:17:31

This is gonna be fun

14:17:51

Can someone issue me an asp

Chief Centran (+1 (860) 982-4832)

14:18:32

How about an M16?

+1 (860) 819-9601

14:20:51

I'm nasty hand to hand and close. I may have shot an AK47...but those aren't legal, so.....

Chief Centran (+1 (860) 982-4832)

15:36:52

I'm in the DMV parking lot, just watching.

+1 (860) 819-9601

15:48:42

On my way if you're still there

17:00:35

Nope.

17:00:45

Don't waste your time

17:00:57

Most people are not chanting

17:01:04

It's going away

17:01:15

It's Farrah and her group

Chief Centran (+1 (860) 982-4832)

17:02:03

Oh.

+1 (860) 819-9601

17:03:02

Are you in the building?

17:03:09

Or in a car behind me?

17:03:32

Freaking farrah trying to turn it into a chulo thing

Chief Centran (+1 (860) 982-4832)

17:03:44

In the building watching the monitors.

Thursday, June 11, 2020

Chief Centran (+1 (860) 982-4832)

09:13:59

How did the meeting go?

+1 (860) 819-9601

11:23:05

Sorry, been crazy this morning

11:23:19

It went great. Until Matt Forrest opened his mouth

11:23:52

Then we slowly got back on track. About an hour in Matt brought up police commission AND chulo

11:23:56

Chump

Chief Centran (+1 (860) 982-4832)

11:24:43

No surprise. How was everyone else?

11:31:31

Stephanie?

+1 (860) 819-9601

11:40:54

It went well. Even Deb Cohen was fine (Medicare's?)

11:41:05

Medicated

Chief Centran (+1 (860) 982-4832)

11:41:40

That's good. Thanks.

+1 (860) 819-9601

11:42:53

Sara Truex had a ridiculous comment about it being ok to burn down buildings

Chief Centran (+1 (860) 982-4832)

12:15:36

Wow!

+1 (860) 819-9601

13:17:03

FYI, in case you didn't realize it, Colleen Mattatall is craaaazy

Chief Centran (+1 (860) 982-4832)

13:34:50

I do now, thanks.

+1 (860) 819-9601

13:40:09

I took your comment as Chief was pretty clear, you were saying as Chief...rather than me me me...I'm so great

Chief Centran (+1 (860) 982-4832)

13:50:43

Right, thanks.

13:51:29

Can I get a PR writer?

+1 (860) 819-9601

13:52:16

Right after I get mine

Chief Centran (+1 (860) 982-4832)

13:52:57

Okay, thanks.

+1 (860) 819-9601

15:04:10

Forgot to ask, do you recall when body cameras officially started

Chief Centran (+1 (860) 982-4832)

16:25:08

I want to say December 2017 when I got permission from the Council to pay for state grant.

+1 (860) 819-9601

16:27:52

No I mean with out guys wearing them

Chief Centran (+1 (860) 982-4832)

16:48:43

We started using the body cams, on a limited basis, right after negotiations finished in a "trial phase." 6 months later, everyone in patrol was wearing them.

Friday, June 12, 2020

Chief Centran (+1 (860) 982-4832)

14:16:51

Are you going to be home when the motorcade starts off?

+1 (860) 819-9601

14:20:42

Was walking over to where they are

14:20:49

Do you need me to be

Chief Centran (+1 (860) 982-4832)

14:21:21

No, I was going to wave.

+1 (860) 819-9601

14:27:12

You can wave to my wife and kids they'll be out there.

Chief Centran (+1 (860) 982-4832)

14:27:55

Okay.

+1 (860) 819-9601

16:05:17

Where did you go

16:05:25

Hahah...don't want to miss it

Chief Centran (+1 (860) 982-4832)

16:06:25

I'm over by the other police officers, be right back.

Monday, June 15, 2020

+1 (860) 819-9601

19:47:57

Was it a wethersfield resident who was shot?

Chief Centran (+1 (860) 982-4832)

19:53:38

No, West Hartford

+1 (860) 819-9601

20:09:53

Apparently Justin Kulvinskus must know the guy.

20:10:13

He's stating everyone should respect the guys privacy and hope he is ok

Chief Centran (+1 (860) 982-4832)

20:12:06

Okay. He's not my favorite person.

+1 (860) 819-9601

20:12:38

I know. Which is why it was curious. Maybe he was coming to see Juston

20:12:42

Justin

Chief Centran (+1 (860) 982-4832)

20:13:20

Maybe.

+1 (860) 819-9601

20:14:16

Buying fireworks from him? Hahaha

Chief Centran (+1 (860) 982-4832)

20:14:48

Maybe.

21:09:02

How was the meeting?

+1 (860) 819-9601

21:20:39

Still going

21:20:58

The crazies are out

21:21:33

For some reason the Mayor thought it would be a good idea to allow Dolores to read all the Council

comments

Chief Centran (+1 (860) 982-4832)

21:21:46

Good luck!

+1 (860) 819-9601

21:21:53

So your girlfriend Farrah and her crew are saying the same thing

21:22:04

She had a write in campaign

Chief Centran (+1 (860) 982-4832)

21:22:38

I hope they recognize that.

+1 (860) 819-9601

21:25:00

Yes

Tuesday, June 16, 2020

Chief Centran (+1 (860) 982-4832)

08:34:55

I have a CPCA Board Meeting at 9am, so I'll have to jump off the staff meeting.

+1 (860) 819-9601

08:51:04

Ok

Chief Centran (+1 (860) 982-4832)

16:55:52

Did you sign the purchase agreement with Vulcan for the security cameras. Two of Silas Deane Pawns have been hit recently.

+1 (860) 819-9601

18:16:04

Gail Hardy!!!!

Chief Centran (+1 (860) 982-4832)

18:22:50

What about Gail Hardy?

+1 (860) 819-9601

18:24:38

My understanding is she had been suspended

Chief Centran (+1 (860) 982-4832)

18:25:48

Yes, 4 days at the end of her term, which I believe is July 31st.

+1 (860) 819-9601

18:27:10

Frankly, her last comments about Wethersfield were inflammatory and she should not be reappointed

Chief Centran (+1 (860) 982-4832)

18:28:10

I think that's why they made it at the end of her term.

+1 (860) 819-9601

18:28:42

Small victories?

Chief Centran (+1 (860) 982-4832)

18:29:40

Yes! I'll take them.

Friday, June 19, 2020

Chief Centran (+1 (860) 982-4832)

09:56:44

Please call me.

09:59:46

Okay, south west it is. Maybe Candlewood lake?

10:22:43

Please disregard last message, wrong recipient.

+1 (860) 819-9601

10:33:23

Thought we were going somewhere

Chief Centran (+1 (860) 982-4832)

10:37:38

I am, on my motorcycle, get one and can come too.

+1 (860) 819-9601

10:55:05

I lost that battle with my wife right around the time my second son was born

10:55:22

Grew up on dirt bikes and scooters hahaha

Chief Centran (+1 (860) 982-4832)

10:57:12

Okay, your loss, great stress reliever. Now, how about that phone call?

+1 (860) 819-9601

10:59:48

Was in meeting and now on phone with owner of 1000 Silas Deane. I'll call you after that

Chief Centran (+1 (860) 982-4832)

11:00:50

Okay, thanks. I know you are a busy guy.

Monday, June 29, 2020

+1 (860) 819-9601

13:24:10

Hold off on news

13:24:41

I see 3 likes and 5 comments

13:24:48

Let's not point to it in this venue

Chief Centran (+1 (860) 982-4832)

13:27:22

Too late, I already called Dave Ward and pointed him to the Facebook page. The comments are on the views, many.

+1 (860) 819-9601

13:30:55

Make sure we pull together the whole story with huge background - tire iron etc

Chief Centran (+1 (860) 982-4832)

13:31:35

I will.

+1 (860) 819-9601

14:13:13

Erica said tire iron when we were talking about him having a weapon

14:13:33

She said your lucky he didn't have a baseball bat and I said or a tire iron

14:13:54

Typo

14:14:09

It came up with Erica

Chief Centran (+1 (860) 982-4832)

14:14:20

Got it, amazing coincidence.

+1 (860) 819-9601

14:21:31

Nah

14:21:46

I just told my buddy about it

14:22:18

First thing he said was a few years ago he pulled a guy over in Hamden and said the guy came at him with a tire item

14:22:26

Before I even told him

14:22:42

He also said they guy was jacked on PCP

14:22:50

And he tased him

Chief Centran (+1 (860) 982-4832)

14:23:05

Amazing!

+1 (860) 819-9601

14:24:18

Similar circumstance, "kidnapping" and first to respond

Chief Centran (+1 (860) 982-4832)

14:34:30

Wow!

+1 (860) 819-9601

14:48:03

I can't stop watching this video

Chief Centran (+1 (860) 982-4832)

14:48:38

I'm sending you the body am footage. Tell me what you think.

+1 (860) 819-9601

14:50:24

Not only is the guys shirt off but his pants are hanging down...bunch of assholes

Chief Centran (+1 (860) 982-4832)

14:51:00

I know!

+1 (860) 819-9601

14:59:15

Subject change. If someone dumps trash out of their cars and we catch it on film, can you guys arrest base on that or is it similar to moving violations were an officer has to catch them in the act

Chief Centran (+1 (860) 982-4832)

15:02:11

Yes, we must observe the violation. Littering is an Infraction only, not a crime.

Tuesday, June 30, 2020

Chief Centran (+1 (860) 982-4832)

13:00:13

No objections, in fact, I need permission to go over too.

+1 (860) 819-9601

15:11:37

Ha!! What's your payout up to now? How much time are you bringing over?

Chief Centran (+1 (860) 982-4832)

15:49:38

It doesn't matter, I can't get paid for more than two years worth.

+1 (860) 819-9601

16:03:40

I don't mind carrying time over but you should take vacation.

Chief Centran (+1 (860) 982-4832)

16:08:36

I know, I've been trying.

+1 (860) 819-9601

16:09:32

I saw. You probably have the worst position to take time off. There's always an emergency in your line of work

Chief Centran (+1 (860) 982-4832)

16:16:10

I know, thanks for understanding.

16:18:58

Watch Channel 3 at 5.

+1 (860) 819-9601

16:30:44

Oh no!

16:31:23

Regarding Saturday's incident

Chief Centran (+1 (860) 982-4832)

17:00:05

Yes, and the video guy.

+1 (860) 819-9601

17:00:28

Mayor texted me Fox61 got it too

17:00:36

And the guy took down the video damn it

17:00:47

I wanted to see people slam him on it

Chief Centran (+1 (860) 982-4832)

17:02:09

We still have a copy. I think he now knows we're going to come after him.

+1 (860) 819-9601

17:03:27

For interference

Chief Centran (+1 (860) 982-4832)

17:04:10

Yes, if the court signs the warrant.

+1 (860) 819-9601

17:11:59

Ha

18:44:27

I say you meet up with him and talk to him and let him watch the body camera

18:44:43

And see if you can get him to become an advocate for the situation

18:44:56

Maybe no arrest but just a nice dialogue

18:45:04

We can invite Matt Forrest hahaha

Chief Centran (+1 (860) 982-4832)

18:45:16

Yeah, right. You sound like Matt.

+1 (860) 819-9601

18:54:48

I know right?! I met with him yesterday, he wants me to research Tesla's for police vehicles. But seriously, I think we shouldn't arrest him but figure out how to engage him to be a solution and not the problem.

Chief Centran (+1 (860) 982-4832)

18:58:47

I have to consider the officers, let's see what the courts

say. We want to discourage interfering, not ensble it.

+1 (860) 819-9601

19:43:17

Interesting. Shut him right up.

19:44:44

I still say we should reach out and have a "talk" with him. He's got followers. Let's make him apologize or say something about making judgments. May even get him to support the cops for being professional. Even if one guy is a "ginger"

18:54:00

Do we have the ability to break out how many of the 20k annual calls for service are in a category that could be resolved with a social worker. I'm partially kidding

18:56:03

As a side note. Anyone who puts up a sign, just leave it. I'll figure out when, but I'll have Physical Services come and get them, maybe Monday

Chief Centran (+1 (860) 982-4832)

18:56:45

I think so. We do get calls already from social workers that their clients get out of control and they need the police to help. They are not equipped to handle people who get violent.

+1 (860) 819-9601

18:59:16

I'm trying to make a point that x% could use help, but 99% require PD

I've been told that I have no choice but to release it to Pulaski. However, I've opted at my own possible peril to hold off until after meetings...I may not have a choice because I'm not going to put my career on the line, but I'm trying to remain flexible as possible; for the record, I'm doing that for you and not for them.

12:24:06

She cannot possibly know what's on there because I have not discussed this with anyone outside of Ken and very roundabout discussion with you when we met last week. I didn't even let Steph know the stuff was going on before she left because I didn't want her involvement.

This has been off the rails

19:12:13

Hopefully they won't continue the attack on you after they go after Sally

Chief Centran (+1 (860) 982-4832)

19:15:25

Hopefully.

Let's see what happens

20:15:42

Let's see.

+1 (860) 819-9601

Chief Centran (+1 (860) 982-4832)

20:47:28

Yeah, then when we have to shoot, we can hit innocent bystanders.

+1 (860) 819-9601

21:04:25

Shoot? Nah. We cut your ammo line item. There will be no shooting

Chief Centran (+1 (860) 982-4832)

21:05:26

Can we throw stones?

+1 (860) 819-9601

21:05:45

In the biblical sense

Chief Centran (+1 (860) 982-4832)

21:06:34

Harsh words? Maybe.

+1 (860) 819-9601

21:07:07

Chief, you know words hurt peoples feelings.

21:07:59

We should catch up on social justice coalition. The timing of a meeting with the George Floyd verdict was challenging

Chief Centran (+1 (860) 982-4832)

21:09:08

Okay.

+1 (860) 819-9601

21:12:40

I think there's a number on the steering committee that have had it with some of the obvious agenda. For a few it's not about ensuring equality but just pushing their own rhetoric

Chris Morris (+1 (860) 614-5717)

17:40:03

Hey, it's Chris Morris! I dropped off a thank you card for you, with your secretary today, make sure you get it and no one steals it - there's a thank you gift inside from "the Thursday night crew"!

+1 (860) 819-9601

17:43:12

I saw. You guys are dicks.

17:43:23

Although I guess it'll keep me out of trouble.

17:43:44

No one can say I tried to buy you off or pay for loyalty

17:46:24

Thank you.

Chris Morris (+1 (860) 614-5717)

18:54:37

So...they come to my house, I expect you or mike to park your cruiser in my driveway with an AR15 perched on my deck

18:56:03

All kidding aside, I think they are harmless, but I would prefer to have family not involved

Chris Morris (+1 (860) 614-5717)

19:12:00

I hear you! I agree, so far so good

Thursday, May 16, 2019

Chris Morris (+1 (860) 614-5717)

07:44:14

You can thank your buddy Ryan Donahue for the letter I just slipped under your door. He is Connors coach and told him to complain to the town manager (as a joke) since he was so fired up after his baseball game. it will all make sense after you read it. LOL

+1 (860) 819-9601

07:45:25

Hahah...ok.

Chris Morris (+1 (860) 614-5717)

Typed is probably better, he can't read cursive 🤔. 22 Swing.... That's us!

+1 (860) 819-9601

Really? I thought that was a joke like swing as in baseball swing.

Chris Morris (+1 (860) 614-5717)

15:13:20

Hahaha.... Nope, that's our address! There are no jokes in that letter, he was 100% serious about it! Ryan started it as a joke to Connor but Connor took it and ran with it!

14:15:22

Spoke with Mayor. I'll catch up with you next week. You do not need to respond. I was just about to text you which is why am not responding by email. I was just reading your note about the Wolcott Hill Rd., Island. Not for nothing, if we have to spend \$450,000, I don't want to do it on an island in that street. Even if the money came from the state, I think that is just wrong.

Derrick Gregor (+1 (860) 937-8465)

14:24:47

Understood, thats why it wasn't in the application ... so just providing the info that's requested. As a heads up, the streetlight install cost he asked for is going to be around \$1M.

Derrick Gregor (+1 (860) 937-8465)

11:41:28

Kathy just told me she's out tmrrw and Fri. Did u want to try to meet today for the TA Solicitation? Otherwise, I suggest meeting next week with her and Peter and I'll send an email with my suggestions.

+1 (860) 819-9601

11:59:25

Let's try to meet today

12:00:07

Kathy is standing here. Want to do a lunch meeting in conference room at 1:00? Working lunch?

could you bring those? I'm toying with the idea of

Derrick Gregor (+1 (860) 937-8465)

09:43:47

Pls check ur email regarding our 1:00 mtg today

16:44:13

right now ... but I do need to get the program approved
and scheduled soon.*

Friday, April 26, 2019

Derrick Gregor (+1 (860) 937-8465)

07:49:45

*To follow up, we also need to determine if we need their
official approval to submit the TA application. An option*

may be to submit on 5/6, then obtain approval at meeting that night.

+1 (860) 819-9601

08:09:11

Was thinking same thing

08:09:53

Protestors may be at that meeting. FYI

08:11:22

I heard that

09:03:51

Pls check ur email re: the TC mtgs next week

15:41:38

Dolores needs my agenda items today (or Sun) for Monday's meeting. Did you speak with the mayor yet? BTW, D said the 5/1 mtg hasn't been canceled??

+1 (860) 819-9601

15:50:13

Just tried to call you. You were on the other line. I'll let you decide if you would prefer to wait until May 6 and do the application, the mayors not so sure we should be asking for a match if we're doing deliberations. I did explain to her that the match would be spread out over multiple years and so it could be 20 to 25,000 per year and that's it. She didn't really give me a final answer. My thought is wait until May 6 but that would require you to do all the work I had of time only to have it pulled at the last minute. Up to you. I support your decision either way. The mayor wants to also wait May 6 to award contracts.

Derrick Gregor (+1 (860) 937-8465)

15:55:58

Let's just go on May 6th. I'll discuss the TA estimated cost with u once developed. Have a good weekend.

TC agenda item for TA app is drafted & Peter is reviewing. I'm still finalizing the cost est. When's the latest we can get it to you today?

+1 (860) 819-9601

10:24:09

I will double check with Cheryl to see how her timeline

looks, but I think I can do as late as four if everything else is in. But, would you mind hand-deliver ring so that I can ask you You questions on this and the other ones that you submitted. I want to make sure I understand them correctly To explain them to Mike Hurley tomorrow.

Derrick Gregor (+1 (860) 937-8465)

10:24:54

Ok.

10:30:13

Btw, sorry, but I'll need to be out all day tmrrw for the funeral. There was some miscommunication between my wife and I re: the schedule. I'll be avail by phone most of the day if needed.

Wednesday, May 8, 2019

Derrick Gregor (+1 (860) 937-8465)

15:45:33

Just left u a VM about the Putnam Trail public mtg tonight. I'll have to bring my 10 yr old with me, which is not a problem, but Peter is going anyway and he suggested that I not attend. Do u have an opinion either way?

+1 (860) 819-9601

16:15:28

No opinion. Won't penalize you if you don't go. Fun for the 10 year old?!

Derrick Gregor (+1 (860) 937-8465)

16:19:09

He had 4 teeth pulled yesterday afternoon ... so he's still swollen and this is not very high on his to-do list. Sorry to do this last minute, but I'm sure Peter is fine without me. Thx, I'll let him know.

+1 (860) 819-9601

16:48:48

Please call me when u have a few minutes

+1 (860) 819-9601

15:37:38

Not sure if you left. Call or text or email when you can (hopefully before 7). We had a \$30k hit in LoCIP from state. What does that mean for us?

15:37:53

Is there a project that won't get done and or something else we lose?

15:47:12

Or Is it that we'll only submit up to that amount for projects

17:33:54

And...where are we stripping first? Is it fair to say we will restripe following our town road improvement process - those places we've recently paved plus our parking lots? What about schools?

Derrick Gregor (+1 (860) 937-8465)

18:58:58

Sorry just tu saw this. Be right down

17:21:11

Oh crap

Derrick Gregor (+1 (860) 937-8465)

17:32:32

The score doesn't reflect the game ... we gave up their last 9 in one meltdown inning

+1 (860) 819-9601

19:56:36

13-0, top 3. Ouch!

20:25:16

Gbury just mercied is 15-0 after 3.

Just found out our game that was canceled last night will be played today. So I have to leave at 230 for BP and again tmrrw for another game in Rocky Hill.

11:07:44

Just left u a VM. I need to leave at 1200 for the day to go to Hftd Hosp ... father-in-law is having some issues. Call my cell if needed.

What's your record again?

Derrick Gregor (+1 (860) 937-8465)

15:21:00

2-2. Just came back from down 11-16 in bottom of 6th to beat Cromwell 17-16. Crazy game ... needed to use 5 pitchers, but we'll be ready for u tmrrw! 😊

+1 (860) 819-9601

08:04:50

Any chance for a short staff mtg this morning?? 🙏

+1 (860) 819-9601

08:05:27

The only thing I can commit to it as that I will not interrupt as much so we can get through it. Sally won't be there, and I don't think find out or Marlene will be there. I will try to keep it moving.

Derrick Gregor (+1 (860) 937-8465)

08:06:08

Thx!

Derrick Gregor (+1 (860) 937-8465)

08:06:26

Sorry to hear that ... it's been a tough tournament for the kids. We beat mayor Mike in Hftd 11-10 in the 7th. These close games are taking years off my life...

Tuesday, July 9, 2019

Derrick Gregor (+1 (860) 937-8465)

08:35:27

GM. I have to leave at 2:15 today for a bball game.

08:35:51

Same on Thursday

+1 (860) 819-9601

08:43:27

Denied! I wish your team luck winning without their head coach... Ha ha ha

08:43:36

Just kidding. Good luck.

Derrick Gregor (+1 (860) 937-8465)

08:51:22

Your quite the comedian. Are you in tmrrw?

+1 (860) 819-9601

08:51:43

Yes

Derrick Gregor (+1 (860) 937-8465)

08:54:06

Ok. Still negotiating with CW contractor ... can I get u the TC agenda item in am if needed?

+1 (860) 819-9601

08:56:24

Yes

08:57:43

Tell these guys to cut the shit and lower their costs or the job will be cut in half and we'll overseas the balance, turning it into a new grassy area

Derrick Gregor (+1 (860) 937-8465)

15:26:55

CW added cost is approx \$31k with some contingency, which doesn't require TC approval. Are u ok with the CIP xfer? If so, I'll get Rich out there tmrrw

+1 (860) 819-9601

16:24:10

Are you saying total number with contingency is under \$31,818. If so, yes go for it. If it's \$31k AND we need money for contingency, then we'll have an issue

Derrick Gregor (+1 (860) 937-8465)

16:26:17

N, based on the current quantity estimate, \$31k with contingency.

+1 (860) 819-9601

16:29:11

Make it happen. Now go coach your team

Derrick Gregor (+1 (860) 937-8465)

16:29:39

Thx and will do. East Hartford tonight.

Let me know if the storm causes any issues.

Derrick Gregor (+1 (860) 937-8465)

18:22:50

I just saw that Tobler Terrace will have some washouts. They installed haybales, but they couldn't handle the amt of rain we're getting. We'll have it cleaned up tmrrw and I'll let u know if I hear anything else.

+1 (860) 819-9601

18:24:39

Nothing can handle the amount of rain that just came through here. I'll be shocked if we don't have reports of Brooks overflowing. That was insane. I literally was bailing water from the corner of my house because the gutters couldn't handle it

Derrick Gregor (+1 (860) 937-8465)

18:25:50

Glad that you understand that. U can forward any drainage complaints to me. Hope u had a good vaca.

Thursday, July 18, 2019

Derrick Gregor (+1 (860) 937-8465)

+1 (860) 819-9601

Ouch....possibly

15:42:31

Not today and can't before 9:30 tomorrow

Derrick Gregor (+1 (860) 937-8465)

15:43:09

How about around 1130 tmrrw?

+1 (860) 819-9601

15:56:45

I have a meeting from 930 that hopefully will not go until 1130, but that's what's being blocked off. Then I have to be at a ribbon-cutting by noon. We could tentatively say 11/1115? I need to leave by 11:45.

Derrick Gregor (+1 (860) 937-8465)

16:00:45

I'm at the same meeting and going to the axe it opening ... so we can discuss then

Derrick Gregor (+1 (860) 937-8465)

10:56:09

What's the status of the WHR curb ... I assume we're still waiting to hear back from Sen Fonfara?

+1 (860) 819-9601

10:56:42

Been out at a meeting. I'll text Cheryl to see if John F called today

10:56:46

But yes

10:56:56

I'll check with Mike O too

10:57:17

Maybe we swing the difference and negotiate the reimbursement down the road

10:58:02

I assume we are on a reimbursement basis??

Derrick Gregor (+1 (860) 937-8465)

10:58:04

That's an option. Not urgent at this point, I'll just let them know we're looking into options.

10:58:30

No, we get LOTCIP funds prior to construction

+1 (860) 819-9601

10:58:48

Really - ain't that a sweetheart deal for us?

10:59:03

Money upfront I mean.

Derrick Gregor (+1 (860) 937-8465)

11:00:18

Yes, it's a good program ... when DOT remains out of it

I'll be in my office and plan to come down before I'm up

+1 (860) 819-9601

I'll let you know when we hit blight ordinance approval. My guess is you'll have at least 10 minutes

Derrick Gregor (+1 (860) 937-8465)

19:36:37

Thx

+1 (860) 819-9601

19:39:32

Derrick Gregor (+1 (860) 937-8465)

+1 (860) 819-9601

08:48:25

I had a feeling that was the case

08:48:29

That's the deep letter

Derrick Gregor (+1 (860) 937-8465)

No worries ... it's a Monday

Friday, November 8, 2019

Derrick Gregor (+1 (860) 937-8465)

13:06:33

Are u coming to CRCOG mtg?

Wednesday, November 13, 2019

+1 (860) 819-9601

12:28:40

Wouldn't you know it, the time everyone can make is Monday at nine. Would you be OK if we moved your CIP meeting to 1030?

Derrick Gregor (+1 (860) 937-8465)

12:46:51

That's fine, but I'll have to leave around 11:30 to attend a CRCOG mtg in Hartford.

+1 (860) 819-9601

12:47:54

Do you feel that gives you enough time to review with me? Would prefer to give you time since you'll be out

Derrick Gregor (+1 (860) 937-8465)

12:48:59

That should be fine. If not, we'll finish another time.

+1 (860) 819-9601

Derrick Gregor (+1 (860) 937-8465)

13:36:20

Installation of a gas service, should be done soon

Monday, November 18, 2019

Derrick Gregor (+1 (860) 937-8465)

16:57:28

+1 (860) 819-9601

Friday, November 22, 2019

Derrick Gregor (+1 (860) 937-8465)

08:33:30

Y, u wanted to review my proposed CIP requests and were going to lmk by today

Derrick Gregor (+1 (860) 937-8465)

17:04:40

Thx, have a good Thanksgiving

Monday, December 2, 2019

Derrick Gregor (+1 (860) 937-8465)

12:14:44

Thoughts on my project updates for tonight?

+1 (860) 819-9601

17:56:55

FYI, Tom Mazarella plans on asking why we had to come up with \$200,000 on the Wolcott Hill Road project and here we don't. I won't even tell you my conversation that I had with Mike about keeping his people in line. Easy enough explanation but annoying to revisit something already explained and approved

Derrick Gregor (+1 (860) 937-8465)

18:07:11

Ok, thx for the heads up.

+1 (860) 819-9601

Derrick Gregor (+1 (860) 937-8465)

14:30:36

Y, the 1997 speeds are similar, the other studies are not. Prolly for reasons outlined in my email.

+1 (860) 819-9601

+1 (860) 819-9601

10:20:55

Yes, we need to discuss why you are focusing on work!

Derrick Gregor (+1 (860) 937-8465)

10:22:53

No, I've been good about staying away ... just checking in with you.

13:18:07

Who is shoveling your driveway?

Derrick Gregor (+1 (860) 937-8465)

13:19:23

My neighbor did most of it and the boys cleaned up the rest

Wednesday, January 15, 2020

+1 (860) 819-9601

18:06:57

Do you usually limp or is it only after you've been sitting for awhile

Derrick Gregor (+1 (860) 937-8465)

18:07:40

After sitting it tightens up

+1 (860) 819-9601

19:57:30

By the way, I floated the idea of adjusting some of the positions upstairs in the engineering/building department area with the mayor and that I might need at least a half a position more. He actually supported it if there was some kind of tie into improving efficiencies with things like blight enforcement. To me, if we had Charles out on the road

and an administrative person to assist him, that might work. The question is how do we best tie it into what you need

20:45:26

20:45:39

Regarding stop signs

Thursday, January 16, 2020

Derrick Gregor (+1 (860) 937-8465)

06:37:52

We should speak with Steve about how busy his PT admin is and if that position can also assist both Charles and Engineering if moved to FT. That might work if the financial duties of my admin position mlm moves to his PT or stays with Rebecca.

You're lucky I have a sense of humor; otherwise, you'd have a harrasment case on ur hands 😊

+1 (860) 819-9601

17:23:13

What are you talking about, I'm sincere. Hahaha

17:25:15

Now, if I didn't respect your skill set, consistently champion your talents to everyone, and was trying to force you out...yes, sure, then maybe it would be bad. Unfortunately for you, I'm trying to figure out ways to make sure you stay here for at least as long as I'm here.

Derrick Gregor (+1 (860) 937-8465)

17:27:08

10:06:45

*Although someone may comment that there is no
executed state contract yet*

Derrick Gregor (+1 (860) 937-8465)

10:10:52

That's true, which is not the norm, just trying to get an earlier start. If u think that will be an issue, we can go on General Paving and Tilcon milling (with existing contract) and wait on Tilcon paving.

Haha

11:31:47

Do from requested

Derrick Gregor (+1 (860) 937-8465)

+1 (860) 819-9601

11:35:29

I plan on still plugging it in.

Derrick Gregor (+1 (860) 937-8465)

11:36:15

Ok, can I have him update the salary cost for that position?

+1 (860) 819-9601

11:37:55

We should have it - if not on that form at least as a separate conversation with Council as part of your request. So you should have both. Mike and I will then discuss it and overall budget

Derrick Gregor (+1 (860) 937-8465)

11:39:47

I'd prefer to have it included in the submittal to the TC so we can discuss cost impacts ... or lack thereof. May be harder to have them agree to change what's proposed??

Im not sure if there in wetlands but I don't believe so. I'll take a look on a map. Normally I wouldn't care, but I've been in that situation where this guy is going to have to be out \$5000 nonrefundable the purchase something just to find out that oops sorry the town's not gonna allow it

Derrick Gregor (+1 (860) 937-8465)

17:07:02

I'll take a look and get back to u.

No easement, wetlands or floodplain impacts, so I don't see any issues. I just approved it, so the Bldg Dept should be able to issue the permit in the am.

A bunch of questions. I assume his son lives with him? When was he last exposed to his son? Right now Leon is a contact but not a concern unless his son tests positive. So we need to know his son's results. I think to play it safe he can stay home Monday (assuming that's when he'll get results) or come in and wear his mask at all times, even at his desk. I've tried, but I'm not going to be able to give u the paving requests tmrrw since I was planning to go to TC on 2/15. Do u want me to attend for a general discussion about procurement options on Mon or can that be done at the next mtg?

+1 (860) 819-9601

18:34:11

Yes. That's fine

Derrick Gregor (+1 (860) 937-8465)

GM. Just FYI, my staff and I are working from home today due to the storm. I'll have phones transferred to me.

+1 (860) 819-9601

11:46:52

Forgot to respond. Thanks

11:47:00

You need anything for Council tonight?

Derrick Gregor (+1 (860) 937-8465)

11:48:32

Just finishing my presentation. I'll send u a draft. I assume some of them r not familiar with state/CRCOG funding?

+1 (860) 819-9601

16:15:32

So...wish I knew you were going to do this unbelievably detailed presentation. It's awesome.

Derrick Gregor (+1 (860) 937-8465)

16:17:42

Thx. Is it TMI? Not sure how knowledgeable some of them are on this topic.

+1 (860) 819-9601

16:18:32

Well, it's all that I would want...but may have to steal/combine some of this with Sally's

16:18:43

And Inhare to be stealing your hard work.

16:18:46

I hate

Derrick Gregor (+1 (860) 937-8465)

16:21:09

Do whatever u need to. Do u want to incorporate her data and I'll just turn it over to her when I finish?

+1 (860) 819-9601

16:42:33

Yes. I'm thinking maybe I make it read like its town process not just yours and then you go into detail about your examples and then she can talk about her examples of comparisons

16:42:46

Awesome job.

Derrick Gregor (+1 (860) 937-8465)

16:43:21

Makes sense

+1 (860) 819-9601

16:45:43

I hate to have you do all the work and have Sally enjoy part of the glory. I'll figure out a way to plug you

Derrick Gregor (+1 (860) 937-8465)

16:50:07

No worries, I had nothing else to do this weekend anyway

18:31:36

Have u finished the edits?

18:48:41

Text is fine, just didn't look right opening it in Gmail.

+1 (860) 819-9601

19:13:47

Do you want me to bring it up or do you want to share screen?

Derrick Gregor (+1 (860) 937-8465)

09:10:28

14:00:34

Did u decide on IWCC?

+1 (860) 819-9601

14:21:43

Waiting on mayor but think it's gonna be a thing

14:22:20

It's a referral from council to review the bids related to sale of a parcel in meadows

Derrick Gregor (+1 (860) 937-8465)

14:23:11

Can u call me or can I stop down to discuss? I'm in the office

+1 (860) 819-9601

14:04:04

When is yo it guy out of probation?

14:04:36

Read page 6 section 4 of 818 contract. He cannot apply as an internal

14:08:47

Forgot you were off sorry ha

Derrick Gregor (+1 (860) 937-8465)

14:11:41

NP. I'll check it out and get back to you. If that's the case, then can we reclassify him?

+1 (860) 819-9601

14:14:55

Oy.

14:15:16

Or go external and let him apply?

Derrick Gregor (+1 (860) 937-8465)

14:15:34

Can u take a call?

14:18:33

I read "promotion" as meaning reclassified, not applying for a new position where any union member can apply.

14:18:53

Did Anthony bring this up?

+1 (860) 819-9601

14:18:58

No

14:19:13

I am preparing to do battle with him on other shit

14:19:22

And decided to look it up

14:19:36

I received 2 reclass requests, one was actually from him!

Derrick Gregor (+1 (860) 937-8465)

14:21:39

As u know, there's no increased cost in my budget this yr for what I'm doing. If reclass is an issue, I'm fine with an internal posting, but would prefer to avoid external.

19:03:22

I'm waiting to be let in whenever u can

19:05:03

Sorry, was on desktop and not laptop ag homr

+1 (860) 819-9601

20:52:37

You awake

Derrick Gregor (+1 (860) 937-8465)

20:53:05

Y ... lively discussion

21:46:27

Why were they picking on me and not Sally tonight! Did you tell them to spread out the beatings?? 😊

Wednesday, February 17, 2021

+1 (860) 819-9601

00:56:16

Ha, they complimented you afterwards though.

07:45:09

Not sure if you'll be in before me, but can you break into my office, grab the spare laptop (it may be on Cheryl's desk or on my table) and give it to Fauna. I forgot I had to help Josh with something this morning and will be late.

Derrick Gregor (+1 (860) 937-8465)

07:56:28

08:03:22

Julie and I couldn't find it. She said Cheryl should be in soon and will ask.

Fauna has it

Derrick Gregor (+1 (860) 937-8465)

18:08:47

Tuesday, March 9, 2021

Derrick Gregor (+1 (860) 937-8465)

17:31:23

Not sure if u saw my email, but we need to discuss the states reclaim contract and what to do for TC approval

+1 (860) 819-9601

17:47:12

Grab me tomorrow after 11?

Derrick Gregor (+1 (860) 937-8465)

17:47:45

Sounds inappropriate ... I'll just call or stop down

+1 (860) 819-9601

17:50:45

Ha. Sounds about right for me these days...many interesting allegations

Wednesday, March 10, 2021

Derrick Gregor (+1 (860) 937-8465)

12:41:34

Just saw ur last email. Call me when u can.

Thursday, March 11, 2021

Derrick Gregor (+1 (860) 937-8465)

10:07:46

Do u suggest that I send Anthony the Senior PM job description for review before Mon or wait to discuss it then?

+1 (860) 819-9601

10:11:28

I would wait hahaha

Monday, March 15, 2021

+1 (860) 819-9601

It's hard not to argue

09:49:04

See...hard not to argue

Derrick Gregor (+1 (860) 937-8465)

09:49:34

Yup

09:53:24

She doesn't know the grade? N14 is what I proposed

+1 (860) 819-9601

09:53:40

She has it all

10:12:33

Jesus Christ

10:23:40

This is going to die at the table

10:23:58

If he makes a play to upgrade all these jobs council will kill it

10:36:45

After you finish listening to Anthony yell, feel free to come down to decompress

17:42:57

Tell Jim Kulpa I told him to stay in his lane 😬

Derrick Gregor (+1 (860) 937-8465)

17:43:38

Sure ...

+1 (860) 819-9601

17:44:39

Ask him if he thinks the person who previously owned his house called the person who owned it first to see if it was ok to sell it

Tuesday, March 16, 2021

Derrick Gregor (+1 (860) 937-8465)

17:29:50

I'd like to catch up with u sometime tomorrow about the union positions.

Thursday, March 18, 2021

Derrick Gregor (+1 (860) 937-8465)

18:41:28

What info did u send to the unions? Did it include my requests?

+1 (860) 819-9601

18:44:12

Was I supposed to...i sent them old job descriptions

Derrick Gregor (+1 (860) 937-8465)

18:46:57

They asked for our requests (which they already have in some form) and how we developed the salary proposals. Did u see my emails with the 818 job comparisons and current indeed listings?

+1 (860) 819-9601

18:48:33

Yes. Great grid. Let them give me an ask.

18:48:50

What do they want; we've already told them what we want

Derrick Gregor (+1 (860) 937-8465)

18:49:56

Agreed. Is it zoom or in person tomorrow? I didn't get the invite.

+1 (860) 819-9601

18:50:42

Zoom

18:50:45

I'll send

Derrick Gregor (+1 (860) 937-8465)

21:18:28

Just FYI, I need to work from home tmrrw to stay with the kids. C u at 9.

Friday, March 19, 2021

+1 (860) 819-9601

08:49:10

I'm thinking I want to hear the ask first but I'm assuming you would be prepared to go through this chart when the time comes

Derrick Gregor (+1 (860) 937-8465)

08:51:36

I can. Not clear to me why they have to get something in return for adding high level positions to there unions?? I would think negotiating is limited to the pay and descriptions of the positions... not individual members wants

+1 (860) 819-9601

08:53:21

Agreed

08:53:56

But I want to hear so I'm prepared for other issues down the road; kinda seeing their hand laid. Even if I have to give a little now

Derrick Gregor (+1 (860) 937-8465)

08:56:16

I'll try to let u do the talking this time ... just there if u need me

+1 (860) 819-9601

08:58:35

Nah

08:58:41

You did fine

08:59:04

Frankly my relationship with Anthony is so fucked up,

I'm not going to win a battle with him

08:59:11

So feel free to jump in as needed

08:59:24

Believe it or not, Neal is more rational

Derrick Gregor (+1 (860) 937-8465)

09:38:01

Is karen the finance director?? She keeps going back to the funding

+1 (860) 819-9601

09:40:21

I'm letting her ramble

09:40:31

She's trying to do the math to see if there's more money

Derrick Gregor (+1 (860) 937-8465)

09:46:40

I still don't understand who we are upgrading??

+1 (860) 819-9601

09:47:02

A theory

09:47:10

Phantom theory

Derrick Gregor (+1 (860) 937-8465)

10:11:27

They are exhausting...

Checking in. Let me know if I can help

Derrick Gregor (+1 (860) 937-8465)

12:40:12

Thx for checking in. She's feeling better. Had severe abdominal pain last night, looks like she might have fluid in the abdomen. Not sure why, so they're doing tests today. She's hoping to be back home tonight.

+1 (860) 819-9601

12:42:18

Ok. Let me know if you need anything (like your laptop so you can work). I'm kidding of course. Focus on family. Everything else can wait. I'll handle the engineering stuff. Told Gus he can have a stop sign.

Derrick Gregor (+1 (860) 937-8465)

12:44:13

16:41:01

Do u want me to call him?

Fwd:Hi Derek, this is Matthew Forrest. I was hoping to grab you for about 15 minutes on the budget. There were a couple numbers for some projects I was looking to understand a little bit better. Can you help? This is my cell phone.

+1 (860) 819-9601

17:27:41

I'll take care of them. You may have to talk to him but I'm gonna try to push him off.

Derrick Gregor (+1 (860) 937-8465)

22:47:51

I didn't have time to talk to him tonight, so I said I can call him tmrrw if that's ok with you.

+1 (860) 819-9601

22:56:53

He's a pain in the ass. He doesn't get that there's no money and still doesn't get he shouldn't be doing directly to department heads. I left him a voicemail earlier

22:57:05

I don't think you should feel the need to call him

22:57:08

Focus on family

Derrick Gregor (+1 (860) 937-8465)

*FYI, just spoke with Matt, he's looking for cost of
underground infrastructure associated with Line Item 19
on Page D-12 of the budget boom (MW Soccer Field).
He's thinking irrigation and drainage systems may qualify
for fed funds.*

*I explained that's Kathy's project and I'm not familiar with
it enough to provide that kind of info at this time. I told
him I could generate concept costs if needed, but I'd need
more info on the project and time to do that. Lmk if u
need anything.*

Vacuolation is a scary concept. Super storm Sandy did a fair amount of damage down there, but I'm getting the sense this won't be as bad depending upon when it actually hits us. The full moon doesn't help – not only are people crazy but then it obviously affects weather conditions even more. Cross your fingers.

That's why I'm looking at ski houses

This shit doesn't happen to ski houses. The more it snows, the better

No power, no problem. Drink. Ski or snowmobile non-stop with fresh powder.

Beach house sounds great...then you have to maintain it with salt air; deal with flooding, etc...

My invite must have gotten lost in the mail, hahah. It's not too far out of town but I'm already committed to go out. Maybe next week. Cheryl was trying to get a happy hour going for my final week. What works better for you, a Wed or a Friday?

17:36:41

She kept asking, Inkept saying let me get back to you

Derrick Gregor (+1 (860) 937-8465)

Wed is my 20th anniversary, so as I'm sure u understand that's out for me. Ri would work as of now,, but that said, don't plan around my schedule.

Derrick Solla (+1 (860) 573-7909)

19:45:42

*No, but I'm not sure if they have their own cameras.
They do the same thing with internet they pay for it. I'm

20:14:48

Please don't repeat what I said to you to anyone. Even though it was positive for Anthony, he would be pissed off if I was talking about him to other people and the relationship is strained enough. I'm just trying to fix issues not create more

20:14:58

I just can't fix them if I can't confirm what's true

Derrick Solla (+1 (860) 573-7909)

20:59:45

Understood, likewise please dont repeat what I said. Just tried of the BS and felt you should know some of the details

Charles recommends pushing it off to day 14 from exposure (I think that's around 5th/6th) He's Researching other stuff.

Derrick Solla (+1 (860) 573-7909)

09:27:41

I can't get tested until 14 days? I had an appointment for a test tomorrow. Should I cancel? What about my 2nd covid shot February

+1 (860) 819-9601

09:29:07

He said pushing off the 2nd shot until day 14

09:29:28

He's researching the test, you may test positive because of 2nd shot

Derrick Solla (+1 (860) 573-7909)

09:33:53

Ok so I have to reschedule my second shot from feb 3rd to feb 5th

09:36:34

What about getting tested and returning to work

+1 (860) 819-9601

09:50:09

Makes no difference to me. I am a light eater, running a half marathon very select diet lol

John Blair (+1 (860) 517-9106)

10:16:36

I prefer Cove Deli over max, but I'll be happy with either

+1 (860) 819-9601

What?!?

11:10:45

So tell me what you want and I'll have Cheryl order

Good Morning Gary,

Where are we with Jennie and Oscar and the

paperwork for Dave Gove. Thanks Ed

Friday, November 13, 2020

+1 (860) 819-9601

11:42:37

I'm going to send the discipline for Jennie and the MOA for Oscar in about an hour or so. I'll cc both of you and Chief. I'm sure I'll be hearing from you soon. Let me know how you want to handle signing Oscars (which I believe I worded based on our convo)

John Blair (+1 (860) 517-9106)

11:55:44

Okay. I'll wait for the emails.

+1 (860) 819-9601

12:07:15

For Oscar, should I just pick two days to put in letter that Inknow he isn't doing training? Was thinking 30th and 1st?? Or I can just leave it as TBD by town? In consideration of total financial impact to family, I'm trying to do it different pay periods

Ed Kosinski (+1 (860) 948-8580)

12:08:13

TBD is best I believe

I'm not making light of this meeting, but is it weird to be sitting in Joe's kitchen? Like I want to ask him for an egg sandwich and bacon

Ed Kosinski (+1 (860) 948-8580)

10:15:15

Are you going to be there tomorrow afternoon I still have to pick up those items from you. If so does 1 work

+1 (860) 819-9601

10:15:46

I am and it does

10:16:08

Actually, I have 1 meeting

10:16:24

10:25:42

Conversation with John Blair

Thursday, August 8, 2019

+1 (860) 819-9601

09:08:51

Thinking try to meet tomorrow at 8:30 and offer \$5k for next year but not going forward. Concern on our end on what else we give up in negotiations for this. Thoughts?

John Blair (+1 (860) 517-9106)

09:24:53

Good morning. The meet time is good for me, and I'm sure I can convince her to meet. What do you mean offer \$5k, but not going forward? The Union can't agree to any language changes in this meeting. She could agree not to put in for it, but I don't think that she would. Negotiations are still open though and we need more!!! Haha!

+1 (860) 819-9601

09:43:10

Sorry for the lack of clarity. \$5k is how much she gets for the waiver. So was going to basically allow for waiver this year and state but going forward no. Which I'm sure she'll tell me to shove it. I know we cant discuss language changes in here. My concern is what do we have to give up for the language change...you guys are brutal

John Blair (+1 (860) 517-9106)

11:47:43

If you're sure she's going to tell you to shove it, then why make the offer? I'm pretty sure she's going to tell you to shove it as well, but I'm not certain... All I can guarantee is a meet. I see your email, she hasn't contacted me yet though. We'll see...

Just saw your call, in with Ken and Steph. Can I call you in a bit

John Blair (+1 (860) 517-9106)

10:36:03

Tony texted you. We are sitting together and had documents for you guys. Was offering to explain them to you if they're confusing.

+1 (860) 819-9601

10:36:59

Ah. I just walked in as I was in a different meeting while Steph and Ken have been running numbers. We are reviewing now

John Blair (+1 (860) 517-9106)

10:37:54

We're basically countering the last offer that you gave us with a 0.2% total increase!

Did you see the council meeting video. I don't know how you as officers don't just taser people who are assholes

John Blair (+1 (860) 517-9106)

17:49:11

Regardless of whatever battles may lie ahead (hopefully not too many between us), I wish you success in all your dealings.

John Blair (+1 (860) 517-9106)

17:54:37

Thank you Gary. Haha. It's just business. I don't think we beat you up today. In fact, I think we lost! But Jennie was happy, so it's still a win!

+1 (860) 819-9601

17:56:14

Glad she was happy. I get it. It IS just business and

I'm sure you'll find yourself advocating occasionally for things you disagree with - as will I. We try for the win-win but sometimes we don't get it. You'll do great and I'm always trying to work with you when I can

John Blair (+1 (860) 517-9106)

17:59:21

I'll come say hi tomorrow around 830 if that works. I'll have a really rough outline of the body cam trial policy.

+1 (860) 819-9601

I have to send a response to NPR today. Is it fair to say that body cameras will be in a trial period By the end

of 2019?

John Blair (+1 (860) 517-9106)

12:14:52

I hope by the end of the month, but yes, by the end of the year for sure.

John Blair (+1 (860) 517-9106)

+1 (860) 819-9601

10:53:02

Hold off on the retro thing. I'm talking to Steph. I get the sense that the retro comment is about going back to the contract execution date and not to July 1. Is that correct?

John Blair (+1 (860) 517-9106)

16:23:59

That is correct. We're okay with no private duty retro between July 1 and September 16. But once the council approved the contract, the rate change should have taken effect. Private duty worked between September 17 to October 27 should have been at the higher rate.

Check your phone dammit

No seriously, stop doing your job and check your phone

14:14:35

I said no but forgot I talked to you

14:14:47

Did you talk to j and o. Do they know I spoke to you

14:15:13

I should probably tell him if you have spoken to j and o so he doesn't think I'm lying

14:16:13

Chief took two copies that I had. I have Cheryl making more

John Blair (+1 (860) 517-9106)

14:16:24

They're blowing me up right now. So yeah, I talked to them. I'm going to come grab a copy of the report for the union attorney and for them, just need one copy for both. That work? Will you be around?

+1 (860) 819-9601

14:16:25

Chief came marching right over and demanded them. It wasn't worth the fight as he said he was going to give them to Jenny and Oscar

John Blair (+1 (860) 517-9106)

14:17:35

Okay, do you have a digital copy available or is it possible Cheryl can make a copy in the next 45 minutes? I told Tom Hatfield I would get him a copy by this afternoon.

+1 (860) 819-9601

14:17:57

No digital

14:18:06

Doubtful for today

14:18:13

It's big and not easy

14:18:29

Union should grab one from Chief

John Blair (+1 (860) 517-9106)

Why do I feel like the Chief is not going to give either of them up...

+1 (860) 819-9601

He was adamant

14:29:31

I ALWAYS get them first

14:29:39

18:02:27

I have one copy ready if you want it

Remind me... The next time we talk, we need to talk about something that would greatly benefit our town...

An ordinance for panhandling and begging... It's becoming a problem.

+1 (860) 819-9601

12:58:13

Did one in NB. As long as you guys are willing to enforce it

John Blair (+1 (860) 517-9106)

13:18:56

It would absolutely be enforced. Give me a quick call if possible and I'll tell you about one of the latest...

+1 (860) 819-9601

16:51:53

Yes been dealing with this cluster fuck since about noon.

16:52:09

Not sure who started this call but it couldn't have come at a worse time

16:53:52

Don't know if you were part of call with Cho today...

John Blair (+1 (860) 517-9106)

16:53:52

I thought they already had all of this information when you told me a month ago? I assumed that they got bored and decided to run a story.

+1 (860) 819-9601

16:54:01

That was NBC 30

John Blair (+1 (860) 517-9106)

16:56:05

I was not part of that call, I was napping before coming in. Let's fix this before it gets worse! 🙄

+1 (860) 819-9601

16:56:28

How's it get worse?

John Blair (+1 (860) 517-9106)

16:57:22

I'm guessing the news outlets will start FOI on this crap.

+1 (860) 819-9601

16:57:33

Already have.

16:57:46

You mean chief or Jennie?

John Blair (+1 (860) 517-9106)

16:58:54

Oh boy... Both, everything. I know the players are part of the problem, and don't expect miracles. I just know the entire PD is suffering already.

+1 (860) 819-9601

17:02:18

Don't want Pd to suffer. Don't want Jennie or Chief to suffer. But, he's gotta take the deal and frankly, so should she. I doubt her actions will be considered criminal. Her discipline could lighten up, but certainly not cutting a deal with a lawsuit pending. I would prefer deals move quickly with both parties so I can respond to press with positive outcomes showing accountability. Then it goes away in a few weeks

17:03:08

With Chief I even was willing to play it up that we were glad to have him back and helping usher in a new era. Still willing to do it

John Blair (+1 (860) 517-9106)

17:11:40

I agree, and that's why I said the players are part of the problem. The union is pressuring her to withdraw the suit and deal. She's very held up on the reassignment. If you can stop that, I think she pull back any suit.

+1 (860) 819-9601

18:01:27

Tell her to making me an offer without it...

18:01:33

Make me

18:02:41

Worst case scenario this negotiation goes into next week and it'll be a stark reminder for a week or so why she hates patrol.

18:29:48

20:17:53

I'm good when you are. We can talk in the hall so you're not cold.

+1 (860) 819-9601

20:18:38

Out in a second

21:30:42

Why am I hearing sirens

21:30:45

Don't get shot

21:30:51

I need you to negotiate suit

21:30:55

Shit

John Blair (+1 (860) 517-9106)

21:31:18

Haha. Not ours

+1 (860) 819-9601

22:45:45

Some thoughts...just free forming here...1. A letter from Jennie which can say something that gives her some cover too like, stating she wrote those letters out of anger because she felt she did nothing wrong and wanted others to know what it might feel like to have someone rush to judgement from an anonymous letter. She took rumors from over the years and tried to make them seem like facts to make her point. 2. I'm not sure if I want this, but a short sentence from Jessica saying something either outwardly denying I did those things or that Gary definitely spent time talking to me but I didn't believe he was being inappropriate; that he didn't touch me inappropriately and that we have always been respectful to each other. Or could be even shorter that says Gary has never been inappropriate with me. But I want something so this doesn't ever become a thing in 5 years from now. 3. Ed Peruta has to actually not speak at all or the deal is off. Or he has to also read her letter. Good luck!

22:55:16

Fall out of your cruiser hahaha

John Blair (+1 (860) 517-9106)

22:55:37

On the phone, will read it soon

+1 (860) 819-9601

22:56:09

No worries, my mind is just running

John Blair (+1 (860) 517-9106)

23:34:15

Just finished reading... I'm not sure I can tie Jess into Jennie's deal. I'm not even sure I could get Jennie to admit anything. Definitely an idea. I'm going to talk to the chief more about the negative ramifications of Ed.

Friday, January 22, 2021

+1 (860) 819-9601

06:53:29

*Yeah. I don't believe you can pull off number 1.
Would be remarkable but highly unlikely*

John Blair (+1 (860) 517-9106)

07:01:09

I sent out an email. The previous emails and statements I have made have only been to the union members. Maybe police_all will make a difference... I didn't sleep much last night, and came up with some theories.

+1 (860) 819-9601

07:03:23

Saw. Not sure how much good it will do. Whoever is writing this doesn't care about collateral damage. They are out for revenge.

07:03:46

But something is better than nothing

07:05:52

I'm wondering if you ask the chief if Ed P has shared the letter with him. The chief could ask me if I have it. But that still doesn't get it into your hands and we have to make sure he doesn't connect you talking to me

John Blair (+1 (860) 517-9106)

07:07:31

That's what I was thinking about... I disagree. I think that they are not as intelligent as they believe. I think that the intention is to save Jennie, the Chief, and the PD; yes, by destroying the others named, but my belief is they believe that it's the only way. I could be totally wrong and it's actually a maniac that wants the place to burn...

07:08:19

I don't think the letters are well thought out...

+1 (860) 819-9601

07:10:46

The letters are not well thought out! Ha

John Blair (+1 (860) 517-9106)

07:11:29

I plan on talking to the Chief ASAP this morning, and trying to convince him not to shuffle the lieutenants or do anything else that will further damage his image or the PD. I'll ask him if he talked to Ed and work something into that...

+1 (860) 819-9601

07:12:18

Be careful with how you press him. If he's thinking you're one of them you're out. He trusts no one right now.

07:14:54

The Ed thing by itself is huge. I'm not saying don't try to stop the reassignment but that's an 7 month problem and then he's gone. The stuff in the letter lasts a lifetime for everyone.

07:18:03

On the record, recorded and available on the internet forever etc...

John Blair (+1 (860) 517-9106)

07:20:51

You're right. I personally don't think the lieutenant shuffle is a big deal. Nor is making Buyak acting. The union voted and is split on Buyak being eligible, and he's next on the list, so... The lieutenants involved are extremely upset and I'm worried they're going to start more wars.

+1 (860) 819-9601

07:34:52

They will definitely if they letter gets read. I'm thinking the letters are partially written to tarnish them so they don't go for Chief position

07:51:21

Chief should understand that the letter reflects poorly on him. All of this shit will inadvertently reflect that he hasn't managed properly. People are stealing

under his watch and he's done nothing about it. People won't separate Jennie from Connolly or Crab (people he promoted). The news won't differentiate

07:52:38

It will all look like his failure. As far as tarnishing me it'll look like people are mud slinging because I brought it forward to do something about it. Still not good but all and all bad for HIM. Drive that point home. It's his watch.

08:01:10

But the key is to get the Chief to get Ed to not read any part of it and not show up. Because if he just is my part and I'm also booked. And crab isn't mentioned in the first letter so you have to be careful that

08:02:00

If he mentions me and another officer, that officer gets investigated and the rest of the department will get investigated

08:19:05

You asleep? Hahaha

John Blair (+1 (860) 517-9106)

08:19:55

Sorry, I'm on a traffic job, talking to the crew. Trying to escape for a bit. 😂

+1 (860) 819-9601

08:22:45

I just realized he may tell Ed to not mention police but focus on me. Bad for Jessica.

08:47:09

I've got to really get a handle on the Jessica thing. Just not sure how and what without it making it look like coercion

08:47:51

Chief has blown off my staff meeting. Not sure why...

09:07:16

On zoom you ok?

09:07:31

John Blair/attachment7.jpg

John Blair (+1 (860) 517-9106)

09:07:33

Yeah. We're good.

09:09:34

You send me these like I don't believe you... 😏

I would not stress the Jess thing or anything else right now. I think I made my point to the Chief regarding Ed, and hopefully it doesn't happen. If at anytime you want me to approach Jess, I will.

+1 (860) 819-9601

09:42:42

You think he'll not come out at all or just not On PD stuff? I can see the chief saying go out on Garybthough

John Blair (+1 (860) 517-9106)

09:45:08

It's all related. He needs to be convinced not to say anything at all.

+1 (860) 819-9601

09:45:28

I understand but does Chief hahahaha

09:45:45

Are you working a full day? How are you functioning

John Blair (+1 (860) 517-9106)

09:49:14

I am. Another full day. Half day tomorrow (8 hours) 😊

+1 (860) 819-9601

10:03:38

Did you leave it that the chiefs would get back to you or you are able to touch base after he talks to Ed? I need to know as I need to have a plan to either talk to Council or let it lie

10:03:54

And the Jessica thing is making it impossible for me to sleep at all

John Blair (+1 (860) 517-9106)

11:09:44

I spoke with him again. Call me when you have a few.

+1 (860) 819-9601

15:56:43

Sell it.

15:56:56

Meaning drops lawsuit

John Blair (+1 (860) 517-9106)

15:57:08

Let's see what I can do...

+1 (860) 819-9601

15:57:21

+1 (860) 819-9601

08:12:15

You working already?

John Blair (+1 (860) 517-9106)

08:13:31

I am. My half day turned full day.

+1 (860) 819-9601

08:20:32

Ouch

08:28:51

Thanks

John Blair (+1 (860) 517-9106)

08:34:11

You're welcome.

+1 (860) 819-9601

09:45:33

And for record if misunderstanding I hold no ill will

John Blair (+1 (860) 517-9106)

09:46:25

17:37:52

Plot twist: she took the entire weekend off.

+1 (860) 819-9601

17:38:10

Which person

17:38:16

Jennie or Jessica

17:38:45

I happen to be driving alone in the car so I have about two minutes where I can take a call otherwise text is fine

John Blair (+1 (860) 517-9106)

17:38:48

Jess. Later.

+1 (860) 819-9601

17:39:01

Fuck

17:39:26

Does that mean anything? There's no way she would know that you were going to call her or reach out to her or did you say you needed to talk to her?

John Blair (+1 (860) 517-9106)

17:41:15

Nope. Means nothing. I hadn't said anything to her or anybody else.

+1 (860) 819-9601

17:49:26

*I'm going to be dead by the time you talk to her.
Fuuuuck*

John Blair (+1 (860) 517-9106)

18:15:59

Hang in there... Don't let stress ruin your weekend.

+1 (860) 819-9601

19:28:55

Then it's the flipside of, Chief told peruta to back off about talking about police officers, but he could still turn around and say and "Gary was sexually harassing someone..." Without mentioning that it was a police officer. This has the ability to go badly no matter what if the Chief is being vindictive.

John Blair (+1 (860) 517-9106)

19:30:25

Call me at some point, no rush, I'm here until midnight

+1 (860) 819-9601

19:33:05

And track time for my therapy bill

John Blair (+1 (860) 517-9106)

19:33:32

+1 (860) 819-9601

23:17:31

Nah go home and sleep. If you want to chat tomorrow when you catch up on sleep, just text and we can do so. I'm going to mentally decompress

John Blair (+1 (860) 517-9106)

23:18:59

Sounds like a good plan.

+1 (860) 819-9601

11:12:10

How's your mental state?!?

12:23:34

You're not helping mine by not responding. I'm hoping you are sleeping

Wednesday, January 27, 2021

+1 (860) 819-9601

10:52:35

Don't know if you're away, sleeping before your next shift or otherwise unavailable. I need to make some

difficult decisions in the next 24 hours and am running out of time. If you don't think you're in a position to help today, please let me know so I can move forward with next steps.

13:57:45

If you're unable to help, just please tell me and I'll move on

13:58:07

Or if you have bad news. Either way, please let me know

John Blair (+1 (860) 517-9106)

13:58:32

I'll call you back in a couple of hours. I'm able to help.

+1 (860) 819-9601

13:59:46

Whew

14:00:01

I hate to bother you. I'm obviously in panic mode

14:00:31

So is today not going to happen for a convo with that person?

Thursday, January 28, 2021

+1 (860) 819-9601

08:02:04

Channel 8 is lined up in front of town hall!!!

John Blair (+1 (860) 517-9106)

08:13:09

Try not to panic... They could be there for anything. Jess is being a prisoner to court. I'm going to talk to her after.

+1 (860) 819-9601

08:14:20

My inside people say its photos for weather story....IM DYING HERE

John Blair (+1 (860) 517-9106)

08:15:08

Lol... See??

+1 (860) 819-9601

08:20:24

I'm hope she's in a great mood and willing to be helpful after transporting some shit head. Btw, I am trying to find a legitimate way for camara to get a disability pension. Not sure how you feel about that, but something happened to her along the way and it doesn't seem to be good.

John Blair (+1 (860) 517-9106)

09:55:14

Very, very good news. Don't stress. I'll call when I can.

+1 (860) 819-9601

09:56:04

THANK YOU. I'm not a pussy by any means but I have tears in my eyes.

John Blair (+1 (860) 517-9106)

11:07:29

I need to meet with you at some point. Do you have any free time today? There's some reports I need to finish by noon, anytime after I'm free.

+1 (860) 819-9601

12:55:58

Completely missed this

12:56:23

Come whenever you can

12:56:30

Was on a zoom

12:57:06

Sooner the better

17:38:31

FYI, I just heard from a non town employee that Ed was gonna come to the meeting on Monday to discuss fire department

17:38:40

Rumor is out and not from any PD

17:38:50

He's out there talking to someone

John Blair (+1 (860) 517-9106)

17:43:27

That validates what the Chief told me.

+1 (860) 819-9601

18:10:07

*I'm saying that too in case it comes back to the Chief.
I heard it from a non-employee. Someone who has a
connection to Ed so he's talking about it*

18:10:31

So it wasn't from you in other words

John Blair (+1 (860) 517-9106)

18:22:16

*Okay. By the way... Is this a personal phone or town
property? I hope it's personal and not subject to FOIA*

Gary, John Fonfara here. I don't know if you're getting my messages at the office but call me tomorrow when you get a chance.

+1 (860) 819-9601

19:31:11

Senator. I did but have been in a little part of purgatory for the last 3 days. No disrespect intended. I found out yesterday that we got the extra money - thank you so much. Hopefully, your request has moved his vehicle. If not, the fines will be adding up

John Fonfara (+1 (860) 508-3606)

19:44:22

Unfortunately it hasn't been moved. Thank you for helping.

John Fonfara (+1 (860) 508-3606)

09:55:10

Gary, John Fonfara here. I'm working on a concept that would allow municipalities to keep a percentage of the surplus above consensus of withholding, sales, and corp tax revenue generated in that municipality. The greater the need to capacity index of a town, the more is kept by and or shared with that town. The revenue disbursement would lag by a fiscal year so you would know what you

were receiving in advance. Since it's based on revenue above consensus, there unfortunately will years when there is little or no disbursement.

+1 (860) 819-9601

10:11:38

Interesting.

10:11:51

Who determines the index?

John Fonfara (+1 (860) 508-3606)

10:31:59

Seven years ago the Boston Fed measured need vs capacity of every Ct town. We updated it this year.

Senator, it's Gary Evans. Council was looking to invite the delegation to come to our Council meeting on February 18th. Are you available?

John, just getting through a tough budget season (although not done yet) and realizing I didn't call you back. We are voting tomorrow evening so there's some last minute jockeying. I'll try to get you tomorrow day or over the weekend. Does that work?

Monday, July 20, 2020

John Fonfara (+1 (860) 508-3606)

It's not reversed. It's the way I want it.

Although looks like you didn't need it! Ha. Didn't see the percentage but you had a very comfortable lead.

John Fonfara (+1 (860) 508-3606)

21:17:32

Haven't heard anything from Wethersfield. Have you?

+1 (860) 819-9601

21:21:52

No. Last I saw on tv was Pentalow 54-45 with 25% reporting. I'm torn as I want Amy to win, but of course then I lose her on Council. But she will do well up there.

21:41:24

I'm hearing Amy is up due to absentee but I'm still not able to confirm

Hi Gary. John Fonfara here. I hope you are well. Can you remind me how much one of the flashing stop signs with infrared and solar cost at the Ridge Rd. and Nott St. intersection cost you? Thanks.

+1 (860) 819-9601

12:17:45

Hi John. Hope all is well. I'll double check but I believe \$1200. But I think that is with solar and not a battery. I think those are more like \$900

12:17:48

I'll clarify

Tuesday, February 16, 2021

+1 (860) 819-9601

19:27:59

Great job. I love how you just sort of call it the way you see it

John Fonfara (+1 (860) 508-3606)

Hi Gary. You don't want to hear propaganda or self congratulations.

+1 (860) 819-9601

Nope

19:33:43

No time for that

Jordan, it's Gary Evans, Town Manager in Wethersfield. This is my cell. Great job Friday. Are you around tomorrow for a call? You're about to get flooded with invites and calls to participate in things. I wanted to catch you first and maybe chat about next steps (if you're interested).

Jordan Griffen (+1 (860) 895-3536)

19:42:49

Yes I am around tomorrow.

+1 (860) 819-9601

Sorry

11:01:42

This was for another meeting hahah

Tuesday, June 9, 2020

+1 (860) 819-9601

09:37:36

Sorry to bug you again, it's Gary Evans. No pressure. I knew this was going to happen people want me to start inviting you to meetings. I would like to meet first but ultimately your decision and don't want to stand in your way...the meeting is tomorrow night via zoom. Again, I would prefer to

chat first so I can help support what YOU want versus what this one particular group wants...they aren't a bad group or bad people...just want your voice to be heard louder than theirs

Jordan Griffen (+1 (860) 895-3536)

12:27:50

What group is it?

+1 (860) 819-9601

15:20:35

Sorry for delay. It's Human Rights and Relations.

15:22:54

They may be leading the charge on some ideas in town. Just don't want you to walk into a blitz of ideas and pulled in 6 directions

15:48:41

But up to you and I'll follow you're lead

Wednesday, June 10, 2020

Jordan Griffen (+1 (860) 895-3536)

08:24:08

Yeah I'd like to wait until after our meeting so me and the other people involved are on the same page.

+1 (860) 819-9601

08:25:49

Ok. Let me know when you want to meet and who you want to be there for the first meeting. I'm pretty easy going. G

Jordan Griffen (+1 (860) 895-3536)

08:43:16

Ok, so far Olivia, who I led the protest with and Emily, a speaker from the protest, are willing to go to the meeting

+1 (860) 819-9601

08:46:27

Excellent. This week or next?

Jordan Griffen (+1 (860) 895-3536)

Next week

Thursday, June 11, 2020

Jordan Griffen (+1 (860) 895-3536)

09:10:38

One of the other people can't come on those days, so on Monday it'll just be me and Emily

+1 (860) 819-9601

09:44:24

I can add days, I was just pretty open. Wednesday before noon can work

09:44:29

But lemme know

Sunday, June 14, 2020

Jordan Griffen (+1 (860) 895-3536)

12:38:16

Everyone is good for tomorrow morning

+1 (860) 819-9601

12:51:22

Does 9:30, 10 or 11 am work? Do you want to do in person or a zoom meeting? You said no Mayor the first call, correct? I will have Erica Texeira with me. She is the Director of Social and Youth Services for the town. She's good people. I just have to confirm schedules.

Jordan Griffen (+1 (860) 895-3536)

12:56:53

10 am. No mayor first call. I'd prefer in person, and

OK 

13:04:18

Actually a zoom call is easier

+1 (860) 819-9601

13:08:56

I'll send you a zoom. If you guys want to change it, I just need about 10 minutes notice.

Jordan Griffen (+1 (860) 895-3536)

13:58:41

Ok

Monday, June 15, 2020

+1 (860) 819-9601

I wanted to follow up to let you know that as a tribute to Cheryl's sister Brenda and Niece Jenna we are going to name a star after each of them. The stars will be in the Equuleus (little horse) constellation. This constellation is perfect as it represents Brenda and Jenna's love of horses. Sue Schroeder is placing the order. Once we know the cost I will let you know. I'm figuring less than \$20 each. I will get a card for all of us to sign. More info to follow

hahaha....

13:45:31

Always professional. I'm trying not to be sharp, but he's just on my last nerve for the week

Sally Katz (+1 (203) 430-0400)

13:45:56

I hear ya ...

13:49:15

Just heard back from Rich. Phys Serv did not remove the road closed signage. Maybe PD did

+1 (860) 819-9601

13:55:26

So who's responsibility is it normally? Is it the police department?

13:55:34

And they just decided in a vacuum?

Sally Katz (+1 (203) 430-0400)

13:57:01

No it's Phys Serv. Rich and Alan go there every day. If it's safe for cars to get through the road and park safely then we open the road. But like we found last week river levels can quiskly change

13:58:35

I'm saying PD because if people were calling and complaining an officer may have gone out and moved it. Not saying anyone from PD did but they would be the only Town staff who might have on a weekend

14:00:10

Rich will assess it again Mon morning and if needed we will take a pay loader out and remove debris

+1 (860) 819-9601

14:05:24

Sign is still up

I'm bringing in a couple of parks guys to do some pick up at the Cove and to replace the shed and port o potty. Water has receded enough and it's going to be busy during the holiday

Kathy Bagley (+1 (860) 209-5233)

10:03:34

When will the shed be there. I will try and get staff to work. We thought the water was coming up yesterday so told staff not to report. If you give me a time I will have staff called.

Sally Katz (+1 (203) 430-0400)

10:04:38

We don't have a cooling center at this time.

Just a heads up. We had a beach washout at Mill Woods pond. It is closed today and staff are working on cleaning it up. Both maintenance and parks & rec. Hoping to open tomorrow, but not sure at this time. Willard is open.

Wow. Too much rain? Filled to high and then pulled the sand in or did the rain wash the sand into the water? Either way, crazy. Sent this to Rich yesterday

+1 (860) 819-9601

Hi Kerry. I owe him a call. Had some issues last week but will get to him today

Kerry Wood (+1 (203) 520-1794)

13:21:11

Hope all is well

+1 (860) 819-9601

13:36:49

Terrible...but thanks 😊

13:37:52

Ok. I hope they've documented completely which includes that they've tried to counsel her performance. Needs to be in writing that they've tried and not been successful

Kerry Wood (+1 (203) 520-1794)

14:04:22

I don't think the above was for me, right???

+1 (860) 819-9601

14:04:46

Ha, nope

Conversation with Kim Wolf

Tuesday, March 31, 2020

Kim Wolf (+1 (860) 989-9961)

19:17:14

Good lord the meeting time says 10:15!!!!

Kim

+1 (860) 819-9601

19:17:27

I saw that

19:17:34

I think that's a funky glitch

19:17:43

Must be set for wrong time zone

19:17:48

Can you log on?

Kim Wolf (+1 (860) 989-9961)

19:18:13

It says it's waiting for the host to start it. Is that you at the moment?

+1 (860) 819-9601

19:18:19

Nope

19:18:21

You

19:18:22

Haha

19:18:31

In grey letter is asks if you are host

Kim Wolf (+1 (860) 989-9961)

19:18:34

Oh crap

+1 (860) 819-9601

19:18:49

No worries

19:19:12

I have food in my teeth

Kim Wolf (+1 (860) 989-9961)

19:19:18

19:20:02

Where's my audio

+1 (860) 819-9601

19:33:00

How ya doing?

Kim Wolf (+1 (860) 989-9961)

19:33:16

Sweating

19:33:21

Is that inappropriate??

+1 (860) 819-9601

19:33:32

Nah.

19:33:51

But don't sweat. None of them can fire you and this is your first run

Kim Wolf (+1 (860) 989-9961)

19:34:08

Ahhh but YOU can

+1 (860) 819-9601

19:35:06

I wouldn't fire you for this

19:35:08

Hahaha

19:35:42

You really have to repeatedly mess up and not try to be better

Kim Wolf (+1 (860) 989-9961)

19:36:21

I'm a tryer.

That's not a word

+1 (860) 819-9601

19:41:32

Perfect

19:49:06

Screen shows you are sharing your meeting folder

19:49:11

Is that intentional

Kim Wolf (+1 (860) 989-9961)

19:49:35

You can't see what I'm showing? Windows?

19:50:02

I should be showing windows and the house

+1 (860) 819-9601

19:50:30

Nope.

19:51:16

Kim Wolf/attachment1.JPG

Kim Wolf (+1 (860) 989-9961)

19:51:11

To me it looked like I was scrolling through close up photos of the windows

19:51:36

Crap.

Do you see the house now?

+1 (860) 819-9601

19:51:59

Nope. I think it may have been "pinned"

19:52:14

Try again maybe

19:53:06

Good

19:53:09

Pic of house

Kim Wolf (+1 (860) 989-9961)

19:53:24

Better than the folder

+1 (860) 819-9601

19:58:22

We are having some issues here. After you get that pick up, can you give me host capabilities

Kim Wolf (+1 (860) 989-9961)

19:59:04

Yes do you want me to get rid of the views up now?

20:02:00

Am I making that sound happen?!?

+1 (860) 819-9601

20:02:10

Dunno

20:02:22

Let me know if you hear it when you adjust something

Kim Wolf (+1 (860) 989-9961)

20:02:52

I turned down my sound

+1 (860) 819-9601

20:07:12

We don't think it's you

20:07:24

But we have no sound except that

20:13:31

Lenoci is on

Kim Wolf (+1 (860) 989-9961)

20:20:56

Can you mute Doug Lisella please

+1 (860) 819-9601

20:21:07

Yep

20:23:16

Is it too late for Doug Lisella to chime in about the garage?

20:23:23

Actually he said not important

Kim Wolf (+1 (860) 989-9961)

20:39:33

The garage at 97-99 Amin?

20:39:37

Main?

+1 (860) 819-9601

20:40:44

Yes but he changed his mind

Kim Wolf (+1 (860) 989-9961)

20:41:00

Ok

+1 (860) 819-9601

20:41:10

But had some info, I guess he was familiar with building and the issue

Kim Wolf (+1 (860) 989-9961)

20:41:56

I think it'll be fine. They won't vote on the new garage tonight I'm guessing

+1 (860) 819-9601

20:48:43

As a side note, we had no sound on live stream for almost the entire meeting and out of nowhere Derrick figured it out

Kim Wolf (+1 (860) 989-9961)

20:49:55

Oh no

+1 (860) 819-9601

20:50:13

Nah, it's fine. We had 3 listeners there

Kim Wolf (+1 (860) 989-9961)

20:50:17

Which means we have no minutes if Linda can't hear

+1 (860) 819-9601

20:51:20

Ah. Good news we have a recording with sound and can burn her a cd

Kim Wolf (+1 (860) 989-9961)

20:52:41

Oh good. Thanks

+1 (860) 819-9601

21:07:05

Richard has a question

21:07:24

Regarding when new application needs to be submitted

Kim Wolf (+1 (860) 989-9961)

21:07:35

He has to wait it's not public

+1 (860) 819-9601

21:07:39

Or able to be submitted again

21:07:40

K

Kim Wolf (+1 (860) 989-9961)

21:07:48

At the end or I can call him Monday

21:08:00

I'm off tomorrow

+1 (860) 819-9601

21:08:33

Can you I share screen

Kim Wolf (+1 (860) 989-9961)

21:08:34

He cannot resubmit an application that was denied

+1 (860) 819-9601

21:08:37

I share

21:08:48

Unshare

21:17:38

Great job

21:17:56

I would have kept you as host but needed it to trouble shoot

21:18:02

We finally figured it out

Kim Wolf (+1 (860) 989-9961)

21:18:09

Thank you!

+1 (860) 819-9601

21:18:13

You got this all day

Kim Wolf (+1 (860) 989-9961)

21:18:26

It'll get better

21:26:53

Our recording secretary said the video cut off before the vote to close the meeting

+1 (860) 819-9601

21:35:59

It's fine

21:36:10

There's a delay on stream, but we should have it

21:36:19

From main video player

21:36:36

Have her reach out to Derrick and he'll get it to her

Kim Wolf (+1 (860) 989-9961)

21:39:35

Linda doesn't work for the town so she doesn't know Derrick. I asked her to contact Cheryl.

Kim Wolf (+1 (860) 989-9961)

12:58:37

I need a raise. 🙏

+1 (860) 819-9601

14:07:31

Hahaha

Kim Wolf (+1 (860) 989-9961)

14:08:02

Soooo that's a no??? 🙄

+1 (860) 819-9601

15:19:15

Would if I could but I'm trying not to lay off people this year

Kim Wolf (+1 (860) 989-9961)

15:23:07

Fine

+1 (860) 819-9601

15:23:19

17:29:11

Clare's a handful

17:29:19

Kim Wolf (+1 (860) 989-9961)

17:29:29

They all are. 🙄

+1 (860) 819-9601

17:30:09

She wants HDC to have meetings in TH. I can't get over your commission. They think they have more power than the Governor

17:30:53

I bit my lip. Almost said, you guys get your power derives from a town ordinance and state statute, right? You aren't independent of law

Kim Wolf (+1 (860) 989-9961)

17:31:19

This is what I get constantly. Weekends. Nights. It's a lot. Sorry. Just ignore her. She's stressed out that her daughter's wedding might get cancelled and a car ran into the fence at the reception location on Htfd Ave. she's a mess

+1 (860) 819-9601

17:31:52

You deserve a raise

Kim Wolf (+1 (860) 989-9961)

17:32:29

Wait until you get complaints about Peter's bike racks

being the wrong color and positioning. I'm holding them off because of the closure.

17:32:33

Laughed at "You deserve a raise"

17:32:45

I do. You might too. 😂

+1 (860) 819-9601

17:33:44

They can F off. Ha

17:34:24

I'm pretty sure this group will cut my raise out. Which is not great, but I'll give it up if they are going to lay off

17:34:33

Lead from the front

Kim Wolf (+1 (860) 989-9961)

17:35:28

People are brutal. Sorry.

+1 (860) 819-9601

17:42:52

It's the life I chose.

Kim Wolf (+1 (860) 989-9961)

17:43:30

In it for the glamour. I get it.

+1 (860) 819-9601

19:07:17

Yes. That's me. All about the glam...

Kim Wolf (+1 (860) 989-9961)

19:12:45

Before I get all stressed out with this meeting..... what's the deal with Charles ignoring EVERY email I send to him???

+1 (860) 819-9601

19:13:14

?? He didn't respond to the last one?

19:13:17

I'll have to look

Kim Wolf (+1 (860) 989-9961)

19:13:30

NONE!

19:14:37

I'm not trying to rat him out, but this poor guy across from Old Town is really trying to talk to him. 3 weeks now. 😞

+1 (860) 819-9601

19:16:37

Send me an email reminder

19:16:48

Btw...are you having trouble getting in?

Kim Wolf (+1 (860) 989-9961)

19:17:08

It's fine. I'll call Charles tomorrow.

19:17:33

I'm logging in now but my dad won't get off the phone

+1 (860) 819-9601

19:17:39

Hahaha

19:21:23

Do you need me to get people out of waiting room?

19:40:33

What can I do to help?

19:40:39

Never mind

19:40:42

Yes

20:26:31

I'm out. Call or text if you need me.

20:31:04

Nice job

Kim Wolf (+1 (860) 989-9961)

20:52:45

Thank you!

Kim Wolf (+1 (860) 989-9961)

12:10:05

I realized I shouldn't have sent my snarky comments by email 🙄

+1 (860) 819-9601

12:39:58

Who cares. It's funny

12:40:06

Granted they are somewhat blaming me

Kim Wolf (+1 (860) 989-9961)

12:44:19

I didn't take it that way. I think it's a technology issue, just frustrating... better than telling applicants they're f-ing stupid. Not much you can do.

When we can meet, I have thoughts on streamlining.

Nothing urgent.

Tuesday, May 26, 2020

Kim Wolf (+1 (860) 989-9961)

12:48:19

Do you want a copy of the January minutes?

+1 (860) 819-9601

13:05:21

Nah. Minutes are good, my concern is sally said something that Tom Mazarella will use against her

Kim Wolf (+1 (860) 989-9961)

13:05:41

Oh geez

13:06:07

She said they're going ahead with cedar....

13:06:35

No one wanted to propose cedar in front and asphalt on back to save money??

+1 (860) 819-9601

14:14:36

But she never said a price on the record? That would be excellent

Kim Wolf (+1 (860) 989-9961)

14:15:46

Ohhhh I thought she said something like \$75,000..... I can look if you want

17:30:43

Ok thanks

+1 (860) 819-9601

19:24:57

Kim Wolf (+1 (860) 989-9961)

19:34:14

See.... I need a raise

+1 (860) 819-9601

19:34:48

So far there is one in the budget for you ha

19:35:04

Either a raise or maybe we can appoint people who aren't assholes

19:37:52

Hahaha!!! Good luck with that.

+1 (860) 819-9601

21:14:43

Voting now. It'll go faster

+1 (860) 819-9601

21:23:50

Doesn't seem like it!!

Kim Wolf (+1 (860) 989-9961)

21:24:33

No. You're right

+1 (860) 819-9601

21:39:15

You do need a raise

Kim Wolf (+1 (860) 989-9961)

21:40:17

See?!

+1 (860) 819-9601

21:43:55

House was built in 1961

21:44:12

And it's not a Hubbard house

21:45:02

Great question!

Kim Wolf (+1 (860) 989-9961)

21:45:22

I'm irritated

+1 (860) 819-9601

21:46:58

HahHa

21:48:48

38 hartford Ave is sided and similar

Kim Wolf (+1 (860) 989-9961)

22:00:40

Can Old Town not get another 5 feet to make that wider?

22:26:49

The director of Webb Deane Stevens is very knowledgeable about signage. I had a meeting with him yesterday and he suggested looking into Bar Harbor's town design.

22:34:40

22:35:02

Double my salary! 🙄

+1 (860) 819-9601

22:35:09

And mine?

Kim Wolf (+1 (860) 989-9961)

22:35:23

Insane

Wednesday, May 26, 2021

Kim Wolf (+1 (860) 989-9961)

09:30:10

So I totally stepped out of line last night with that house on Hartford Ave. I'm so sorry. It's not my job to have an opinion and I guess I was pretty clearly annoyed. I'm hoping we don't get sued and I apologize if this comes back to bite us.

+1 (860) 819-9601

09:40:08

Nah

09:40:46

People can try to sue but ultimately the vote is what they sue for not what your opinion was

Kim Wolf (+1 (860) 989-9961)

09:43:48

I don't usually get so opinionated. Their justifications were ridiculous (to me).... but I will keep my mouth shut. My sister in law is not happy with me. Sorry. 😞

+1 (860) 819-9601

09:44:45

Fuck her

Kim Wolf (+1 (860) 989-9961)

09:44:58

No thanks 😊

+1 (860) 819-9601

09:46:14

Ha

09:46:26

Is she the one who said it exposes us to a lawsuit?

09:46:29

Dead wrong

Kim Wolf (+1 (860) 989-9961)

09:46:44

She's a lawyer. Everything is a lawsuit.

+1 (860) 819-9601

09:46:46

The purpose of the meeting is to discuss in an open dialogue concerns.

09:50:25

It was a bit out of order to go as strongly, but it

wasn't necessarily wrong; maybe a different tact but not a lawsuit

09:50:58

If you noticed, 2 people were more in line with your comment

09:51:08

These guys are going on unchecked and it needs to stop

09:51:10

Stop

Kim Wolf (+1 (860) 989-9961)

09:51:39

Preferably not by me though. I was wrong. Sorry!!!!

09:51:48

Just came out 🙄

+1 (860) 819-9601

21:33:35

Hahah

21:34:04

Thank you. Means a lot. Doubt what's right is rarely the same as doing what's popular

21:34:09

Doing

Kim Wolf (+1 (860) 989-9961)

21:44:28

And that's ok. Thank you.

Kim Wolf (+1 (860) 989-9961)

14:40:44

Sounds like you might not have to think about the structure. Looks like it won't be appropriate for the district.

+1 (860) 819-9601

15:04:53

According to? 😊

15:16:26

According to? 😊

Kim Wolf (+1 (860) 989-9961)

15:25:06

The ones that asked me why there a building on the front lawn of Keeney in the legal notice.

15:48:21

They've surprised me with their voting enough to know that I should never assume....

+1 (860) 819-9601

15:50:02

I wasn't a fan of this project

15:50:25

Not sure if they were aware

Kim Wolf (+1 (860) 989-9961)

15:51:28

I know.... I don't think anyone likes it besides Amy and Lee Kuckro who sent me a letter of support for his late wife's project resurrection.

15:53:07

***Btw.... Our chair thinks you're doing a great job. 👍
Don't be discouraged. Enjoy your weekend.***

Anything you want to say regarding the historical society shed at 200 Main? They are speaking now.

+1 (860) 819-9601

19:57:15

Is that tonight?

Kim Wolf (+1 (860) 989-9961)

19:57:25

Now!

+1 (860) 819-9601

19:57:50

Ha. Christ. No comment by the town.

Kim Wolf (+1 (860) 989-9961)

19:58:00

Now they're talking about paving around it and a curb cut from the driveway!

+1 (860) 819-9601

19:58:08

Hahaha....

Kim Wolf (+1 (860) 989-9961)

19:58:09

Laughed at "Ha. Christ. No comment by the town."

+1 (860) 819-9601

19:58:26

Who is, Amy?

Kim Wolf (+1 (860) 989-9961)

19:58:25

Shit show

+1 (860) 819-9601

19:58:35

That doesn't sound like a temporary structure

Kim Wolf (+1 (860) 989-9961)

19:58:37

+1 (860) 819-9601

19:58:51

19:58:59

Cross your fingers

+1 (860) 819-9601

19:59:17

Kim Wolf (+1 (860) 989-9961)

19:59:28

?? Update

Kim Wolf (+1 (860) 989-9961)

20:40:31

Tabled to August 10

+1 (860) 819-9601

20:41:03

Tabled?!? What?!? Why?! Kill it or don't. This isn't hard

Kim Wolf (+1 (860) 989-9961)

20:43:09

The commission wanted to give them the option of moving it to the left or back. Plus they never included signage, curb cuts, pathways.....

+1 (860) 819-9601

20:46:24

They going to PZC too

Kim Wolf (+1 (860) 989-9961)

20:46:39

That's good

+1 (860) 819-9601

20:49:03

Kim Wolf (+1 (860) 989-9961)

20:53:05

Oh. I thought you were telling me. I haven't heard. I'll ask chuckie tomorrow.

20:54:07

Off the record.....

Why is the new HR lady so rude and unfriendly??

+1 (860) 819-9601

20:55:26

Was she rude to you?

20:55:32

Or just hearing that?

Kim Wolf (+1 (860) 989-9961)

20:55:55

Me. We can talk later. Just taken aback.

+1 (860) 819-9601

16:17:06

Yep. Sorry. 😞

16:17:33

I hate to go

Kim Wolf (+1 (860) 989-9961)

16:17:42

NO!!! Don't let them win! Stupid bullies.

+1 (860) 819-9601

16:28:52

It's a looong story. I'm hoping issues fade after I go and things can be fixed/put back together/ and my life gets back to normal. I've done some of the hardest shit a TM can do over their career, and I did it in 2.5 years. It's exhausting. Frankly, I'm never gonna get to fix the things that need to be fixed.

Kim Wolf (+1 (860) 989-9961)

16:33:36

You've done a great job. Thank you for serving our Town. I hope things get back to normal for you and your family.

Selfishly I'm very sad about this. 😞

And I appreciate your support for our crazy and annoying commission.

....even if I never get a salary adjustment. 😞

+1 (860) 819-9601

16:57:59

Thank you very much. I'll continue to find ways to help when I can.

Kim Wolf (+1 (860) 989-9961)

17:03:16

Are you or any of the council marching tomorrow?

+1 (860) 819-9601

17:07:47

I probably will either march or be seen. Mayor said he was going to march

17:07:54

You or any others available?

Lt Crabtree (+1 (860) 462-4813)

17:10:17

Myself, Connolly, the chief and Knapp will likely be the ones marching. I will see how it goes at the start and may move some other personnel around to march

+1 (860) 819-9601

17:10:36

No shit! Got the chief to do it

Lt Crabtree (+1 (860) 462-4813)

17:11:46

Tried to talk him out of it, but he reminded me that he is the leader and people want to see him.

17:36:37

12:35:33

Ok, do you want us to take the chief's keys, phone and computer from him or just the car?

+1 (860) 819-9601

12:37:28

Ooofa

12:39:53

Car. While I should probably take the keys, too, for some reason he didn't want to give them up. Maybe it's just a mental thing. Not trying to break the man. Do we have any concern of him access the building? He's been told not to do so. That would be grounds for dismissal (more of it). Phone and computer are fine. His email will be (temporarily) deactivated.

Lt Crabtree (+1 (860) 462-4813)

12:46:32

No issues with doing it this way, we'll take care of the car

Lt Crabtree (+1 (860) 462-4813)

17:56:50

Sending an email from NBC CT to you regarding the chief

Friday, December 11, 2020

+1 (860) 819-9601

11:32:05

Let him give know not yet. Want attorney to chime in

Lt Crabtree (+1 (860) 462-4813)

11:32:33

Ok

+1 (860) 819-9601

11:33:20

But also ask Gove if we can limit his access to only his

documents and not server and also can we copy it in advance just to ensure he doesn't destroy or manipulate anything. While I don't believe he would do that, I want to make sure he can't.

Lt Crabtree (+1 (860) 462-4813)

11:35:27

We can cancel his external access and just have Gove copy the documents to give to the chief. He won't have any further access

+1 (860) 819-9601

11:36:22

I want to show we are willing to work with him, but I also don't want to fall flat. I'm waiting on attorney opinion.

11:36:39

He should only have access now to email I think. Does he have other access?

Lt Crabtree (+1 (860) 462-4813)

11:38:21

He does not have any other access at this time

13:14:20

Any word?

+1 (860) 819-9601

13:31:08

Ask Dave if he is able to back up everything on that computer

Lt Crabtree (+1 (860) 462-4813)

13:31:36

I'm sure he can

+1 (860) 819-9601

13:32:47

I would want him to copy everything before giving chief access. We would want to limit how long he has access and if we can restrict it just to his computer.

Lt Crabtree (+1 (860) 462-4813)

13:43:38

He can just make a copy of his drive, put it on a thumb drive and give it to him, and restrict all VPN access

+1 (860) 819-9601

13:53:05

I'm ok with him getting a copy of his computer on a thumb as long as if we need access to it we can have it as well so we can review any manipulation etc...while I dont believe he would do that, I just need to CYOA.

Lt Crabtree (+1 (860) 462-4813)

13:53:57

Got it, we will handle it.

No problem, just got a little targeted there for a bit, like it was your fault. Felt that couldn't go on any longer. This decommissioning shit is stupid. Enjoy the new trash to energy plant that replaces it

Matt Kelly (+1 (860) 818-5848)

09:07:05

Gary,

Just a quick note. It's Matt Kelly. I fell the other day and tore all of my Quad tendons from my knee area. I am scheduled for surgery tomorrow. As a result I will not be around for several weeks as I am quite immobilized. My suggestion is that we postpone the Brainard noise meeting for a bit, no idea how long till I am walking again. Who knows, the Wethersfield folks may have new noise next door if the airport turns into a powerplant, via the legislature. Let me know your thoughts when able. Thanks and sorry for my absence.

Do you remember any of the auditors questions hahah

Michael O'Neil (+1 (860) 918-1740)

12:58:18

They mainly want to know what controls are in place to deter fraud, and whether one is aware of any fraud.

+1 (860) 819-9601

10:08:47

FYI, I'm about to email chief and bcc you. I'm hearing they may want to meet at 11 but not confirmed.

Mike Connoly (+1 (860) 982-5437)

10:12:48

Ok thank you

+1 (860) 819-9601

11:18:26

I just emailed the chief, we were supposed have a meeting but they just called me to cancel it. They do want to meet afterwards either later tonight or tomorrow... Are you going to be working the protest? Cornell asked for you to reach out to him and introduce yourself again so that he knows who you are in case he gets the sense things are going to go badly from either his people or against his people.

11:18:57

This way he knows to look to you for help before it goes bad.

11:19:21

Do you remember what he looks like

Mike Connoly (+1 (860) 982-5437)

11:27:36

That is fine Gary. I will be here. I will meet with him once he gets here. He is a thin black male with a bald head.

18:08:59

They are walking towards town hall. In front of 449 sdh now

+1 (860) 819-9601

18:32:02

Yup

18:32:07

Having fun?

Mike Connoly (+1 (860) 982-5437)

18:32:27

Heading back to pd now

+1 (860) 819-9601

18:55:01

They still there

Mike Connoly (+1 (860) 982-5437)

18:55:34

Yes

+1 (860) 819-9601

18:55:45

Pd?

18:56:54

Chief staying inside? I did drive by and make him go inside

Mike Connoly (+1 (860) 982-5437)

18:59:17

We are out front of the pd they are in the road

19:32:56

All gone no arrests 👍. I am taking tomorrow off but open for coffee if you arrange it.

19:33:40

In case you want to call Bishop.

19:33:40

attachment1.vcf

+1 (860) 819-9601

19:34:17

Excellent. I am coming to the dBrief. Did bishop elders reach out to you that would be awesome.

21:06:00

Everything ok?

Mike Connoly (+1 (860) 982-5437)

21:07:05

Everything is good just wanted to talk about the coffee thing

21:07:24

If you had a few minutes for a call

Monday, April 29, 2019

+1 (860) 819-9601

09:29:24

Do you have a contact for Emory Hightower

Tuesday, May 7, 2019

+1 (860) 819-9601

13:47:23

Are you hearing about a protest as well or just the press conference at 11? Is it one of the same or is there a separate activity going on?

Mike Connoly (+1 (860) 982-5437)

13:50:19

The only solid information I have is the letter. I really don't know what their intentions are but will keep monitoring

Wednesday, May 8, 2019

Mike Connoly (+1 (860) 982-5437)

17:48:20

I spoke with the chief and suggested that we suggest to you that something be put out regarding the incident. He reiterated that we can't per the Cirma Artorney. I said does Town Hall know about that and he said yes. Perhaps tell him you heard the quote from Elliot Spector And go from there about what the lawyers suggest we do or say. He will probably talk about it then.

Thursday, May 9, 2019

Mike Connoly (+1 (860) 982-5437)

10:41:42

Gary this is the last text from Cornell. I advised him of what we talked about

I think if the officials of that town made a statement about being concerned -w/o seeming to take sides- i.e. this situation, it will help. It is women in WWP catching hell.

10:44:18

More from Cornell

You might want to visit Farah Assi business and let her know WPD is aware of the situation and offer help.

+1 (860) 819-9601

10:45:52

Is there some conclusive info that shows threats? I'm confused?

Mike Connoly (+1 (860) 982-5437)

10:48:00

There are posts about blackballing her and her husbands business but we have not seen any specific threats. I am going to send to the Chief the last post from Cornell but he doesn't want to do anything. I would go talk to her if needed, but only if told to.

11:04:32

the Chief said we are not reaching out to anyone who says F the Police, but we'll address any call for help from a citizen.

Mike Connoly (+1 (860) 982-5437)

12:02:31

I sent it this morning early. If we need to pull it back just let me know. I'm in New Britain for training will be back by around 3. If you need to talk let me know I could stop by

+1 (860) 819-9601

20:43:37

+1 (860) 819-9601

20:44:14

And taser some people if you have to

20:44:21

I feel better you handling it

Mike Connoly (+1 (860) 982-5437)

20:44:29

I got it

+1 (860) 819-9601

20:45:59

If any of the coordinators ask, we are currently working on a multipart/multi date community conversation. Granted I probably won't invite any of them, we will be doing an entire series over a 12-18 month period

Mike Connoly (+1 (860) 982-5437)

20:46:39

No prob

+1 (860) 819-9601

20:47:24

But if they press you for it, you can say that you know the town has been working on scheduling something...

Ok

Mike Connoly (+1 (860) 982-5437)

Gary, I see the event for next Thursday being posted on social media. If this this something you want us to attend we haven't had any requests.

+1 (860) 819-9601

12:27:24

Probably, but not necessarily in uniform if we did.

12:27:50

You think there's any off duty people who would attend? Hahaha

Mike Connoly (+1 (860) 982-5437)

12:31:49

09:50:28

Or you want to do it?

Mike Connoly (+1 (860) 982-5437)

Hmmm...the one I'm stuck at is Berlin

Mike Connoly (+1 (860) 982-5437)

Call if you can

08:25:11

**What time is Berlin? Wallingford is the railway thing.
Governor is going**

08:25:24

I didn't know about Berlin

10:35:04

**He told me this morning that he registered him and I but
forgot and when he realized this morning he said forget
it. Lol**

+1 (860) 819-9601

10:39:08

**I can brief you both, it was a waste of everyone's
time**

10:39:21

**Are you able to take a quick phone call or are you
still in Wallingford?**

10:40:03

Actually, here's the issue. Who means records on race and ethnicity of sworn police officers? Do you or does Stephanie?

Mike Connoly (+1 (860) 982-5437)

10:51:09

Yes call or I can stop in

Friday, October 11, 2019

+1 (860) 819-9601

10:20:02

Versus Hispanic.

10:20:08

Just looking for a total number for each

Mike Connoly (+1 (860) 982-5437)

Well, I guess I won part of the battle. I hope Tony wanted that assignment hahahah...if not, I fucked him over accidentally

Mike Connoly (+1 (860) 982-5437)

21:26:36

No it was great. Tony is very pleased. Definitely won

part of it. I am very optimistic that the war will eventually be won.

+1 (860) 819-9601

21:34:36

Tony's got to prove himself - which I know he will. That being said, he may still get rotated out. I'm thinking long term though. LT coming down the line.

21:34:45

Want to set him up for that

Mike Connoly (+1 (860) 982-5437)

21:36:14

Yes that's what I want too.

16:13:59

He said Knapp is walking

Mike Connoly (+1 (860) 982-5437)

19:42:16

This is ridiculous that nobody went out. You know I wanted to do it. I have heard from at least 10 people how upset they are about this. Officers included. Poor poor leaderships.

19:42:20

Gary, Blair has loose lips today with Tony. They are laughing at Ken saying he doesn't know what he is doing. One thing they are saying is double jeopardy and

that Garrity protects them from criminal. I'll say it really simple how Ken needs to say it. The investigation revealed this..... and this is the punishment.....based on the requirement from Court we will have to report this as a potential crime. Court will I turn do their investigation by getting evidence from the Pd which would include documents, fob reports, video from building, time sheets. Garrity only protects their statements/interviews. Don't say sending to Court is a punishment, it's a requirement to notify. Also that the academy will be notified based on department findings, and if criminal academy will get from criminal side and felonies will decertify an officer. These are not threats or punishment they are requirements. Now it that is laid out and true come to you with an offer to resign/retire/accept punishment you can "decide" whether or not to send. That is still dicey as again it's a requirement not punishment. In an internal you have to answer all questions truthfully. Garrity protects your statements in an internal from being used in the criminal side. Sorry for lengthy but I want you to know that they are talking and laughing about it saying there is nothing maybe a few days suspension at best.

+1 (860) 819-9601

17:09:23

I think John May be playing both sides

17:09:32

We are sending to GA

17:10:09

In other words John is playing up he defended.

17:11:43

Here's irony. My buddy bought the house across street. I'm drinking in the backyard

17:14:38

Whatever John has to do to sell this, but last convo was demotion/suspension and to GA15

17:17:20

Lol

+1 (860) 819-9601

17:19:27

And good to know. They tried to play up demotion was enough but Ken and I were pretty clear it's not even close. We have nothing to lose with a 30-day suspension. Although we all agree that Oscar probably would be considerably lighter

17:19:39

We called Jennie the ring leader

Mike Connoly (+1 (860) 982-5437)

17:21:37

Yeah 5 days would be enough for Oscar if he agrees not to fight otherwise more. She is def ringleader. Even if for her had to negotiate demotion and 15 days and has to work the road

+1 (860) 819-9601

17:27:34

Our last convo was on the road (outside/patrol), no swaps with O ever and suspension with no pay (to be clear)

It's amazing how many people sent me the East Hartford story haha

Mike Connoly (+1 (860) 982-5437)

20:13:23

Same I think I got it ten times in every article out there lol. Crazy though my sources are telling me the chief holds no punches. I hear the 2 guys are nothing but problems but the union now using the race card. Crazy

+1 (860) 819-9601

20:16:23

My buddy is a sgt over there. The reference that the union president made to miss treatment due to these officers being minorities is bullshit. The woman that they use as an example who was a severely disciplined reports to my friend. He said the reason she was never disciplined was because he refused to sign off on her time sheet where she claimed extra hours that she didn't work. He corrected it sent it back to her and made her do a correct one.

20:16:32

Says his union president is off his fucking rocker.

20:16:53

Doing voice to text so I apologize for any typos.

Mike Connoly (+1 (860) 982-5437)

20:19:17

Yes I think it's still Weglarz? I forget spelling used to be on our swat team. Nothing but a problem always. They also have a serious problem/lawsuit with their most recent sgt promotion process

+1 (860) 819-9601

20:23:45

When Jennie swaps with Oscar, what does Oscar cover? If she's inside doesn't she have specific duties that he would need to know how to do?

Mike Connoly (+1 (860) 982-5437)

20:26:24

If they swap it hooks be for the patrol shifts that they would cover on the weekends. The 3 inside sergeants cover the weekend day shifts on the weekend. So 4 times (every 3 months) per year each sergeant covers the day shift on Saturday and Sunday

Thursday, October 22, 2020

Mike Connoly (+1 (860) 982-5437)

18:06:34

***Gary,
My recommendation is that you just drop hard discipline on Jennie and Oscar because they will never agree on anything and it's gone on long enough. Also i agree that if it's too light it could be problematic for the other one.***

+1 (860) 819-9601

If I suspend Jennie effective shift change, what does that do to the schedule? How do I do it so it doesn't fuck it up anymore than I did because of Dave Goves schedule? Does it affect the same people as Gove? I assume not because she isn't patrol?

Mike Connoly (+1 (860) 982-5437)

08:03:12

Doesn't affect Gove. She is working sgt day shift on the weekend but that will easily be filled

08:05:43

+1 (860) 819-9601

20:34:31

Since Nov I've been banging my head. The last month they've been telling me to lay people off to save money. They don't listen. I also said the same thing about our admin group. They don't get it. But I bet most if not all on council got bonuses and increases over the small percent you, me and staff have gotten.

20:34:52

Good job tonight. 2.5 hours of this

Mike Emmett (+1 (860) 250-5646)

You've been at it for a week. My hat's off to you!

17:05:58

Sorry to bug you, there was a little technical issue with the reopen Wethersfield group on Thursday. I wasn't sure if you tried to get into the meeting and just couldn't? Either way, one of the areas that needs to have a focus is reopening education. Obviously the group did not touch that one without you being the lead on the conversation. However, in my weekly management report I am mentioning that we are trying To focus on four major areas, education being one of the four. Obviously that is all on you but we will assist however you need. Any issue?

Mike Emmett (+1 (860) 250-5646)

17:32:02

Hi Gary-I did try to get on for about 10 minutes. All I saw was the town seal. A parent showed up looking for the Tech Depot, so I left to tend to that issue. On our end, we are working on multiple facets of reopening. As I'd mentioned on Wednesday, we're awaiting guidance on summer school. I understand from Ed Commissioner that guidance awaits the Governor's approval and will be released. We are currently working on Distance Learning 2.0 for the fall as well as developing plans around staggered schedules and configuration ideas around socially distancing students and staff. I welcome being a part of the process. After the week you've had, enjoy the weekend!

+1 (860) 819-9601

Got it. I'll be there

Wednesday, May 27, 2020

Mike Emmett (+1 (860) 250-5646)

09:22:54

Morning Gary. I heard from Chuck Carey about setting up a meeting with you, me, Mike O, Matt K, Chuck, and Mike R. to discuss the budget prior to Friday's vote. Do you have any availability this afternoon prior to Governor's call at 5:00?

+1 (860) 819-9601

11:02:43

Errrr....I don't unfortunately. On a zoom now. I'll look for tomorrow

Mike Emmett (+1 (860) 250-5646)

12:11:15

Thanks.

+1 (860) 819-9601

13:29:05

How about 9 tomorrow?

Mike Emmett (+1 (860) 250-5646)

13:31:16

We'll make that work on our end. Let me just confirm

with Chuck.

15:54:48

Hi Gary- Chuck can't do 9:00. Any other options?

+1 (860) 819-9601

16:01:48

Is he thinking earlier or later?

16:02:01

Or you

Mike Emmett (+1 (860) 250-5646)

16:04:15

Later. I've got 10:00-11:00 and 12:00-1:00 open and anytime after 4:00. As Chuck is teaching virtually in the AM, after 4 is probably the safest bet.

+1 (860) 819-9601

20:14:54

Sorry, still doing deliberations

20:18:03

10 would be better if we could since it'll help us for the vote, but otherwise 4:30?

20:54:58

Mayor mentioned Chuck...don't know how you feel. I'm thinking better to postpone

Mike Emmett (+1 (860) 250-5646)

21:05:20

Chuck confirmed this evening that he CANNOT make it. Postponing is best in my opinion.

+1 (860) 819-9601

21:08:48

Ok. So am I safe to say something explaining that chuck is chair of BOE and would make sense for him to be there...therefore we would like to set a date in the future...any thoughts on when - next week, two weeks??

Mike Emmett (+1 (860) 250-5646)

21:11:42

Yes. I'd also like to have a member of our WHS Equity Team attend as well. That would be John Karzar our Special Services Director. My preference would be not to push the rescheduling out beyond next week.

+1 (860) 819-9601

I stand with you 100% on this one. He was aggressive with the teachers and actually physically hit his grandmother in the face with his lunch box. That was 6 years ago.

Hi, it's Gary Evans. Sorry to keep bothering you. Among other things, I wanted to talk about the stand against racism sign on the church property. I really like the format/message and didn't know if this was a Methodist church sign that every Methodist church is using or some thing we could piggyback off of, but use Wethersfield (have to stay in line with separation of church and state).

Pastor Sheila (+1 (347) 820-1421)

20:46:16

Hello Gary. The sign is used by the Methodist church. I can reach out to leadership to ask if it can be modified. I will get back to you as soon as I get a response.

If not I'll just do a different spin - was toying with the idea of Wethersfield Declares WAR on Racism (Wethersfield Against Racism), but that might be a little to aggressive. But "Stands" or "Stands Together Against" is appropriate

Do you have power? Our system says no but lights by you are on

Pat Pentelow (+1 (860) 883-3829)

14:48:09

I'm not home. Let me text my neighbor

14:48:23

I think we have a backup generator though.

15:10:16

We're back up

+1 (860) 819-9601

15:12:34

15:12:50

So reporting systems are delayed

Pat Pentelow (+1 (860) 883-3829)

15:40:20

And we're back out again

Tuesday, August 24, 2021

Pat Pentelow (+1 (860) 883-3829)

Seriously?

10:07:00

Pat Pentelow (+1 (860) 883-3829)

10:07:11

Sunday, May 17, 2020

Peter Gillespie (+1 (860) 918-0994)

18:24:37

Gentlemen. Do we have an agenda for tomorrow's meeting?

Mark Trahan (+1 (860) 930-1778)

19:09:50

Peter I will send out an agenda tomorrow morning before 8:30.

19:10:00

Please feel free for anyone to add agenda items.

Monday, May 18, 2020

Peter Gillespie (+1 (860) 918-0994)

10:48:35

Do you have a few minutes to discuss the message

+1 (860) 819-9601

10:49:24

I can, unless you and Mark want to go at it first

Tuesday, May 19, 2020

Peter Gillespie (+1 (860) 918-0994)

08:44:56

Mark. Did you draft the reopen ct paragraph?

Mark Trahan (+1 (860) 930-1778)

10:46:31

Morning. I'll have something to you in the next 30 minutes I ripped it out yesterday afternoon and I've been busy since.

Friday, September 4, 2020

+1 (860) 819-9601

13:04:52

Remind me to not be a jerk.

13:05:05

Here we go again...

13:05:23

*Same sh*t re-heated*

Peter Gillespie (+1 (860) 918-0994)

13:10:39

No shit!

+1 (860) 819-9601

13:11:20

Thanks for Mark for fielding that question. I was about to say something smart ass-like

13:12:06

Not our problem

13:12:42

It's looked like garbage for 20 years. You think we're just going to let you do whatever

13:12:55

With state money?

13:14:14

Ghetto. Pass.

13:23:17

He's not gonna like my response

Peter Gillespie (+1 (860) 918-0994)

13:23:54

Probably needs to hear it

+1 (860) 819-9601

13:29:08

Effective next week, I'm going to find away to take him out of the mix. Don't care if it's through blight or another developer...

13:32:02

I would. No money until he puts money in. He just said he had \$50m

13:34:42

We can do others

13:34:52

His money is in first

Mark Trahan (+1 (860) 930-1778)

13:35:05

Understood

+1 (860) 819-9601

13:35:28

I have no issue going to state and requesting specific but has to be the right deal

Mark Trahan (+1 (860) 930-1778)

13:35:44

Agreed

+1 (860) 819-9601

13:43:32

\$1.85m? You smell that? It's called 🍷

Mark Trahan (+1 (860) 930-1778)

13:45:22

Ouch

+1 (860) 819-9601

13:45:44

Peter Gillespie (+1 (860) 918-0994)

13:54:48

Ok we will call you

+1 (860) 819-9601

14:02:30

Hahah

Mark Trahan (+1 (860) 930-1778)

15:04:44

+1 (860) 819-9601

14:57:18

Are either of you getting on this regional thing with me?

14:57:30

Or are you leaving me to my own devices

Peter Gillespie (+1 (860) 918-0994)

15:19:08

I am watching

+1 (860) 819-9601

15:19:47

I'm curious if they'll let us go after money for new projects or if it's just to sustain existing

Mark Trahan (+1 (860) 930-1778)

15:19:50

I am in New York on a business call.

+1 (860) 819-9601

15:20:15

Mark, want us to drop you from this text to avoid distracting you

Sunday, October 4, 2020

+1 (860) 819-9601

21:00:00

I would caution how much we choose to oblige Ms. Jacobs. Happy to discuss.

Mark Trahan (+1 (860) 930-1778)

21:01:49

Agreed... Wanted her to know that we are reaching out to the restaurants which was one of her positions.

+1 (860) 819-9601

21:03:50

And maybe an explanation regarding that the governor executive orders achieves what she wants. We can draft a response - Peter was just saying he was bored and had nothing really going on.

I just snorted out loud in Walmart

Thursday, October 8, 2020

+1 (860) 819-9601

12:04:39

Do we mention a future meeting where we will discuss an ED incentive program? Keep in mind Mayor is online

Mark Trahan (+1 (860) 930-1778)

12:07:03

I would hold off till we talk with mayor and others

+1 (860) 819-9601

12:07:30

Peter can you mute Denise

Mark Trahan (+1 (860) 930-1778)

12:07:33

Thoughts

+1 (860) 819-9601

12:08:23

I think we can talk about meeting with Mike Fremuth from CRDA about leveraging funding to be a catalyst

12:18:43

And that's why this was a rhetorical question

Mark Trahan (+1 (860) 930-1778)

12:23:51

Sure bring it up..

+1 (860) 819-9601

12:27:16

Ah man. Why me...hahah. Ok. As long as you guys give me a dirty look if I go too far

Mark Trahan (+1 (860) 930-1778)

12:27:59

I can bring it up 😊

+1 (860) 819-9601

12:30:33

If you see the opportunity, otherwise I will

Mark Trahan (+1 (860) 930-1778)

12:30:41

I'll call on you...for color commentary

+1 (860) 819-9601

12:59:01

Is the money for this in town budget or paid for through tickets

Mark Trahan (+1 (860) 930-1778)

13:14:46

We have a budget... supported with ticket sales.

Peter Gillespie (+1 (860) 918-0994)

13:15:35

Should be fine without ticket sales

+1 (860) 819-9601

13:44:36

Does that Thursday for our meeting still work?

Mark Trahan (+1 (860) 930-1778)

14:01:26

Is that next Thursday? If so what time.

+1 (860) 819-9601

14:02:53

Yes. I sent 9 but could also do anytime between 12 and 2 or after 3:30

Thursday, November 12, 2020

+1 (860) 819-9601

12:53:38

Why people...why?!?!?!?

12:54:07

Oh here's an idea that we haven't talked about before...

Peter Gillespie (+1 (860) 918-0994)

12:54:46

Public participation is painful

+1 (860) 819-9601

12:54:47

Hah...I can't even manage the day to day stuff people have to do. The difference between a theorist and a practitioner

12:55:01

I blame Mark. Mark, this is your fault

12:57:35

MARK!!!! Grrrrr.....you have now dropped to my 3rd favorite person on this call.

Mark Trahan (+1 (860) 930-1778)

13:03:03

I have a plan....

+1 (860) 819-9601

13:05:20

I'm sure you do.

Mark Trahan (+1 (860) 930-1778)

13:06:12

Gary or Pete do you want to chime in?

+1 (860) 819-9601

13:06:31

Doesn't mean I'm not going to stomp my feet

13:06:36

13:06:47

Lost connection so missed what he said

Mark Trahan (+1 (860) 930-1778)

13:07:10

Shall I call on you

+1 (860) 819-9601

13:07:15

I'm back

13:07:23

Pete you want to chime or me or just let him vent

Peter Gillespie (+1 (860) 918-0994)

13:07:31

Sure

Mark Trahan (+1 (860) 930-1778)

13:09:03

I can broom this if we want to regroup

Thursday, December 10, 2020

+1 (860) 819-9601

13:08:30

Good luck with that...have fun, hahahaha

Mark Trahan (+1 (860) 930-1778)

13:12:52

Your chairing it.

13:13:15

I'm moving to Mexico

+1 (860) 819-9601

13:40:12

She sucks.

13:40:31

Maybe instead of calling all the other towns she should find out what we have here

Peter Gillespie (+1 (860) 918-0994)

13:41:47

No logic

Mark Trahan (+1 (860) 930-1778)

13:49:43

Yeah that's why I'm so happy I'm not chairing this.

13:50:37

Time to order a margarita.

Thursday, January 14, 2021

+1 (860) 819-9601

12:09:08

Having Oickle is going to be really fun!

Mark Trahan (+1 (860) 930-1778)

12:12:34

Comedy relief.

+1 (860) 819-9601

12:35:33

How about we foreclose on 207, sell it for a \$1, give them \$200k with a list of requirements and then let them use the equity and CRDA to develop. I'll also throw them \$100k in CDBG for job creation

12:35:36

Bam!

Mark Trahan (+1 (860) 930-1778)

12:36:17

I vote Yes

+1 (860) 819-9601

12:42:40

Who said priority?

12:43:20

I should have been a professor. I can imagine all of these great things and tell people they are doing it wrong

12:43:32

But then never have to do the work

12:47:30

And also get to buy fun artwork to hang on your wall

13:20:30

We killed him?!

13:28:03

Damn it. Almost got a way with it

13:31:32

She doesn't get to talk during other, she's not a member! Grrrrrr

Monday, January 18, 2021

+1 (860) 819-9601

18:00:32

I dropped the call, I'll log back in shortly

19:01:55

Good phone call. Looking excited to making Peter do all the work. Sorry, Pete...I punted on that question; I just don't believe you have the time to write these grants on a whim. Plan first then funding.

Peter Gillespie (+1 (860) 918-0994)

19:05:19

Matt Forrest will fund me more staff

Mark Trahan (+1 (860) 930-1778)

19:49:06

Okay 🙄. Is Matt Forrest someone to bring in at this point? Candidly I've always had a little trepidation around him.

+1 (860) 819-9601

19:50:20

Yea...that was sarcasm on Pete's part 😊

Peter Gillespie (+1 (860) 918-0994)

19:51:07

*Yes kind of an ongoing joke with gary, however, if we r
going forward with this I will need some help*

Mark Trahan (+1 (860) 930-1778)

19:52:00

*I thought that wasn't hot comment. Texting does not help
divulge sarcasm.*

+1 (860) 819-9601

20:28:06

*When it comes to anything I say with Pete, most of it
is sarcasm. It's how we survive*

20:28:59

*I took the kids skiing at ski sundown tonight, which is
why I couldn't be on video. Sorry, they deserved
some sad time*

Peter Gillespie (+1 (860) 918-0994)

20:59:14

Sad time?

+1 (860) 819-9601

21:03:20

Yes...got to beat them just to keep them in line

21:03:24

Sad time

21:03:26

Sad

21:03:29

Dad

21:03:39

Why is sad the autocorrect

Peter Gillespie (+1 (860) 918-0994)

21:27:25

Take the time while you can it's over quickly!

Mark Trahan (+1 (860) 930-1778)

21:57:23

Amen

+1 (860) 819-9601

22:02:38

Is it bad when they can't remember your name?

Wednesday, February 24, 2021

+1 (860) 819-9601

19:34:57

Peter, remind me to yell at Mark tomorrow about the GIW...hahaha. Mark, all kidding aside nice job putting all this together. I have questions from what is written here. Some seems anecdotal versus factual and not sure we want it out there (ie appraised value of property). I'm also concerned that this suddenly takes on life of itself without the right supports in place. And. We have 2 people who are not really on any official board yet I have people actually sending me resumes to be on EDIC.

19:35:56

Unless it was Peter who put it together.

Peter Gillespie (+1 (860) 918-0994)

19:37:08

Not me

Mark Trahan (+1 (860) 930-1778)

19:40:30

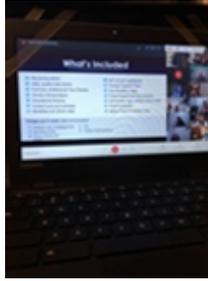

Can I give you a call Mr Evans

+1 (860) 819-9601

19:41:02

Not if you're gonna yell at me

19:41:11

[Peter Gillespie, Mark Trahan/attachment2.jpg](#)

19:41:26

On zoom for sams school

19:41:35

Possible trip to Greece this year.

19:41:44

Assuming I'm not fired by then

19:41:54

I can call you in a little bit

Mark Trahan (+1 (860) 930-1778)

19:43:45

No yelling. Just seeking some counsel.

Peter Gillespie (+1 (860) 918-0994)

20:08:13

Cindy Jacobs spoke with Matt Forrest and ryan biggs about the meeting tomorrow and took it upon herself to invite them both

Mark Trahan (+1 (860) 930-1778)

20:11:01

Growing pains. One of the bullet points in the agenda as you saw was to formalize the group.

Peter Gillespie (+1 (860) 918-0994)

20:12:42

Yes would have been nice if she asked beforehand it's only an hour long meeting and Matt f can easily take up 30 minutes of it

Mark Trahan (+1 (860) 930-1778)

20:26:09

Agreed. I will express ground rules first thing in the

meeting tomorrow.

+1 (860) 819-9601

20:33:56

I'm going to disband the group

Mark Trahan (+1 (860) 930-1778)

21:02:40

Great idea!

Thursday, February 25, 2021

+1 (860) 819-9601

08:33:38

Did you add in my comment that I'm going to back hand Cindy today?

08:56:33

I'm going to snap

08:58:16

Oh thank god he said that!

09:15:59

Love this guy. Give me \$400k in staffing

Peter Gillespie (+1 (860) 918-0994)

Sounds good to me

+1 (860) 819-9601

12:24:40

I was in waiting room for 10 minutes and just trying to get your attention, that's all

Peter Gillespie (+1 (860) 918-0994)

12:25:33

You were not showing up in the waiting room

+1 (860) 819-9601

12:27:48

Peter Gillespie (+1 (860) 918-0994)

12:29:06

+1 (860) 819-9601

12:31:34

Peter Gillespie (+1 (860) 918-0994)

12:32:20

Mark Trahan (+1 (860) 930-1778)

Mark Trahan (+1 (860) 930-1778)

***Hahah....is it bad Incant stop laughing at my email?
I just asked Sgt Gonzalez to swing by Lous. I'll let
you know what happens***

21:26:01

***"You lied to me...". As if we are intentionally trying
to pull a fast one? Not fair to you.***

Peter Gillespie (+1 (860) 918-0994)

21:33:24

O boy! Let me know what he finds.

+1 (860) 819-9601

21:46:30

Assuming you saw her email

Peter Gillespie (+1 (860) 918-0994)

21:46:57

Yes I did

+1 (860) 819-9601

22:03:45

Sgt is out there now. Says he is within range. Regardless of schedule, he's not violating noise ordinance. Then at 10 he just stopped playing

22:04:08

Sgt will talk to Lou and make his presence known.

22:04:49

We'll be out there tomorrow night

22:05:23

I think I responsd to her tomorrow

22:05:40

After his acoustical performance

Peter Gillespie (+1 (860) 918-0994)

22:05:54

Thanks I will deal with Lou on Tuesday about the music schedule that he did not share with me

22:06:45

Another strike against him

Friday, May 31, 2019

+1 (860) 819-9601

20:49:45

Just drove by Lou's. Acoustic and very mellow. Cars parked everywhere should be her only complaint. About 8-10 open spots on the street and Keeney is wide open - maybe 10 spots at most taken.

+1 (860) 819-9601

18:15:10

There's a planning and zoning sign up in front of Vitos and Rite aide Plaza. Is that on the agenda

tonight?

Peter Gillespie (+1 (860) 918-0994)

18:16:00

No next time outdoor seating for Vitos

+1 (860) 819-9601

18:18:38

Oh, I thought maybe there was some good movement on that plaza.

Gary I will be out of the office today Denise will be in for a portion of the day Maria Sipala showed up at pzc last night will fill you in tomorrow

+1 (860) 819-9601

09:45:06

It's mean to drop a bomb like that and not explain, ha

Peter Gillespie (+1 (860) 918-0994)

09:47:47

She tried to misrepresent how we have been handling the issue so I had to argue with her

09:50:40

I told the pzc that we will be meeting with Lou and his attorney and we will be putting him on notice that a further violation of the noise ordinance will result in a pzc hearing to possibly revoke his permit

Peter Gillespie (+1 (860) 918-0994)

15:52:03

She might show up to protest

+1 (860) 819-9601

15:52:27

I know...would be funny

Peter Gillespie (+1 (860) 918-0994)

21:25:55

left a phone message for you at the end of the day got a call from the owners of dog day care someone stopped in and threatened staff about dogs barking and they r very concerned for staff

+1 (860) 819-9601

21:27:37

What?!? I spoke with a nice calm gentleman for about 20 min around 6...hmmmm....wonder who it was? I hope they identify him as the guy from 143 Garden

Peter Gillespie (+1 (860) 918-0994)

21:29:47

I suggested they call pd to try and l'd the guy, this was in the mid afternoon

+1 (860) 819-9601

21:37:30

They absolutely should report it. This is insane.

+1 (860) 819-9601

19:10:26

She has a non-angry face?

20:02:06

How's it going, ha?

Peter Gillespie (+1 (860) 918-0994)

20:23:23

We got into it a little. Pzc deferred to the town attorneys opinion and follow up to her email today.

+1 (860) 819-9601

20:24:10

Which town attorney opinion, that we don't have to enforce every complaint and violation?

Peter Gillespie (+1 (860) 918-0994)

21:05:25

No, how to interpret the noise ordinance

+1 (860) 819-9601

21:06:10

So the extra 5 bump? I assume not my liberal interpretation - baseline/ambient plus 5

Peter Gillespie (+1 (860) 918-0994)

21:07:39

Yes and how the town attorney advises it to be applied

Yes

+1 (860) 819-9601

10:05:43

Did we ever decide if 824 is appropriate for DOT work on 3/Spring? Gonna go to Council on 3rd

11:13:34

Forwarded from Judy. I laughed a little. It's not like the town didn't know they were doing the work, the point is we didn't have a PZC process to approve trees/shrubs etc...

Good idea - do we now wait until holiday party next year or do I find a way to do it July?

08:34:20

Do you think we should ask Jenna to stop all communication via email with us? May look bad if we get FOI'd? Or does it not matter ultimately since we are RFPing anyway

Peter Gillespie (+1 (860) 918-0994)

08:45:20

July is probably better

08:47:48

I think that we should make everyone aware that she approached us with this idea and here we are moving it forward. During the rap process we need to be very strict about communications with her and anyone else

+1 (860) 819-9601

08:48:51

I plan on letting them know a restaurant but not sure if I want to say her in particular...we can chat I'm on the pro and con if that

+1 (860) 819-9601

for about 10 minutes**

to shut them down. He sees both sides but may be
a violation of nuisance. He said using that statute
is very difficult for state but can be done**

17:31:50

Yes meaning I should let them know?

Peter Gillespie (+1 (860) 918-0994)

17:35:10

No, meaning I understand your position. I would assume that anyone who would consider using either space would first take a visit to the sites and would have other readily usable sites/spaces that would be preferred such as hotels, dorms etc...

17:52:25

Any guidance from CCM about what to do about staffing during COVID?

+1 (860) 819-9601

On a zoom call with Charles Morrison

+1 (860) 819-9601

09:42:28

Funny, I wanted to talk to you about a charles issue

09:43:06

His inefficiency has actually created an opportunity for us ha

Peter Gillespie (+1 (860) 918-0994)

09:50:22

Peter Gillespie (+1 (860) 918-0994)

12:20:23

Do you have a few minutes to discuss tomorrow's webinar?

+1 (860) 819-9601

12:20:46

Not before 1:30....trying to save jobs.

12:20:49

Seriously

Peter Gillespie (+1 (860) 918-0994)

14:26:17

He's all yours

+1 (860) 819-9601

14:26:45

Peter Gillespie (+1 (860) 918-0994)

15:03:41

I saw that

+1 (860) 819-9601

15:07:14

Call you when off phone

17:18:46

Sorry

17:18:51

Got stuck on phone

17:19:13

Tom Pentelow wants your direct extension for work

17:19:18

Is that ok?

Peter Gillespie (+1 (860) 918-0994)

17:19:46

Cell?

+1 (860) 819-9601

17:20:07

He said "extension"

Peter Gillespie (+1 (860) 918-0994)

17:20:24

Don't have one

+1 (860) 819-9601

17:20:46

2838

Peter Gillespie (+1 (860) 918-0994)

17:21:07

He must already have that

17:30:32

Did you still need to talk?

Tuesday, June 2, 2020

Peter Gillespie (+1 (860) 918-0994)

11:40:41

Are we supposed to be on a call?

Thursday, June 4, 2020

+1 (860) 819-9601

08:59:18

I'm on another call but will probably jump in to EDIC

08:59:21

At some point

Peter Gillespie (+1 (860) 918-0994)

09:01:43

Ok

Monday, June 8, 2020

Peter Gillespie (+1 (860) 918-0994)

10:06:10

R u joining our call?

+1 (860) 819-9601

10:06:20

Yes

10:06:22

Sorry

Peter Gillespie (+1 (860) 918-0994)

12:07:23

Have you spoken with Amy about reopening the Keeney?

+1 (860) 819-9601

22:08:58

Not yet. She cranky?

Peter Gillespie (+1 (860) 918-0994)

22:09:32

Did she call you?

22:10:49

She called me today did not get back to her yet. I assume that she could open if compliant with phasing rules?

+1 (860) 819-9601

22:13:11

Sorry, didn't meant to text you and get you going - don't know what I was thinking. I reached out to her last week and said I would get in touch with her and then protests started. Lost track of rules. Are we up to 10 people inside or 25?

Peter Gillespie (+1 (860) 918-0994)

22:14:07

Not sure will have to check

Tuesday, June 9, 2020

Peter Gillespie (+1 (860) 918-0994)

15:01:40

Amy is awaiting your reopening orders and wants to know if she can have the Keeney cooler concerts in person or virtually on local cable tv

+1 (860) 819-9601

15:02:47

I'll send her an email. Thanks

Peter Gillespie (+1 (860) 918-0994)

16:33:09

I assume you approved yoga on the green tonight?

+1 (860) 819-9601

16:35:37

Who is doing it? Anything worth seeing?

16:35:49

But all kidding aside, is it Keri A?

Peter Gillespie (+1 (860) 918-0994)

16:36:50

Yes, Instagram post I assume for tonight

16:37:47

Maybe was last night

+1 (860) 819-9601

16:43:27

Ah crap

16:43:46

She was supposed to reach out to Kathy first

Peter Gillespie (+1 (860) 918-0994)

16:44:14

Maybe she did

22:21:25

Are we opening to public next week?

+1 (860) 819-9601

22:24:14

Appointment only. We discussed in your office last week. Basement and 2nd floor bathrooms will be locked. People will more than likely be directed into council chambers to wait for staff to escort them. That detail is being worked out now.

Peter Gillespie (+1 (860) 918-0994)

22:26:49

Yes wondering if final official decision made.

+1 (860) 819-9601

22:28:00

Official soft opening by appointment only and I'm still encouraging (and will support you) for over phone/email versus in person for. Or

22:28:02

Now

22:28:20

We are going to try this out and evaluate

22:28:33

No commission meetings for time being however

22:29:06

Especially HDC because I don't like them

22:29:08

Peter Gillespie (+1 (860) 918-0994)

22:30:18

Yes, should I share this or will you be sending out a directive to everyone?

+1 (860) 819-9601

22:31:32

I had asked department heads to speak with staff directly. But, I can send something. I am meeting with your girl Sally tomorrow to work out details of re-using council chambers as a staging area. Then I'll circle back to dept heads and then make the announcement

Peter Gillespie (+1 (860) 918-0994)

22:32:02

Ok

Wednesday, June 10, 2020

Peter Gillespie (+1 (860) 918-0994)

11:20:55

Just got off phone call with Lucas and his attorney about the patio

+1 (860) 819-9601

11:27:27

13:14:00

Peter Gillespie/attachment30.jpg

13:14:00

Ummmm....is this allowed hahaha

Peter Gillespie (+1 (860) 918-0994)

13:57:27

Not that I am aware

+1 (860) 819-9601

13:58:24

So...is this a zoning issue then?

Peter Gillespie (+1 (860) 918-0994)

13:59:19

Yes I just texted Denise to make sure no one approved it already

+1 (860) 819-9601

13:59:36

I'm gonna send to group just to make sure

Peter Gillespie (+1 (860) 918-0994)

18:24:30

The Council is supposed to be our sustainable ct committee should we add to Monday's agenda and I can give them an update status report?

+1 (860) 819-9601

18:32:10

Sure

18:32:55

I can do it either under discussion or my report

18:33:08

Will you be able to talk about complete steers too

18:33:11

Street

18:33:24

Mayor may want to beat it up first....

Peter Gillespie (+1 (860) 918-0994)

18:33:56

Yes

+1 (860) 819-9601

18:33:58

I may have it under discussion with a motion to move it to a vote under new business. My concern is these chumps will table it rather than approve it

Peter Gillespie (+1 (860) 918-0994)

18:34:43

As long as it's approved before aug 25 ok with me

+1 (860) 819-9601

18:49:31

Let's try to make it happen at this next meeting

18:49:53

Are you doing up an agenda form?

Peter Gillespie (+1 (860) 918-0994)

Did you see the Instagram posts about the historical society blm banner?

+1 (860) 819-9601

20:03:19

It may partially be my fault

20:03:55

I had Rich take it down and drafted a letter. Amy also drafted a letter (the one used) and now she's getting crucified for it

Peter Gillespie (+1 (860) 918-0994)

20:04:15

Yes

+1 (860) 819-9601

This town sucks

20:47:10

While Amy's shouldn't have called it political this is out of hand. It's a town building. You can't just hang a sign on it without permission

Peter Gillespie (+1 (860) 918-0994)

20:47:29

Yes

+1 (860) 819-9601

Peter Gillespie (+1 (860) 918-0994)

15:04:47

Takeout signs for food? They are not open yet, we do have regulations for that.

+1 (860) 819-9601

17:00:52

Don't hate me this time...earlier today I said I wanted a meeting with you and Derrick, we joked about not inviting Sally...what the hell was that for?! Was that parking specific to Lenocis or something else?

The video is not for everyone

12:04:36

We need to fix that for next time. Only members should be visible, callers should not

12:29:21

So everyone gets food and sits in their car for 2 hours without getting out?

12:45:11

additional trash receptacles this coming weekend to keep up with huge # of visitors, port a potty for visitors since Keeney is closed, police presence during day to slow down traffic and enforce no mask wearing

+1 (860) 819-9601

20:39:26

First seems ok. Second seems probably doable. Third not going to happen for mask enforcement

More for speeding and traffic than masks

+1 (860) 819-9601

20:43:50

Do any physical service staff work on weekends?

+1 (860) 819-9601

20:44:23

That's why we are more than likely going to arbitration over

20:45:04

Is there an actual event this weekend? Do we or businesses have money normally set aside for holidays on main

Peter Gillespie (+1 (860) 918-0994)

20:47:11

Scarecrows along main continues this weekend no money set aside for this. Chamber runs holidays on main

+1 (860) 819-9601

20:49:01

Wrong to have Deb pay 1/3, businesses a 1/3 and town 1/3. Or, even town and Chamber split.

Peter Gillespie (+1 (860) 918-0994)

20:50:38

Pay for what?

+1 (860) 819-9601

20:51:47

Increased trash pickup, port o potty and police OT

Peter Gillespie (+1 (860) 918-0994)

20:54:32

Drop off extra trash containers Friday, pick up Monday no extra costs have cops hang out a little on sat and sun during normal shifts no extra costs. Port a potty may cost something.

+1 (860) 819-9601

20:57:42

Oh, I thought you wanted us to actually empty stuff so it didn't look bad

20:58:03

Cops won't be visible unless we pay - a bunch of babies.

Peter Gillespie (+1 (860) 918-0994)

20:58:44

Since they have no money let's go on the cheap

21:00:08

Cops could park on main in a visible location for short periods of time - writing reports or eating donuts

21:02:49

FYI - cones still in fire hq parking lot, must be glued in

place?

+1 (860) 819-9601

Monday, February 22, 2021

Peter Gillespie (+1 (860) 918-0994)

11:43:51

275 ridge?

+1 (860) 819-9601

12:28:23

Yes. I spoke with him last week. He's an ass

12:28:28

Call you in a bit

Peter Gillespie (+1 (860) 918-0994)

12:28:45

Yes he is

+1 (860) 819-9601

12:29:42

Long story short we are wrong he is right he is applying for appeal but if we want to save lots of legal fees we'll work o it a deal

Peter Gillespie (+1 (860) 918-0994)

12:36:30

Did he read contract?

+1 (860) 819-9601

12:37:04

His attorney told him so

Peter Gillespie (+1 (860) 918-0994)

12:48:47

What did you say?

Tuesday, February 23, 2021

Peter Gillespie (+1 (860) 918-0994)

08:54:55

We're you looking for me late yesterday?

+1 (860) 819-9601

08:55:22

Yes circling back on 275

Peter Gillespie (+1 (860) 918-0994)

08:55:42

+1 (860) 819-9601

09:24:14

What the fuck are we talking about?

Peter Gillespie (+1 (860) 918-0994)

09:24:55

Creating a committee and community engagement

+1 (860) 819-9601

09:28:20

09:59:23

According to CHFA we have a ton of loans in mostly OW and then the Hartford border. Those should arguably count for our AH as those have deed restrictions to remain LMI. I'm hoping that is the case

Peter Gillespie (+1 (860) 918-0994)

10:02:30

We need to see if we can get the detailed list of our AH units

+1 (860) 819-9601

10:24:58

This is bronan's stupidity right?

10:28:11

Call bullshit on that graph

Peter Gillespie (+1 (860) 918-0994)

10:28:44

Yes

+1 (860) 819-9601

10:29:29

Major municipal areas that were once home to manufacturing giants and were tied to a post industrial revolution age had built in multi family housing that predated zoning.

10:29:45

We controlled health and safety through zoning

10:30:18

You needed housing for the workforce

10:39:43

She used to be at CHFA

+1 (860) 819-9601

15:06:47

Just seeing this. I wasn't planning on it. Would it be appropriate for me to do so or better for me not to be there

Peter Gillespie (+1 (860) 918-0994)

15:09:06

Not sure if it makes a difference. You have more of the details if there are any questions

+1 (860) 819-9601

+1 (860) 819-9601

10:21:35

At council meeting they may just ask where the money is coming from out part. I'll try not to be sarcastic when I say the budget....

Peter Gillespie (+1 (860) 918-0994)

10:28:08

We modified our normal print marketing budget due to COVID so we had a little bit of cash to contribute to this as well as in kind services

+1 (860) 819-9601

10:28:37

I think you'll be fines. Just want you/me to be prepared

Peter Gillespie (+1 (860) 918-0994)

This is just to be included as a nomination correct? It's enough to say it makes us eligible for for the grants and recognition?

Peter Gillespie (+1 (860) 918-0994)

14:40:54

Yes just to nominate us if we get selected it opens up some funding options. The Heritage way needs some work

09:22:46

Any progress with Sally about trash cans? I have the Main Street property owners following up with me

+1 (860) 819-9601

09:24:09

I believe she had a convo this week with Linda Pinn. At this time sadly those are the best cans located there

09:24:30

I'm not sure if she and Linda came to an agreement.

09:25:44

Tell them we are still working on it but due to COVID last year the budget was squeezed tighter than normal. So ever expense is being scrutinized to make sure we have enough to make end of year. We'll evaluate it as we get closer to June.

09:26:08

These cans cost about \$750 a piece.

Peter Gillespie (+1 (860) 918-0994)

09:27:05

Ok I will call her back and keep you posted, disappointing!

+1 (860) 819-9601

09:28:25

I'm used to disappointing people lately. Sort of my calling card. I actually took last weekend to walk around the parks and compare vans.

09:28:27

Cans

09:28:53

Like Insaid. As we get closer to year end we'll evaluate

Peter Gillespie (+1 (860) 918-0994)

09:29:34

The ow master plan recommends we make all the cans consistent in style

+1 (860) 819-9601

09:31:17

I'm trying to add a parking lot, we are short about \$40k to re-open pools, we eliminated shit like spraying for mosquitoes which we will inevitably die, there's just a whole list of shit Council cut last year to reduce taxes. So...even 2 cans creates a problem. Just tell them you'll continue to hound me on it and I will continue to look for funds

09:55:45

Also I have a meeting for Wednesday with first church if you're able....9:30? Zoom is fine if you're still away

Peter Gillespie (+1 (860) 918-0994)

11:03:00

I am back in the office where is the meeting?

+1 (860) 819-9601

Peter Gillespie (+1 (860) 918-0994)

14:04:08

Peter Gillespie (+1 (860) 918-0994)

12:14:57

+1 (860) 819-9601

12:36:36

Thank ya

12:37:41

I always like how Mike really has nothing to report but makes it seem like I took what he was going to talk about

Peter Gillespie (+1 (860) 918-0994)

12:38:30

Need to coordinate messaging

+1 (860) 819-9601

12:42:53

Fuck him.

Peter Gillespie (+1 (860) 918-0994)

12:43:20

Wow can't we get along?

+1 (860) 819-9601

12:45:38

Nope

12:45:43

He's a terrible person.

12:45:52

Not really, but he's clueless

12:45:56

Needs a set

Peter Gillespie (+1 (860) 918-0994)

12:46:36

You guys need to go to counseling

+1 (860) 819-9601

12:46:54

And as a side note, I had to smack him down on his issues with economic development

Peter Gillespie (+1 (860) 918-0994)

12:47:19

What issues?

12:47:55

Mark is about to ask him about the part time Ed person

+1 (860) 819-9601

12:48:03

It's fine

12:48:12

He supports a part time but not a full time

12:48:45

Peter Gillespie (+1 (860) 918-0994)

12:48:49

It's a start

+1 (860) 819-9601

12:51:18

And what a fucking liar

12:51:49

He literally just took my concept that he was AGAINST and is now agreeing to do it

Peter Gillespie (+1 (860) 918-0994)

12:52:19

Maybe you convinced him

+1 (860) 819-9601

12:55:46

Perhaps

Peter Gillespie (+1 (860) 918-0994)

12:56:15

Progress

13:09:19

We need to clean up our steep grants or no more funding

13:51:50

If you think he would agree to a full time position go for it!

16:18:50

I'm realizing now that you RSVPed for tomorrow's meeting. I had you on the automated department head list because you are the fire chief, but this meeting actually won't apply to fire operations. To be respectful to Sally, would you mind taking a pass on this one so I don't have you both in the room battling with each other, ha ha Ha.

Rich Bailey (+1 (860) 461-5418)

16:20:15

As long as she does the right things, so it's dept heads not EOC

12:15:37

Ok, I'm around tomorrow as well

+1 (860) 819-9601

12:18:48

Well....any chance a few of your guys would volunteer...you think we'll get a grievance hahaha. May prove to the mayor and the Rs that despite them thinking some of you are sitting at home getting paid, you're here to make a difference.

12:19:19

Don't burn any chips or anything with the cruise. I'm just thinking it might go over well. I know Tom Mazzarella and Mary both said that they would be there to volunteer.

12:30:38

Idk, but I'll come down, what time and where

+1 (860) 819-9601

15:42:00

8 am on green.

15:42:35

Up to you. No harm if you don't. I just know Tom M definitely does not like the rotational schedule and I'm betting Mary doesn't either. Their fascist

I don't know her

+1 (860) 819-9601

+1 (860) 819-9601

10:42:17

The hypocrisy that will happen is the mayor called me last night because someone he knows once a parade... Let's see how that conversation goes in about 20 minutes.

10:43:21

Wants

Rich Bailey (+1 (860) 461-5418)

10:45:09

If he wants a parade we'll do it, it still amazes me where the world is right now that people bitch about this, our First Responders trying to build Moral... very sad state of affairs

So the guy three houses up had the same issue and we made him pay 3K to remove his peers back

Don't sweat it for now, we'll chat tomorrow

Rich Bailey (+1 (860) 461-5418)

No idea, just jealousy issue, we are out making everything safe, I hope everyone was safe during storm and after, why we were out in it before, during and after, they should go back to their office and simply say thank you

15:32:48

Have yet to catch up with Anthony

Saturday, August 29, 2020

Rich Bailey (+1 (860) 461-5418)

16:55:08

Still no??

+1 (860) 819-9601

16:59:20

Nope. Tried on Thursday and we missed each other twice. He was off Friday and I wasn't sure if he was off off or what so didn't want to rain on his parade

for the weekend. I think he's in Monday and I'll catch him. Blame the manager for sucking

Rich Bailey (+1 (860) 461-5418)

17:00:00

I need this position, can I count on Monday

Tuesday, September 1, 2020

Rich Bailey (+1 (860) 461-5418)

15:24:26

Can I at least have Mark start doing things??

+1 (860) 819-9601

15:28:05

No, but I'm actually in negotiations with him today. Assuming we aren't screaming at each other, then I'll hit him with it. Otherwise I'll need a day for him to cool.

Friday, September 4, 2020

+1 (860) 819-9601

09:23:13

We should grab a drink. Anthony has some shit going on that I want to talk about so we can move forward; I don't want to kick him while he's down but I'm also sympathetic to you needing to move forward

Rich Bailey (+1 (860) 461-5418)

09:24:12

Later today or tomorrow works

Saturday, September 12, 2020

+1 (860) 819-9601

13:40:22

His wife is a smoke show

Tuesday, September 15, 2020

+1 (860) 819-9601

08:27:04

Can you swing by this am for about 10 min?

Sunday, September 20, 2020

Rich Bailey (+1 (860) 461-5418)

08:04:25

Left you an email on Lavery ride

+1 (860) 819-9601

09:10:29

***Sorry, didn't have my phone on me at the time.
Trying to fix a toilet. Don't ask***

Rich Bailey (+1 (860) 461-5418)

09:11:33

Email was at like 6am,

+1 (860) 819-9601

09:45:43

***I think I responded at about 820. I had already had
the toilet off the stack***

Rich Bailey (+1 (860) 461-5418)

09:46:29

***No prob, was kind of no brainer, just makin sure you
heard it from me***

Tuesday, September 29, 2020

+1 (860) 819-9601

18:30:48

***So...I'm not pointing fingers...but...did we do a
parade earlier today?***

Rich Bailey (+1 (860) 461-5418)

18:31:42

Nope

+1 (860) 819-9601

18:32:04

So it seems the police are doing parades now too?

Rich Bailey (+1 (860) 461-5418)

18:33:20

That's not up to me

+1 (860) 819-9601

18:33:39

Just a comment, realizing you also don't run the police

18:38:22

Possibly for former police chief Richard Klett. He was given days to live. Cancer

Rich Bailey (+1 (860) 461-5418)

18:39:58

I did hear he is in a bad place,

18:40:19

Cancer

+1 (860) 819-9601

18:41:31

I just told the person complaining to suck it for being annoyed at honoring someone who put their life on the line for a career. That should shut them up for a bit

Rich Bailey (+1 (860) 461-5418)

18:43:28

When these people (and I don't care who they are) stand where we stand, I'll listen to them, not until then.

Friday, October 9, 2020

+1 (860) 819-9601

17:27:36

You around to pour me a vodka or do you have company?

Rich Bailey (+1 (860) 461-5418)

17:27:59

Going out with my daughter

+1 (860) 819-9601

17:45:51

Ok. Then can you please tell people to stop asking Council members to call me on this, it's not helping Mark's case

Sunday, October 11, 2020

+1 (860) 819-9601

12:34:24

Karen T is going to send you an email related to flu shots for the volunteers. In case you weren't on the a few weeks back, health district is providing shots in advance to emergency responders

Rich Bailey (+1 (860) 461-5418)

12:35:20

Yes we have that, I sent the fire companies the sheets last week

Tuesday, October 13, 2020

+1 (860) 819-9601

09:49:55

When your done with cleanup, can you swing by

Rich Bailey (+1 (860) 461-5418)

09:50:28

Sure, cleanup?

+1 (860) 819-9601

09:54:30

Thought there were issues this am

09:54:38

Mini storm

Rich Bailey (+1 (860) 461-5418)

09:55:02

Some power issues I'll be up in two minutes

Sunday, October 25, 2020

+1 (860) 819-9601

10:32:40

Happy birthday. Now, control your boy. I really

don't care if he comes to me with this issue, but cc'ing the entire town employees list is inappropriate and warrants discipline. At minimum today I want an email to your group about emailing something like that to the entire mailing list with clearing it through you. Something like this will never make me move faster and it's not something that embarrasses me. It's a bully tactic at best. While I respect his frustration, this is above his pay grade. That being said, I want to meet with you and Anthony tomorrow. No need to throw down. Clearing the air and moving forward. He's still not speaking with me either, and so it needs to be talked through by 3 of us. I want to meet at least 30 min before we all meet to get your head in the right place.

10:33:04

Without clearing it with you

10:33:54

God man, your volunteers are worse than paid employees

10:36:31

In case you didn't see the email, it came from Lt Lecrenier

10:38:27

What time works better for you? 8:30 or 9?

Rich Bailey (+1 (860) 461-5418)

11:46:50

I'm in for 6, anytime works

+1 (860) 819-9601

12:02:08

We having fun yet?

Monday, October 26, 2020

+1 (860) 819-9601

07:48:39

Haven't heard from Anthony yet but shoot for 8:30

Rich Bailey (+1 (860) 461-5418)

07:49:00

K

+1 (860) 819-9601

10:47:43

Thank you for biting your tongue. He needed to be heard, right or wrong

10:48:21

I don't think you have a problem with Bob K though. I don't think he's as terrible as Anthony thinks, but you're gonna want to nip his attitude in the bud sooner than later

Rich Bailey (+1 (860) 461-5418)

10:58:25

Yes I agree, the whole "I will get him" is wrong, I don't let Bob or Joe talk like that, but he was venting

+1 (860) 819-9601

11:18:49

Exactly

11:19:05

I'll have another convo with him at some point about that comment

Rich Bailey (+1 (860) 461-5418)

13:09:06

People vent, trust me I get it, it won't leave that room with me

Saturday, October 31, 2020

Rich Bailey (+1 (860) 461-5418)

It's so funny you should send me this. Eric and I had a meeting with Jordan Griffin in the board of Ed came up a number of times. Obviously we said we would have to touch base with you. Erica and I were talking about bringing a consultant on to work across multiple spectrums.

+1 (860) 819-9601

23:20:02

Hate to be a pain on this one. Do we want to get an additional per diem in case we want to engage her in additional analysis. Or, do we just play it by ear and push when we need to and ask for a price. Thoughts?

Friday, July 17, 2020

Sally Distolli (+1 (860) 982-8194)

04:58:11

I have that verbal. They have standard rates so I'm confident they won't change ...as SERC is a well known agency for training. I strategically asked for just 4 steering meetings and one SJC meeting so that it was a small number to start. I didn't want a large \$\$ out incase someone asked.

04:59:27

I figure that we can then get a quote for the remainder of the yearafter we get going.

13:47:12

I am not going to be reachable via cell from 2-5 pm today. Unfortunately smoke signals will not work either

16:39:18

I'm back! Listening to the presidents update

Sally Katz (+1 (203) 430-0400)

16:41:44

17:22:48

Hahaha

17:23:18

Too bad we don't have a test for stupid

+1 (860) 819-9601

17:25:47

We do. It's an election. I told the majority of Americans that the electoral college is stupid and now we have this moron

17:25:52

It told

Sally Katz (+1 (203) 430-0400)

17:29:34

Did you hear him talk about America's energy independence and then how we bought enough crude oil on the market to fill reserves? If you have to buy your oil from OPEC you're not independent

Stephanie Askelund (+1 (860) 759-0326)

17:33:33

I have a thought I want to share with you: schools are closed. Rather than have custodians clean the schools , what if we allow No entrance into the buildings for a set number of days and let the germs die?

17:35:18

Theoretically we could have a custodian working and cleaning who may be carrying the virus. In that case we haven't eliminated the virus. We've just cleaned and reinfected

Sally Katz (+1 (203) 430-0400)

17:39:14

We can give them masks. They're already using gloves. When they spray on surfaces and let it swell germs are killed

17:39:33

5 min after school reopens the germ factory will be back in session

17:39:54

That's let it dwell not swell

17:40:38

Unless every single person in the US is tested we won't know who has it. The test also can't predict who's going to get it

17:41:00

We can clean and then personal responsibility kicks in

Stephanie Askelund (+1 (860) 759-0326)

17:42:38

Unfortunately Personal responsibility seems to be lost

20:09:59

Wonder if this is all accurate?

From member of the Stanford hospital board.

The Coronavirus may not show sign of infection for many days. How can one know if he/she is infected? By the time they have fever and/or cough and go to the hospital, the lung is usually 50% Fibrosis and it's too late. Experts provide a simple self-check that we can do every morning. Take a deep breath and hold your breath for more than 10 seconds. If you complete it successfully without coughing, without discomfort, stiffness or tightness, etc., it proves there is no Fibrosis in the lungs, basically indicates no infection. In critical time, please self-check every morning in an environment with clean air.

Everyone should ensure your mouth & throat are moist, never dry. Take a few sips of water every 15 minutes at least. Why? Even if the virus gets into your mouth, drinking water or other liquids will wash them down through your throat and into the stomach. Once they're in your stomach acid will kill all the virus. If you don't drink enough water more regularly, the virus can enter

your windpipe and into the lungs. That's very dangerous.

1. If you have a runny nose and sputum, you most likely have a common cold

2. Coronavirus pneumonia is a dry cough with no runny nose.

3. This new virus is not heat-resistant and will be killed by a temperature of just 26/27 degrees celcius/ high 70's Fahrenheit. It hates the Sun.(Insert mom humor here: Hawaii sounds like the perfect place to self Quarantine)

4. If someone sneezes with it, it takes about 10 feet before it drops to the ground and is no longer airborne.

5. If it drops on a metal surface it will live for at least 12 hours - so if you come into contact with any metal surface - wash your hands as soon as you can with a bacterial soap.

6. On fabric it can survive for 6-12 hours. normal laundry detergent will kill it.

7. Drinking warm water is effective for all viruses. Try not to drink liquids with ice.

8. Wash your hands frequently as the virus can only live on your hands for 5-10 minutes, but - a lot can happen during that time - you can rub your eyes, pick at your nose unwittingly and so on.

9. You should also gargle as a prevention. A simple solution of salt in warm water will suffice Betadine throat spray is better.

10. Can't emphasis enough - drink plenty of water!

THE SYMPTOMS

1. It will first infect the throat, so you'll have a sore throat lasting 3/4 days

2. The virus then blends into a nasal fluid that enters the trachea and then the lungs, causing pneumonia. This takes about 5/6 days further.

3. With the pneumonia comes high fever and difficulty in breathing.

4. The nasal congestion is not like the normal kind. You feel like you're drowning. It's imperative you then seek immediate attention.

I'm at my sister's in Hamden. Walmart has product but people were limited to one cleaning product and 1 TP package. Traffic was very light everywhere today. People are just staying home. Not a bad thing. Hamden closed their Town Hall. All services are online. On Fri when they announced they told people they had 4 hours to go to TH for in person services otherwise until further

notice it's using online or it's just not happening. No confirmed cases in town.

You don't want to participate as a team. You get nothing. You'll get no overtime. Nothing. I will give all the work to someone else and you can grieve me. Good luck winning that grievance.

You guys are the best but I'm signing off. Cheryl glad you are feeling better. Sally that is true but keep in mind four unions were in this meeting. It was an example. I'm going to have a cup of tea and go back to bed

What if you said to Emmett:

1. If Trent doesn't back off I will demand from Council that your budget is reduced by \$10,000 in order for my group to cover these expenses and my staffs' time dealing with his blockades condescension.

Cheryl Pearce (+1 (860) 948-8151)

18:22:08

In addition, didn't the Council vote for the Town taking over the custodians and school facilities as a cost saving initiative? Is paying extra fees to the BOE doesn't really meet that idea

It was Brief. I wonder how long he was in Town Hall? I would have to check to see what day also.

Sally Katz (+1 (203) 430-0400)

18:57:16

***In every job I have ever had I have reviewed applications
before I interviewed people***

18:57:36

It's the norm. Our crazy system only came into being when Steph joined the town

18:58:24

Never agreed with it and never will. It's ridiculous that as professionals we don't go into an interview prepared. It's dumb - and I used to tell her that

+1 (860) 819-9601

19:00:56

The idea with the panel is you make no inference of the candidate as they try to answer. You don't grade them on what they might know, you're grading them on their response showing they have experience. Take Mark as an example. On paper he is better than all of these candidates. If he wasn't a consultant and we weren't swamped, his ass would have been fired.

19:01:29

If I asked him any of those questions, he would have crapped himself

Sally Katz (+1 (203) 430-0400)

19:06:07

That's your answer right there. He should have been asked and maybe we all wouldn't have wanted to strangle him in a daily basis and we would have gotten a better work product. Those are all general questions that any HR person should be able to answer. I totally disagree but it's your call. This is a panel interview for a senior position if the people interviewing can't figure out the difference between someone's experiences and the way we do things they shouldn't be senior administration. The whole point is to bring someone in with different experiences and who can navigate the questions to marry what they have done and what they want to do.

19:12:55

Don't worry I've been told I often scare people. This place isn't for lightweights. You have to be able to punch above your class to survive.

The boiler are down at Stillman. We brought in Air Temp and they can't fix it until the supply houses open on Mon. We've put space heaters in the building to avoid freezing the pipes but they aren't enough to heat the whole building. For the people coming to work on Mon it's going to be cold in the Bldg and will be that way until we can get it fixed. The Fire Marshal is aware of the probs.

40% of the East Hartford Public Works crew called out sick today. That sucks. One thing I can say about our crews we are always there to do our job !!

Rich Bailey (+1 (860) 461-5418)

13:16:31

Covid?

Sally Katz (+1 (203) 430-0400)

Sally Katz (+1 (203) 430-0400)

13:17:50

I just talked to channel 3 about the professionalism of our crew

13:18:20

How they know how to deal with snow, hurricanes etc and always step up. That's when she told me about East Hartford

13:20:19

I also know although I didn't say it is that our crews are too afraid of you to pull that crap.

Rich Bailey (+1 (860) 461-5418)

13:22:28

They respect public safety

Sally Katz (+1 (203) 430-0400)

13:24:53

Yes they do. Seriously we have a really good staff

Sally Katz (+1 (203) 430-0400)

As I knew she would Diana Colcord from Downes called me today. Wanted to know if there was anything they could do to "help" with the schools . I graciously said no and to back off when she suggested that one of the owners of Downes knows someone on the BOE. I told her the brakes were on and that they would know something when the BOE is ready to move forward.

+1 (860) 819-9601

19:26:14

Ok. I'm ok with using them to push back on the BOE. At some point this isn't their projects, it's ours and Downes does good work comparably

Sally Katz (+1 (203) 430-0400)

20:02:46

Yes they do. Diana just can be pushy like many Business Development people in construction

17:01:16

I have another mtg tonight but I can be reached by phone. I can live with the cuts as listed. Mike said GPS is at my discretion if we can find monies elsewhere which I will work with him on doing. They are making a huge mistake not funding CNEF but any defense I give will fall on deaf ears so why bother

18:45:43

17:18:56

Ideally from her the engineer

Sally Katz (+1 (203) 430-0400)

Sally Katz (+1 (203) 430-0400)

08:42:13

There is fighting between Rich & Anthony. Rich thought that when they took the ceiling down that our plumbers could do the work f taking down the collars

08:42:29

Come to find out our staff isn't licensed to do that work

08:42:50

So we are calling for pricing and Anthony keeps with his snide comments

+1 (860) 819-9601

08:43:08

Ok. Just follow what Anthony wants. This is one not worth a fight as he is the FM

08:43:12

He calls the ball

Sally Katz (+1 (203) 430-0400)

08:43:26

I know which is why I'm ignoring the comments

Sally Katz (+1 (203) 430-0400)

14:46:56

A couple of other people called about the tree. Corey was out and needless to say Fred called out. Whatever.

14:48:37

Just wondering when we are going to have to start meeting with Charles Brown again. I want to slap the unvaccinated people screwing it up for the rest of us

14:48:45

Try to have a good weekend

+1 (860) 819-9601

14:49:49

I think next week

14:49:53

Numbers are creeping

14:49:57

Not a chance

14:50:01

For a good weekend

Sally Katz (+1 (203) 430-0400)

14:50:21

Sucks but I'm here if needed.

Saturday, July 31, 2021

Sally Katz (+1 (203) 430-0400)

08:52:06

Is the Phys Serv pickup on the agenda for Mon? No agenda is posted yet on the website.

+1 (860) 819-9601

11:43:48

Yes

11:43:50

Posted now

Sally Katz (+1 (203) 430-0400)

11:44:16

Thx can't wait for the beating to begin

+1 (860) 819-9601

11:45:09

Well Tom actually supports this one

11:45:16

And was happy with the price

Sally Katz (+1 (203) 430-0400)

11:45:24

Good

+1 (860) 819-9601

11:45:32

Doesn't mean he won't find something to pick on

Sally Katz (+1 (203) 430-0400)

11:45:53

I'm betting on FH 1

+1 (860) 819-9601

11:47:27

Yup

11:47:41

Get a good timeframe to complete ready

Sally Katz (+1 (203) 430-0400)

11:48:13

Sure.

+1 (860) 819-9601

11:48:15

And fire truck

Sally Katz (+1 (203) 430-0400)

11:48:46

Replacing all of the fore heads and doing systems testing next week in 1 day. Then it's Sheetrock and paint. Done

11:49:01

I will check with Rich about the fire truck

+1 (860) 819-9601

12:26:48

Is the F350 worth keeping for a backup or is it too far gone

Sally Katz (+1 (203) 430-0400)

12:28:52

No the one we are getting rid of is 2006 (3 yrs past life expectancy) and completely rotted out.

14:59:12

Did you know that Gonzalez from PD isn't coming to the mtg tonight to present the cars

15:01:51

Lead times on vehicles to order is 30+ weeks

+1 (860) 819-9601

15:55:29

Yes

15:55:33

Cars are not on

Sally Katz (+1 (203) 430-0400)

15:55:42

Ok

15:56:41

FYI the price on the agenda form is different than the quoted price. That's because prices went up after CNEF was put in during the budget deliberations. I am covering the cost uptick in my operating budget.

19:06:37

Mtg is on you tube but not on local Access

19:13:58

Just came on

19:17:08

Stumps get grounded separately

13:06:55

Who do you want the work camp people to talk to regarding using the high school. They wanted to do a site visit and to discuss your concerns, comments, barriers etc

Sally Katz (+1 (203) 430-0400)

13:07:53

It has to be me, Emmett and Paul.

+1 (860) 819-9601

13:08:16

Ok. Who should they reach out to first? You?

Sally Katz (+1 (203) 430-0400)

13:09:08

Sure

13:09:35

Can I get through this summer and the start of school first?

Friday, August 6, 2021

Sally Katz (+1 (203) 430-0400)

17:47:42

Do not sign anything for mops.

17:48:06

We made large orders for trash bags, paper towels and toilet paper only

+1 (860) 819-9601

19:27:09

Already did thought

19:27:12

Though

Sally Katz (+1 (203) 430-0400)

19:50:18

Ok so we have to retract

+1 (860) 819-9601

19:50:57

I emailed Julie and Mike to stop it

Sally Katz (+1 (203) 430-0400)

19:51:59

Thanks, have a good weekend

Tuesday, August 10, 2021

09:06:27

I need you to please go into the FEMA grants portal and sign off on our application TODAY !! Pls pls your sign off completes the request and we should get our money soon.

+1 (860) 819-9601

09:17:43

I feel like I've done this a few times hahaha

09:19:11

There are 2 in there

09:19:14

Which one?

09:19:20

4500 or 4580

Sally Katz (+1 (203) 430-0400)

09:19:54

4580

Sally Katz (+1 (203) 430-0400)

09:15:46

Docks were power washed at the Cove

+1 (860) 819-9601

09:54:06

After our hero already did 😊

Sally Katz (+1 (203) 430-0400)

09:54:54

Every Batman needs a Robin

17:35:58

Power washer crapped out. Will get docks finished by Fri so we don't have to hear it I've the wknd

18:31:54

Sort of like Julie McCoy your cruise director

Thursday, August 12, 2021

Sally Katz (+1 (203) 430-0400)

09:02:23

I sent you and Mike O'Neil an email regarding Highcrest roofs

09:02:49

I really want to be able to get the worst one done now (or as soon as Council can meet to sign off)

17:17:21

Can you let me back in

Friday, August 13, 2021

Sally Katz (+1 (203) 430-0400)

09:16:01

Docks are all cleaned & ready for the wknd. Now Captain Annoying can shut up

09:27:53

I confirmed this morning with the roofer that if we get Council approval they can replace 1 of the Highcrest roofs (the one that's leaking badly) before the start of school.

Saturday, August 14, 2021

+1 (860) 819-9601

08:43:29

By when do they need the approval so I can figure out meeting date

Sally Katz (+1 (203) 430-0400)

08:44:36

As soon as you can get a mtg together. School starts on the 2nd and they need 5 days We would like to start on mon 23 rd

08:45:05

Do you think they will hesitate? If not we can give Imperial a letter of intent

08:45:37

The money is there since we didn't spend the 20-21 appropriation

+1 (860) 819-9601

08:46:30

No, just trying to decide when to do a special meeting based off of what I have going on

Sally Katz (+1 (203) 430-0400)

11:52:45

Pls call me. Sat at 11:50 am

Monday, August 16, 2021

+1 (860) 819-9601

14:20:05

Also I'm good with time off

Sally Katz (+1 (203) 430-0400)

14:20:21

Thx

Wednesday, August 18, 2021

Sally Katz (+1 (203) 430-0400)

14:15:38

Let's not get crazy. We don't have a big budget to deal with these lights

+1 (860) 819-9601

14:16:19

Who are these people

Sally Katz (+1 (203) 430-0400)

14:16:32

I'm guessing from the State

+1 (860) 819-9601

14:16:33

Are they state

Sally Katz (+1 (203) 430-0400)

14:16:44

They talked about taking with Fonfara

14:17:10

Why would we go decorative poles. They are nightmares

14:17:39

And we don't have the money to maintain long term. Pretty for the ribbon cutting then becomes our nightmare

+1 (860) 819-9601

14:17:51

Are we responsible to maintain

Sally Katz (+1 (203) 430-0400)

14:17:54

Yes

14:18:12

Introducing another post top just in this area is ridiculous

+1 (860) 819-9601

14:18:20

I just texted Derrick make it match either SD or Main and then we can use the same inventory of shit breaks

Sally Katz (+1 (203) 430-0400)

14:18:51

Let's just stay cobrahead why get fancy in an area that you know it's going to get vandalized

14:19:16

Remember they don't make the ones we have any more

14:19:26

That's part of the problem with decorative lights

14:19:33

They stop making them

15:17:15

Is Council going to convene a special meeting?

+1 (860) 819-9601

15:19:30

We are potentially 23rd or 24th

Friday, August 20, 2021

Sally Katz (+1 (203) 430-0400)

09:23:37

Did you promise Derrick a vehicle? He seems to think it's his when the new one comes in. I think we have to see what the Town's needs are when we finally see the new cars before making any promises. If between now and then PD has other car die no cars may be available for repurposing.

+1 (860) 819-9601

09:26:38

I made no promises to anyone but generically said to he and Steve that we'll evaluate what comes off line and rotate as we can.

Sally Katz (+1 (203) 430-0400)

09:27:24

OK thanks for the info because he does often ask/tell me about getting a vehicle. Maybe next year he can add it again to CNEF

09:27:46

We tried to get him a vehicle 2 years ago but he kept rejecting the options

+1 (860) 819-9601

09:31:50

Yes that was weird

09:31:57

I will speak to him about that

09:32:35

My opinion is he needs one and so does Steve. We need to ditch those CNG ASAP and need a plan to circulate stuff

Sally Katz (+1 (203) 430-0400)

09:35:38

100 agree

09:36:00

Maybe we can get EV incentives for cars

09:36:06

That makes sense

09:36:35

The cars ain't cheap but it will make the Dems happy

09:37:00

Ford is also starting to make pickup electric trucks

+1 (860) 819-9601

09:40:32

Hahaha

Sally Katz (+1 (203) 430-0400)

09:43:14

I can probably get SUVs used like Derricks for less than \$30k. That way it doesn't have to go to Council

09:43:37

Not big enough for heavy equipment but would work for his site engineers and Steve

+1 (860) 819-9601

18:07:16

So here's an interesting dilemma. We have a friend who somehow got their volleyball stuck on the roof at Webb. I doubt anyone is working but figured I would ask haha...I'm debating just telling him to climb up there and get it. Frankly, if I wasn't going to

yard goats game for my son's 16th birthday, I would just climb up and get it.

Sally Katz (+1 (203) 430-0400)

18:07:31

Hold on let me see

18:08:19

Sorry we don't have anyone working

18:08:23

There tonight

+1 (860) 819-9601

18:08:44

I suppose I could just climb up and getting it tomorrow. Cops used to like me

Sally Katz (+1 (203) 430-0400)

18:08:51

If it's still there on Monday (and hasn't blown over into Glastonbury we will get it to you

18:09:06

I can neither confirm or deny what you do

+1 (860) 819-9601

18:09:10

Again it's strange. Can I get in trouble for climbing on the roof of a building when I'm the town manager? I feel like I can't.

18:09:17

Exactly

Sally Katz (+1 (203) 430-0400)

18:09:19

No it's your right

18:09:37

You can always say you were doing an inspection

+1 (860) 819-9601

18:09:45

Hahaha

Sally Katz (+1 (203) 430-0400)

18:09:58

But I'd you get hurt I will have your back with Claudia

18:10:07

If you get hurt

18:10:16

What's your gut about the storm coming ?

+1 (860) 819-9601

18:10:40

I haven't been paying attention. I'm saying 4 inches of rain and nothing too terrible

Sally Katz (+1 (203) 430-0400)

18:10:55

I'm really sorry about the Council agenda. I really thought I had it right. I suck

+1 (860) 819-9601

18:11:13

I was just in a pissy mood. Having a fight with them about the mask mandate

Sally Katz (+1 (203) 430-0400)

18:11:18

Ah

18:12:02

I will say that everywhere I went today there were signs up to wear a mask. I was in New Haven, East Haven, Hamden & Madison

18:12:19

People just need to suck it up and put the mask back on. End of story

Saturday, August 21, 2021

Sally Katz (+1 (203) 430-0400)

08:26:46

Crews are coming in today to take down the flags along Main & Silas along with working at the stockpile to clear space for brush

+1 (860) 819-9601

08:27:59

Unbelievable that we may be seeing hurricane. Aren't we just over a year from the last tropical storm? I've been up since six as I went to pick up a generator From my buddies storage unit.

08:28:04

Buddy's

Sally Katz (+1 (203) 430-0400)

08:28:25

This really sucks

08:28:40

I'm getting apprehensive about the wind reports

+1 (860) 819-9601

08:28:52

Gonna be fun after they cut your OT budget.

Sally Katz (+1 (203) 430-0400)

08:28:57

I may take my dogs and go live at Physical Services

+1 (860) 819-9601

08:29:04

Hahaha

Sally Katz (+1 (203) 430-0400)

08:29:15

Yeah see if they left it alone we wouldn't have this problem

+1 (860) 819-9601

08:29:49

I mean obviously we're gonna pay for the work that needs to get done. But, at the end of the year I just don't have as much money left over. It was interesting to see even Tom's face when he realized that.

Sally Katz (+1 (203) 430-0400)

08:35:00

Yeah too bad it's taken him 2 years to figure out that running a Town where you can't account for Mother Nature isn't easy

+1 (860) 819-9601

08:36:25

Or protests

08:36:31

Or arbitration's

Sally Katz (+1 (203) 430-0400)

08:37:06

Exactly. Running a government is hard due to unknowns when budgets are being put together

+1 (860) 819-9601

09:57:48

Don't forget to put buckets out at Highcrest to catch the water

Sally Katz (+1 (203) 430-0400)

10:00:41

Yup

16:32:41

I have to leave the meeting

Sunday, August 22, 2021

Sally Katz (+1 (203) 430-0400)

16:50:33

Rich is sending the guys home at 6

+1 (860) 819-9601

16:55:05

20:08:29

Can you make sure we clarify the bid for tomorrow why form said 118 and bid said 114. I don't care if it is 118k because contingency was included or it was meant to say up to 118k

20:08:35

But we need to explain

Sally Katz (+1 (203) 430-0400)

20:09:36

Certainly. It was my typing error when I made the Council agenda paperwork. I will show the sheet from Imperial

+1 (860) 819-9601

20:09:58

Hey at least it's cheaper!!! Hahaha

Sally Katz (+1 (203) 430-0400)

20:10:28

It still annoys me when I screw up something so simple but something so public

+1 (860) 819-9601

20:10:50

Well with this crowd it makes it tough

Sally Katz (+1 (203) 430-0400)

20:11:18

Fall on my sword up front then move on to what is important

+1 (860) 819-9601

20:11:23

And I just didn't have time to wait and or scrutinize. Too much going on.

20:11:44

It's a shame because it's really insignificant in the grand scheme of things

Sally Katz (+1 (203) 430-0400)

20:12:53

Yes it is and hopefully it won't be something they pick on. I know Emmett was talking to Chuck Carey who was talking to the Mayor to make sure there isn't an issue with getting it passed

+1 (860) 819-9601

20:13:56

Oh it'll pass. It's just stupidity and grand standing

Sally Katz (+1 (203) 430-0400)

20:14:25

Oh the joy of working in Wethersfield!

20:14:39

That's ok this storm was expensive

20:14:44

Double time

20:14:52

But happy it went east

+1 (860) 819-9601

20:14:56

Me too

20:15:15

Good thing Council wasn't able to cut OT by 25%

Sally Katz (+1 (203) 430-0400)

20:15:49

Yeah I can hardly wait for winter

Monday, August 23, 2021

Sally Katz (+1 (203) 430-0400)

10:52:29

Sally Katz/attachment6.jpeg

10:52:29

Both would work for Engineering

11:18:11

The PD quote for vehicles was from feb. is it still

accurate? Our truck went up in price so I wouldn't be surprised if PD vehicles did too

+1 (860) 819-9601

11:20:57

Don't know. Can you have someone check

Sally Katz (+1 (203) 430-0400)

11:32:15

If I can't get a hold of Luis what is the Superintendents phone and full name

+1 (860) 819-9601

11:38:27

Tom Davoren

11:38:35

2971?

Sally Katz (+1 (203) 430-0400)

11:49:24

Did you know that Gonzalez is on vacation and Tom didn't know that he put in for vehicles to be voted on tonight

11:49:34

I asked Tom to check the prices

15:14:44

I talked to Tom and he was going to check into it. He said he didn't know that Council was taking it up tonight. If Luis is in vacay who is presenting it from the PD?

+1 (860) 819-9601

15:55:54

Did we ever confirm \$114 v \$118

Sally Katz (+1 (203) 430-0400)

16:04:49

Yes

+1 (860) 819-9601

16:05:20

So it is

Sally Katz (+1 (203) 430-0400)

16:05:31

The bid sheet is correct

16:05:46

The PD cars concerns me

16:39:18

I will call you right back

19:31:29

Did you just throw me under the bus?

19:32:54

***If the cars are more the PD have funds they can tap into
and bury it under accessory equipment***

19:33:55

I'm not mad

+1 (860) 819-9601

19:34:10

Hahaha

19:34:11

No

19:34:23

It was about police enforcement

Sally Katz (+1 (203) 430-0400)

19:34:30

Got it

20:46:09

***Can I wear a T-shirt that says "I wear wear a mask
because I want to protect my health tans yours - you
stupid ignorant fools"***

Tuesday, August 24, 2021

Sally Katz (+1 (203) 430-0400)

10:20:18

***Big article in Courant today about West Hartford
restaurants pivoting tot he mask mandate. Basically***

dealing with it

+1 (860) 819-9601

16:16:08

How much revenue do we lose if the mayor wants to do free drop off for brush

Sally Katz (+1 (203) 430-0400)

16:17:07

**I will have to look at a busy Saturday. We don't have a way of separating out
Cost of brush v general bulky waste**

16:33:21

Between the cost of an extra attendant and the cost of hauling brush/branches to the stockpile it costs the town @\$2500

16:34:33

Totally not worth it for this storm

+1 (860) 819-9601

16:34:39

Lost revenue

Sally Katz (+1 (203) 430-0400)

16:35:22

Yeah being nice costs us money. We have to pay people to work and haul during the day because of the volume

16:35:27

Then we have to get rid of it

Thursday, August 26, 2021

Sally Katz (+1 (203) 430-0400)

18:00:38

Thank you for being the adult in the room and moving forward with the mask mandate. Sometimes you have to take over and not let the kids touch the flames

Tuesday, August 31, 2021

+1 (860) 819-9601

15:37:47

How's the Highcrest roof? Tarped for the storm

Sally Katz (+1 (203) 430-0400)

16:13:15

The patch they did is holding. There was a small leak in the portable. That's been fixed. Emmett has been prepped that if we get 4" of rain he may be opening schools with trash cans in hallways. We've also spent \$\$ on dehumidifiers for classrooms to deal with mold

+1 (860) 819-9601

16:38:53

I'm just waiting for something to go wrong

Sally Katz (+1 (203) 430-0400)

16:40:13

Something will. We have already had mold in one of the Highcrest portables. It was killed and cleaned as per DPH guidance. I'm at Home Depot every day buying dehumidifiers

16:41:00

I heard Cheshire already had to close a school because of mold. It's been too wet and schools don't have great AC.

16:41:10

If it's not COVID it's mold !!

16:41:39

Good news is that DPH has given us a thumbs up for the way we have handled each issue

+1 (860) 819-9601

13:51:08

Of course////why wouldn't you?!

Sally Katz (+1 (203) 430-0400)

13:51:44

Cheryl called and said you wanted to see me. The last time my boss told me to come up to talk to him I got outsourced

13:51:59

Once bitten ...

+1 (860) 819-9601

14:01:59

You're fine. Hahaha

Sally Katz (+1 (203) 430-0400)

14:02:59

OK good I will stop packing up my office 😊. C U at 2:30

+1 (860) 819-9601

Sally Katz (+1 (203) 430-0400)

14:19:19

No I'm good. Thanks

16:16:22

Did you tell Brook?

16:16:30

She can be the interim

16:16:35

Council likes her

+1 (860) 819-9601

16:16:47

I haven't yet

Sally Katz (+1 (203) 430-0400)

16:17:08

She's not hearing it from me

Thursday, September 2, 2021

Sally Katz (+1 (203) 430-0400)

13:12:57

FYI everyone knows about you leaving. People came and asked me if I knew

+1 (860) 819-9601

13:16:30

Figured it wouldn't take long

18:27:05

We closed fields in town?!?!

Sally Katz (+1 (203) 430-0400)

18:28:03

Yeah they were under water

18:29:40

And the Millwoods beach is basically in the pond

19:01:21

Rachel and Alan made that call at like 9 am. We're parents not told?

+1 (860) 819-9601

19:05:43

Town manager wasn't!!! Hahah...my kids told me

Sally Katz (+1 (203) 430-0400)

19:07:53

Sorry I thought Rachel sent out a blast email

19:08:15

The fields truly are a mess

Sally Katz (+1 (203) 430-0400)

12:16:59

No. Cash or check only

12:17:11

No laughing it's a legit question

13:26:19

He is last on the list. I have no problem working with Fauna to maybe shuffle around Bobby and/or Mike to use her vehicle which has been sitting there.

Sally Katz (+1 (203) 430-0400)

13:27:42

I will respond that currently there aren't any vehicles and that he needs to discuss with you the reallocation of use of current vehicles. Does that work?

+1 (860) 819-9601

13:28:53

Yes. If you could add that you and I have discussed this previously and that a vehicle for both the sidewalk inspector and the PT FM have come up...that would be helpful

Sally Katz (+1 (203) 430-0400)

13:29:04

Will do

+1 (860) 819-9601

13:29:07

I have asked Fauna if we can use hers

Sally Katz (+1 (203) 430-0400)

13:29:22

What about the Transit can that sits in the parking lot

13:29:30

Transit van

+1 (860) 819-9601

13:29:35

I like can better

Sally Katz (+1 (203) 430-0400)

13:29:39

Me too

+1 (860) 819-9601

13:29:42

It's more like a box

Sally Katz (+1 (203) 430-0400)

13:29:58

Is it true that the sidewalk inspector is taking the vehicle home?

+1 (860) 819-9601

13:30:06

I think we could put lights on it and give it to Derrick or your BOE person hahah

13:30:17

I don't know if he's taking it home?

Sally Katz (+1 (203) 430-0400)

13:30:17

If so that's kind of unprecedented except for FD & PD

13:30:26

Ok

+1 (860) 819-9601

13:30:35

He is FD but shouldn't be bringing it home

Sally Katz (+1 (203) 430-0400)

13:30:36

Of course it was the first thing Heather asked me

+1 (860) 819-9601

13:30:49

He does not have permission to bring it home

13:30:59

Can you confirm with Rich or want me to do it

Sally Katz (+1 (203) 430-0400)

13:31:33

Since you gave him the permission to use it you can remind him that it's an "at work" vehicle only

+1 (860) 819-9601

13:33:02

Who gave him permission? He just took it. Anthony was being an asshole

Sally Katz (+1 (203) 430-0400)

13:33:14

Anthony is really pushing the limits into I subordination

13:33:47

If Robert just took it how did he get the keys? Did Mike give them to him?

+1 (860) 819-9601

13:34:14

I believe he is somehow responsible for the FD fleet and had keys?

Sally Katz (+1 (203) 430-0400)

13:34:19

Ah

+1 (860) 819-9601

13:48:57

Not really what Insaid or wanted

Sally Katz (+1 (203) 430-0400)

13:49:16

You said to talk to Fauna

13:49:45

And that we don't have vehicles to reallocate

13:49:53

It's all true

13:50:23

Fauna's civic and the can-van are the least used cars in the fleet

13:51:42

They are also 9 years old and need to be driven or we are going to be getting rid of them in a few years with almost no mileage

Wednesday, September 15, 2021

Sally Katz (+1 (203) 430-0400)

08:02:57

I wonder if the Council will take to heart that Bloomfield is paying their new TM \$170,000

+1 (860) 819-9601

08:24:16

I believe they are

08:24:25

Mother fuckers.

Sally Katz (+1 (203) 430-0400)

08:25:46

Seriously

14:07:09

We have a 2010 Crown Vic getting ready to go to auction. If you get Council to allow us to add to the fleet do you want to give it to Engineering? It's old and has almost 100,000 miles but if they must have one we can try.

14:21:57

The auction is happening in Oct. the cars are seriously

crap but in a pinch it could work.

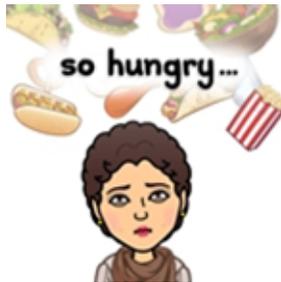

14:22:09

Did you discuss the fire vehicle with Rich?

14:22:22

The one Anthony wrote about

14:44:58

In NY, car got towed, says my registration is expired, I checked online it says due to delinquent taxes. I paid all my taxes, checked online there is no balance due. What do I do??

17:59:06

The people here won't let me take the car without new registration

Stephanie Askelund (+1 (860) 759-0326)

18:04:56

Dania- I think Cheryl is at Pilates and I don't know what the answer is. I called mike Connoly from our pd but he needs to call me back in ten mins. As soon as I can get any answers I will text you. Do you have the receipt from your taxes in the car

18:05:25

Can you show the people on line there is no balance due

Dania (+1 (860) 890-7246)

Cheryl Pearce (+1 (860) 948-8151)

19:08:45

Dania, it will be okay. Do not worry about work. However, the weather is going to be rough tomorrow morning- so be careful. Is there a time limit the car is held?

Dania (+1 (860) 890-7246)

19:09:36

Im not sure, I will call. The last I was working with was really rude and didn't give me a lot of info or assistance.

Cheryl Pearce (+1 (860) 948-8151)

19:10:05

Are you guys coming back in the train?

Dania (+1 (860) 890-7246)

19:10:32

We're taking a bus to Hartford. Cheaper than the train

Stephanie Askelund (+1 (860) 759-0326)

From what I know of the process you should go to Town

Hall first to check on tax issue & get any paperwork you need to prove to DMV all is up to date. Bring any payment receipts you have for verification just in case. At least DMV is scheduled to be open tomorrow & the lines should be less due to the weather 🙏

Since car in more than one name I believe every person on registration must be up to date - there could be some mistake. Hoping it will get resolved quickly for you! Call if you need anything.

Cheryl Pearce (+1 (860) 948-8151)

14:10:02

Just a scheduling request - All of Owens lacrosse games are at 4:00 regardless of location. When he has home games or nearby away games I hope to take my lunch the last hour of the day to try to see them. Of course, the office schedule will dictate whether that is possible. Just wanted to give you each a heads up. The first is Tuesday so my goal would be to leave at 3:30 if all is ok with office coverage & the negotiations have finished.

14:59:21

FYI- We received a Certified P.O. app today.

Stephanie Askelund (+1 (860) 759-0326)

17:50:23

Cheryl I'm fine with your plan- Owens games are a priority!! Thank you for your considerations for the office and ALL you do !!!

Stephanie Askelund (+1 (860) 759-0326)

18:49:07

May 6 is his official last day. Apparently he put in to use vacation time from now til then but may come in to work a pj. (I'm biting my tongue). No talk of retirement party. There was a pizza lunch for him today. We do need to order a plaque

08:51:16

I forgot completely about that debacle

Cheryl Pearce (+1 (860) 948-8151)

08:53:15

Regarding the screen stand - do you want it returned?

I will call WBMason ASAP if you do.

Derrick also suggested a TV screen on the wall for viewing if that appeals to you.

+1 (860) 819-9601

08:54:56

Find out how long I can use it for before it can't be returned: I'll give it a couple days to see if I can get any benefit. For tv, you Meaning to watch the

news and stuff?

Cheryl Pearce (+1 (860) 948-8151)

09:00:10

They can have your computer feed to the TV just like a monitor

+1 (860) 819-9601

09:00:49

So I wouldn't have to spin the monitors around?

09:01:30

Interesting, although it seems more financially palatable to just get the correct monitor arms

Cheryl Pearce (+1 (860) 948-8151)

09:28:12

Correct On the spinning but would need a TV or monitor for the wall. Derrick & I discussed a few options that we can go over when you get here if you'd like.

I will contact our sales rep now

Stephanie Askelund (+1 (860) 759-0326)

11:56:36

11:24:52

Laughed at "That couldn't of happened at 9 o'clock this morning?!"

+1 (860) 819-9601

11:25:17

Let everyone know that I'm still in there and I've died of carbon monoxide poisoning. I'm taking the small amount of life insurance from that policy and my other policies and I'm out of here.

Cheryl Pearce (+1 (860) 948-8151)

11:25:23

I think it may be the library elevator but not sure

+1 (860) 819-9601

11:25:52

Damn it Brook. Ironic that her caller ID says elevator - how do we know if she's trapped?

Cheryl Pearce (+1 (860) 948-8151)

+1 (860) 819-9601

11:30:51

The fire trucks just rode by me hell, I put my thumb out as a hitchhiker but they didn't stop to pick me up. Can we fire volunteers?

Stephanie Askelund (+1 (860) 759-0326)

11:31:30

Yep. We will fire them... fire them all!!

+1 (860) 819-9601

Cheryl Pearce (+1 (860) 948-8151)

15:30:57

Nope

+1 (860) 819-9601

18:26:07

You're not gonna believe this, I brought home the police radio so I could hear what's going on. They just called out Carmen Saez's name saying that her daughters son is calling to threaten to harm her kids.

18:26:33

Do you think it's just a ploy to get them to come to speed control

Cheryl Pearce (+1 (860) 948-8151)

18:27:48

Ha - she has been pretty patient about that of late

Stephanie Askelund (+1 (860) 759-0326)

18:27:55

I think she is mentally unstable and her family may be as well!!! I don't think it's a ploy for speed control

Cheryl Pearce (+1 (860) 948-8151)

18:28:49

And I think she is actually internalizing this police incident to the point it's unhealthy

Stephanie Askelund (+1 (860) 759-0326)

18:29:09

Absolutely!!!

+1 (860) 819-9601

18:36:08

I meant to call her back, but I only had enough patience for one crazy person today. The guy is still emailing me

18:45:44

They are marching to the mayor's house.

Stephanie Askelund (+1 (860) 759-0326)

18:55:09

Are you serious ??? Unbelievable

+1 (860) 819-9601

18:55:23

Yup

Cheryl Pearce (+1 (860) 948-8151)

18:56:26

Omg. This is getting absolutely crazy

+1 (860) 819-9601

18:57:15

They have a right to express their frustration. They just can't go on private property and they shouldn't threaten family.

18:57:27

That being said...holy crap

Cheryl Pearce (+1 (860) 948-8151)

18:58:39

I feel for the Bellos

Stephanie Askelund (+1 (860) 759-0326)

18:58:44

Yep!! On a lighter note... I've increased my diet to include rice cakes!!

19:01:05

Unfortunately I think the news clip of Amy didn't help things

Stephanie Askelund (+1 (860) 759-0326)

18:57:31

My goal this week is to leave 3:30ish Tuesday & Friday for Owens lax games. Of course, it depends on office schedules & whatever else excitement occurs

+1 (860) 819-9601

20:04:49

I plan on trying to not get shot or fired this week.

Cheryl Pearce (+1 (860) 948-8151)

20:05:59

Ah, those are good goals. Rough weekend?

Stephanie Askelund (+1 (860) 759-0326)

20:14:45

This weekend went by way too fast....

Cheryl Pearce (+1 (860) 948-8151)

20:15:44

I spent 5 1/2 hours of it in a movie theater 🤩. Saw Captain Marvel & Endgame!

+1 (860) 819-9601

20:15:59

Both?!?!

Cheryl Pearce (+1 (860) 948-8151)

20:19:27

Yep. 5 1/2 hours I meant. Had to have seen all before Endgame. We are big Marvel fans

Tuesday, May 7, 2019

Cheryl Pearce (+1 (860) 948-8151)

17:18:53

Stephanie, WBMason will be at our office about 9:00.

Stephanie Askelund (+1 (860) 759-0326)

17:24:08

O

Cheryl Pearce (+1 (860) 948-8151)

17:25:13

I spoke with Thomas and I have emailed Shamane telling the guys from physical services to be there at 8:15

Stephanie Askelund (+1 (860) 759-0326)

17:26:46

Ok. I'll try to get in early to empty my desk. Then we just have to contend with the computers bit will take a bit

for an to unload and unpack.

+1 (860) 819-9601

17:27:33

Or we could tell Tom to take his head out of his ass and understand that were the customer and he needs to be better at communicating with us.

Cheryl Pearce (+1 (860) 948-8151)

17:27:50

I will try to get in early too

+1 (860) 819-9601

17:28:25

Why are we operating around their schedule?! Guys we work so hard to please everyone else... Is there any reason why we can't ask someone to provide us the same level of service that we give out?

17:28:41

And I'm not saying we have to be mean to Tom, I'm just saying we need to say sorry that doesn't work for us.

17:28:59

We are spending an incredible amount of money on stuff from him. Let's make them work for it.

Stephanie Askelund (+1 (860) 759-0326)

17:29:30

You are right. Cher. I will get back to you

Cheryl Pearce (+1 (860) 948-8151)

17:29:57

So funny story - his kid plays lax with my kid so we just spent time together at the game.

He did tell me if that is too early they could wait or go to Newington first. I want them there & ready when we are ready I am thought.

17:30:16

Plus for our guys the earlier the better

17:31:22

Is my thought (is what I meant)

17:31:47

Physical services would come in right at 6:30 if we let them

17:35:52

And I don't want Stephanie to be without a desk for long

+1 (860) 819-9601

17:41:17

OK, I will butt out but I'm just saying for the record that you guys don't have to do a fire drill for everyone else in these types of situations. Those opportunities are few and far between so feel free to take your control.

18:05:08

Cheryl, what type of nuts do you get...lightly salted?

18:05:15

Or roasted salted

Cheryl Pearce (+1 (860) 948-8151)

18:56:02

Sorry just seeing this. I feel like the desk moving is going to come together beat if all in the morning.

I cannot remember in the almonds. Don't worry about it.

I was willing to share!

Just looking over the calendar this week - I would like to try to leave work about 3:45 Mon & Wed for lax games. Monday is most important. Then on Thursday, I have to take Owen to get his braces off. Dania will be in to cover so no worries there.

Sorry to bother you on the weekend, it's my calendar update time 😊

Cheryl Pearce (+1 (860) 948-8151)

08:07:30

Ok

+1 (860) 819-9601

08:26:04

Per usual Cheryl, you are in charge. I will be there shortly, Josh forgot something at home so I just had to pull u turn

Cheryl Pearce (+1 (860) 948-8151)

08:31:14

Dad saves the day!

17:56:08

Agenda is posted

+1 (860) 819-9601

17:56:51

17:56:54

Stephanie Askelund (+1 (860) 759-0326)

18:02:15

18:04:31

Ugh. I'll keep my mouth shut. No questions

Cheryl Pearce (+1 (860) 948-8151)

13:26:46

I was at lunch & got a call from Owens band trip - he fainted & hit his head pretty hard at a rest stop. He is on his way to a hospital in Maryland. Damon & I need to go. Owen is alert & talking but not feeling good at all. Dania is willing to stay until 4:30 today.

+1 (860) 819-9601

13:42:20

Wow, I hope he is ok - please keep us in the loop.

Cheryl Pearce (+1 (860) 948-8151)

15:21:18

Update - he is improving with IV fluids Running

bunch of tests to rule out bad stuff. Not thinking concussion at this point. Probably combo of dehydration & motion sickness.

Stephanie Askelund (+1 (860) 759-0326)

15:21:58

Good news! Are you in your way?

Cheryl Pearce (+1 (860) 948-8151)

15:23:16

Yes, at Danbury. Of course I want my kid to be ok but if we make this trip to Maryland in this traffic to have him be fully released to rejoin the trip I may be slightly annoyed

Stephanie Askelund (+1 (860) 759-0326)

15:24:58

Would you let him continue on the trip?

Cheryl Pearce (+1 (860) 948-8151)

15:27:43

Probably if complete clearance from docs. We may just continue to DC if that is the case since now Damon wants to do his run on the Mall tomorrow 😊 And parent nearby might be a good thing too

15:28:36

Gary - did you get the info from Marlene on my desk? Regarding George Savin property?

+1 (860) 819-9601

16:19:58

Yep. All set. Listen, if you wanted to go to DC for the weekend, I would have let you go. Owen didn't have to go through all this stuff just so you could have time off

Cheryl Pearce (+1 (860) 948-8151)

16:22:03

Yep my ulterior motive 😊

We just love all this traffic. 🤔

Stephanie Askelund (+1 (860) 759-0326)

16:33:56

I'm gonna make like a sheep and get the flock outa here

Cheryl Pearce (+1 (860) 948-8151)

16:35:25

Laughed at "I'm gonna make like a sheep and get the flock outa here"

17:31:32

So he has been cleared for full return to the trip. 😊

17:34:30

So i took some unexpected vacation time for a 6 hr car ride to nowhere & back. Kids!!

+1 (860) 819-9601

18:08:30

Don't come back so quickly

Cheryl Pearce (+1 (860) 948-8151)

18:09:05

Stopped for dinner

Stephanie Askelund (+1 (860) 759-0326)

20:50:50

Great news!!!

Wednesday, May 22, 2019

Cheryl Pearce (+1 (860) 948-8151)

19:53:53

It's a concussion. 😞

+1 (860) 819-9601

19:54:21

Oh no!!!

Cheryl Pearce (+1 (860) 948-8151)

19:55:30

Haven't seen him yet but out of school rest of week then some 1/2 days after long weekend. But, it could be worse so we will stay positive!

Stephanie Askelund (+1 (860) 759-0326)

21:54:23

Sorry to text so late. I just wanted to let you know that my plan is to come in for 1:00 tomorrow. The dr prescribed different muscle relaxers but then they never called them in to the pharmacy today 🙄 so the pain is still bad.

+1 (860) 819-9601

21:57:27

Jesus

21:57:43

Ok. There has to be a better option

21:58:56

Owen get anything good for the pain? Maybe he could share with Stephanie.

Stephanie Askelund (+1 (860) 759-0326)

21:59:34

Lol. I need it!!!

Cheryl Pearce (+1 (860) 948-8151)

22:20:58

**Oh Stephanie - call that dr first thing in the am!
Damon forgot to ask about meds for Owen 😬. He gave him Tylenol. I think that is ok**

+1 (860) 819-9601

22:24:03

As a Jew, I am qualified to provide both legal, medical and dental advice. Tylenol is fine

22:24:16

I can also provide financial advice

22:24:29

Mostly related to tax law

13:34:59

I've been fielding emails all am

Cheryl Pearce (+1 (860) 948-8151)

13:37:15

This was Facebook but very few saw it.

13:41:32

Nobody knew about the meeting. We never got any notice & it would normally go on our website calendar

+1 (860) 819-9601

14:30:11

Was it an illegal meeting?

14:30:25

Also, I got held up in the hallway, I'll be about 5 min late

Cheryl Pearce (+1 (860) 948-8151)

17:04:35

Laughed at "Was it an illegal meeting?"

17:30:36

Over \$500,000 being handed out at Nee Britain scholarship dinner tonight. Amazing.

Cheryl Pearce (+1 (860) 948-8151)

14:41:25

Hi Stephanie! Hope you are having a blast! I have one quick question - do you mind if I ask the Chief to complete a Background on another Physical Services Seasonal? The hiring packet just arrived

Friday, May 31, 2019

Cheryl Pearce (+1 (860) 948-8151)

14:34:57

**Stephanie,
So sorry to bother you!
We just received an email with insurance rates. Do you want them posted & emailed or just wait until you get back?**

+1 (860) 819-9601

14:35:55

I hope she is day drinking. In which case, I look forward to her response.

+1 (860) 819-9601

Stephanie Askelund (+1 (860) 759-0326)

13:49:33

No. Not that I saw

Cheryl Pearce (+1 (860) 948-8151)

13:50:30

Ditto what Stephanie said

+1 (860) 819-9601

13:51:10

I'm not sure if I'm happy or offended that no one's looking that way?! 😊

Stephanie Askelund (+1 (860) 759-0326)

13:51:38

Totally and completely laughing out loud

13:51:43

Cheryl Pearce (+1 (860) 948-8151)

13:51:45

Laughed at "I'm not sure if I'm happy or offended that no one's looking that way?! 😊"

+1 (860) 819-9601

19:52:36

Am I without you both tomorrow? How will I know what to do

Cheryl Pearce (+1 (860) 948-8151)

20:02:37

Don't get too excited - I am there until 1:15 😊

+1 (860) 819-9601

20:03:26

Excited? Hell no. It's boring without you two and people need to keep me out of trouble.

Cheryl Pearce (+1 (860) 948-8151)

20:48:24

21:23:09

And Dania will be there until at least 2:00, maybe longer

Friday, June 7, 2019

Cheryl Pearce (+1 (860) 948-8151)

15:55:01

Monday, June 10, 2019

Cheryl Pearce (+1 (860) 948-8151)

21:21:20

I have to drop my parents off at the car rental place at 7:30 am. Hopefully Hartford traffic will be kind so I can get back to the office by 8:00!

+1 (860) 819-9601

21:23:08

OK. I'm not coming in tomorrow because I've decided I hate everyone... Except for you too... And maybe Sally... And Derek, Peter, Steve, Michael Neil, Kathy Bagley... Actually I guess I like our staff. So it must just be the residents I don't like.

Cheryl Pearce (+1 (860) 948-8151)

21:25:55

Our office is the focus of complaints. It can get tiring i know.

+1 (860) 819-9601

21:27:12

It really doesn't bother me. It's in the constitution that we have to deal with it

Stephanie Askelund (+1 (860) 759-0326)

21:34:34

The constitution of Wethersfield must encourage people to complain and demand their issues are our priority. I know what you are thinking but it's in section 1.1. See you guys in the am

Tuesday, June 11, 2019

Stephanie Askelund (+1 (860) 759-0326)

07:41:33

Cheryl. I'm at work. Take your time getting in

I got some really difficult news first thing this morning but a good friend. I got stuck on the phone with his wife and him very obviously running behind. I know we have negotiations. That one outstanding

item will have to just be worked out.

08:20:20

I'll be there in about five minutes.

Wednesday, June 19, 2019

+1 (860) 819-9601

They are both deeper (from wall to front of photo) also

Stephanie Askelund (+1 (860) 759-0326)

14:18:28

I think it's close enough and it's very nice

Cheryl Pearce (+1 (860) 948-8151)

14:18:52

Which do you think is better ?

Stephanie Askelund (+1 (860) 759-0326)

14:19:19

The second one

Cheryl Pearce (+1 (860) 948-8151)

14:20:27

Agreed

+1 (860) 819-9601

16:59:06

Second

16:59:29

Also, do we buy 2 since we know that we have another set coming? At least 2 will match?

Cheryl Pearce (+1 (860) 948-8151)

17:30:46

Well the size (width) can vary depending on how many Councils the Mayor presides over. I can ask about that option tomorrow since I have to go back to finalize with the Town credit card.

We had sushi

+1 (860) 819-9601

18:21:01

18:21:47

So chances are we did that with maybe gyoza (pork dumpling) or Shumai (shrimp dumpling)

Cheryl Pearce (+1 (860) 948-8151)

Did we try the super girl sushi

I may take the rest of the month off.

It absolutely should be followed, just thought it's funny how so many people love that place.

Stephanie Askelund (+1 (860) 759-0326)

07:56:37

So.. last night Remi clawed thru and tore thru the netting on her crate. Then put her head thru the hole and got stuck with the nylon wrapped around her neck. She is ok. I have to go to store which opens st 9 to buy a new crate and get her set up in it. So I will be in after that

07:58:50

Cheryl. Mike Connolly will be by to pick up the laptop in my office

Cheryl Pearce (+1 (860) 948-8151)

08:18:46

Maybe I didn't close it enough?

Cheryl Pearce (+1 (860) 948-8151)

08:22:53

Or cleaning personnel forgot to close? We could watch video but that is a really long process - all appears

untouched as far as I can tell

13:39:12

***Thought I would update you on my sister. The cancer has spread considerably since a couple of weeks ago so the immunotherapy did not work. There is one last ditch chemo effort they are considering but it would most likely only lengthen survival by maybe a month. Things are very bleak & they are sitting down with their kids this afternoon to discuss. Without the chemo things could move quickly - maybe weeks I guess.
A positive is they made it to Taggert's game last night. The team lost & Taggert suffered a concussion but so thankful Brenda could be there.
It is very difficult to talk about so my plan is to stay focused on work while at work but am fine discussing via text.***

Stephanie Askelund (+1 (860) 759-0326)

13:43:36

Oh Cheryl- I am so saddened to hear this. If there is anything I can do please let me know. I'm here if you ever need to talk. I won't bring up st work but know you are all in my thoughts and prayers

Cheryl Pearce (+1 (860) 948-8151)

13:50:09

Thanks! The tears flow at a moments notice. I have not shared with Gary but maybe I will share the text.

13:53:43

Oh good - sharing some.

15:49:19

Maybe for Thursday afternoon - maybe after EDIC?

Stephanie Askelund (+1 (860) 759-0326)

15:50:57

Sounds good to me. Should we pitch in and get her a gift card? Alta? Marshall's?

Cheryl Pearce (+1 (860) 948-8151)

18:23:03

I did not email the times for the Kycia consultants presentations since I wasn't sure of location. My suggestion is move oral panel downstairs & use Chambers. You would have Chambers until BOE starts arriving - might have to relocate to another room if further discussions needed. How does that sound?

18:32:07

If that works I will send out info first thing in morning

+1 (860) 819-9601

18:32:27

We should be done by 5:30, 5:45 at latest. I'm at library so don't have book in front of me....

Cheryl Pearce (+1 (860) 948-8151)

+1 (860) 819-9601

21:45:32

Stephanie Askelund (+1 (860) 759-0326)

07:01:08

Cheryl Pearce (+1 (860) 948-8151)

Headache is horrible. I believe it's just a migraine. But taking all precautions here. You should take all precautions with my desk. The pension documents that have to be signed today or on my desk. They then need to go to Rebecca's inbox.

12:34:07

Stephanie, Mark Mahder is supposed to be calling to pick up the fire fighter paperwork. That is also on my desk. However I have not sorted through what needs to have copies made for us and or payroll.

14:13:47

Meds are working. I may try to come in a little later if you are comfortable with that. If not I completely understand

+1 (860) 819-9601

14:17:29

Stay home turkey

Cheryl Pearce (+1 (860) 948-8151)

14:26:00

Will do. Seems clearly a migraine - exactly how they happen for me - but I get it. If you think I should stay home longer I am willing to work from home. But all equipment is at work 😞

Am aside My cousin in MN has COVID. She has been staying with her dad and he just came down with it and is very ill.

20:51:26

Am I ok to work tomorrow. Headache is much improved - just the sensitive eye issue left but that's pretty standard with a migraine. No fever or any other symptoms

+1 (860) 819-9601

21:07:48

No other symptoms? I'm ok with what you want to do. We never discussed our group. But let me be clear, I expect each of you to communicate what you feel is best. I trust neither of you will slack. If you want to rotate in and out that is fine by me. You want to do 3-2 that's fine. Just let me know.

Cheryl Pearce (+1 (860) 948-8151)

21:10:47

I never had any other symptoms just trying to be 100% open & honest if either of you are worried about me bringing something to the office. This was a classic migraine for me

+1 (860) 819-9601

21:24:22

I'm good if you want to come back. Or we can start the rotation and take Th and F off. Goes for either of you

Cheryl Pearce (+1 (860) 948-8151)

21:48:00

Probably best to discuss with Dania too before implementing? Plus I would need the equipment to work from home. In order for that to work Dania needs a desktop computer installed at her station because my desktop has to be running for me to have remote access - means Dania cannot use my work station. I have discussed with IT and they have a computer for her just need time to get into place.

+1 (860) 819-9601

11:39:37

Funny you should say that, I was just standing in Walmart thinking the same thing. They are just basic Berner phones. When we are done with them, they go away. It may actually cost you more depending upon how many phone calls happen. I'm going to run the numbers though.

09:07:50

I was thinking about that last night - will they remove him?

09:11:01

I keep hearing the Mayor pretty much yelling his name to get him to stop. Which didn't work anyway.

Stephanie Askelund (+1 (860) 759-0326)

09:17:50

Can you hear him drop the f bomb

Hi all,

Just a heads up, Dania just told me she decided to take her previously scheduled trip to Texas. She will be gone June 12-17. Are there any requirements of quarantine for her when she returns? She is dying. We can talk tomorrow but wanted to give you both a heads up.

Dania will be in the office Monday & Tuesday and I will telecommute those days.

Sorry to bother you on your day off but this is time sensitive. The internal custodian position — job as says Custodian II and job description says Custodian I. Is that correct?***

Stephanie Askelund (+1 (860) 759-0326)

09:35:26

Yes. The reason is it's a level II because it is a floater. It essentially igets paid more for having to float to various school and work various shifts

I do see a message from Shamane regarding pool seasonals - are we okay to have them schedule their physicals? The last I heard was last Wed and one of you was going to check the budget numbers and what it includes for seasonal pool support.

If you are asking yourself if I was in a bar fight the answer is no... anyway had very painful migraine all night. Which is gone now. But I did oversleep. So long story.... I'm running late bi know you are probably thinking definitely can't make this shit up. Will explain more when I get in

Stephanie,
Sorry to bother you... did you speak to Trent about the
PT/Seasonal staff and setting up the mandatory training
and DcF form?
So far 2 of the candidates completed both last year so
they should not have to repeat, correct?

Stephanie Askelund (+1 (860) 759-0326)

13:12:16

I think they will have to repeat the training. Do you
want me to text him and copy you. Maybe none of them
have to go thru it

13:18:40

It might be helpful if you at least start the conversation
